MEMORANDUM

TO: Donna J. Brown
Clerk of the Council

FROM: James Hunt, Division Chief 
Development Review Division

SUBJECT: Notification of Recommendation for Certification of Nonconforming Use

Permit Application Number: **35169-2023-U**

Specific Use(s): **Outdoor Advertising Sign (Billboard)**

Location of Property: **3802 38th Street**
Brentwood

Current Zone(s): **U-L-I**

Sign Posting Date: **December 30, 2023**

Reason for Certification: **Certification of existing outdoor advertising signs is required pursuant to Council Bill 84-2016 which requires that applications for the certification of outdoor advertising signs in existence as of January 1, 2002, be filed no later than December 31, 2023. This outdoor advertising sign was erected in 1977.**

This is to advise that the above-captioned permit application relating to certification of a nonconforming use has been reviewed by this office. It has been found to fulfill the requirements of the Zoning Ordinance for administrative certification of the use in question, and no request for the Planning Board to conduct a public hearing was received within the time period specified on the public notice sign. Therefore, we are recommending that the use be certified as nonconforming.

Pursuant to Section 27-244(e) of the Zoning Ordinance (as amended by CB-78-1991), the District Council has the option of reviewing this recommendation, provided it votes to do so within 30 days of receipt of the recommendation. If you advise us that the Council has not elected to review this recommendation after expiration of the 30-day period, we will certify this use as nonconforming and transmit that action to the Department of Environmental Resources, so that the permit may be issued.

Statement of Justification

1. Case Name

NCU -35169-2023

38th Street

2. Description of proposed use/request

Certification of an outdoor advertising sign located at 38th Street, Brentwood, Maryland 20722 (the "Property"), as a nonconforming use.

3. Description and location of the subject property

The Property can be seen off to the right of 38th Street running southeast, approximately 785 feet southeast of the intersection with Rhode Island Avenue running northeast. Specifically, the Property is located on Map 050, Grid A3, and is approximately 0.0690 acres in size. The Property is zoned U-L-I (Urban Light Industrial).

An outdoor advertising structure constructed on three thin metal posts, containing two poster faces one on top of the other on one side, and two poster faces one on top of the other on the other side, is located on the Property. Our documentary evidence demonstrates that the structure has existed on the Property since at least 1977 (1977 aerial photo).

4. Description of each required finding

In accordance with CB-84-2016, the applicant is required to certify the outdoor advertising signs located on the Property. *Section 27-244, Prince George's County Code* (the "Code"). *Section 27-244(d)(2)* of the Code states that "...if satisfactory documentary evidence described in *Section 27-244(b)(2)(E)* is received, the Planning Board's authorized representative shall recommend certification of the use as nonconforming...". The applicant has provided satisfactory documentary evidence in accordance with *Section 27-244(b)(2)(E)*, which shows that the outdoor advertising signs were constructed prior to and have operated continuously since January 1, 2000.

5. Variance requests and required findings for each request

The applicant is not requesting a variance for the Property.

6. Summary/conclusion of request

Because the applicant has provided satisfactory documentary evidence in accordance with Section 27-244(b)(2)(E), the applicant respectfully requests that the Planning Board's authorized representative certify the outdoor advertising signs located on the Property as a nonconforming use in accordance with Section 27-244(d)(2).
