BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

On October 16, 1996, the Planning, Zoning and Economic Development Committee reported CB-16-1996 out with a favorable report. This legislation prohibits the issuance of any new licenses to vendors in the public right-of-way, and includes a sunset provision of two years for all existing vendors. During the consideration of this legislation, the Committee directed that a resolution be drafted requesting that the Economic Development Corporation provide assistance to the vendors in relocating to permanent locations.
