This is a classification bill converting the covered employees (clerical) in DER from the General Salary Schedule "G" to a new Salary Schedule "C".

The Legislative Officer has reviewed this legislation and finds it to be in proper legislative form.

The estimated additional negative fiscal impact on the County as a result of adopting the legislation is \$34,286. The benefits under this agreement for FY 91-92 are the same as those under the General Salary Schedule with no additional fiscal impact for FY 91-92.,

BACKGROUND INFORMATION/FISCAL IMPACT (Includes reason for proposal, as well as any unique statutory requirements)

The Classification Plan is being amended for the purpose of assigning certain existing classes of work to the bargaining unit represented by the AFSCME in accordance with the certification of representation issued by the Prince George's County Public Employee Relations Board in Case Number 16 39 00260 89W. This legislation also accompanies the Collective Bargaining Agreement between Prince George's County and the AFSCME for certain Clerical employees. The fiscal impact will be provided by the Office of Management and Budget.
