Hello, I am writing to express my opposition for the Clean Curb Act. I am aware that county roads do not belong to homeowners. I am seeking a solution for overcrowded neighborhood streets. What are homeowners rights regarding parking? Instead can we pass an act for the amount of cars permissable for one house? Can that Act speak to company vehicles, church vans and work trucks? Can the County suggest a Courtesy Law? Stickers? Parking Permits? What qualifies as certain exclusions? As a Maryland homeowner of almost 26 years, I have only recently encountered the overburden of vehicles and neighbors that will deliberately squeeze all 10 vehicles close to their residence while simultaneously pushing the rest of us to either find parking away from our homes or have placeholders to secure 1 space. Because it is not illegal to park anywhere you want, some residents remove those placeholders and continue to park. It's unfair to hold space. It is unfair to have to hold space. Thank You
