Section 7-516 of the Tax-Property Article of the Annotated Code of Maryland, as amended (the “**Act**”) provides that the County may exempt or partially exempt an Economic Development Project within the meaning of the Act from County real property taxes under certain conditions. The Act also provides that the County may enter into a payment in lieu of taxes agreement or multiple payment in lieu of taxes agreements for different phases of the Economic Development Project.

The Developer is proposing to develop approximately twenty (20) acres of real property comprised of 54 parcels near the intersection of I-495 and MD 210 along Bald Eagle Drive within the corporate limits of the Town of Forest Heights, located in Prince George's County, Maryland as more particularly identified on Exhibit A-1, attached hereto and incorporated herein by reference (collectively, the “**Property**”).

The Developer proposes to develop the Property into a mixed-use project totaling approximately 1,462,956 square feet consisting of multifamily, senior living, grocery, retail, parking structure, and day care components (collectively, the “**Project**”) which is projected to add at least [100 full-time equivalent jobs upon its completion with 51% of such jobs expected to be held by County residents and is expected to have a combined capital investment of equity and debt of approximately \$720,147,331.

The Developer will develop the Project in six (6) separate phases. Each specific phase will consist of certain improvements as more specifically described in Exhibit A-3.

The Developer represents that the Project qualifies as an “economic development project” under the provisions of the Act.

Pursuant to Council Resolution No. _____ adopted on or about _____, the County Council approved the (i) exemption of the Property from County real property taxes; (ii) agreements for payments in lieu of taxes for the Phases of the Project; and (iii) authorized the County Executive to enter into such agreements.

The County is entering into this Agreement for the payment of negotiated amounts in lieu of County real property taxes for the parcels identified in each phase of the Project, provided that the Developer complies with the terms of this Agreement.

Upon reaching an agreement with Developer with respect to the information set forth in the Phase Commencement Notice, the Parties shall execute the Phase Commencement Notice. Subject to Section 3.07 (Conditions for PILOT Applicable to All Phases), the execution and delivery of the Phase Commencement Notice will constitute the Parties agreement that a PILOT will take effect for the Phase on the terms set forth in this Agreement and the Phase Commencement Notice.

Article IV

Section 4.01. PILOT Amount. The Parties agree that, pursuant to the Act and subject to Section 3.05 (Minimum and Maximum Amount of PILOT) and other terms and conditions of this Agreement, the amount of the Payment in Lieu of Taxes (the “**PILOT Amount**”) under this Agreement during the PILOT Term due to the County with respect to a Phase shall be equal to the sum of the Pre-Use and Occupancy Taxes plus the Incremental Tax for such Phase.

Section 4.02. Full Payment. Notwithstanding the PILOT Amount, the Developer shall be obligated to pay the Taxes each and every tax year during the PILOT Term.

Section 4.03. PILOT Refund. In addition to the terms and conditions set forth in this Agreement, any Refund shall be subject to the following:

For each County Tax Year during the PILOT Term for a Phase and subject to the applicable requirements in Section 4.06 (Conditions Precedent for Refunds), the County shall pay to the Developer the Refund for the respective Phase. Notwithstanding anything to the contrary, the Developer acknowledges and agrees that the County shall have no obligation to pay any interests on the applicable Refund for a Phase.

Section 4.04. PILOT Payments Treated as Taxes. All payments due under this Agreement shall be subject to the same interest rate, collection, and tax sale provisions of the applicable Maryland Annotated Code and the applicable Prince George's County Code as for the collection of County real property taxes, except as otherwise expressly set forth in this Agreement.

Section 4.05. Re-institution of Full Payment of Taxes. Each year after the expiration of the PILOT Term for a Phase, the Developer shall, to the extent the Developer, or its Affiliate, is an owner of any Parcel in such Phase, pay all County real property taxes based on the then

current assessed value of such Parcel when due. Upon the expiration of the PILOT Term for a Phase, the County's obligations hereunder with respect to the payment of the applicable Refund for such Phase shall immediately cease.

Section 4.06. Conditions Precedent for Refunds.

(a) Conditions Precedent for Refunds for All Phases. Subject to Section 4.08 (Loss of PILOT Refund), a Refund for any Phase shall not be issued by the County unless, as a condition precedent to issuing such Refunds, the following circumstances have occurred or exist (collectively, “**Conditions Precedent for Refunds for All Phases**”):

In addition to satisfying all the Conditions Precedent for Refunds for All Phases, a Refund for Phases 3 and 4 shall not be issued by the County unless, as a condition precedent to issuing such Refunds, the commercial component of Phases 3 and 4 is built and marketed for lease/condominium for their intended use pursuant to Exhibit A-3.

Section 4.07. Alterations to Substantial Completion Deadline for Phase 3 through Phase 6. The Substantial Completion Date for any of the Phases designated as Phase 3 through Phase 6 may be switched among these Phases, provided that the Developer has timely submitted the respective Phase Commencement Notice for these Phases. For the purposes of clarity and by way of example only, if the Developer elects to switch Phase 3 and Phase 4, then Phase 3 may achieve Substantial Completion on or prior to the Substantial Completion Deadline for Phase 4 as identified on Exhibit A-3, and vice versa, provided that the Developer has timely submitted the Phase Commencement Notice for such Phases in accordance with this Agreement.

Section 4.08. Loss of PILOT Refund.

(a) If the Developer fails to satisfy all the applicable Conditions with respect to any Phase prior to the applicable deadline set forth in Section 6.02 (Deadlines for PILOT

to Take Effect) then the Developer's right to obtain the PILOT and Refunds for such Phase shall cease and be forfeited immediately.

(b) If the Developer's right to obtain the PILOT and Refunds for a particular Phase shall cease and be forfeited pursuant to Section 4.08(a) above, then Developer may continue to pursue a PILOT for the remaining Phases, provided that such Phases remain eligible for a PILOT and the Developer timely satisfies all terms and conditions for a PILOT for such Phases.

Article V Defaults & Remedies

Section 5.01. Developer Default under this Agreement. The occurrence of one or more of the following events shall constitute a default ("**Default**") under this Agreement:

(a) the Developer or its Affiliates fail to make any payment of Taxes required pursuant to this Agreement and such failure continues for at least 60 days following notice thereof from the County pursuant to this Agreement; or

(b) the Developer or its Affiliates fail to provide the County access to the employment data collected by Developer within sixty (60) days of notice by the County as required pursuant to the provisions of Article VIII of this Agreement; or

(c) the Developer shall breach this Agreement in any respect not described in the foregoing clauses (a) and (b) or Section 5.03 (Developer Default under MBE Plan), and such failure continues for at least thirty (30) days following notice thereof from the County pursuant to this Agreement, provided that if (a) such default is not reasonably capable of being cured within such 30-day period, and (b) Developer promptly shall have commenced curative procedures and thereafter diligently shall prosecute the same to a timely completion, then such cure period shall be extended for such additional period of time as reasonably necessary to cure the same. The provisions of this Section 5.01(c) shall not apply to any failure to satisfy the Conditions.

If (a) such default is not reasonably capable of being cured within such 30-day period, and (b) Developer promptly shall have commenced curative procedures and thereafter diligently shall prosecute the same to a timely completion, then such cure period shall be extended for such additional period of time as reasonably

Section 5.03. Developer Default under MBE Plan.

(a) If as of the final completion date of any Phase of the Project the Developer is not in compliance with the MBE Plan for eligible construction costs of such Phase of the Project, then, following such failure, Developer shall not be entitled to receive any disbursement of Refund amounts pertaining to such completed Phase. If, following any such failure, the Developer demonstrates to the reasonable satisfaction of the County's MBE Compliance Manager within 30 days following the determination of such non-compliance that the Developer is in compliance with the MBE Plan for such completed Phase, then Developer's right to receive disbursements of Refund amounts pertaining to such completed Phase shall be reinstated for the remainder of the PILOT Term. If Developer fails demonstrate its cure of such non-compliance in accordance with this paragraph, then the Developer's right to receive disbursements of Refund amounts for such completed Phase shall cease and be forfeited with no right for reinstatement.

(b) Without limiting the foregoing, if at any time during the PILOT Term the quarterly reporting submitted by Developer to the County's MBE Compliance Manager indicates that as of the end of the applicable calendar quarter the Developer is not in compliance with the MBE Plan measured in the aggregate of total eligible construction costs of the Project to date, then the Developer shall not be entitled to receive any disbursement of Refund amounts pertaining to the Project until the subsequent date on which compliance with the MBE Plan is achieved. If, following any such failure, the Developer demonstrates to the reasonable satisfaction of the County's MBE Compliance Manager in connection with the quarterly reporting submitted by the Developer that the Developer is in compliance with the MBE Plan as of the end of the applicable calendar quarter, Developer's right to receive disbursements of Refund amounts pertaining to the Project shall be reinstated.

If within 30 days of such notice the Refund due and owing to Developer is not paid, then the Developer may (i) seek all available remedies in law and equity including, but not limited to, specific performance, and (ii) if so litigated, be entitled to all reasonable attorneys' fees, litigation costs and expenses if so awarded by the Court after a determination that the County had no reasonable basis to withhold any portion or all of the Refund. Any Refund to which the Developer is entitled to receive shall be released to the Developer pursuant to the terms and conditions set forth in the Escrow Agreement.

Article VI Limitations

Section 6.01. No Change in Project. During the Term of this Agreement, the Developer covenants and agrees that it shall not take any action with respect to the Project or a Phase which would change its use as an Economic Development Project within the meaning of the Act, except as expressly permitted in writing by the County.

Agreement). In an effort to further the purposes of the Act, the Developer shall request Employment Information from the employers located in the Project; provided that failure of any employer in the Project to comply with any such request or of Developer to obtain any such Employment Information shall not constitute a default hereunder.
