4 Act.

5 SECTION 1. BE IT ENACTED by the County Council of Prince George's County,
6 Maryland, that that the issuance, sale and delivery of general obligation stormwater management
7 bonds (the "Bonds") of Prince George's County, Maryland (the "County"), in one or more series
8 from time to time in an aggregate principal amount not exceeding Fifty-Seven Million Nine
9 Hundred Seventy-Eight Thousand Dollars (\$57,978,000) is hereby authorized, pursuant to Md.
10 LOCAL GOVERNMENT Code Ann. § 21-601 et seq., as amended, in order to finance in whole
11 or part costs of the planning, acquisition, construction, reconstruction, establishment, extension,
12 enlargement, demolition or purchase of capital projects (the "Authorized Projects") listed in the
13 table set forth in Attachment 1, attached to and made a part of this Act (the "Table of Projects"),
14 constituting facilities (including without limitation land, interests in land or equipment) for the
15 control and disposition of storm and surface waters, including floodproofing, flood control or
16 navigation programs, environmental restoration and wetlands construction, and other stormwater
17 programs and systems, environmental restoration and/or wetlands construction, and the
18 protection, conservation, creation and acquisition of certain property described in the Maryland
19 Annotated Code Environment Article consistent with federal and Maryland laws and regulations
20 on the subject of nontidal and private wetlands, as applicable. Each Authorized Project is
21 described in the Capital Budget of the County for the fiscal year ending June 30, 2014 under the
22 heading set forth in the Table of Projects and has the identification number set forth in the Table
23 of Projects. The descriptions of the Authorized Projects contained in the Capital Budget are
24 incorporated herein by reference as if set forth fully herein. The powers granted under this Act
25 are additional and cumulative, and the bonds authorized by this Act may be issued,
26 notwithstanding that other bond acts or laws may provide for the same or similar purposes. This
27 Act does not modify or repeal any prior acts granting bond issuing authority for the same or
28 similar purposes.

29 SECTION 2. BE IT FURTHER ENACTED that the attached Table of Projects lists the
30 Authorized Projects that are to be financed in whole or in part with the proceeds of the Bonds,
31 the currently estimated cost of each Authorized Project thereof (the "Total Authorized Amount")

1 and the portion of the Total Authorized Amount of each Authorized Project to be financed
2 hereunder (the "Amount of Bonds Requested").

3 It is hereby recognized and acknowledged that the information regarding the Total
4 Authorized Amount and the Amount of Bonds Requested for each Authorized Project set forth in
5 the Table of Projects is derived from information and estimates referenced in the Capital Budget
6 and the Capital Improvement Program of the County for fiscal years 2014 through 2019,
7 inclusive (the "Capital Improvement Program"), and is necessarily subject to change because of
8 corresponding changes in construction and other costs, project time schedules, and other
9 circumstances not now known or anticipated. It is the purpose and intent of this Act to authorize
10 the borrowing of money to finance the Authorized Projects as such projects are referenced in the
11 Capital Budget and Capital Improvement Program and in any amended or subsequent capital
12 budget or capital improvement program. To implement the intent and purpose of this Act in the
13 most expeditious manner, the County Executive of the County (the "County Executive") may (i)
14 add to the Table of Projects any project contained in the Capital Improvement Program or in any
15 amended or subsequent capital budget or capital improvement program, provided that such
16 project is a project that may be financed by bonds issued pursuant to LOCAL GOVERNMENT
17 Code Ann. § 21-601 et seq., and this Act; (ii) delete any Authorized Project from the Table of
18 Projects; and (iii) revise the amounts set forth in the Table of Projects representing the Total
19 Authorized Amount and the Amount of Bonds Requested for any Authorized Project to be
20 consistent with the information set forth in regard to such project in any amended or subsequent
21 capital budget or capital improvement program. In the event that the Amount of Bonds
22 Requested for an Authorized Project is less than the amount appropriated for such project in the
23 Capital Budget or any amended or subsequent capital budget and the entire principal amount of
24 bonds issued for the Authorized Projects is not required for such projects, the County Executive
25 may revise the Table of Projects to increase the Amount of Bonds Requested of such Authorized
26 Project to an amount not to exceed the appropriated amount for such project and,
27 correspondingly, may reduce the Amount of Bonds Requested of such other Authorized Projects
28 and make other appropriate adjustments. Nothing contained in this Act shall be deemed to
29 preclude the County Council by resolution from effecting such a revision in the Table of
30 Projects. The authority granted in this Act to revise the Table of Projects shall not be construed
31 to permit an increase in the aggregate principal amount of Bonds to be issued pursuant to this

1 Act or to effect results inconsistent with applicable laws, including without limitation LOCAL
2 GOVERNMENT Code Ann. § 21-601 et seq.

3 The County expects that certain costs of the Authorized Projects will be paid before the
4 date of issuance of the Bonds (or other obligations of the County to be issued after the date of
5 adoption of this Act) from a source of funds other than a County borrowing (each, a "Prior
6 Expenditure" and collectively, the "Prior Expenditures"). The County hereby declares, in
7 accordance with Section 1.150-2 of the Income Tax Regulations, its intention to use a portion of
8 the proceeds of the Bonds (or other obligations of the County to be issued after the date of
9 adoption of this Act) to reimburse itself for Prior Expenditures paid no earlier than 60 days
10 before the date of adoption of this Act. In accordance with Section 1.150-2 of the Income Tax
11 Regulations, the maximum principal amount of obligations expected to be issued for the
12 Authorized Projects is set forth in the Table of Projects. The County recognizes that, under
13 Section 1.150-2 of the Income Tax Regulations, the use of proceeds of the Bonds to reimburse
14 the County for a Prior Expenditure (other than certain de minimis or preliminary expenditures
15 described in Section 1.150-2(f) of the Income Tax Regulations) generally will be permitted only
16 to the extent that: (i) the Prior Expenditure constitutes a capital expenditure for federal income
17 tax purposes; (ii) the Prior Expenditure was paid not earlier than 60 days before the date of
18 adoption of this Act; and (iii) the allocation of proceeds of the Bonds to such reimbursement is
19 made not later than 18 months after the later of (a) the date the Prior Expenditure was paid, or (b)
20 the date the applicable Authorized Project is placed in service or abandoned, but in no event
21 more than three years after the Prior Expenditure was paid.

22 SECTION 3. BE IT FURTHER ENACTED that as determined by the County Executive,
23 the Bonds (or any portion of them, as applicable) may be issued, sold and delivered as a single
24 series of Bonds or as two or more series of Bonds, or may be consolidated for issuance, sale and
25 delivery with other bonds of the County (including bonds sold for new money and/or refunding
26 purposes) as contemplated by LOCAL GOVERNMENT Code Ann. §§ 19-101 and 103, as
27 amended, replaced or recodified from time to time. The Bonds of each series issued solely
28 pursuant to the authority of this Act shall each be designated "Prince George's County, Maryland
29 Stormwater Management Bonds, Series 20___," and the Bonds of each series consolidated for
30 issuance with other bonds of the County as authorized by this Section 3 shall each be designated
31 "Prince George's County, Maryland Consolidated Stormwater Management Bonds, Series 20___,"

1 and, in the event any such Bonds are issued at more than one time, the County Executive may
2 specify such additional designation as he shall deem appropriate. Moreover, the County
3 Executive is hereby authorized to provide such other or alternative designation as he deems
4 necessary or convenient.

5 Upon consolidation of any of the Bonds with general obligation bonds issued pursuant to
6 Article 25A of the Annotated Code of Maryland, as amended, and determination of the County
7 Executive, there shall be pledged to the payment of said Bonds the full faith and credit of the
8 County and the power of the County to levy ad valorem taxes upon all the legally assessable
9 property within the corporate limits of the County (in addition to the pledge and levy within the
10 Stormwater Management District effected pursuant to Section 9 hereof).

11 SECTION 4. BE IT FURTHER ENACTED that, subject to and in accordance with the
12 provisions of this Act, the County Executive shall determine all matters relating to the sale,
13 issuance, delivery and payment of the Bonds, including all matters relating to the forms, dates
14 and denominations of the Bonds, the dates and amounts of principal maturities, whether all or
15 any portion of the Bonds shall be term bonds subject to mandatory sinking fund redemption and
16 the dates and amounts of any such redemptions, the methods to be used in determining interest
17 payable on the Bonds and the dates on which such interest is payable, the provision of bond
18 insurance on all or any portion of the Bonds, and provisions for registration of the Bonds, for
19 their redemption prior to stated maturity, and for the use of facsimile signatures or seals, whether
20 the Bonds are to be issued in book-entry form and all matters incident to the issuance of the
21 Bonds in book-entry form. The County Executive shall provide for the form, numbering, term
22 and authentication of the Bonds and the form and manner of execution and delivery of all
23 documents necessary or deemed appropriate in connection with the authorization, issuance,
24 execution, sale, delivery and payment of and for the Bonds. The County Executive may provide
25 that no Bonds shall be issued for certain Authorized Projects authorized by this Act to be
26 financed by the Bonds and reduce the aggregate principal amount of Bonds to be issued
27 accordingly. The County Executive may provide for a reduction in the aggregate principal
28 amount of Bonds to be issued consistent with a determination of the minimum bond
29 denomination size based on municipal security market practices regarding denomination size,
30 and for a corresponding reduction in the principal amount of Bonds issued to finance the cost of
31 any Authorized Project. It is hereby recognized and acknowledged that, in order to manage

1 prudently the capital programs of the County, particularly in light of federal income tax laws and
2 regulations that impose penalties and other financial consequences for the failure to expend the
3 proceeds of tax-exempt bonds in a timely manner, the County Executive, pursuant to Section 3
4 of this Act, may provide for the financing of the Amount of Bonds Requested for an Authorized
5 Project by the issuance of Bonds at more than one time and from time to time. Notwithstanding
6 the provisions of Sections 2, 3 and 4 of this Act, no order of the County Executive permitted
7 under this Act shall authorize or permit a reduction in the principal amount of Bonds issued for
8 an Authorized Project below the amount for which the County Council has authorized temporary
9 borrowing from other County funds.

10 The County Executive may provide for certain maturities of the Bonds to be subject to prior
11 redemption at the option of the County. If the County Executive so provides and the Bonds are
12 issued with such option, then in the event that the County determines to exercise such option for
13 the purpose of effecting certain cost savings by refinancing a portion of the indebtedness
14 evidenced by the Bonds through the issuance and sale of refunding bonds, it is the intent of the
15 County that such refunding bonds be issued under the authority contained in LOCAL
16 GOVERNMENT Code Ann. § 21-601 et seq., and that such refunding bonds, if issued, shall
17 constitute a refunding of indebtedness authorized by this Act and shall not constitute additional
18 indebtedness under such authority or under any other authority. The aggregate principal amount
19 of Bonds authorized to be issued hereunder may be increased by a supplemental ordinance.

20 SECTION 5. BE IT FURTHER ENACTED that the County Executive shall determine
21 whether the Bonds shall be sold at public sale by electronic bids and/or written sealed proposals
22 or by private (negotiated) sale and the procedures to be followed in connection with any such
23 sale. Authority is hereby expressly delegated to the County Executive to (i) fix the date and the
24 time of the sale of the Bonds; (ii) determine the form and terms of any Notice of Sale; (iii) to
25 determine whether any Notice of Sale shall be disseminated in electronic form and/or whether
26 such Notice of Sale or a summary thereof shall be published in connection with any public sale
27 of the Bonds; and (iv) to award the Bonds at public sale or to approve the form and terms of, and
28 authorize the execution and delivery by and on behalf of the County of, a bond purchase
29 agreement with underwriters purchasing the Bonds in any private (negotiated) sale. The Bonds
30 may be sold at, above or below the par value thereof.

31 SECTION 6. BE IT FURTHER ENACTED that there may be printed on each of the Bonds

1 the text of the approving legal opinion of bond counsel or co-bond counsel with respect to such
2 Bonds. Any such printed text shall be certified to be a correct copy of said opinion by the
3 manual or facsimile signature of the County Executive.

4 The Bonds shall contain similar provisions and be in substantially the form set forth in
5 Attachment 2, attached hereto and made a part hereof, and Bonds issued substantially in
6 accordance with said form, with appropriate insertions as indicated, when properly executed and
7 authenticated as required by this Section 6 shall be deemed to constitute unconditional general
8 obligations of the County, to the payment of which, in accordance with the terms thereof, its full
9 faith and credit are pledged, and all the covenants and conditions contained in the Bonds shall be
10 deemed to be binding upon the County.

11 Authority is hereby conferred on the County Executive to complete, delete or modify the
12 blanks in such bond form with necessary information, to insert applicable paragraphs as
13 indicated or needed and to make such additions, deletions and substitutions in such bond form,
14 not inconsistent with this Act or the County Charter, as may be necessary or desirable for the sale
15 of the Bonds, including (without limitation) such additions, deletions and substitutions as may be
16 necessary or desirable in connection with the establishment or discontinuance of a book-entry
17 registration system for the Bonds and such changes as may be necessary to reserve to the County
18 the option to call for mandatory tender for purchase of all or any portion of the Bonds.

19 SECTION 7. BE IT FURTHER ENACTED that the County Executive may authorize on
20 behalf of the County the preparation and distribution of a preliminary official statement and a
21 final official statement or similar offering documents in connection with the issuance and sale of
22 the Bonds.

23 SECTION 8. BE IT FURTHER ENACTED that the proceeds of the sale of the Bonds,
24 including any premium and accrued interest received therefor, shall be paid directly to the
25 Director of Finance of the County, who shall deposit the same in the proper accounts of the
26 County. The costs of issuance of the Bonds shall be allocated to the Authorized Projects
27 financed by the Bonds and shall be charged to the appropriate debt service accounts of the
28 County by the Director of Finance. There shall be deducted from the total gross proceeds
29 received for the Bonds any amount received on account of accrued interest and premium on such
30 Bonds, which amounts shall be set apart by the Director of Finance in separate accounts and
31 applied to the first interest payment on the Bonds; provided that, if so determined by the County

1 Executive, any premium on such Bonds may be applied to other purposes, including (without
2 limitation) payment of the costs of issuance. The balance of the proceeds of the sale of the
3 Bonds shall be expended by the County for costs of the Authorized Projects for which Bonds
4 have been issued in accordance with this Act and the provisions of LOCAL GOVERNMENT
5 Code Ann. § 21-601 et seq. If the principal amount of Bonds issued for any Authorized Project
6 exceeds the amount needed to finance such Authorized Project, the excess shall be applied to any
7 other Authorized Project or if no such Authorized Project requires additional funds, to any other
8 capital project permitted by the laws of the State of Maryland (including without limitation
9 LOCAL GOVERNMENT Code Ann. § 21-601 et seq.) and of the County.

10 Unless otherwise provided by act or resolution of the County Council or by the County
11 Executive pursuant to Section 11 of this Act, earnings derived from the investment of the
12 proceeds of the Bonds may be treated as general revenues of the County and applied to general
13 County purposes and such use of investment proceeds is hereby acknowledged and authorized.

14 SECTION 9. BE IT FURTHER ENACTED that, for the purpose of paying the interest and
15 redeeming and paying the Bonds, as they respectively mature or become subject to mandatory
16 redemption, the County shall include in the levy in each and every fiscal year during which any
17 of the Bonds are outstanding a direct ad valorem tax upon all property assessed for tax purposes
18 within the stormwater management district established by the County pursuant to LOCAL
19 GOVERNMENT Code Ann. § 21-601 et seq., (the "Stormwater Management District") (except
20 as otherwise provided therein) at a rate required to produce the amount needed to pay, in addition
21 to the other costs of stormwater management to be paid for from amounts in the Stormwater
22 Management District Fund (defined herein) pursuant to LOCAL GOVERNMENT Code Ann. §
23 21-601 et seq., for the interest on the Bonds payable during such fiscal year and the principal of
24 all of the Bonds maturing or becoming subject to mandatory sinking fund redemption in each
25 such fiscal year, and in the event the proceeds from taxes so levied in any such fiscal year shall
26 prove insufficient for such purposes, additional taxes, unlimited as to rate or amount, shall be
27 levied within the Stormwater Management District in succeeding fiscal years to make up such
28 deficiency, all as authorized and provided for in LOCAL GOVERNMENT Code Ann. § 21-601
29 et seq. The County may apply to the payment of the principal of and interest on the Bonds any
30 funds received by it from the State of Maryland, the United States of America, or any agency or
31 instrumentality thereof, or from any other source, if such funds are granted for the purpose of

1 assisting the County in obtaining public facilities of the class or classes of public facilities for
2 which the Bonds, or the respective portions of the Bonds, are authorized or may be otherwise
3 lawfully applied to such payment; to the extent that any such funds are applied to such purposes
4 in any fiscal year as provided herein, the taxes hereby required to be levied shall be reduced
5 proportionately.

6 The full faith and credit of the County and the unlimited taxing power of the County are
7 hereby irrevocably pledged both to the punctual payment of the maturing principal of and
8 interest on the Bonds as and when such principal and interest respectively become due, and to
9 the levy and collection of the taxes hereinabove prescribed as and when such taxes become
10 necessary in order to provide sufficient funds to meet the debt service requirements of the Bonds.
11 The County hereby solemnly covenants with each of the registered owners of any of the Bonds
12 to take all action as may be appropriate from time to time during the period that any of the Bonds
13 remain outstanding and unpaid to provide the funds necessary to make the principal and interest
14 payments on the Bonds. The debt service requirements of the Bonds shall have a first and prior
15 claim on all moneys of the Stormwater Management District Fund of the County established
16 pursuant to LOCAL GOVERNMENT Code Ann. § 21-601 et seq., (the "Stormwater
17 Management District Fund"), on a parity with the claim for moneys required for payment of debt
18 service on all other County general obligation stormwater management bonds issued pursuant to
19 the authority contained in LOCAL GOVERNMENT Code Ann. § 21-601 et seq., whether issued
20 prior to or after the issuance of the Bonds, and the other purposes for which funds in the
21 Stormwater Management District Fund may be disbursed pursuant to LOCAL GOVERNMENT
22 Code Ann. § 21-601 et seq. The County further covenants and agrees with each of the registered
23 owners of any of the Bonds to levy and collect the taxes hereinabove prescribed.

24 SECTION 10. BE IT FURTHER ENACTED that in the event any official of the County
25 whose signature shall appear on any Bonds or on other instruments or documents pertaining
26 thereto, shall cease to be such official prior to the delivery of the Bonds or other instruments or
27 documents, or in the event that any official shall take office subsequent to the sale of the Bonds,
28 his or her signature shall nevertheless be valid, sufficient and binding for the purposes herein
29 intended.

30 SECTION 11. BE IT FURTHER ENACTED that the County Executive shall be the officer
31 of the County responsible for the issuance of any Bonds within the meaning of the "arbitrage

1 regulations" (defined below).

2 In the event that Bonds are issued pursuant to this Act with the expectation that interest on
3 such Bonds will be excludable from gross income for federal income tax purposes, the County
4 Executive shall be the officer of the County responsible for the execution and delivery (on the
5 date of issuance of the Bonds) of a certificate of the County (the "Tax and Section 148
6 Certificate") which complies with the requirements of Section 148 of the Internal Revenue Code
7 of 1986, as amended ("Section 148"), and the applicable regulations thereunder (the "arbitrage
8 regulations"), and such official is hereby directed to execute the Tax and Section 148 Certificate
9 and to deliver the same to bond counsel or co-bond counsel on the date of the issuance of the
10 Bonds.

11 The County shall set forth in the Tax and Section 148 Certificate its reasonable expectations
12 as to relevant facts, estimates and circumstances relating to the use of the proceeds of the Bonds,
13 or of any moneys, securities or other obligations on deposit to the credit of any account of the
14 County which may be deemed to be proceeds of the Bonds pursuant to Section 148 or the
15 arbitrage regulations (collectively, "Bond Proceeds"). The County covenants that the facts,
16 estimates and circumstances set forth in the Tax and Section 148 Certificate will be based on the
17 County's reasonable expectations on the date of issuance of the Bonds and will be, to the best of
18 the certifying official's knowledge, true and correct, as of that date. The County shall also set
19 forth in the Tax and Section 148 Certificate any elections provided for or permitted under the
20 provisions of the Internal Revenue Code of 1986, as amended, that the official executing the Tax
21 and Section 148 Certificate deems advisable.

22 In the event that Bonds are issued pursuant to this Act with the expectation that interest on
23 such Bonds will be excludable from gross income for federal income tax purposes, the County
24 covenants with each of the registered owners of any of the Bonds that it will not make, or (to the
25 extent that it exercises control or direction) permit to be made, any use of the Bond Proceeds
26 which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 and the
27 arbitrage regulations. The County further solemnly covenants that it will comply with Section
28 148 of the Internal Revenue Code of 1986, as amended, and the regulations thereunder which are
29 applicable to the Bonds on the date of issuance thereof and which may subsequently lawfully be
30 made applicable thereto as long as the Bonds remain outstanding and unpaid. The County
31 Executive is hereby authorized and directed to prepare or cause to be prepared and to approve

1 and execute, respectively, any certification, opinion or other document, including, without
2 limitation, the Tax and Section 148 Certificate which may be required to assure that the Bonds
3 will not be deemed to be "arbitrage bonds" within the meaning of Section 148 of the Internal
4 Revenue Code of 1986, as amended, and the regulations thereunder.

5 In the event that Bonds are issued pursuant to this Act with the expectation that interest on
6 such Bonds will be excludable from gross income for federal income tax purposes, the County
7 Executive may make such covenants or agreements in connection with the issuance of such
8 Bonds as he or she shall deem advisable in order to assure the registered owners of such Bonds
9 that interest thereon shall be and remain excludable from gross income for federal income tax
10 purposes, and such covenants or agreements shall be binding on the County so long as the
11 observance by the County of any such covenants or agreements is necessary in connection with
12 the maintenance of the exclusion of the interest on such Bonds from gross income for federal
13 income tax purposes. The foregoing covenants and agreements may include such covenants or
14 agreements on behalf of the County regarding compliance with the provisions of the Internal
15 Revenue Code of 1986, as amended, as the County Executive shall deem advisable in order to
16 assure the registered owners of such Bonds that the interest thereon shall be and remain
17 excludable from gross income for federal income tax purposes, including (without limitation)
18 covenants or agreements relating to the investment of Bond Proceeds, the payment of certain
19 earnings resulting from such investment to the United States (or certain payments in lieu thereof
20 as provided in the Internal Revenue Code of 1986, as amended), limitations on the times within
21 which, and the purpose for which, Bond Proceeds may be expended, or the use of specified
22 procedures for accounting for and segregating Bond Proceeds. Any covenant or agreement made
23 pursuant to this paragraph may be set forth in the Tax and Section 148 Certificate.

24 SECTION 12. BE IT FURTHER ENACTED that the County Executive is hereby
25 authorized to select and appoint a bank or other financial institution to act as paying agent for the
26 payment of the principal and redemption price, if any, of and interest on the Bonds and to act as
27 registrar for the Bonds. The selection of the paying agent and bond registrar shall be
28 accomplished in accordance with applicable provisions of law. In the event that the Bonds are
29 issued in book-entry form, the County Executive may determine that a bond registrar and paying
30 agent need not be designated or that the County shall act as bond registrar and paying agent.

31 SECTION 13. BE IT FURTHER ENACTED that the powers granted by this Act are

1 additional and cumulative and the bonds authorized by this Act may be issued, notwithstanding
2 that other bond acts or laws may provide for the issuance of other bonds or the borrowing of
3 money for the same or similar purposes on the same or other terms and conditions. This Act
4 shall be liberally construed to effectuate its purposes, namely, to authorize the borrowing of
5 money and the incurring of indebtedness to finance the Authorized Projects set forth in this Act.
6 Provisions of this Act shall be deemed met and satisfied if there is substantial compliance with
7 such provisions. This Act is not intended to provide or imply that this Act or any prior act not
8 containing a similar provision precludes the County from exercising any power or prerogative
9 provided by this Act or any other law whether exercised solely pursuant to such other law or in
10 conjunction with the powers provided by this Act so that, without limiting the generality of this
11 section, the County may exercise the power to issue (i) bond anticipation notes (in anticipation of
12 the issuance of bonds pursuant to this Act or otherwise) and grant anticipation notes pursuant to
13 LOCAL GOVERNMENT Code Ann. § 19-211 et seq., as amended, replaced, or recodified from
14 time to time, (ii) bonds (or any related bond anticipation or other notes) authorized by Md.
15 Economic Development Code Ann. § 12-201 et seq., as amended, replaced, or recodified from
16 time to time, (iii) loan obligations authorized by Title 9, Subtitle 16 of the Environment Article
17 of the Annotated Code of Maryland, as amended, replaced, or recodified from time to time, and
18 in exercising such powers, the County may sell such notes, bonds or loan obligations at private
19 (negotiated) sale as authorized by these or any other applicable laws.

20 SECTION 14. BE IT FURTHER ENACTED that in order to avoid the issuance of a
21 greater amount of Bonds for the Authorized Projects listed in the Table of Projects than is needed
22 therefor, and in order to permit the construction of such projects to proceed prior to the issuance
23 of Bonds and at the same time afford the County maximum flexibility in selecting the most
24 advantageous times for such issuance, the County may provide needed capital funds by the issue
25 and sale of its bond anticipation notes (the "Notes") pursuant to the authority of LOCAL
26 GOVERNMENT Code Ann. § 19-211 et seq., as amended, replaced or recodified from time to
27 time (the "Bond Anticipation Note Act").

28 (1) The maximum principal amount of such Notes issued pursuant to this Section
29 which may be outstanding at any time shall not exceed Fifty-Seven Million Nine Hundred
30 Seventy-Eight Thousand Dollars (\$57,978,000) unless and until otherwise provided by the
31 County Council by act. The proceeds of the sale of the Notes, after any payment from such

1 proceeds of the expenses of issuance of the Notes, shall be expended only on the public purposes
2 or any applicable portion thereof for which the Bonds are authorized. Twelve months' interest
3 on any issue of Notes, or any renewal thereof, may be paid from the proceeds, or from the
4 proceeds of the sale of the Bonds, accounting from the initial date of issue thereof, as determined
5 by the County Executive. The Notes may be paid at or prior to maturity from the proceeds of the
6 issuance and sale of the Bonds in anticipation of which the Notes were issued or from the
7 proceeds of refunding Notes. Except as otherwise provided herein, in the event of such an
8 advance refunding, the proceeds of such refunding Bonds or Notes shall be held in escrow, to the
9 extent and in the amount necessary to refund the outstanding series of Notes, for the benefit of
10 the holders of the outstanding series of Notes. Such refunding Notes, if issued, will constitute a
11 reissuance of the Notes authorized by this Act and shall not constitute additional indebtedness
12 under such authorization.

13 (2) All or any part of the Notes may be issued in series as funds are required, as
14 determined by the County Executive.

15 (3) The Notes may be sold at, above or below the par value thereof, including
16 Commercial Paper Notes (hereinafter defined) as hereinafter provided; none of such Notes shall
17 bear interest at a rate in excess of the maximum interest rate, if any, specified by the County
18 Council by public local law to be payable on obligations of Prince George's County, Maryland.

19 (4) With respect to any Notes issued, the County hereby covenants and agrees with
20 the holder or holders thereof to issue, upon its full faith and credit, the Bonds in anticipation of
21 the sale of which the Notes are issued when, and as soon as, the reason for deferring the issuance
22 thereof no longer exists and to pay the principal of and interest on (to the extent such interest has
23 not been capitalized, or otherwise paid, by appropriations from current revenues) such Notes
24 from the proceeds of such Bonds. This covenant shall be binding upon the County
25 notwithstanding any limitation set forth in this Act, including (without limitation) any limitation
26 with respect to the interest rate or rates that the Bonds may bear. If the County shall be unable,
27 for reasons beyond its control, to issue and sell its Bonds as described above, or if the proceeds
28 from the sale of such Bonds shall be insufficient to pay the principal of and interest on any Notes
29 issued, then the revenues from taxes and other sources intended for application to debt service on
30 such Bonds shall be applied to the payment of the interest on and principal of the Notes. The
31 foregoing provisions shall not be construed so as to prohibit the County from paying the

1 principal or redemption price of and interest on any Note issued hereunder from the proceeds of
2 the sale of any other Note issued hereunder, or from any other funds legally available for that
3 purpose.

4 If the County shall be unable, for reasons beyond its control, to issue and sell its Bonds,
5 or if the proceeds from the sale of such Bonds shall be insufficient to pay the principal of or
6 interest on any Notes issued, then the County shall include in the levy in each and every fiscal
7 year during which any of the Notes are outstanding a direct ad valorem tax upon all property
8 assessed for tax purposes within the Stormwater Management District (except as otherwise
9 provided in Md. LOCAL GOVERNMENT Code Ann. § 21-601 et seq.) at a rate required to
10 produce the amount needed to pay, in addition to the other costs of stormwater management to
11 be paid from amounts in the Stormwater Management District Fund pursuant to LOCAL
12 GOVERNMENT Code Ann. § 21-601 et seq., for the interest on the Notes payable during such
13 fiscal year and the principal of all of the Notes maturing or becoming subject to mandatory
14 sinking fund redemption in each such fiscal year; and in the event the proceeds from taxes so
15 levied in any such fiscal year shall prove insufficient for such purposes, additional taxes,
16 unlimited as to rate and amount, shall be levied within the Stormwater Management District in
17 succeeding fiscal years to make up such deficiency, all as authorized and provided for in LOCAL
18 GOVERNMENT Code Ann. § 21-601 et seq. The County may apply to the payment of the
19 principal of and interest on the Notes any funds received by it from the State of Maryland, the
20 United States of America, or any agency or instrumentality thereof, or from any other source, if
21 such funds are granted for the purposes of assisting the County in obtaining public facilities of
22 the class or classes of public facilities for which the Notes, or the respective portions of the
23 Notes, are authorized or may be otherwise lawfully applied to such payment; to the extent that
24 any such funds are applied to such purposes in any fiscal year as provided herein, the taxes
25 hereby required to be levied shall be reduced proportionately.

26 The full faith and credit of the County and the unlimited taxing power of the County
27 are hereby irrevocably pledged both to the punctual payment of the maturing principal of and
28 interest on the Notes as and when such principal and interest respectively become due, and to the
29 levy and collection of the taxes hereinabove prescribed as and when such taxes become
30 necessary in order to provide sufficient funds to meet the debt service requirement of the Notes.
31 The County hereby solemnly covenants with each of the owners of any of the Notes to take all

1 action as may be appropriate from time to time during the period that any of the Notes remain
2 outstanding and unpaid to provide the funds necessary to make the principal and interest
3 payments on the Notes. The debt service requirements of the Notes shall have a first and prior
4 claim on all moneys of the Stormwater Management District Fund on a parity with the claim for
5 moneys required for payment of debt service on all other County general obligation stormwater
6 management indebtedness issued pursuant to the authority contained in LOCAL
7 GOVERNMENT Code Ann. § 21-601 et seq., whether issued prior to or after the issuance of the
8 Notes, and the other purposes for which funds in the Stormwater Management District Fund may
9 be disbursed pursuant to LOCAL GOVERNMENT Code Ann. § 21-601 et seq. The County
10 further covenants and agrees with each of the owners of any of the Notes to levy and collect the
11 taxes hereinabove prescribed.

12 (5) In the event that any Notes (the "Outstanding Notes") issued hereunder are
13 outstanding on the date that the Bonds in anticipation of which such Notes are issued are
14 delivered in exchange for the purchase price thereof (the "Delivery Date"), the Director of
15 Finance shall deposit with the paying agent for the Notes, or a trustee or escrow agent, on the
16 Delivery Date (i) cash in an amount equal to the principal of the Outstanding Notes and/or (ii)
17 direct obligations of, or obligations the payment of which is unconditionally guaranteed by, the
18 United States of America, the principal of and interest on which will be sufficient without
19 reinvestment to pay in a timely manner the principal of the Outstanding Notes when due whether
20 at maturity or upon prior redemption. Such paying agent or trustee or escrow agent is hereby
21 irrevocably directed to apply such cash or the proceeds of such obligations to the payment of the
22 principal of the Outstanding Notes when due whether at maturity or upon prior redemption. The
23 County may provide such cash or obligations from the proceeds of the sale of such Bonds or
24 from any other funds legally available for such purpose. On the Delivery Date, the Director of
25 Finance shall also deposit with the paying agent for the Outstanding Notes, or a trustee or escrow
26 agent (i) cash in an amount equal to the interest on the Outstanding Notes when due and/or (ii)
27 direct obligations of, or obligations the payment of which is unconditionally guaranteed by, the
28 United States of America, the principal of and interest on which will be sufficient without
29 reinvestment to pay in a timely manner interest on the Outstanding Notes when due, whether at
30 maturity, upon a regularly scheduled payment date or upon prior redemption. The County may
31 provide such cash obligations from the proceeds of the sale of Bonds available for that purpose

1 or from any other funds legally available for such purpose. Notwithstanding the foregoing, if
 2 the Delivery Date and the date on which the Outstanding Notes mature are in different fiscal
 3 years, and moneys for the payment of the interest on the Outstanding Notes have not been finally
 4 appropriated in the fiscal year in which the Bonds are delivered, and if the Delivery Date is after
 5 the date on which the budget for the succeeding fiscal year has been submitted to the County
 6 Council and provision for the payment of the interest on such Outstanding Notes has been made
 7 in such budget, in lieu of the deposit of such cash or obligations for the payment of interest on
 8 the Outstanding Notes, the County Executive, the Director of Finance and/or the Chief
 9 Administrative Officer may deliver a certificate on the Delivery Date of the Bonds stating that
 10 funds sufficient to pay the interest on the Outstanding Notes have been included in the budget for
 11 the next succeeding fiscal year (it being provided by the Bond Anticipation Note Act that the
 12 Notes shall be payable from the first proceeds of the sale of the Bonds, or from the tax or other
 13 revenue which the County shall have previously determined to apply to the payment of the
 14 Bonds and the interest thereon). Upon the deposit with the paying agent for the Outstanding
 15 Notes, or a trustee or escrow agent, of cash and/or obligations sufficient to provide for the
 16 payment of the principal of and interest on such Notes when due, as described above, such Notes
 17 shall be deemed to be paid and no longer outstanding hereunder.

18 (6) With respect to the authorization, issuance, execution, sale, delivery and payment
 19 of and for any Notes, the County Executive may determine, approve or authorize or provide for:

- 20 (i) the identification of any series of Notes;
- 21 (ii) the form of any Notes;
- 22 (iii) the denominations of the Notes;
- 23 (iv) the maturity of any Notes;
- 24 (v) the manner of execution and authentication of any Notes;
- 25 (vi) the rate or rates of interest of any Notes or the manner for determining the
 26 same;
- 27 (vii) the interest payment dates of any Notes;
- 28 (viii) the redemption provisions applicable to any Notes;
- 29 (ix) the manner of sale of any Notes, which may be by private (negotiated) sale
 30 or at public sale, and the procedures to be followed in connection with any such sale;
- 31 (x) the form and manner of execution and delivery of documents necessary or

1 deemed appropriate in connection with the authorization, issuance, execution, sale, delivery and
2 payment of and for any Notes; and

3 (xi) such other matters not inconsistent with the provisions of this Act as are
4 necessary or deemed appropriate to accomplishing the issuance and sale of Notes hereunder,
5 including other matters specifically authorized by the Bond Anticipation Note Act.

6 (7) As determined by the County Executive, the Notes (or any portion of them, as
7 applicable) may be issued, sold and delivered as a single series of Notes or as two or more series
8 of Notes, or may be consolidated for issuance, sale and delivery with other Notes of the County
9 (including notes sold for new money and/or refunding purposes) as contemplated by LOCAL
10 GOVERNMENT Code Ann. § 19-211 et seq., as amended, replaced or recodified from time to
11 time.

12 (8) References to "Bonds" in Section 11 of this Act shall be deemed to include Notes.

13 (9) The authority conferred on the County Executive in Section 12 of this Act in
14 connection with the issuance of Bonds hereunder, with respect to the appointment of paying
15 agents and a registrar, may also be exercised with respect to the issuance and sale of Notes
16 hereunder.

17 (10) References to "bonds authorized by this Act" in Section 13 of this Act shall be
18 deemed to include Notes, unless the context clearly requires otherwise.

19 (11) Pursuant to the Bond Anticipation Note Act, the County is hereby authorized to
20 issue the aforementioned Notes as notes in the nature of commercial paper and to establish a
21 commercial paper program. Accordingly, the County is hereby authorized to issue two or more
22 separate and distinct series of its Notes, which may include (1) a series of its Notes in the nature
23 of tax-exempt commercial paper (the "Commercial Paper Notes") and (2) a series of its Notes in
24 connection with a liquidity facility, such as a revolving loan agreement, or a series of its Notes in
25 connection with a credit facility, such as a letter of credit and related agreements (collectively,
26 the "Revolving Loan Notes") (the Commercial Paper Notes and the Revolving Loan Notes being
27 collectively referred to herein as the "Program Notes"). The word "Notes," as used in this Act,
28 includes Program Notes, and it is intended that the provisions of this Act applying to Notes shall
29 include Program Notes unless the context clearly requires a contrary meaning.

30 For the purposes of this Act, the term "principal amount," when used with respect to
31 the Program Notes, shall mean (i) in the case of Commercial Paper Notes, the face amount of

1 any such Commercial Paper Note, less any original issue discount on such Commercial Paper
 2 Note, and (ii) in the case of Revolving Loan Notes, the principal amount actually advanced under
 3 the applicable liquidity facility or credit facility that is evidenced by any such Revolving Loan
 4 Note. Accordingly, it is contemplated by this Act that the aggregate face amount of the Program
 5 Notes that may be outstanding from time to time hereunder, together with other Notes issued
 6 hereunder and outstanding from time to time, may exceed the aggregate principal amount of
 7 Notes authorized to be outstanding hereunder at any one time.

8 Without limiting the generality of other provisions of this Act, the County Executive
 9 may determine, approve, authorize or provide for:

10 (i) procedures to facilitate the prompt determination and approval of matters in
 11 connection with the authorization, issuance, execution, sale, delivery and payment of and for
 12 Program Notes;

13 (ii) the form and manner of execution and delivery of documents necessary or
 14 deemed appropriate in connection with the authorization, issuance, execution, sale, delivery and
 15 payment of and for Program Notes;

16 (iii) the selection of any trustee, issuing agent, payment agent, commercial paper
 17 dealer, credit or liquidity facility provider or other provider of financial or related services
 18 necessary or deemed appropriate to the authorization, issuance, execution, sale, delivery and
 19 payment of and for Program Notes; and

20 (iv) such other matters not inconsistent with this Act necessary or deemed
 21 appropriate to accomplishing the authorization, issuance, execution, sale, delivery and payment
 22 of and for Program Notes.

23 SECTION 15. BE IT FURTHER ENACTED that it is hereby found and determined as
 24 follows: (i) it is in the best interest of the County to be able to implement a flexible approach to
 25 borrowing (that is, one which provides the ability to utilize variable rate demand obligations, tax-
 26 exempt commercial paper and short-term municipal obligations [collectively, "Variable Rate
 27 Demand Obligations"]); (ii) there is an expanding market for Variable Rate Demand Obligations,
 28 which have varying and flexible maturities or redemption features, tender or purchase dates and
 29 bear interest at variable rates established by a remarketing agent on the basis of current market
 30 conditions, or combinations of such maturities or redemption, tender or purchase dates and rates
 31 and to access this market the County must establish procedures consistent with market practices

1 for Variable Rate Demand Obligations; and (iii) existing practices in the market for Variable
2 Rate Demand Obligations and existing requirements of nationally recognized rating agencies
3 require that there be available to the issuer of Variable Rate Demand Obligations a supporting
4 credit or liquidity facility, such as a letter of credit, line of credit or revolving loan agreement,
5 pursuant to which an alternate source of borrowing will be available during any period in which
6 such obligations cannot be remarketed or sold.

7 Notes or Bonds are hereby authorized to be issued as short-term or demand obligations or
8 commercial paper, defined above as Variable Rate Demand Obligations, including obligations
9 that are required to be purchased or redeemed prior to stated maturity dates, bear interest at
10 variable rates and mature on dates established from time to time by a remarketing agent on the
11 basis of current market conditions. If any Bonds or Notes issued in accordance with this Section
12 15 provide for the mandatory redemption, tender or purchase thereof prior to stated maturity
13 dates, the form of Bond or Note (as the case may be) may provide, to the extent permitted by law
14 and determined by the County Executive that the full faith and credit and unlimited taxing power
15 of the County are pledged to the payment of the purchase or redemption price on the due dates
16 for such payments.

17 Without limiting the generality of other provisions of this Act, the County Executive may
18 determine, approve, authorize or provide for:

19 (i) procedures for the determination of the interest rates, the interest payment dates,
20 the maturities and any mandatory redemption, tender or purchase dates of Bonds or Notes
21 described in this Section 15 in order to implement the financing authorized hereby;

22 (ii) the form and manner of execution and delivery of documents necessary or
23 deemed appropriate in connection with the authorization, issuance, execution, sale, delivery and
24 payment of and for Variable Rate Demand Obligations;

25 (iii) the selection of any trustee, issuing agent, paying agent, tender agent, credit or
26 liquidity facility provider or other provider of financial or related services necessary or deemed
27 appropriate to the authorization, issuance, execution, sale, delivery and payment of and for
28 Variable Rate Demand Obligations; and

29 (iv) such other matters not inconsistent with this Act necessary or deemed appropriate
30 to accomplishing the authorization, issuance, execution, sale, delivery and payment of and for
31 Variable Rate Demand Obligations.

1 SECTION 16. BE IT FURTHER ENACTED that LOCAL GOVERNMENT Code Ann.
2 § 19-207, as amended, replaced or recodified from time to time (the "Refunding Act"), provides
3 that refunding bonds may be issued by the County for certain public purposes specified in the
4 Refunding Act, including realizing savings to the County in the aggregate cost of debt service on
5 either a direct comparison or present value basis or debt restructuring that in the aggregate
6 effects such a reduction in the cost of debt service. The County Council of Prince George's
7 County, Maryland, hereby finds and determines that the issuance of refunding bonds pursuant to
8 the terms and requirements of this Act in order to refund all or a portion of the outstanding
9 principal amount of the Bonds will effectuate and accomplish the public purpose of realizing
10 savings to the County in the aggregate cost of debt service on either a direct comparison or a
11 present value basis or of debt restructuring that in the aggregate effects such a reduction in the
12 cost of debt service.

13 SECTION 17. BE IT FURTHER ENACTED that, acting pursuant to the authority of the
14 Refunding Act and, as applicable, Article 25A of the Annotated Code of Maryland, as amended,
15 replaced or recodified from time to time ("Article 25A"), the County Charter, this Act and certain
16 other authority pursuant to which the Bonds will be issued, the issuance and sale of bonds (the
17 "Refunding Bonds") of Prince George's County, Maryland, which may be issued in one or more
18 series from time to time as hereinafter provided, are hereby authorized in an aggregate principal
19 amount not to exceed 150% of the aggregate outstanding principal amount of the Bonds to be
20 refunded thereby (the "Refunded Bonds") in order to provide funds sufficient (a) to purchase
21 direct obligations of, or obligations the timely payment of the principal of and interest on which
22 is unconditionally guaranteed by, the United States of America ("Government Obligations"), the
23 principal of and interest on which will be sufficient without reinvestment, together with any
24 available cash, to pay in a timely manner all or any part of the principal of and redemption
25 premium, if any, and interest on the Refunded Bonds, and (b) to pay any and all other costs
26 permitted to be paid from the proceeds of such Refunding Bonds under the Refunding Act,
27 including (without limitation) funded interest, the costs of issuance of such Refunding Bonds
28 (including without limitation any bond insurance premium payable by the County) and
29 applicable underwriting fees.

30 SECTION 18. BE IT FURTHER ENACTED that the Refunding Bonds hereby authorized
31 may be sold for a price at, above, or below par, plus, if so determined by the County Executive,

1 accrued interest to the date of delivery. The Refunding Bonds shall be sold at private
 2 (negotiated) sale, and such procedure is hereby determined to be in the public interest due to the
 3 ability to negotiate flexible terms and achieve a beneficial interest rate or rates and the flexibility
 4 to time the date of sale to maximum savings or achieve other public purposes permitted by the
 5 Refunding Act. Notwithstanding the foregoing, if the County Executive subsequently
 6 determines that it is in the best interests of the County to sell any or all of the Refunding Bonds
 7 after first soliciting competitive bids at public sale, then the County Executive may provide for
 8 the sale of such Refunding Bonds in such manner and in accordance with such procedures as he
 9 or she shall deem appropriate; provided, however, that such procedures shall be substantially
 10 similar to the procedures for public sale with competitive bidding normally used by the County
 11 in connection with the sale of its general obligation bonds. Refunding Bonds issued hereunder
 12 are hereby specifically exempted from the provisions of LOCAL GOVERNMENT Code Ann. §
 13 19-207, as amended, replaced or recodified.

14 SECTION 19. BE IT FURTHER ENACTED that as determined by the County Executive,
 15 the Refunding Bonds (or any portion of them, as applicable) may be issued, sold and delivered as
 16 a single series of Refunding Bonds or as two or more issues of Refunding Bonds, or may be
 17 consolidated for issuance, sale and delivery with other bonds of the County (including bonds
 18 sold for new money and/or refunding purposes) as contemplated by LOCAL GOVERNMENT
 19 Code Ann. §§ 19-101 and 103, as amended, replaced or recodified from time to time. The
 20 Refunding Bonds of each series sold solely pursuant to the authority of this Act shall each be
 21 designated "Prince George's County, Maryland Stormwater Management Bonds, 20__
 22 Refunding Series," and the Refunding Bonds of each series consolidated for issuance with other
 23 bonds of the County as authorized by this Section 19 shall each be designated "Prince George's
 24 County, Maryland Consolidated Stormwater Management Bonds, Refunding Series 20__", and,
 25 in the event any such Refunding Bonds are issued at more than one time, the County Executive
 26 may specify such additional designation as he or she shall deem appropriate. Moreover, the
 27 County Executive is hereby authorized to provide such other or alternative designation as he or
 28 she deems necessary or convenient.

29 Upon consolidation of any of the Refunding Bonds with general obligation bonds issued
 30 pursuant to Article 25A of the Annotated Code of Maryland, as amended, and determination of
 31 the County Executive, there shall be pledged to the payment of said Refunding Bonds the full

1 faith and credit of the County and the power of the County to levy ad valorem taxes upon all the
2 legally assessable property within the corporate limits of the County (in addition to the pledge
3 and levy within the Stormwater Management District effected pursuant to Section 21 hereof).

4 SECTION 20. BE IT FURTHER ENACTED that pursuant to Section 22 of this Act, the
5 County Executive shall determine (a) the principal amounts and maturities of each series of
6 Refunding Bonds to be issued and (b) the portions of each series of Refunded Bonds to be
7 refunded with the proceeds of each series of Refunding Bonds; provided, however, that the
8 issuance of any series of Refunding Bonds to refund all or any portion of one or more series of
9 Refunded Bonds will effectuate and accomplish the public purpose of realizing savings to the
10 County in the aggregate cost of debt service on either a direct comparison or a present value
11 basis with respect to the portion of any series of Refunded Bonds being refunded or debt
12 restructuring that in the aggregate effects such a reduction in the cost of debt service.

13 There may be printed on the reverse side of each series of Refunding Bonds issued
14 hereunder the text of the applicable approving legal opinion with respect thereto, and any such
15 text shall be duly certified by the manual or facsimile signature of the County Executive of the
16 County.

17 Each series of Refunding Bonds shall be in the form set forth in Attachment 2 attached to
18 and made a part of this Act with such changes in designation and purpose to reflect that such
19 Refunding Bonds are refunding bonds, and Refunding Bonds issued substantially in compliance
20 with such form, with appropriate insertions as therein indicated, when properly executed and
21 authenticated as described above, shall be deemed to constitute unconditional general obligations
22 of the County, to the payment of which, in accordance with the terms thereof, its full faith and
23 credit are pledged, and all the covenants and conditions contained in such Refunding Bonds shall
24 be deemed to be binding upon the County in accordance therewith. Authority is hereby
25 conferred on the County Executive to fill the blanks in such form with the required information,
26 to insert applicable paragraphs as indicated and to make such additions, deletions and
27 substitutions in such form, not inconsistent with this Act or the Refunding Act, as may be
28 necessary or desirable in the sale of any such series of Refunding Bonds, including (without
29 limitation) such changes as may be necessary to permit the establishment of a central depository
30 or book-entry system with respect to such series of Refunding Bonds.

31 SECTION 21. BE IT FURTHER ENACTED that, for the purpose of paying the interest

1 and redeeming and paying the Refunding Bonds, as they respectively mature or become subject
2 to mandatory redemption, the County shall include in the levy in each and every fiscal year
3 during which any of the Refunding Bonds are outstanding a direct ad valorem tax upon all
4 property assessed for tax purposes within the Stormwater Management District (except as
5 otherwise provided pursuant to LOCAL GOVERNMENT Code Ann. § 21-601 et seq.) at a rate
6 required to produce the amount needed to pay, in addition to the other costs of stormwater
7 management to be paid for from amounts in the Stormwater Management District Fund, for the
8 interest on the Refunding Bonds payable during such fiscal year and the principal of all of the
9 Refunding Bonds maturing or becoming subject to mandatory redemption in each such fiscal
10 year; and in the event the proceeds from taxes so levied in any such fiscal year shall prove
11 insufficient for such purposes, additional taxes, unlimited as to rate or amount, shall be levied
12 within the Stormwater Management District in succeeding fiscal years to make up such
13 deficiency, all as authorized and provided for in LOCAL GOVERNMENT Code Ann. § 21-601
14 et seq. The County may apply to the payment of the principal of and interest on the Refunding
15 Bonds any funds received by it from the State of Maryland, the United States of America, or any
16 agency or instrumentality thereof, or from any other source, if such funds are granted for the
17 purpose of assisting the County in obtaining public facilities of the class or classes of public
18 facilities for which the Refunding Bonds, or the respective portions of the Refunding Bonds, are
19 authorized or may be otherwise lawfully applied to such payment; to the extent that any such
20 funds are applied to such purposes in any fiscal year as provided herein, the taxes hereby
21 required to be levied shall be reduced proportionately.

22 The full faith and credit of the County and the unlimited taxing power of the County are
23 hereby irrevocably pledged both to the punctual payment of the maturing principal of and
24 interest on the Refunding Bonds as and when such principal and interest respectively become
25 due, and to the levy and collection of the taxes hereinabove prescribed as and when such taxes
26 become necessary in order to provide sufficient funds to meet the debt service requirements of
27 the Refunding Bonds. The County hereby solemnly covenants with each of the registered
28 owners of any of the Refunding Bonds to take all action as may be appropriate from time to time
29 during the period that any of the Refunding Bonds remain outstanding and unpaid to provide the
30 funds necessary to make the principal and interest payments on the Refunding Bonds. The debt
31 service requirements of the Refunding Bonds shall have a first and prior claim on all moneys of

1 the Stormwater Management District Fund on a parity with the claim for moneys required for
2 payment of debt service on all other County general obligation stormwater management bonds
3 issued pursuant to the authority contained in LOCAL GOVERNMENT Code Ann. § 21-601 et
4 seq., whether issued prior to or after the issuance of the Refunding Bonds, and the other purposes
5 for which funds in the Stormwater Management District Fund may be disbursed pursuant to
6 LOCAL GOVERNMENT Code Ann. § 21-601 et seq. The County further covenants and agrees
7 with each of the registered owners of any of the Refunding Bonds to levy and collect the taxes
8 hereinabove prescribed.

9 SECTION 22. BE IT FURTHER ENACTED that, with respect to each series of Refunding
10 Bonds sold pursuant to this Act, authority is hereby conferred on the County Executive to take
11 the following actions and make the following commitments on behalf of the County:

12 (a) in the event any series of Refunding Bonds is sold at private (negotiated) sale as
13 authorized by this Act, to sell such series of Refunding Bonds issued under this Act upon such
14 terms as he or she deems favorable under the existing market conditions to one or more banks,
15 investment banking firms or other financial institutions that, in such official's judgment, offers to
