¹Sources of information, assumptions, and methodologies used

The County's financial consultant, PFM, has provided a cost/benefit analysis model for each of the collective bargaining units. With these models, the County is able to input bargaining rates and dates agreed upon for COLAs and Merits. These costing models are created based on payroll runs for each Union at a specific time.

²Estimate of changes in County revenues and expenditures regardless of whether the revenues or expenditures are assumed in a recommended or approved budget

⁴Analysis of the full personnel cost of the legislation

Upon analysis of the collective bargaining agreement for the Prince George's Correctional Officers' Association, Inc., it has been found that the realized fiscal impact of shift differential to be paid out in Fiscal Years 2025 and 2026 is approximately \$174,144, with an annual impact of \$90,818 every year thereafter. The current number of employees covered by the agreement is 184.

*Note: This Council Resolution covers the collective bargaining agreement for FY25 and FY26 only. Negotiations for FY27 and FY28 will begin at the end of 2025 so there are no additional compensation and fringe adjustments included in this analysis.
