P. Machinists in the Office of Central Services, Fleet Management Division, shall receive a premium of ten cents (\$0.10) per hour for each Automotive Service Excellence (ASE) certification in the test series for Engine Machinist (M1 through M3). The premium shall be added to the base hourly wage at the time. Failure to maintain a certificate will result in forfeiture of the premium pay.

Q. Parts Specialists and Supply/Property Clerks in the Office of Central Services, Fleet Management Division, shall receive a premium of ten cents (\$0.10) per hour for each Automotive Service Excellence (ASE) certification in the test series for Parts Specialist (P1 through P4). The premium shall be added to the base hourly wage at the time the employee submits proof of certification to the Department. Failure to maintain a certificate will result in forfeiture of the premium pay.

T. Employees whose job requires a hazardous materials certification will be granted four (4) hours of administrative leave to take the recertification examination every four (4) years.

U. On a Department basis, the parties may develop and/or recognize job related certification programs for employees covered by this Agreement and make recommendations on job certification programs to the Department Director. Recommendations may include one-time payments of up to five hundred dollars (\$500.00) plus reimbursement for reasonable and necessary expenses incurred to an employee who successfully completes the recognized

program. The Director has the complete discretion to implement the recommendations, implement them with modifications or reject them.

ARTICLE 13 -- HOURS OF WORK

A. Except for employees working in special operations, the regular workday shall consist of a shift of eight (8) consecutive hours, excluding an unpaid meal period, within a twenty-four (24) hour period, and the normal workweek shall consist of five (5) consecutive days Monday through Friday. Employees engaged in special operations are defined as employees engaged in an operation for which there is regularly scheduled employment in excess of five (5) workdays in any seven (7) day period, or in excess of eight (8) hours in a workday, provided that any such employee will be compensated for hours worked in excess of forty (40) hours in a workweek pursuant to Article 15 (Premium Pay). Where management converts a normal operation to a special operation, management will provide the Union and the affected employees with reasonable notice of their schedule change. The Union may place issues arising as a result of the conversion of an operation to a special operation on the agenda of the Labor-Management Committee for discussion, but such issues are not subject to the grievance and arbitration provisions of this Agreement.

B. The parties may confer on a Department by Department basis regarding flex-time or alternative work schedules, and make recommendations on such matters to the Directors, who may accept the recommendations, reject the recommendations, or accept them on a modified basis.

C. Effective the first full pay period on or after July 1, 2001, employees covered by this Agreement and regularly assigned to night or shift work shall be paid one dollar and twenty cents (\$1.20) per hour above the established rates on shifts which commence between the hours of 3:00 p.m. and 7:00 a.m. Effective the first full pay period on or after July 1, 2002, employees covered by this Agreement and regularly assigned to night or shift work shall be paid one dollar and thirty cents (\$1.30) per hour above the established rates on shifts which commence between the hours of 3:00 p.m. and 7:00 a.m. Part-time Transit Equipment Operators (Equipment Operator I) are eligible to receive shift differential for hours they work after 4:00 p.m. Notwithstanding the foregoing, the shift differential provided for herein will be paid to Animal Control Officers who work the evening shift for the hours they work after 3:00 p.m. This provision shall not apply to employees whose emergency assignments start or carry into the above-named periods. Employees eligible for shift differential pay shall receive that pay for all paid status hours, to include approved paid leave hours and holidays.

D. Except for employees covered by Snow and Ice Removal provisions below, when the County is closed due to inclement weather and grants administrative leave to nonessential employees, essential employees who work their assigned shifts on that day will be granted the same number of hours of compensatory leave as nonessential employees were granted in administrative leave.

E. Where Transit Equipment Operators report for duty on a day the County is closed due to inclement weather, or other unforeseen causes, have completed their assigned duties and are released from duty for the balance of their shift, they will be granted administrative leave for the

balance of the shift.

F. Snow and Ice Removal

1. The Director, at his/her sole discretion, may designate a snow and ice control operation as a special operation.

2. Where the Director has designated a snow and ice operation as a special operation, he/she may, at his/her discretion, schedule employees to work snow and ice removal operations in a manner which he/she believes is necessary for safe and efficient operations. Scheduled shifts will be posted before the end of each shift.

3. On days when the Director has designated snow and ice control as a special operation, employees who report to work at all times so required will be paid for all hours actually worked during what would be the employee's normal hours of work at the rate of pay normally applicable to those hours of work and for all hours of work actually worked outside of what would be the employee's normal hours of work at the appropriate overtime rate.

4. Where, pursuant to paragraph 2, above, employees who report at their normal starting time (e.g., 7:30 a.m.) on the first day of a snow and ice removal special operation are relieved of duty prior to completion of their regularly scheduled shift, the employees will be paid either administrative leave or compensatory leave at the straight-time rate on an hour for hour basis for the balance of their regularly scheduled shift hours not actually worked. Where an employee covered by this Agreement who is scheduled to work the first special operations shift on snow and ice removal following the close of the regular workday is not released from work before the close of his/her regular workday, the employee will be granted compensatory leave hours equal to the number of hours remaining in his/her regular workday from the time when other employees on the same special operations shift were released from work.

5. On subsequent days, employees who work fewer than a total of eight (8) hours during the day (whether straight-time or overtime) will be paid the difference between the number of hours worked and eight (8) hours in administrative leave or compensatory leave at the straight-time rate. In all cases, however, the employee will receive a minimum of eight (8) hours (overtime and straight-time combined) of pay per day. The decision as to whether to pay compensatory or administrative leave is solely the Director's, provided, however, that any compensatory leave so earned will not be forfeited.

6. An employee who has an unexcused absence from work (i.e., AWOL) during any workweek in which these Snow and Ice Removal provisions are involved will forfeit the benefits of these provisions and will be paid only for hours actually worked on snow and ice removal that week in accordance with the other terms of this Agreement.

7. When employees are under a regular work schedule and a condition arises that would change it to a special operation, no employee will be required to work more than twelve (12) consecutive hours in a day except as permitted by Federal or State Law, or unless the Governor, or designee declares a state of emergency.

8. Notwithstanding Article 39 (Holidays), when a holiday is observed on a day that a special operation is designated for snow and ice removal, any employee covered by this Agreement who works on that day will be paid at the rate of two and one-half (2 1/2) times their regular rate for all hours worked when the special operation is in effect on the holiday.

ARTICLE 14 -- REST PERIOD

All department heads shall establish a reasonable and fair departmental break period policy to be effective within the first thirty (30) days after the execution of this Agreement. In no event shall any such break period policies interfere with or prevent the efficient conduct of County business.

ARTICLE 15 -- PREMIUM PAY

A. Employees shall be compensated for overtime worked as follows:

1. Employees will be compensated at the rate of one and one-half (1 1/2) times their regular rate of pay for time they are required to work in excess of forty (40) hours in a workweek.

2. All employees will be compensated at the rate of two (2) times their regular rate of pay for overtime work they are required to work on their seventh (7th) consecutive day of work.

3. All employees will be compensated at the rate of two (2) times their regular rate of pay for overtime work they are required to work on Sundays.

4. All leave with pay shall be considered time worked in the computation of overtime.

B. To the extent permitted by applicable law, this provision applies to Animal Control Officers on Standby/Call-In only in so far as it is consistent with this provision of Article 16, and shall not apply to employees in the Emergency Service Plan in the Housing Authority, who shall be paid pursuant to the current department agreement covering this work.

C. For purposes of computing overtime, paid leave hours and all holiday hours (worked or unworked) for which an employee is compensated, shall be regarded as hours worked.

D. At the option of the employee and with the approval of the County, employees covered by this Agreement may elect to receive compensatory leave at the rate of one and one-half (1 1/2) hours for each overtime hour worked. For purposes of this provision and other compensatory leave provisions of this Agreement, compensatory leave will be scheduled at mutually agreeable times. The parties agree that this paragraph will be administered consistent with the requirements of the Fair Labor Standards Act and the County's rules and regulations.

E. Employees who without an intervening break work three (3) hours or more beyond their regular work shift of eight (8) hours shall receive a paid one-half (1/2) hour meal period. For every four (4) consecutive hours of work thereafter, employees shall receive an additional one-half (1/2) hour paid meal period. Employees who work three (3) or more hours overtime consecutive to the end of their shift may receive a meal allowance of up to ten dollars (\$10.00)

by providing the Department with a receipt for the meal.

F. There shall be no pyramiding of overtime or other premium rates; that is, only one (1) overtime or premium rate will be paid for the same hours worked.

G. Overtime can be worked only when the needs of the workload demand it and the type of work to be performed must dictate the selection of employees. The selections should be made, so far as the circumstances will permit, from qualified employees who are capable of doing the particular work. Circumstances and previous practices should be considered in deciding which group or groups should reasonably be called upon to do particular work. Such selections should be made and overtime should be allotted amongst the employees in as fair and equitable a manner as circumstances and the job requirements will permit within the appropriate class.

ARTICLE 16 -- CALL-IN, STANDBY AND DIFFERENTIAL PAY

A. Employees called in to work outside their regular shift shall receive a minimum of two (2) hours pay at the applicable rate of pay.

B. Except for snow/ice removal, if the employer directs any employee to stand by, the employee will receive one and one-half (1 1/2) hours of compensatory leave or pay at the request of the employee and the approval of the Appointing Authority for each day on standby. Except for snow/ice removal, if the employer directs any employee covered by this agreement who works in the Storm Drain Management Division of the Department of Public Works and Transportation to stand by, the employee will receive one and one-half (1 1/2) hours of compensatory leave for each day on standby.

C. If the Employers direct an Animal Control Officer to stand by, the officer will be paid a total of two (2) hours of standby pay at the straight-time rate of pay for all hours on standby. The standby period shall be 10:00 p.m. through 7:00 a.m. the following morning. Time worked on call-out in excess of two (2) hours will be paid at the applicable rate.

D. Employees covered by this Agreement who are assigned to the Refuse Disposal Division or the Refuse Collection Division shall be paid a differential of one dollar and twenty cents (\$1.20) for each hour actually worked. Effective the first full pay period beginning on or after July 1, 2002, employees who are assigned to the Refuse Disposal Division or the Refuse Collection Division shall be paid a differential of one dollar and thirty cents (\$1.30). This differential will also be paid, on the same basis, to all employees who normally receive it but who are temporarily assigned to emergency snow and ice removal, and it will also be paid to all other employees covered by this Agreement for hours actually worked on emergency snow and ice removal. Effective the first full pay period beginning on or after July 1, 1999, there will be a pay differential for Animal Control Officers of eighty cents (\$0.80) per hour. To the extent permitted by applicable law, the differential shall not be considered to be part of the employee's base rate nor shall it be applied to pay for nonproductive hours such as holiday pay, annual or sick leave pay, nor shall it be used for the purpose of computing retirement deductions, retirement and insurance benefits. However, Landfill employees with job assignments which make them eligible for the differential on a full-time permanent basis shall receive that pay for all paid status hours, including approved paid leave hours and holidays.

ARTICLE 17 -- WORK CLOTHING AND TOOLS

- A. Except as provided below, all permanent employees covered by this Agreement in Locals 2462 and 2735 will be provided work clothing on a rental basis according to departmental policy.
- B. All permanent employees covered by this Agreement who are required by the County to wear safety shoes and who present appropriate proof of purchase for approved safety shoes shall be entitled to a reimbursement of up to two hundred dollars (\$200.00) during the two (2) year period covered by this Agreement toward the purchase of approved safety shoes. At the option of the Department Director, an allowance may be paid instead of a reimbursement.
- C. Employees covered by this Agreement who work as mechanics in the Office of Central Services, the Department of Environmental Resources and the Department of Public Works and Transportation are required to furnish and maintain their own mechanic's tools in a serviceable condition. To assist in defraying the expenses associated with this obligation, these employees will be provided with a tool allowance of four hundred fifty dollars (\$450.00) per year in a check during the second full pay period in July.
- D. Employees of the Office of Central Services, Fleet Management, will be provided jackets when needed to perform duties outside of the garage facility.
- E. Those Animal Control Officers who are provided uniforms will be paid a uniform maintenance allowance of four hundred twenty-five dollars (\$425.00) during FY2002 and FY2003 for the upkeep of their uniforms. This allowance will be paid during the first full pay period beginning on or after July 1 of each year of this Agreement.
- F. The County will provide and maintain uniforms for all employees covered by this Agreement in the Department of Housing and Community Development who are in plant operations and labor and trade classifications. The County will also provide uniforms to the Department of Housing and Community Development Construction Advisors and Rental Assistance Division Inspectors. The Employer will furnish adequate rain gear where necessary to employees in those classifications.
- G. Construction and Property Standards Inspectors and Refuse Collection Inspectors will receive an expense allowance of one hundred seventy-five dollars (\$175.00) per year for actual expenses reasonable and necessarily incurred in the performance of their job duties. The allowance will be paid in one (1) installment in July of each fiscal year.
- H. Transit Equipment Operators in the Department of Public Works and Transportation and Construction Advisors, Section 8 Inspectors and Lead Inspectors in the Department of Housing and Community Development will receive a clothing allowance of two hundred fifty dollars (\$250.00) per year. The allowance will be paid in one (1) installment in July of each fiscal year.

ARTICLE 18 -- TEMPORARY ASSIGNMENTS

- A. Employees who are required to perform duties of a higher job classification after five (5)

consecutive workdays shall be compensated retroactively at the rate of that higher classification. No employee shall be required to perform such work for more than one hundred twenty (120) days in any one (1) calendar year.

B. The County shall not schedule work to intentionally circumvent the provisions of this Article.

C. This Article shall not apply to an employee in a training work assignment. Employees shall have all training work assignments explained to them fully. Training will not last more than forty-five (45) days unless agreed between the Union and the County for an extension.

ARTICLE 19 -- SAFETY AND HEALTH

A. The County shall make every good faith effort to provide safe and healthy working conditions for employees. Employees shall refer any unsafe or unhealthy conditions to the County and the Union for their joint consideration. It is recognized that the County may reassign any employee until such conditions are resolved.

B. The Employer and the Union agree to establish a joint Labor-Management Safety Committee to meet as needed.

C. The County will provide employees covered by this Agreement with any protective clothing it is required to make available pursuant to Federal or State Law.

ARTICLE 20 -- PROBATIONARY PERIOD

A. The probationary period for new employees shall be regarded as an integral part of the training process and shall be utilized for closely observing the employee's work, for securing the most effective adjustment of an employee to the employee's position and for disqualifying any employee whose performance and conduct is not satisfactory.

B. The probationary period for new employees covered by this Agreement who are hired into positions other than "dually-allocated" positions shall be for a period of six (6) months from the date of employment. Management may require Construction Standards Inspectors, Property Standards Inspectors and Community Developers who are hired above the entry level to serve up to a nine (9) month probationary period. For all other employees covered by this Agreement who are hired into a "dually-allocated" position, the probationary period shall begin with the date of employment and continue until the employee either advances to the second (2nd) level of the allocation or is terminated. Where an employee covered by this Agreement is hired into a position that has specifically been designated as a "dually-allocated" position, the employee shall be entitled to move to the second (2nd) level of the allocation upon serving the requisite time-in-grade for the position provided that the employee has also received satisfactory performance evaluations while working at the first (1st) level.

C. At any time during the probationary period the Employer may remove an employee if in the Employer's opinion the employee is unwilling or unable to perform the duties of the position satisfactorily or that the employee's habits and lack of dependability do not merit continued

employment with the Employer. When dismissing a probationary employee, the Employer will follow the procedures set forth in Sections 16-171(c)(1), (2) and (3) of the County Personnel Law. This shall not be interpreted as subjecting any termination of a probationary employee to the grievance procedure contained in this Agreement.

D. In addition to the type of extension permitted under Personnel Law Section 16-172, the parties may agree to extend for a period of up to sixty (60) calendar days an employee's probationary period. The Union and the affected employee shall receive a copy of the notice extending the employee's probationary period.

ARTICLE 21 -- PROMOTIONS

A. Except for Promotions within the Equipment Operator Series as stated below, all promotions shall be governed by the County Personnel Law.

B. For promotions within the Equipment Operator series, the candidate with the greatest departmental seniority who is qualified to perform the job will be promoted. In determining whether or not a candidate is qualified to perform the job, the employee must demonstrate the ability to perform competently all tasks associated with the position, and management may also consider whether the candidate has satisfactory past performance, disciplinary, leave and accident records. The Employer agrees, however, that it will not unreasonably use these considerations to deprive a senior candidate of a promotional opportunity.

C. Permanent part-time employees (Transit Equipment Operators (E.O.I's)) of the transit division shall receive equal treatment in the filling of vacant Equipment Operator I positions in the Highway Maintenance Division of the Department of Public Works and Transportation with consideration given for the applicant's seniority, provided that the applicant is qualified through competitive testing and has a satisfactory work record.

ARTICLE 22 -- TRANSFERS

A. If an employee desires to transfer to a vacant position within his/her department, the employee shall submit an application in writing to the Director of the department stating the reason for the requested transfer.

B. If a vacancy exists in the classification for which a transfer has been requested, and the vacancy is to be filled, the employee requesting the transfer shall be transferred provided the employee is a qualified applicant for the vacancy and the transfer will not impair the effectiveness of the Department's operations. If more than one (1) employee has requested transfer to a vacant position and they are all equally qualified, priority will be given to the employee with the greatest Departmental seniority.

C. Where an employee requests a transfer to a vacant position which is also a promotional opportunity for other employees, the position may be filled by promotion or transfer.

D. Where an employee is transferred or reassigned and the employee did not request the

transfer, the employee will receive ten (10) working days advance written notice of the transfer or reassignment except in emergency. On emergency, the employee will receive a notice within five (5) working days after the transfer. (For the purpose of this Article, an emergency shall mean a situation or occurrence of a serious nature developing suddenly and unexpectedly and demanding immediate action.) The written notice will state the reason for the transfer and advise the employee of his/her new work location and reporting date. The same type of notice will also be sent when an employee is reassigned to a new division or given a new reporting location within the same department.

ARTICLE 23 -- SENIORITY

A. County seniority is defined as the length of service with the County beginning at the employee's initial hire date as a County employee. Departmental seniority shall mean an employee's length of service with the department since the employee's date of employment within the department. An employee's length of service shall be computed from the date of the employee's initial employment and shall include all the time the employee served in a classified position. New employees names shall not be added to the seniority list [referred to in the paragraph C below but shall be listed in the probationary listing specified in the final paragraph below] until after their successful completion of probation.

B. Seniority shall continue to accrue during all leaves as specified in this Agreement or any other approved leave.

C. The Employer shall furnish the Union a seniority list (an alphabetical listing by County seniority of all employees in the bargaining unit) on January 1 of each year, and upon request, an updated seniority list shall be furnished by the County on July 1. Said listing shall include employee's most recent hire date, job title, salary and work location/department.

D. The County shall furnish the Union with a separate listing, on a quarterly basis, of all new employees hired in job titles represented by the Union. This listing shall include the new employee's most recent hire date, job title, salary and work location/department.

ARTICLE 24 -- LAYOFF AND RECALL

A. Reduction-in-force will be administered in accordance with the Personnel Law.

B. The duly elected Presidents and Chief Steward of the locals shall be granted superseniority for the duration of his/her time of office. The grant of superseniority means that the Union Presidents will be the last bargaining unit employees to be laid off in the event that a reduction-in-force affects bargaining unit employees. Once out of office, the former President and Chief Steward shall revert to his/her regular seniority date.

ARTICLE 25 -- PERSONNEL FILES

A. The Personnel Records policy for employees covered by this Agreement shall be administered in accordance with the Personnel Law, with the following exception:

1. At the employee's written request (which request shall not be made part of the personnel file), memorandums of counseling, records of discipline up to a three (3) day suspension, or its equivalent, will be removed from an employee's personnel file(s) eighteen (18) months after the discipline is administered so long as the employee has not been disciplined for a related offense during the eighteen (18) month period. Records of discipline involving a four (4) to ten (10) day suspension will be removed at the employee's written request thirty-six (36) months after the discipline is administered so long as the employee has not been disciplined for a related offense during the thirty-six (36) month period.

B. Where the Union is representing an employee in a grievance filed under this Agreement, the Union may review the employee's personnel file for information relevant to the grievance so long as the employee provides the County with written authorization for the Union to do so.

C. The County shall remove all of the above files from his/her personnel file within thirty (30) days of the employee's written request.

ARTICLE 26 -- SUBCONTRACTING

Employees who have completed the probationary period shall not be terminated from employment for lack of work as the result of outside contractors or temporary employees carrying out the duties normally performed by said employees.

ARTICLE 27 -- ANNUAL LEAVE

A. Full-time employees shall accrue annual leave on the following basis:

- | | |
|---|----------------------|
| 1. During the first three (3) years of service | Thirteen (13) days |
| 2. After three (3) years but less than fifteen
(15) years of service | Twenty (20) days |
| 3. After fifteen (15) years of service and above | Twenty-six (26) days |

B. Employees who work on a year round part-time basis with a scheduled workweek of twenty (20) hours or more shall accrue leave in proportion to the hours worked.

C. A maximum of three hundred sixty (360) hours of accumulated annual leave earned beginning with the first pay period in the 1997 leave year (i.e., January 5, 1997) may be carried over from one leave year to the next by an employee. (i.e., new annual leave). Any excess annual leave over three hundred sixty (360) hours at the end of each year will be converted to sick leave.

D. An employee shall be allowed to carry over annual leave earned as of the last full pay period in leave year 1996 (i.e., old annual leave) even if such accumulated amount is in excess of the maximum allowed in the paragraph immediately above.

E. Employees will be required to use their accumulated compensatory leave before using annual leave.

F. Employees shall accumulate annual leave while serving their probationary period, but shall not be granted annual leave during the first ninety (90) days of service with the Employer. The employee shall earn a leave credit at the appropriate rate as indicated in paragraph A above which may be granted after the employee's ninetieth (90th) calendar day of service. Any absence during the first ninety (90) days of service, except due to illness (chargeable to sick leave) or for administrative reasons, shall be charged as leave without pay.

G. An employee shall submit a written request to use five (5) or more days of annual leave at least fourteen (14) calendar days before the date the leave is to begin and the employer must respond to the request not later than seven (7) calendar days after the date the leave request was submitted. An employee shall submit a written request (or confirm an oral request in writing) to use less than five (5) days of annual leave at least two (2) working days before the date the leave is to begin; and the employer must respond to the request not later than one (1) working day after the date the leave request was submitted; provided, however, that emergency annual leave may be granted on occasions when it is not possible to obtain prior approval for the leave. Upon request, annual leave shall be granted based upon the Employer's operational needs. If the supervisor does not respond in the above given time frame, the leave is considered denied, and the employee may appeal to the next higher supervisor. If the nature of the Employer's operations makes it necessary to limit the number of employees on vacation at one time, the employee with the greater seniority will be given the choice of vacation periods in the event of any conflict over vacation periods.

H. An employee who has completed the first ninety (90) days of employment with the Employer, and terminates employment shall receive a lump sum payment for the annual leave balance credit accumulated through the last full pay period immediately prior to the employee's separation.

I. Approved vacation requests shall not be subject to cancellation except in cases of emergency as determined by the Department Director, and employees covered by this Agreement will not be called in to work while on vacation except in cases of emergency as determined by the Department Director. An employee whose vacation approval is canceled or who is called in from vacation will be reimbursed by the Employer for the costs of any reservations he/she made subsequent to the approval of his/her vacation request provided that the employee provides adequate proof of the incurrence of such costs and such costs are non-refundable from the reservation agent, hotel, airline, etc. because of no error or omission on the part of the employee.

J. An employee whose vacation request has been approved may not cancel his/her approved leave without the prior written approval of Management.

K. Vacation leave may be taken in increments of one-half (1/2) hour or more.

L. Any holiday as defined in this Agreement that falls within an employee's scheduled vacation will not be charged to the employee's vacation leave.

M. An employee who becomes ill, injured, or hospitalized while on vacation leave shall be able

to use sick leave in lieu of vacation leave for the duration of the illness, injury or hospitalization provided that:

1. A written request to charge such time to sick leave is submitted to his/her department within ten (10) working days of the end of that employee's approved vacation leave; and,
2. The request is accompanied by a Doctor's certificate specifying the nature and duration of the employee's illness, injury and/or hospitalization.

ARTICLE 28 -- SICK LEAVE

- A. Full-time employees shall accrue one and one-quarter (1 1/4) days of sick leave per month. Part-time employees who work twenty (20) hours or more per week shall accrue sick leave in proportion to the amount of time worked; however, an employee who works less than twenty (20) hours per week shall not be entitled to sick leave.
- B. There shall be no limit on the amount of sick leave an eligible employee may accumulate.
- C. Sick leave shall be allowed in case of actual sickness or disability of the employee which incapacitates the employee so that the employee is unable to perform the regular duties of employment; or of actual sickness or disability of the employee's spouse, dependent children, parents, grandparents or grandchildren or because of necessary employee appointments with physicians, dentists or optometrists. The Employer may require proof of the reason for which sick leave was taken when the Employer has reasonable cause to believe that an employee may be abusing sick leave privileges.
- D. Requests for use of sick leave for physician, dentist or optometrist appointments shall be made to the Employer in advance. Requests for sick leave in all other cases shall be made in advance whenever it is possible, no later than within the first (1st) hour of the start of the employee's workday.
- E. Sick leave will be retained in an employee's account for a period of two (2) years in the event the employee is separated due to a reduction-in-force.
- F. The Union shall have the right to establish and maintain a sick leave bank. The sick leave bank shall be funded through voluntary donations of sick or annual leave by employees covered by this Agreement. This leave may then be transferred from the bank to the sick leave account of another employee covered by this Agreement with a zero (0) leave balance (annual and sick). Use of such transferred leave shall be limited to sickness or disability which incapacitates the employee or to use for bereavement leave under Article 32.
- G. The administration of this sick leave bank shall be the responsibility of the Union. The County agrees to maintain the records of the sick leave bank and shall only be required to transfer sick leave from the bank to the account of an eligible employee upon receiving proper written authorization from the Union that the sick leave is to be transferred and after verification that the receiving employee has met all the necessary conditions of eligibility.

H. In addition to donations to the sick leave bank above, employees will be permitted to donate their sick leave directly to other employees in accordance with the County Personnel Law and procedures.

ARTICLE 29 -- SICK AND ANNUAL LEAVE DISPOSITION UPON SEPARATION

The annual and sick leave balances accumulated by an employee shall, upon the employee's separation from employment, with proper notice of separation as determined by the employee's Appointing Authority, be liquidated in the following manner:

1. The employee may elect to retain all or any portion of the employee's sick and annual leave balances credited to the employee's leave record for the period of time equal to the employee's eligibility for reappointment as determined in accordance with Section 16-148(a)(8).

2. The employee may elect to apply all or any portion of the employee's sick and annual leave balances to employment elsewhere, provided another employer has agreed to accept accumulated sick or annual leave balances for credit on behalf of the employee; or to donate accumulated sick leave to the Union sick leave bank.

3. Except in the case of an employee who is entitled to credit for sick and annual leave balances under the terms of an applicable County sponsored pension plan, the employee may elect to receive cash payment for all or any portion of the employee's annual leave balance in an amount equal to the total number of unused annual leave hours multiplied by the employee's final base hourly rate of pay, subject to the following limitation:

a. The maximum total amount of annual leave eligible for cash payment upon separation shall be the amount of remaining accumulated leave earned as of the end of the last full pay period in the 1996 leave year (i.e. January 4, 1997), or three hundred sixty (360) hours, whichever is greater.

4. A. Benefit Accrual and Amounts.

1. Effective July 1, 1990, employees covered by this Agreement may elect to participate in a supplemental retirement benefit program, jointly funded through County and employee contributions. The rate of accrual and amount of the benefit payable under this program are determined as follows:

a. Benefit accrual is at the rate of 0.4% times the number of years of actual and continuous service the employee has as a full-time Prince George's County employee, to a maximum of twenty-five (25) years of actual and continuous service, multiplied by the employee's average annual compensation, as determined pursuant to paragraph E, below.

b. Pursuant to paragraph A, above, the maximum benefit payable to any eligible employee is ten percent (10%) of the employee's average annual compensation, as determined pursuant to paragraph E, below.

B. Vesting.

1. Minimum Continuous Service Requirements.

a. No employee covered by this Agreement shall be entitled to any benefit described in this Section until the employee has completed a minimum of five (5) years of actual and continuous service as an employee for Prince George's County.

2. Vested Benefit.

a. An employee completing the minimum continuous service requirements of paragraph B.1., above, shall be entitled to receive a monthly benefit as determined pursuant to paragraph A, above; provided, however, that no employee terminated for disciplinary reasons will be entitled to any benefit under this Section.

C. Benefit Payment.

The benefit accrued by an employee under either paragraphs A or B, above, shall not be payable until retirement at the earliest of the following: 1. age fifty-five (55) and fifteen (15) years of service; 2. age sixty-two (62) and five (5) years of service; or, 3. thirty (30) years of service regardless of age.

E. Definitions.

1. Actual Service means service while employed as an employee of Prince George's County.

3. Compensation means the basic compensation actually received by an employee for service rendered as an employee for Prince George's County, excluding any overtime or other premium pay, bonuses or other additional compensation.

4. Continuous Service means the most recent unbroken period of employment as an employee of Prince George's County.

F. Hold Harmless for Supplemental Retirement and Leave Payout.

1. For any employee covered by this Agreement who retires on or after July 1, 1993, "average annual compensation" as that term is defined in paragraph E (Definitions), above, will be calculated as if the employee had received any step increase the employee would otherwise have received during the term of this Agreement but for the deferral of such step increases. This salary shall also be applicable to calculating any leave payouts due upon retirement during this period of time.

2. For any employee covered by this Agreement who retires on or after July 1, 1997, "Average Annual Compensation" as that term is defined in paragraph E (Definitions), above, will be calculated as if the employee had received any step increase the employee would otherwise have received during fiscal years 1996, 1997, 1998 and 1999 but for the suspension of such step increases. This salary shall also be applicable to calculating any leave payouts due upon retirement during this period of time. For those employees who retire between July 1999 and June 2001, Supplemental Retirement Benefits and leave payouts will be calculated as if employees had received their A-Scale merit increases on time.

G. Supplemental Retirement Benefit Plan (modifications effective July 1, 1992).

Effective July 1, 1992, the benefit accrual rate in paragraph A, above, shall be increased from 0.4% to 0.6% per year for up to twenty-five (25) years of service for an increase in normal benefit from ten percent (10%) to fifteen percent (15%). Further, during the sixty (60) day period preceding July 1, 1992, employees covered by this Agreement who originally declined to participate in the Supplemental Pension Benefit Program will be afforded the opportunity to enroll in the Supplemental Pension Plan and begin participation effective July 1, 1992, but with no past service credit (i.e., such employees' actual and continuous service will be defined as employment as an employee of Prince George's County from July 1, 1992).

H. Supplemental Retirement Benefit Plan (modifications effective July 1, 2001).

Effective July 1, 2001, the benefit accrual rate in paragraph G, above, shall be increased from six percent (6%) to eight percent (8%) per year for up to twenty-five (25) years of service for an increase in normal benefit from fifteen percent (15%) to twenty percent (20%). The additional cost for this benefit enhancement will be paid totally by the County.

J. IRS Pickup Plan

1. The County shall pick up, within the meaning of Section 414(h) (2) of the Internal Revenue Code, the employee contributions required by paragraph D. (Funding) hereof. Such amounts:

b. shall reduce the taxable compensation of the employee in an amount that equals the employee contributions picked up by the County;

c. shall be paid by the County from the same source of funds that is used to pay compensation to the employee;

d. shall, for all other purposes, be treated in the same manner and to the same extent as employee contributions made before establishment of the pickup plan.

2. Employees shall not be entitled to receive such amounts directly in lieu of having such amounts picked up by the County. This pickup plan becomes effective for pay periods beginning on or after its approval by the County Executive and the County Council. The County shall apply to the Internal Revenue Service for a private letter ruling with respect to the pickup plan, but neither the application nor the receipt of such a ruling are prerequisites to the implementation of the pickup plan.

3. Upon request by an employee, the County will provide him/her a copy of the most recent summary of the plan's financial report.

ARTICLE 42 -- DISCIPLINE AND DISCHARGE

A. Section 1. Discipline

1. Employees shall be disciplined only for just cause.

2. If the Employer has reason to reprimand an employee it shall be done in a manner that will not embarrass the employee before other employees or the public.

3. Any disciplinary action may be processed through the grievance procedure specified in this Agreement.

4. The Employer agrees to follow a progressive disciplinary policy utilizing the disciplinary methods permitted by the Personnel Law; provided, however, that the parties also recognize and agree that initial disciplinary action should be consistent with the severity of the offense.

5. The Local President, Chief Shop Steward, and appropriate Steward shall receive copies of all written disciplinary actions and intended action.

6. At the employee's request, an employee covered by this Agreement may have Union representation when the employee is being questioned regarding any incident which could ultimately lead to an adverse action being taken against the employee.

B. Section 2. Discharge and Suspension

1. The Employer shall not discharge any employee without just cause. If in any case the Employer feels that there is just cause for discharge, the employee involved and the Union shall be notified at least forty-eight (48) hours in advance of such action.

2. Pending the investigation of charges which may result in the suspension or discharge of an employee or upon notice of intent to suspend or discharge an employee, the Employer may, in its discretion, place the employee on administrative leave in lieu of the measures available under the Personnel Law.

3. The Union shall have the right to take up the suspension and/or discharge at the department head level of the grievance procedure. Where an employee is suspended or discharged, the employee shall be granted the opportunity to have a Union representative present if the employee requests that one be present.

4. All suspension days must be consecutive workdays. Sundays and holidays are excluded in the calculation of time.

ARTICLE 43 -- GRIEVANCE PROCEDURE

A. A complaint or dispute between the parties or between the County and an employee, including a complaint or dispute involving the application, meaning or interpretation of the provisions of this Agreement shall be considered a grievance and subject to resolution under the following procedures:

1. Step 1.

a. When any employee subject to the provisions of this Agreement feels he/she is aggrieved by a violation of this Agreement, he/she, through the Local Union President or Shop Steward, shall give written notice of the grievance to the Department within ten (10) working days after the occurrence of the violation or within ten (10) working days following the time when the employee should reasonably have known of its occurrence. The written notice must be signed by the employee and his/her Union Representative and must set forth relevant information concerning the alleged grievance, including a short description thereof, the date on which the grievance occurred, and the provision(s) of the Agreement alleged to have been violated. The Local Union President or Shop Steward and the employee's supervisor shall meet and endeavor to adjust the matter within ten (10) working days after timely notice has been given. The Department shall respond to the grievance not later than ten (10) working days after the meeting. If they fail to resolve the matter or no response is given within the prescribed period, the Union may, within five (5) working days thereafter, pursue Step 2 of the Grievance Procedure.

b. Should the Union or the County have a dispute with the other party and, if after conferring, a settlement is not reached within ten (10) working days after occurrence of the events giving rise to the dispute, the dispute may be reduced to writing and proceed to Step 2.

2. Step 2.

If the grievance is not resolved under Step 1, and the Union elects to pursue the matter beyond Step 1, the Chief Steward and/or the Local Union President will meet with the employee's Department Head or the Department Head's designee, for the purpose of attempting to resolve the grievance within ten (10) working days after timely receipt of the written grievance. Should the parties fail to reach an agreement or no response is given within ten (10) working days after the meeting, the dispute may be referred, as appropriate, to the Labor Commissioner in accordance with the provisions of Step 3 or to final and binding arbitration in accordance with the provisions of Step 4.

3. Step 3.

If a grievance over a loss of pay, discharge or a promotion is not resolved under Step 2, and the Union, through its Council 67 Representative elects to pursue the matter beyond Step 2, a written appeal signed by the aggrieved employee and the Council 67 Representative may be filed with the Director, Office of Personnel and Labor Relations, within ten (10) days after receipt of the answer at Step 2. Within ten (10) days after receipt of the appeal, the Director or his designee and the Union will meet to discuss the grievance. The Director, or his designee, will respond within thirty (30) calendar days after the hearing. Should the parties fail to reach an agreement, the dispute may be referred to final and binding arbitration in accordance with the provisions of Step 4.

4. Step 4.

a. If the grievance shall have been submitted but not adjusted under Step 2, and further under Step 3 if appropriate, either the Union, through its Council 67 representative, or the County may request in writing, within seven (7) working days after the grievance has been denied at Step 2 or, when applicable, Step 3, that the grievance be submitted to an Arbitrator mutually agreed upon by them. The County and the Union shall, after execution of this Agreement, attempt to mutually select a permanent panel of five (5) arbitrators but if they are unable to do so, they shall request the American Arbitration Association to provide them with a list of Arbitrators from which such a panel shall be selected. The Arbitrator appointed to hear and decide any grievance dispute hereunder shall be selected from such panel. The rules of the American Arbitration Association shall govern the conduct of the arbitration hearing. The decision of the Arbitrator shall be final and binding on all parties. The fee and expenses of such Arbitrator shall be borne by the losing party. Within forty-five (45) days after receipt of the Arbitrator's award for grievance, the County shall execute the award unless appealed.

b. Only grievances arising as a result of disputes concerning the meaning, interpretation or application of this Agreement shall be subject to Step 4 (Arbitration).

c. Failure of the grieving party to adhere to the time limits established in this grievance procedure shall render the grievance null and void. The time limits established herein may be extended only by written consent of the parties involved at the particular step where the extension is agreed upon. Either party will be granted an automatic extension of ten (10) working days upon written notice to the other side. The Arbitrator shall have the authority to

make decisions only on issues presented to him/her and he/she shall have no authority to change, amend, add to or detract from any of the provisions of this Agreement.

ARTICLE 44 -- ENTIRE UNDERSTANDING

The parties agree that the total results of their bargaining are embodied in this Agreement and no party signatory hereto is required to render any performance not set forth in the working of this Agreement. The Agreement may be amended only by written agreement signed by the parties hereto.

ARTICLE 45 -- SAVINGS CLAUSE

In the event any Article, Section or portion of the agreement shall be held invalid and unenforceable by any court, or higher authority of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof specified in the decision; and, upon issuance of such a decision, the County and the Union may agree to negotiate a substitute for the invalidated Article, Section or portion thereof.

ARTICLE 46 -- WORK RULES

The employer agrees to furnish each employee in the bargaining unit with a copy of all new work rules that affect him/her not later than ten (10) calendar days after they become effective. New employees shall be provided with a copy of the work rules that affect them at the time they are hired. Employees may be required to acknowledge receipt by their signature. The Employer agrees to furnish the Local President/Union Official with a copy of Administrative Procedures relating to Personnel Law not later than twenty (20) calendar days after they become effective.

ARTICLE 47 -- DURATION AND REOPENER

This Agreement shall become effective on July 1, 2001 unless otherwise stated in specific sections, and shall remain in full force until June 30, 2003. This Agreement shall be automatically renewed from year to year after June 30, 2003 unless either party shall notify the other in writing no later than October 1, 2002 (or October 1st of any subsequent year thereafter in the case of an automatic renewal) that it desires to terminate, modify or amend this Agreement.
