

COUNTY COUNCIL OF PRINCE GEORGE'S COUNTY, MARYLAND
2007 Legislative Session

Resolution No. CR-49-2007
Proposed by The Chairman (by request – County Executive)
Introduced by Council Member Exum
Co-Sponsors _____
Date of Introduction July 2, 2007

RESOLUTION

1 A RESOLUTION concerning

2 The 2006 Telecommunications Transmission Facility Master Plan

3 For the purpose of changing the 2006 Telecommunications Transmission Facility Master Plan to
4 identify areas in the County where additional sites for telecommunications transmission facilities
5 are anticipated to be needed to provide service for public and private uses.

6 WHEREAS, Section 5A-161 of the Prince George's County Code provides for a
7 Telecommunications Transmission Facility Committee ("the Committee") to serve as a central
8 source of information and provide technical advice on the siting of telecommunications
9 transmission facilities for the County, the Maryland National Capital Park and Planning
10 Commission, the Board of Education and other public landowners, private landowners, licensed
11 telecommunication carriers, and the general public; and

12 WHEREAS, the Committee is charged with promoting the appropriate and efficient
13 location and co-location of telecommunications transmission facilities to minimize adverse
14 impacts on other land uses in the County, including the evaluation of the aesthetic effects of
15 locating multiple telecommunications transmission facilities in a single location or on a single
16 structure; and

17 WHEREAS, Section 5A-163(c) of the County Code directs that before approval may be
18 granted to site a telecommunications transmission facility in the County, the
19 Telecommunications Transmission Facility Coordinator shall draft a master plan of actual and
20 proposed telecommunications transmission facilities in the County and submit the master plan to
21 the County Council for approval; and

22

1 WHEREAS, the Committee submitted a report and master plan to the County Council on
2 September 22, 2006; and

3 WHEREAS, before the Council took action on the September 2006 version of the master
4 plan, the Committee submitted a revised master plan; and

5 WHEREAS, the 2006 Telecommunications Transmission Facility Master Plan became
6 effective on January 17, 2007; and

7 WHEREAS, Section 5A-163(a) of the County Code directs that the plan shall be updated
8 whenever the actual or proposed location of a facility changes; and

9 WHEREAS, pursuant to said procedures, the County Executive submitted to the County
10 Council his recommendations on the amendment request for the 2006 Telecommunications
11 Transmission Facility Master Plan.

12 NOW, THEREFORE, BE IT RESOLVED by the County Council of Prince George's
13 County, Maryland, that the 2006 Telecommunications Transmission Facility Master Plan, as
14 further amended by incorporating the proposed location of a new facility delineated on the map
15 and described in Attachment A, attached hereto and made a part hereof.

Adopted this 24th day of July, 2007.
