WHEREAS, the County established the Housing Investment Trust Fund, in order to authorize a funding and program mechanism to address foreclosure related issues facing residents in the County. WHEREAS, pursuant to Sections 10-295, 10-297, 10-298 and 10-299 of the Prince George's County Code, and adopted in County Bill CB-057-2017, the Housing Investment Trust Fund Program was amended to include the provision of gap financing to support the development of new construction, rehabilitation and preservation of workforce and affordable

housing, consistent with the adopted Prince George's County Five-Year Consolidated Housing and Community Development Plan. In addition to serving as a vehicle to address foreclosures with the County, the purpose of the amendment was to enable the County to support the development of new construction and preservation of existing workforce and affordable housing which would allow Prince George's County to provide Workforce Housing Gap Financing with an emphasis on supporting the development of new construction, rehabilitation and preservation of workforce and affordable housing while targeting households earning up to 120% of the area median income ("AMI"); and

WHEREAS, the Flats at Glenridge Station project involves the acquisition and new construction of two hundred forty five (245) units of new affordable multi-family rental housing for low-income to moderate-income families, known as the Flats at Glenridge Station, located at 7011 Chesapeake Road, Hyattsville, Maryland 20784; and

WHEREAS, Attachments "A-1," "A-2," and "A-3," describe the Flats at Glenridge Station project, the associated costs and the source(s) of funding for the project, as attached hereto and made a part hereof; and

WHEREAS, Attachment "B" describes a summary of the financial commitment and allocation of three million, five hundred thousand dollars (\$3,500,000) in HITF Program funds to support the Flats at Glenridge Station project, as attached hereto and made a part hereof; and

WHEREAS, the commitment and allocation of three million, five hundred thousand dollars (\$3,500,000) in HITF Program funds will provide gap financing necessary to construct and complete the Flats at Glenridge Station project; and

WHEREAS, the County Executive recommends the County's financial commitment to the Flats at Glenridge Station project and an allocation of three million, five hundred thousand dollars (\$3,500,000) in HITF Program funds to support this project.
