PRINCE GEORGE'S COUNTY GOVERNMENT

OFFICE OF THE COUNTY EXECUTIVE

February 11, 2021

The Honorable Calvin S. Hawkins, II
Council Chair
Prince George's County Council
County Administration Building
14741 Governor Oden Bowie Drive
Upper Marlboro, Maryland 20772

Dear Chair Hawkins:

Enclosed for the County Council's consideration is a Resolution for the purpose of requesting approval of a multi-year Contract Approval Agreement for the Liberty Sports Park CIP project, pursuant to Section 819 of the Prince George's County Charter. The project was an add on to the FY21 Department of the Environment (DoE) CIP budget request. As such, the request is not contemplated with the FY21 budget approval. The project is a multi-year, fixed price (\$6,152,336.00) agreement. The project will deliver a turnkey, design-build solution to manage stormwater volume controls and 124.9 acres of impervious surface restoration credits towards the County's National Pollutant Discharge Elimination System (NPDES) MS4 permit water quality restoration mandates.

Department of the Environment has secured approvals from the Office of Central Services, the Office of Law and Risk Management in accordance with the attached Agreement. FY21 funding is available and DoE has included the project with the FY22 budget request and out years.

The Council's favorable consideration of this project is greatly appreciated. Should you have any questions, please feel free to contact my office or Michelle Russell, Acting Director, Department of the Environment, at (301) 883-5812.

Sincerely,

Angela D. Alsobrooks
County Executive
