Ms. Elizabeth M. Hewlett  
Chairman  
Prince George's County Planning Board  
County Administration Building

Dear Chairman Hewlett:

The District Council has reviewed the request for an amendment to the project schedule for preparing the Resource Conservation Functional Master Plan. The Zoning Ordinance dictates the required schedule for master plan projects and allows for amendments to the schedule if concurrence is obtained from the Planning Board and the District Council.

Task	Existing Schedule	Proposed Schedule
Project initiation	September 15, 2015	September 15, 2015
Permission to print deadline	May 15, 2016	July 28, 2016
Joint Public Hearing	July 2016	October 5, 2016
Planning Board work session	September 2016	December 8, 2016
Planning Board transmittal	October 2016	December 27, 2016
Additional Council hearing (optional)	(not considered)	(not considered)
Council work session	November 2016	January 23, 2017
Council adopts updated plan	December 2016	February 20, 2017

The District Council has approved the proposed amendment to the project schedule as shown above in order to ensure adequate public participation and to ensure completion of the plan by the mandatory deadline of March 15, 2017 (18 months from project initiation).

In addition, as previously discussed with the Countywide Planning Staff for the Commission, the Council further finds that approval of the above-referenced amendment to the project will provide sufficient time, pursuant to Section 13-1111, Financial Institutions Article, Annotated Code of Maryland, to incorporate certain amendments to the boundaries of the Anacostia Trails Heritage Area and commensurate management plan for expanded land area now designated as part of the Anacostia Trails Heritage Area boundaries as a part of the Resource Conservation Functional Master Plan.

Sincerely,

Derrick Leon Davis  
Chairman
