BACKGROUND INFORMATION/FISCAL IMPACT**(Includes reason for proposal, as well as any unique statutory requirements)**

The Planning Department's FY 2003 Work Program requires the preparation of a Countywide Master Plan of Transportation to undertake the evaluations needed to (1) identify the elements of a transportation system that supports the General Plan development pattern, and (2) update the current Master Plan of Transportation to reflect the initiation or completion of several regional transportation projects as well as changes in Federal, State, regional and local transportation and land use policies and programs since 1982. The Work Program reflects the recommendations contained in the adopted General Plan.
