## **Current Law/Background**

According to the Department of Housing and Community Development (HUD), the Consolidated Plan is put in place to help states and local jurisdictions assess their affordable housing needs and market conditions by making investment decisions that are based on research and data. The planning process is created to be a framework for future housing and community development priorities that align and focus funding on the Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME) Program, Housing Trust Fund (HTF), Emergency Solutions Grants (ESG) Program and Housing Opportunities for Persons with AIDS (HOPWA) Program.

The Consolidated Plan is carried out through Annual Action Plans, which provide summaries of the actions, activities, and federal and non-federal resources to be used to address priorities and goals identified in the Consolidated Plan. Grantees use the Consolidated Annual Performance and Evaluation Report (CAPER) to report accomplishments towards their Consolidated Plan goals.

Sec. 15A-106 of the County Code requires the review and approval of the five-year Consolidated Housing and Community Development Plan and Annual Action Plan. Sec. 15-A-106 states that the County Executive shall forward each proposed Five-Year Consolidated Housing and Community Development Plan and each Annual Action Plan; after public hearings(s), the County Council may amend any part of the Consolidated Housing and Community Development Plan or Annual Action Plan.

According to Sec. 15A-105 of the County Code, the Annual Housing and Community Development Action Plan must contain the following:

The Annual Housing and Community Development Action Plan shall be generally consistent with the Strategic Plans contained in the Five-Year Consolidated Housing and Community

**Discussion/Policy Analysis**

The FY 2026-2031 Consolidated Plan was developed through complementary planning efforts, which include Housing Opportunity for All, Purple Line Corridor Coalition Housing Action Plan, and Plan 2035. Through planning efforts using data analysis and key concerns by County residents and cross-sector stakeholders, including nonprofit and for-profit developers, service providers, and employers, during community engagement activities. This included forums, surveys, focus groups, public hearings, and public comment periods. This also included outreach to public and affordable housing providers, private and governmental health and service providers, fair housing service providers, entities working with special populations, advocacy groups, planning agencies, and

10. Strengthen the county's economy: through economic development initiatives, support small businesses to foster stronger communities across the county
