

THE PRINCE GEORGE'S COUNTY GOVERNMENT
Department of the Environment

February 19, 2019

Mr. D. Lee Currey, Director
Maryland Department of the Environment
Water Management Administration
1800 Washington Boulevard
Baltimore, Maryland 21230

Dear Mr. Currey:

Prince George's County is pleased to submit its *DRAFT* Financial Assurance Plan (FAP) in accordance with Senate Bill 0863, Article 4-202.1(j)(2), enclosed. The draft status will remain in effect until its approval from the Prince George's County Council (PGCC). PGCC will have an opportunity to review the draft FAP plan, after such time a public hearing should be held for a final plan approval.

This report constitutes the County's FAP for the current National Pollutant Discharge Elimination System (NPDES) permit term, identifying:

1. Actions that will be required by the County to meet the requirements of its NPDES Phase 1 Municipal Separate Storm Sewer System Permit (MS4);
2. Projected annual FY2019, FY2020 and 5-year costs for the County to meet the impervious surface restoration plan requirements of its NPDES Phase 1 MS4 permit;
3. Projected annual and 5-year revenues or other funds that will be used to meet the impervious surface restoration plan requirements of its NPDES Phase 1 MS4 permit;
4. Any sources of funds that will be utilized by the County to meet the requirements of its NPDES Phase 1 MS4 permit; and
5. Specific actions and expenditures that the County implemented in the previous fiscal years (FY2017 and FY 2018) to meet its impervious surface restoration plan requirements under its NPDES Phase I MS4 permit.

Should you have any questions or need additional information, please feel free to contact me at (301) 883-5812.

Sincerely,

A handwritten signature in blue ink that reads "Joseph P. Gill".
