

**DDOZ Table of Uses Permitted – Industrial Zones**

No use shall be allowed in the Industrial Zones, except as provided for in the Table of Uses or in Subsection (c) of this Section. The table shows the uses within the commercial zones as allowed by Section 27-641 and as allowed by the DDOZ per Section 27-548.22 of the Zoning Ordinance. In the table, the following applies:

- (1) The letter "P" indicates that the use is permitted in the zone indicated.
- (2) The letters "SE" indicate that the use is permitted, subject to the approval of a Special Exception in accordance with Part 4 of this Subtitle.
- (3) The letters "PA" indicate that the use is permitted, subject to the following:
  - (A) There shall be no entrances to the use directly from outside the building;
  - (B) No signs or other evidence indicating the existence of the use shall be visible from outside the building, other than a business identification sign lettered on a window. The sign shall not exceed six (6) square feet in area; and
  - (C) The use is secondary to the primary use of the building.
- (4) The letters "PB" indicate that the use is permitted, subject to the following:
  - (A) The use shall be related to, dependent on, and secondary to a primary use on the premises;
  - (B) The use shall be located on the same record lot as the primary use;
  - (C) The use shall not be located within a building not occupied by the primary use; and
  - (D) The floor area of any building (and the land area occupied by any structure other than a building) devoted to the use shall not exceed an area equal to forty-five percent (45%) of the gross floor area of the building within which the primary use is located, unless otherwise provided.
- (5) The letters "SP" indicate the use is permitted, subject to the approval of a Special Permit, in accordance with Section 27-239.02.
- (6) The letters "NA" indicate that the language is not applicable.
- (7) The letter "X" or a blank (unless otherwise clear from the context) indicates that the use is prohibited.
- (8) All uses not listed are prohibited.
- (9) The word "manufacture" includes the words "fabricate," "assemble," and "repair."

- 1** Provided the site is either:
  - (A) In the proximity of an area designated as a fire or rescue station on an approved Functional Master Plan of Fire and Rescue Stations;
  - (B) In a location which the Fire Chief has indicated (in writing) is appropriate; or
  - (C) Occupied by a station that was in use immediately prior to July 1, 1982.

The following activities are considered to be ancillary uses permitted within the hall/assembly area of a voluntary fire, ambulance, or rescue station: bingo (with an approved license from the Department of Environmental Resources), weddings, dinners, community events, organization functions, and private events (with no advance or at the door ticket sales).

All events must comply with County or State regulations, and events requiring a specific license must obtain such license to be considered a permitted ancillary use. All events must be organized by the voluntary fire, ambulance, or rescue corporation or company and/or a community group from within the immediate vicinity of the station. For weddings, receptions, and dinners, the event may be organized by an individual in conjunction with the voluntary fire, ambulance, or rescue corporation or company and/or a community group within the immediate vicinity of the station. A permitted ancillary use does not include the leasing of the station facility for use by a promoter. Private events may not have advance or at the door ticket sales. All events must end by 10:00 p.m., Sunday through Thursday (except that bingo events must end by 11:00 p.m.), and by midnight on Friday and Saturday, with all patrons off the site within thirty (30) minutes after closing.
