

PRINCE GEORGE'S COUNTY COUNCIL
COMMITTEE REPORT
2018 Legislative Session

Reference No.: CR-25-2018

Draft No.: 1

Committee: COMMITTEE OF THE WHOLE

Date: 5/8/2018

Action: FAV

REPORT: Favorable 7-0 (In Favor: Council Members Turner, Davis, Franklin, Lehman, Patterson, Taveras, and Toles)

The County Council, sitting as the Committee of the Whole, heard CR-25-2018 on Tuesday, May 8, 2018.

CR-25-2018 is a resolution approving a multi-year agreement with the Avolve Software Corporation.

Under the terms of the agreement, Avolve will develop custom web-based electronic plan review services and software to integrate with the County's new Permitting and Licensing System.

The Legislation is required pursuant to Section 819 of the Prince George's County Charter, which requires that personal services contracts exceeding an aggregate of \$100,000 per contractor or an aggregate of \$500,000 for all other multi-year contracts must be approved by resolution of the County Council upon notice and public hearing.

The Committee of the Whole had a spirited discussion with representatives from the Department of Permitting, Inspections and Enforcement about the Contract and its terms and conditions. There were also questions raised about this being a sole source contract.

At the conclusion of the discussion, CR-25-2018 was favorably reported out of the Committee of the Whole, 7-0. The resolution is scheduled for public hearing, which is required by law, on May 15, 2018, and is eligible for adoption that same day.
