## **MEDNOVATE CONNECT- "A COMMUNITY INTEGRATION INTERVENTION PROJECT"**

- **A FREE SERVICE FOR SENIOR RESIDENTS THAT WILL:**
  - Help seniors manage their medicines
  - Answer questions seniors have regarding their medicines
  - Assist seniors to attain or remain adherent to their medicines

## **MEDNOVATE CONNECT- "A COMMUNITY INTEGRATION INTERVENTION PROJECT"**

- **A FREE SERVICE FOR SENIOR RESIDENTS THAT WILL NOT:**
  - Replace the senior's healthcare team but supports the seniors medication management needs
  - Share or sell any information of seniors; all telepharmacy services and information of seniors is confidential and managed in a HIPPA compliant manner

## MEDNOVATE CONNECT- "A COMMUNITY INTEGRATION INTERVENTION PROJECT"

### • **TARGET POPULATION AND ENROLLMENT**

- Target-wide residents 60 years and older and dwelling in the community; and 55 years and older if dwelling in a participating senior housing facility
