BACKGROUND INFORMATION/FISCAL IMPACT:

This Resolution requires that a Use and Occupancy - No Construction, New Tenant or Owner Change - Commercial Permit Fee be paid by a new tenant or by a new owner, when a change in ownership occurs. This eases the burden of businesses, especially small businesses that lease a property and have little control over who owns the property. This policy change should incentive small businesses to open, operate, and remain in the County, and help overall in economic development and building the County's commercial tax base.
