3 For the purpose of exempting certain applications from the applicability of the woodland
 4 conservation ordinance; providing for a standard letter of exemption for certain properties;
 5 modifying the requirements for certain development review division applications; modifying the
 6 alternatives for meeting conservation requirements on-site; modifying the threshold for fee-in-
 7 lieu usage; providing for credit for afforestation projects; revising the rate for fee-in-lieu credits;
 8 revising certain definitions; and revising the applicability of the tree canopy coverage ordinance.

9 BY repealing and reenacting with amendments:

10 SUBTITLE 25. TREES AND VEGETATION.

11 Sections 25-118, 25-119, 25-121, 25-122,
 12 and 25-127

13 The Prince George's County Code
 14 (2023 Edition; 2024 Supplement).

15 SECTION 1. BE IT ENACTED by the County Council of Prince George's County,
 16 Maryland, that Sections 25-118, 25-119, 25-121, 25-122, and 25-127 of the Prince George's
 17 County Code be and the same are hereby repealed and reenacted with the following
 18 amendments:
 19

SUBTITLE 25. TREES AND VEGETATION.
DIVISION 2. WOODLAND AND WILDLIFE HABITAT CONSERVATION
ORDINANCE.

Sec. 25-118. Definitions.

* * * * *

(b) The following terms used in this Division are defined as follows:

* * * * *

(89) **Transit-oriented center[s]:** A transit-oriented center means:

[That t] Transit-oriented developments which [is] are consistent with [the Maryland] Section 7-101 of the Transportation Article of the Annotated Code of Maryland and are identified within Plan 2035 as regional transit districts or local centers. This does not include those areas identified as Local Town Centers in Plan 2035.

Sec. 25-119. Applicability.

(a) General

(1) Except as provided in (b) below, this Woodland and Wildlife Habitat Conservation Division applies to:

(A) All DRD applications and grading permit applications[;], excluding applications which propose residential construction activity resulting in the disturbance of less than 10,000 square feet of woodlands on a single lot of any size or linear project that do not have a previously approved and valid TCP;

(B) All activities by a public utility;

(C) All activities of a unit of County or municipal government; and

(D) All activities delegated to the local jurisdiction by the State.

(2) DRD applications shall include a Standard Letter of Exemption or the proper type of tree conservation plans (TCPs) as follows:

(A) DRD Applications for a Conceptual Site Plan, a Preliminary Plan of Subdivision, or other conceptual plans shall include a Type 1 Tree Conservation Plan (TCP1) or a Standard Letter of Exemption.

(B) DRD applications for a Detailed Site Plan (including Minor and Major Detailed Site Plans), grading permit or other similarly detailed plans shall include a Type 2 Tree Conservation Plan (TCP2) or a Standard Letter of Exemption. If a site requires approval of a

TCP2 with an associated DRD application, the TCP2 shall not be reviewed independently of the associated DRD application.

* * * * *

(b) Exemptions from this Division

* * * * *

(5) Standard Letters of Exemption

(A) A Standard Letter of Exemption shall be issued when a lot or parcel or combination of lots and parcels is less than 40,000 square feet in area.

(B) A Standard Letter of Exemption shall be issued when a lot or parcel or combination of lots and parcels of any size has less than 10,000 square feet of woodland and is not subject to a previously approved TCP. If a lot or parcel that was determined to be exempt using this provision becomes reforested to the point where more than 10,000 square feet of woodlands exist prior to issuance of a grading permit, the exemption may be revoked by the Planning Director or their designee.

[(B)] (C) A Standard Letter of Exemption is not required to be issued when the proposed activities are within the Chesapeake Bay Critical Area because activities within the Critical Area are subject to Subtitle 5B. If a portion of a property is outside the Critical Area, that portion of the property shall be evaluated for conformance with this Division.

[(C)] (D) A Standard Letter of Exemption shall be issued for any property that will be reviewed by the State of Maryland Department of Natural Resources. These properties include, but are not limited to land owned by the State of Maryland. A letter from the State of Maryland Department of Natural Resources stating that they are taking jurisdiction over the review of a project shall be provided with any application package. The Standard Letter of Exemption and the state approved Forest Conservation Plan shall accompany all local DRD applications and grading permit applications.

[(D)] (E) A Standard Letter of Exemption may be issued when local government projects utilizing state funds are proposed and a letter from the State of Maryland Department of Natural Resources is provided stating that they will be reviewing the project.

[(E)] (F) A Standard Letter of Exemption may be issued when a proposal is submitted that shows the minimum cutting or clearing of trees or woodlands necessary in compliance with the requirements of 14 C.F.R. § 77.25 relating to objects affecting navigable

airspace, provided that the Federal Aviation Administration has determined that the trees are a hazard to aviation.

Sec. 25-121. Woodland and Wildlife Habitat Conservation Requirements.

* * * * *

(c) Woodland Conservation Requirements

(1) Properties that are subject to this Division shall comply with the woodland conservation and afforestation threshold requirements established in Table 1. The threshold establishes the minimum acreage requirement of woodland conservation for a site (other calculations must be performed to determine the total amount of woodland conservation required) and is calculated as a percentage of the net tract area of the site.

* * * * *

(2) [Properties that are] A property that is subject to this Division shall comply with the woodland conservation and afforestation threshold [are] calculated as follows in Table 1 based on its zoning.

* * * * *

(3) The woodland conservation and afforestation threshold requirements shall be met on-site or [an application for a variance must be submitted and approved per Section 25-119(d)] the applicant shall submit a statement of justification and plan demonstrating that the threshold has been met onsite to the maximum extent practicable.

Sec. 25-122. Methods for Meeting the Woodland and Wildlife Conservation Requirements.

* * * * *

(c) Conservation Method Priorities.

(1) The recommended priorities for woodland conservation methods are as follows:

* * * * *

(N) Fee-in-lieu may be used to meet the requirements of this Division, when all other options have been exhausted, as determined by the Planning Director[. Refer] pursuant to Sec. 25-122(d)(9) for criteria relating to the use of fee-in-lieu.

(d) Woodland Conservation Options – Credit and Security

* * * * *

(6) On or off-site habitat enhancement projects

(A) Credit: Habitat enhancement projects may receive credit toward meeting the conservation requirements at a rate of up to a half-acre (up to ratio of 0.5:1) of additional credit for each acre of on-site or off-site habitat enhancement provided. Habitat enhancement shall be conducted within woodlands that have already received credit for preservation, afforestation, or natural regeneration.

* * * * *

(9) Fee-in-lieu

(A) Credit: Fee-in-lieu may be used to meet the conservation requirements after all other options are exhausted and the appropriate credits generated by a forest mitigation bank in the same watershed are deemed unavailable or there is no other County-owned land available to meet conservation requirements. [Fee-in-lieu may be used if the total conservation requirement is one acre or less. If approved by the Planning Board, fee-in-lieu may be provided for meeting conservation requirements that total one acre or larger if the project generating the requirement is located in the transit-oriented centers or if the approval of the use of fee-in-lieu addresses an identified Countywide conservation priority.] The fee rate can be adjusted to reflect

inflation increases using the base rate of ninety cents (\$0.90) per square foot[, as of June 30, 2024,] of the conservation requirement within the designated Priority Funding Area and a rate of [120% of the base rate per square foot, as of June 30, 2024,] one dollar and eight cents (\$1.08) per square foot of conservation requirement outside the designated Priority Funding Area. These funds shall be placed in the Woodland Conservation Fund. Appropriate credits generated by a forest mitigation bank shall be deemed unavailable if any of the following exist:

(i) There are no off-site woodland conservation banks with available acreage as tracked by the County; or

(ii) If three or more available woodland conservation banks refuse to sell any credits, such refusal shall be provided in writing.

(a) General

* * * * *

(4) Landscape plans demonstrating conformance to this Division approved as part of a permit or an entitlement case or entitlement cases subject to the Transitional Provisions of the Zoning Ordinance (Sec. 27-1700) or Subdivision Regulations (Sec. 24-2700) shall be subject to the regulations in place at the time of approval of any grandfathered permit or grandfathered development application.

SECTION 2. BE IT FURTHER ENACTED that the provisions of this Act are hereby declared to be severable; and, in the event that any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this Act is declared invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the remaining words, phrases, clauses, sentences, subparagraphs, paragraphs, subsections, or sections of this Act, since the same would have been enacted without the incorporation in this Act of any such invalid or unconstitutional word, phrase, clause, sentence, paragraph, subparagraph, subsection, or section.

SECTION 3. BE IT FURTHER ENACTED that this Act shall take effect forty-five (45)

1 | calendar days after it becomes law.
