RE: CB-101-2021

The Office of Law has reviewed the above referenced **bill** as it was **introduced** on **September 28, 2021** and finds it to be in proper legislative form. The Office of Law finds no legal impediments to its enactment.

However, the Office of Law does suggest removing the footnote 78 from the table and adding that language to Section 27-357(a) as a new section of the existing "Funeral parlor or undertaking establishment" definition instead of as a footnote to the table.
