This Resolution will suspend the efficacy of certain amendments to the local zoning laws enacted during the 2022 Legislative Year. The Council enacted, by way of CB-68-2022, a comprehensive body of refinements to the newly effective Zoning Ordinance for the County. None of the bills affected by this Resolution are included in the array of measured improvements to the new Zoning Ordinance and, the Council notes, certain comments from ancillary public agencies submitted to the Council on referral of the respective legislative proposals cited herein expressed concern with the erosion of the

clear vision set forth by way of the Council's effectuation of the new Zoning Ordinance. As the body vested with the legislative powers--including specific delegated authority to enact and amend local zoning laws--of the County, inherent in the scope of its legislative duties is the authority to amend such laws as may be deemed necessary and appropriate. To this end, the Council has determined that there is a need to suspend the efficacy of five zoning enactments of the 2022 Legislative Year: CB-69-2022, CB-77-2022, CB-78-2022, CB-79-2022, and CB-97-2022. This Resolution is companion legislation, with the force and effect of law, to separately introduced bills before this Council to repeal each of the aforementioned enactments.

This Resolution was introduced by Council Members Dernoga, Blegay, Burroughs, Ivey, Olson and Oriadha and referred to the Committee of the Whole.

A RESOLUTION CONCERNING TRANSITIONAL PROVISIONS - LIMITATIONS-USE OF PRIOR ORDINANCE for the purpose of approving, with the force and effect of law, certain limitations on the time for processing of development applications pursuant to the superseded prior Zoning Ordinance of Prince George's County for development of Townhouse and One-family dwelling uses in the R-A (Residential Agricultural) Zone of Prince George's County.

In consideration and approval of the new Zoning Ordinance for the County via CB-13-2018, CB-98-2021, and CB-68-2022, the County Council carefully evaluated the scope and extent of its transition to implementation of the revised Ordinance as the only body of local zoning laws governing land use and development in the County. Inherent in its legislative power of the Council is the authority to amend such laws as may be deemed necessary and appropriate. Moreover, in a reported Opinion of the Court of Special Appeals of Maryland, the Court held that the enactment of CB-17-2019 violated certain tenets of Maryland law. Accordingly, this bill will limit authority for development of certain Townhouse and One-family attached dwelling uses in the R-A Zone of the County using the prior Ordinance, more specifically, by way of a prior, now-superseded zoning law known as CB-17-2019 (Chapter 29, 2019 Laws of Prince George's County, Maryland). This Resolution is companion legislation, with the force and effect of law, to a separate bill

introduced by this Council to repeal the foregoing, now superseded enactment of the Council within the superseded, prior Ordinance.

This Resolution was introduced by Council Members Blegay, Burroughs, Dernoga, Watson, Ivey, Olson and Oriadha and referred to the Committee of the Whole.

Within the approved FY 2022-23 M-NCPPC Budget Ordinance (CB-55-2022), a substantial appropriation was approved in the amount of \$35 million to “support athletic facility partnerships between the Commission and PGCPS and/or various boys and girls clubs” in Prince George’s County. By way of Council Resolution CR-119-2022, the Council approved certain transfers of funds to certain existing Capital Project Funds for recreational programs in the County. Notwithstanding, it was determined that the appropriated funds cannot be utilized as intended or in a timely manner to realize the intention of the Council in approving this appropriation. As a result, there is a need to rescind the transfer approved by way of CR-119-2022 and approve the wholesale transfer of the \$35 million in funding back to the Commission’s Recreation - Non-Departmental Fund to hold in reserve.

[CE Ltr to Chair Dernoga - Zoning Legislation](#)
[2023-1-9 Ltr to CEX Alsobrooks](#)

This bill will suspend the efficacy of certain amendments to the local zoning laws enacted during the 2022 Legislative Year via enactment of CB-97-2022. During this same legislative year, the Council also considered and enacted, by way of CB-68-2022, a separate, comprehensive body of refinements to the newly effective Zoning Ordinance for the County. CB-97-2022 was under consideration of the Council at the time of its consideration of the comprehensive changes to the new Zoning Ordinance and was not included therein. Moreover, the Council notes, certain comments from ancillary public agencies submitted to the Council on referral of the respective legislative proposals cited herein expressed concern with the erosion of the clear vision set forth by way of the Council's effectuation of the new Zoning Ordinance. As the body vested with the legislative powers--including specific delegated authority to enact and amend local zoning laws--of the County, inherent in the scope of its legislative duties is the authority to amend such laws as may be deemed necessary and appropriate. To this end, the Council has determined that there is a need to repeal the previously enacted amendment to the local zoning laws and restore the provisions the new Zoning Ordinance as they existed prior to the enactment of CB-97-2022.

This Council Bill was introduced by Council Members Dernoga, Blegay, Burroughs, Ivey, Olson and Oriadha and referred to the Planning, Housing and Economic Development Committee.

During the 2022 Legislative Year, the Council adopted CR-032-2022, a Resolution to adopt the draft Climate Action Plan submitted by the County's Climate Action Commission. Although the County governing body embraced 26 recommended implementation strategies for Climate Action across the County Government, including a prioritization of these strategies as well as costs and proposed funding mechanisms, the adopted Resolution (CR-032-2022) also imposed a "sunset" date of December 31, 2023, absent further legislative action of the County. This Resolution will adopt, as permanent County policy, the Climate Action Plan by the County governing body.

This Resolution was introduced by Council Members Olson, Blegay, Burroughs, Dernoga, Ivey, Oriadha, Fisher and Watson and referred to the Transportation, Infrastructure, Energy and Environment Committee.
