

PRINCE GEORGE'S COUNTY COUNCIL

COMMITTEE REPORT

2016 Legislative Session

Reference No.: CR-25-2016
Draft No.: 2
Committee: COMMITTEE OF THE WHOLE
Date: 4/12/2016
Action: FAV(A)

REPORT:

On April 12, 2016, the Council convened as the Committee of the Whole to discuss CR-25-2016. After a brief orientation by the Zoning and Legislative Counsel, Council Member Taveras offered a DR-2 for consideration and discussion by the committee. As set forth therein, Council Member Taveras explained that the DR-2 eliminated the Proposed Amendment 37 from DR-1, added a new Proposed Amendment 45, and made minor technical edits to the text of Proposed Amendment 48 within DR-1 of CR-25-2016.

During discussion on the Council floor, Council Member Taveras further advised the Committee that, after consultation with the technical staff, Proposed Amendment 37 should be restored to the DR-2 of CR-25-2016, and Proposed Amendment 48 within the DR-2 should be further refined for clarification to retain the phrase “construction of or” that is bracketed and proposed for deletion in line 31 of page 16 of DR-2. Instead, for purposes of clarity, Council Member Taveras suggested that commas be inserted between “of” and “or”, and between “conveyance of” and “land”, in line 31 of page 16 of CR-25-2016 DR-2.

The Committee of the Whole voted 5-0 for a favorable recommendation on DR-2 of CR-25-2016 as amended by request of Council Member Taveras on the committee floor. (In favor: Council Members Davis, Franklin, Glaros, Taveras and Turner; Absent: Council Members Harrison, Lehman, Patterson and Toles)
