**BACKGROUND INFORMATION/FISCAL IMPACT**

(Includes reason for proposal, as well as any unique statutory requirements)

The procedures for incorporating a municipality provide for an appeal of the County governing body's decision to decline to submit the proposed incorporation to a referendum. The Organizing Committee requested that the County Council reconsider its previous decision. After a public hearing conducted on November 10, 2003, the Council affirmed its earlier decision to not conduct a referendum and directed that the proposed resolution be prepared for adoption in accordance with Article 23A.
