### BACKGROUND INFORMATION/FISCAL IMPACT:

(Includes reason for proposal, as well as any unique statutory requirements)

The 2007 Westphalia Sector Plan envisions a new 150-acre central park near the Westphalia Town Center featuring a lake, a variety of active sports facilities, community event facilities, and family gathering and open space areas. The Plan recommends establishing a multi-agency public/private work group to implement the vision for the Westphalia Central Park on an expedited basis. This resolution establishes this work group for the purpose of coordinating the development of the Westphalia Central Park.
