BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

The Patuxent River Commission has requested the Council adopt by resolution, an addendum to the Patuxent River Policy Plan. The original plan was adopted by the seven Patuxent Counties and the General Assembly in 1984. Pursuant to the Patuxent River Commissions legislation, the Commission will then seek adoption by resolution from the 2001 Maryland General Assembly.

The Amendment approval process will ensure that the Plan reflects the cooperative effort needed

to face the challenges of watershed management. The addendum to the plan will help guide policy and actions of the Commission, state and local governments, and others protecting the health of the local watershed and in turn, the Patuxent River and the Chesapeake Bay.
