3 For the purpose of encouraging the creation of the Prince George's County Community Wealth

4 Building Compact, a voluntary public-private initiative that encourages anchor institutions to

5 commit to local procurement goals, specifically increased contracting with Black-owned

6 businesses and to participate in a broader County-led effort to build equitable, community-based

7 economic development.

8 WHEREAS, Prince George's County is home to numerous anchor institutions including

9 hospitals, universities, major nonprofit organizations, and County agencies that hold substantial

10 economic power through procurement, real estate, and employment; and

11 WHEREAS, leveraging the purchasing and investment capacity of these anchor institutions

12 is a proven strategy for fostering community wealth, expanding economic opportunity, and

13 addressing the racial wealth gap; and

14 WHEREAS, Black-owned businesses in Prince George's County continue to face systemic

15 barriers to capital access, growth opportunities, and high-value procurement contracts; and

16 WHEREAS, the County seeks to formalize a collaborative, voluntary effort that aligns

17 public and private sector goals around racial equity, local sourcing, and inclusive economic

18 growth.

19 NOW, THEREFORE, BE IT RESOLVED by the County Council of Prince George's

20 County, Maryland, that this Council encourages the establishment of the Prince George's County

21 Community Wealth Building Compact ("the Compact"), a voluntary initiative coordinated by the

Office of the County Executive, in partnership with the Economic Development Corporation (EDC) and the Office of Procurement.

BE IT FURTHER RESOLVED that the Compact should invite participation from anchor institutions, including but not limited to:

- 1) Hospitals and health systems; and
- 2) Universities and colleges; and
- 3) Major nonprofit organizations; and
- 4) Large employers and developers; and
- 5) County and quasi-governmental organizations.

BE IT FURTHER RESOLVED that Participating institutions should be encouraged to adopt voluntary commitments such as:

- 2) Increasing contracting with local Minority Business Enterprises (MBEs), cooperatives, or worker-owned businesses; and
- 3) Participating in shared reporting on procurement equity and local economic impact.

BE IT FURTHER RESOLVED that Institutions that sign onto the Compact should be eligible to receive:

- 1) Public recognition and awards through an annual “Equity in Action” event or publication; and
- 2) Priority consideration for County-supported programs, incentives, and development partnerships.

BE IT FURTHER RESOLVED that the County should create a formal process with participating institutions to formalize goals, data-sharing agreements, and mutual responsibilities.

BE IT FURTHER RESOLVED that the County Council should appoint a Community Wealth Compact Advisory Committee (“the Committee”), composed of:

- 1) County agency representatives; and
- 2) Local business leaders; and
- 3) Black and minority business advocacy groups; and
- 4) Representatives of participating anchor institutions.

BE IT FURTHER RESOLVED that the Committee should:

- 1) Develop voluntary reporting templates; and

- 2) Monitor progress toward procurement and local investment goals; and
- 3) Produce an annual Compact Progress Report to be shared with the County Council and made available to the public.

BE IT THERFORE RESOLVED that the Compact should align with and complement:

- 1) The County’s MBE and procurement equity goals; and
- 2) The Equity Impact Scorecard (if adopted); and
- 3) Economic development strategies centered on racial and geographic equity.

BE IT FURTHER RESOLVED that the County Council strongly encourages all eligible anchor institutions in Prince George’s County to join the Compact and collaborate in building a stronger, more inclusive, and equitable local economy.
