**BACKGROUND INFORMATION/FISCAL IMPACT:**

The Prince George's County Economic Development Corporation is currently preparing an application to the Maryland Department of Commerce for recertification of the Enterprise Zone Focus Areas. The Enterprise Zone Program provides significant County real property tax credits and state income tax credits to eligible businesses and property owners.

The existing Focus Areas must be recertified by October 15, 2025 in order to remain within the current Enterprise Zone. This application includes all of the current Focus Areas and does not add any new designations. If approved by the State, property and businesses owners will be eligible to apply for the Focus Area incentives for five more years. This program will help us support our existing businesses, attract new businesses, create new jobs, and enhance the tax base of the County.
