### COMMITTEE REPORTS:

#### THE Committee Report

**Date 11/8/2012**

November 8, 2012

Committee Vote: Favorable – 4-0 (In favor: Council Members Olson, Davis, Toles and Patterson/Absent: Lehman).

CR-71-2012, the April 2012 Cycle of Amendments to the 2008 Water and Sewer Plan, contains one (1) application requesting a sewer category change. Committee staff provided overview of application and referral comments. The County Executive and Department of Environmental Resources (DER) recommended advancement. The Maryland-National Capital Park and Planning Commission (M-NCPPC) had no recommendations because the City of Laurel annexed the property and, therefore, is responsible for this land-use of the property.

Ms. Shirley Branch, Department of Environmental Resources and Ms. Christine Osei, M-NCPPC, provided additional information to the Committee and provided responses to Committee questions.

The Committee voted favorable on the County Executive's recommendation on the category change application: 12/PW-01 Strittmatter Property (move from category 5 to Category 4).

The Office of Law found that CR-71-2012 is in proper legislative form and see no legal impediments to its adoption.

The Office of Audits & Investigations found that enactment of CR-71-2012 will not have a negative or adverse fiscal impact on the County.
