(Includes reason for proposal, as well as any unique statutory requirements)**

In accordance with Sections 2-404 and 2-404.01, the Parking Authority's Current Expense Budget and Capital Improvement Budget must be adopted by the Council, on or before June 1, of each year. The Current Expense Budget of the Authority provides for a 8.5% increase over the approved FY 1998-99 budget, this includes a \$984,700 payment to the County from the Authority. The Capital Budget includes two projects, one a fringe parking lot at the intersection of Livingston Road and Route 210, and the other a parking garage to serve the West Hyattsville Parking District.
