MEMORANDUM

TO: Donna J. Brown
Clerk of the Council

FROM: James Hunt, Division Chief
Development Review Division *JRH*

SUBJECT: Notification of Recommendation for Certification of Nonconforming Use

Permit Application Number: **38204-2021-U**

Specific Use(s): **Outdoor Advertising Sign (Billboard)**

Location of Property: **6705 Accokeek Road
Brandywine**

Current Zone(s): **R-R**

Sign Posting Date: **December 11, 2021**

Reason for Certification: **Certification of existing outdoor advertising signs is required pursuant to Council Bill 84-2016 which requires that applications for the certification of outdoor advertising signs in existence as of January 1, 2002, be filed no later than December 31, 2021. This outdoor advertising sign was erected in 1965.**

This is to advise that the above-captioned permit application relating to certification of a nonconforming use has been reviewed by this office. It has been found to fulfill the requirements of the Zoning Ordinance for administrative certification of the use in question, and no request for the Planning Board to conduct a public hearing was received within the time

period specified on the public notice sign. Therefore, we are recommending that the use be certified as nonconforming.

Pursuant to Section 27-244(e) of the Zoning Ordinance (as amended by CB-78-1991), the District Council has the option of reviewing this recommendation, provided it votes to do so within 30 days of receipt of the recommendation. If you advise us that the Council has not elected to review this recommendation after expiration of the 30-day period, we will certify this use as nonconforming and transmit that action to the Department of Environmental Resources, so that the permit may be issued.

3. Description and location of the subject property

The outdoor advertising structure on the Property fronts onto SW Robert Crain Highway and is located southwest of the intersection with Accokeek Road. Specifically, the Property is located on Map 154, Grid D2, and is approximately 271 acres in size. The Property is zoned R-R (Rural Residential).

The outdoor advertising structure on the Property is constructed on five posts and contains one bulletin face. Our documentary evidence demonstrates that the structure has existed on the Property since at least 1965.

Section 27-244(d)(2) of the Code states that "...if satisfactory documentary evidence described in Section 27-244(b)(2)(E) is received, the Planning Board's authorized representative shall recommend certification of the use as nonconforming...". The applicant has provided satisfactory documentary evidence in accordance with Section 27-244(b)(2)(E), which shows that the outdoor advertising signs were constructed prior to and have operated continuously since January 1, 2000.

5. Variance requests and required findings for each request
