COUNTY COUNCIL OF PRINCE GEORGE'S COUNTY, MARYLAND
SITTING AS THE DISTRICT COUNCIL

FINAL DECISION — APPROVAL OF DETAILED SITE PLAN

On July 15, 2024, this matter was considered by the District Council, upon Council's election to review, without any opposition, using oral argument procedures. Having reviewed the record and the Planning Board's decision to approve Detailed Site Plan (DSP) 23029, a request to convert approximately 55,936 square feet of an existing warehouse use into a consolidated storage use, creating 409 consolidated storage units, on property located 1,000 feet southwest from the intersection of US 1 (Baltimore Avenue) and Cherry Lane and within the Avondale Industrial Park (11.88 Acres; I-1 Zone), specifically, the site is addressed 8704 Cherry Lane, Laurel, Maryland, Council District 1, the District Council finds that the Planning Board's decision is supported by substantial evidence in the record, is not arbitrary, capricious, or otherwise illegal.

IT IS HEREBY ORDERED that the Planning Board's decision to approve DSP-23029, based on the findings of facts and conclusions set forth in Resolution No. 2024-030, for the land described above, is hereby AFFIRMED, subject to the following conditions, as amended, revised, or added, by the District Council:

1. Prior to certification of this detailed site plan (DSP), the applicant shall revise the site plan to:
 - a. Delineate and label the 10-foot-wide public utility easement along the western property line with Cherry Lane, in conformance with Plat Book NLP 117 Plat 25.
 - b. Identify the six proposed loading spaces instead of one large loading space area;

- c. The 9.2-foot-wide pathway connecting the rental office to the new storage unit should be identified as a one-way, 11-foot-wide drive aisle, if it is intended to be a drive aisle;
 - d. Identify the height and number of stories on the portion of the primary structure on the subject site.
 - e. Include an approval sheet, with a complete certificate of landscape maintenance, for the existing landscape approved with Detailed Site Plan DSP-98059.
2. Prior to certification of the detailed site plan (DSP), the applicant shall provide all applicable prior use and occupancy permits for mini storage facilities to demonstrate that the adjacent warehouse site has been previously utilized for consolidated storage in conformance with Section 27-475.04(a)(1)(D) of the Zoning Ordinance.
 3. Prior to certification of the detailed site plan (DSP), the applicant shall provide additional landscaping along Cherry Lane demonstrating compliance with Section 4.2 of the 2010 Prince George's County Landscape Manual.
 4. In the spirit of Prince George's County Council Legislation Council Bill (CB)-11-2023, the Applicant has proffered to provide the Laurel Historical Society (LHS) 500 square feet of rental storage at no cost.
