FOR the purpose of expressing support for a special postal rate for local governments.

WHEREAS, such hearings were held in November 1991, and the

recommendations of the National Association of Counties and local governments throughout the United States are now before the U.S. House of Representatives Subcommittee on Postal Operations and Services of the Committee on Post Office and Civil Service; and

WHEREAS, it is now imperative that local governments throughout the United States show their support for the implementation for such legislation; and

WHEREAS, the County Executive had indicated his support for the legislation; now, therefore

BE IT RESOLVED by the County Council of Prince George's County, Maryland that Prince George's County, Maryland, does hereby urge the Congress of the United States to support legislation to establish a local government postal rate or the utilization of the "not-for-profit" rate for local governments for the distribution of mandated services at the local level such as jury service notices, voter registration receipts, tax notification, and similar items, in an effort to benefit the taxpayers of the United States at the local level.
