The County and the Department have the right to promulgate reasonable rules and regulations pertaining to the employees covered by this Agreement, so long as these rules and regulations do not conflict with any term or condition of this Agreement.

ARTICLE 4 – NON-DISCRIMINATION

A. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, sexual orientation, marital status, race, color, religion, national origin, disability, political affiliation, or exercise of employee rights under the Labor Code and Federal Equal Employment Opportunity (EEO) laws. The Union shall share equally with the County the responsibility for applying this provision of the Agreement.

B. The County agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint or coercion by the County or any County representative against any employee because of Union membership or because of any employee activity in an official capacity on behalf of the Union.

C. The Union agrees that it will not discriminate against any employee in regard to membership, non-membership, or holding office in the Union because of race, disability, age, marital status, political affiliation, religion, color, sex, sexual orientation or national origin.

D. The provisions of this Article shall be subject to the negotiated grievance procedure. However, should the grievance procedure fail to produce a resolution of any grievance arising under this Article, the grievance shall not be subject to arbitration, but shall be referred to the appropriate governmental agency having jurisdiction.

ARTICLE 5 -- COOPERATION

A. The parties agree that they will cooperate individually and collectively, to maintain a high quality of performance and that each will use their influence and best effort to protect and foster the efficiency and effectiveness of the services rendered by them for the public interest, and that each will cooperate in advancing the morale of employees covered by this Agreement.

B. The Departments will afford the Union an opportunity to comment upon any departmental reorganization, reclassifications or layoffs affecting the bargaining unit sixty (60) days, to the extent possible, prior to its proposed implementation.

C. The parties agree to participate in Departmental Labor-Management Committee, which may meet as issues arise by either party, but no more than once every month, unless agreed to by both parties. Management further agrees that it will meet on a timely basis at the request of Labor. The Committee shall consist of no more than seven (7) members each from Labor and Management provided there is an equal number from each side. The Labor members may be selected from the Local Union members, Labor Relations Specialist and Council 3 representatives. The CLMC shall consist of no more than ten (10) participants each from the Union and Management. Each party shall be responsible for choosing their participants. Agenda items shall be forwarded to the other party prior to the meeting. Such items shall affect employees in more than one department. Within sixty (60) days following adoption of the Agreement, the Union will contact the Federal Mediation and Conciliation Service (FMCS) to request training in issue-based techniques for the CLMC. The FMCS shall facilitate and work with the CLMC to establish by-laws, set priorities and timelines. It is assumed that the FMCS training and facilitation will be at

no cost to the County or the Union. If this is not the case, both the County and the Union will discuss feasibility on continuing to pursue FMCS training. The parties understand and agree that the FMCS shall have no authority to mandate terms binding on either the County or the Union. The Committee will begin its work within 30 days from the enactment of this Agreement and will explore best practices for a fair and equitable performance appraisal system which is appropriate for the type of work performed by AFSCME bargaining unit members. The Joint Committee may also look at pay for performance systems in use in other jurisdictions. If a Union representative is unable to attend the orientation, they will coordinate with the respective agency's Human Resources Liaison to schedule a time mutually convenient to meet with the new employee(s).

ARTICLE 13 -- HOURS OF WORK

A. Except for 1) employees working on special operations, 2) employees hired on or after July 1, 2005, 3) former General Schedule employees who entered this bargaining unit after April 1, 2006, 4) those employees for whom the County has received the Union's consent to work an alternate work schedule, 5) transit equipment operators who work split shifts, 6) employees assigned to the animal shelter, 7) OCS employees permanently assigned to the Correctional Center, and 8) DPWT employees assigned to dispatching responsibilities, employees shall have a regular workday of eight (8) consecutive hours, excluding an unpaid meal period, within a twenty-four (24) hour period, and the normal workweek shall consist of five (5) consecutive days, Monday through Friday. Employees engaged in special operations are defined as employees engaged in an operation for which there is regularly scheduled employment in excess of five (5) workdays in any seven (7) day period, or in excess of eight (8) hours in a workday, provided that any such employee will be compensated for hours worked in excess of forty (40) hours in a workweek pursuant to Article 15 [Premium Pay]. Where Management converts a normal operation to a special operation, Management will provide the Union and the affected employees with reasonable notice of their schedule change. The Union may place issues arising as a result of the conversion of an operation to a special operation on the agenda of the Labor-Management Committee for discussion, but such issues are not subject to the grievance and

arbitration provisions of this Agreement.

B. The parties may confer on a Department-by-Department basis regarding flex-time, compressed workweeks or alternative work schedules, and make recommendations on such matters to the Directors, who may accept the recommendations, reject the recommendations, or accept them on a modified basis.

1. Definitions

Alternative work schedule is a variation of a traditional work schedule where an employee can modify arrival and departure times or modify the number of days worked within the parameters agreed upon between the appointing authority and the employee.

Flextime is a schedule where an employee works an 8 hour day, but arrival and departure times vary, with adherence to core business hours.

Compressed workweeks is a schedule that enables an employee to fulfill the regular or traditional work schedule of eighty (80) hours in a bi-weekly pay period over a span of less than ten (10) workdays with a fixed starting and departure time.

C. The Department will issue a policy on compressed workweeks for employees and a flexible work schedule based on departmental needs.

1. The Employer shall implement a flexible work schedule in accordance with the following:

- (a) Operational requirements must be met;
- (b) Service to the public or client population must be maintained;
- (c) Costs to the County will not be increased;
- (d) Each office/operation must be covered during regular hours;
- (e) Flex-time will not diminish the ability of the Department to assign responsibility and accountability to individual employees for the provision of County services and the performance of their duties;
- (f) Flex-time will not affect the eighty-hour (80) pay period for full-time employees.

2. It is recognized that some operations within the County do not lend themselves to flexible work hours. The Director of the affected Department may exclude organizational units or positions from flex-time. Where flex-time is allowed, the Director may specify the types of flex-time that will be available to employees in accordance with operational requirements, and may exclude employees with bona fide performance or attendance problems. Decisions by the Director to exclude organizational units, positions, or individual employees with documented performance problems are not grievable or arbitral under this Agreement.

D. Employees may voluntarily work ten (10) or twelve (12) hour shifts when authorized by the appointing authority provided such ten (10) or twelve (12) hour shifts shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as provided for all five (5) day, forty (40) hour a week employees. Except, however, that ten (10) and twelve (12) hour shift employees who actually work on a holiday shall receive full holiday compensation for the regularly

scheduled shift worked on a holiday. Said employees shall be entitled to overtime compensation for work only in excess of forty (40) hours per week or shall accumulate compensatory time off at the rate of time-and-one-half (1.5) only for time worked in excess of forty (40) hours per week.

E. The Employer will identify essential positions. Each essential employee will be notified in writing of the essential status of his/her position at the time of hire and/or annual evaluation.

F. Any employees covered by this Agreement who report for duty on a day the County is closed due to a special operation or other unforeseen causes, have completed their assigned duties, and are released from duty for the balance of their shift, will be granted administrative leave for the balance of the shift.

G. When the County is closed and grants administrative leave to nonessential employees, essential employees who work their assigned shifts on that day will be granted the same number of hours on an hour-for-hour basis of compensatory leave as nonessential employees were granted in administrative leave.

H. Employees not designated as essential will also receive compensatory time on an hour-for-hour basis for work they are required to perform on their regularly scheduled tour of duty when other employees on the same tour of duty not required to work are granted administrative leave due to the declaration of an Administrative Closing.

ARTICLE 14 -- REST PERIOD

Each department shall have its own policy regarding rest periods upon recommendations submitted by the Labor Management Committee. This policy will include no less than two (2) fifteen (15) minute breaks which may or may not be incorporated in the employee lunch period.

ARTICLE 15 -- PREMIUM PAY

A. Employees shall be compensated for overtime worked as follows:

1. Employees will be compensated at the rate of one and one-half (1.5) times their regular rate of pay for time they are required to work in excess of forty (40) hours in a workweek.

2. All employees will be compensated at the rate of two (2) times their regular rate of pay for overtime hours they are required to work on Sunday. In this context, the term Sunday means the "regular day of rest" immediately preceding the start of the individual's normal workweek when the employee is not required to report for work. In some instances, this "regular day of rest" occurs on the same day each week. In other situations, this scheduled day of rest may rotate in a definite pattern that is to be determined by the Department. Overtime work on a "regular day of rest" that may occur at the conclusion of the individual employee's normal workweek is not covered by this section.

3. All employees will be compensated at the rate of two (2) times their regular rate of pay for work on the seventh consecutive day of work.

4. All leave with pay shall be considered time worked in the computation of overtime.

B. For purposes of computing overtime, paid leave hours and all holiday hours (worked or un-worked) for which an employee is compensated, shall be regarded as hours worked.

C. Employees covered by this Agreement may elect to accrue compensatory leave in lieu of the appropriate overtime pay for all authorized overtime hours worked. For purposes of this provision and other compensatory leave provisions of this Agreement, compensatory leave will be scheduled at mutually agreeable times. The parties agree that this paragraph will be administered consistent with the requirements of the Fair Labor Standards Act and the County's rules and regulations.

D. Employees who without an intervening break work three (3) hours or more beyond their regular work shift of eight (8) hours shall receive a paid one-half (.5) hour meal period. For every four (4) consecutive hours of work thereafter, employees shall receive an additional one-half (.5) hour paid meal period. Employees who work three (3) or more hours overtime consecutive to the end of their shift may receive a meal allowance of up to ten dollars (\$10.00) by providing the Department with a receipt for the meal.

E. There shall be no pyramiding of overtime or other premium rates; that is, only one (1) overtime or premium rate will be paid for the same hours worked.

F. Overtime can be worked only when the needs of the workload demand it and the type of work to be performed must dictate the selection of employees. The selection(s) should be made, so far as the circumstances will permit, from qualified employees who are capable of doing the particular work. Overtime should be allotted amongst all employees in as fair and equitable a manner as circumstances and the job requirements will permit within the appropriate class.

G. Certification Pay

Effective July 1, 2022, the Certification Pay provisions shall be as follows:

12. On a Departmental basis, the parties may develop and/or recognize job related certification programs for employees covered by this Agreement and make recommendations on job certification programs to the Department Director. Recommendations may include one-time payments of up to five hundred dollars (\$500.00) plus reimbursement for reasonable and necessary expenses incurred to an employee who successfully completes the recognized program. The Director has the complete discretion to implement the recommendations, to implement them with modifications, or reject them. The Department of Permitting, Inspections and Enforcement and AFSCME 3 will work together via Labor Management meetings to try to address the issue of reimbursements for taking ICC and NICET tests going forward.

ARTICLE 16 --SPECIAL OPERATIONS, CALL-IN, STANDBY, DIFFERENTIAL PAY AND SHIFT DIFFERENTIAL

A. Special Operations

1. A Special Operation will include but not be limited to the following:

- a) Inclement Weather
- b) Natural or Man Made Disasters
- c) Other Emergency Conditions

2. Each Director may designate a Special Operation for his/her own Agency. Where the Director has designated a special operation, he/she may, at his/her discretion, schedule employees to work the special operation in a manner, which he/she believes is necessary for safe and efficient operations. Scheduled shifts will be posted before the end of each shift.

3. The parties agree that Sections A.1 and A.2 above are meant to provide operating flexibility for special situations of weather, disaster, or short term emergencies. It does not

provide authority to change schedules of bargaining unit employees so as to avoid premium pay for regular, recurring work. Examples of work not authorized to be changed under these Sections include but are not limited to methadone clinic work, routine police car repair or accessorization, and leaf collection.

4. On days when the Director has designated a special operation, employees who report to work at all times so required will be paid for all hours actually worked during what would be the employee's normal hours of work at the rate of pay normally applicable to those hours of work and for all hours of work actually worked outside of what would be the employee's normal hours of work at the appropriate overtime rate.

5. Where, pursuant to paragraph 2, above, employees who report at their normal starting time (e.g., 7:30 a.m.) on the first day of a special operation are relieved of duty prior to completion of their regularly scheduled shift, the employees will be paid either administrative leave or compensatory leave at the straight-time rate on an hour for hour basis for the balance of their regularly scheduled shift hours not actually worked. Where an employee covered by this Agreement who is scheduled to work the first special operations shift on snow and ice removal following the close of the regular workday is not released from work before the close of his/her regular workday, the employee will be granted compensatory leave hours equal to the number of hours remaining in his/her regular workday from the time when other employees on the same special operations shift were released from work.

6. On subsequent days, employees who work fewer than a total of eight (8) hours during the day (whether straight-time or overtime) will be paid the difference between the number of hours worked and eight (8) hours in administrative leave or compensatory leave at the straight-time rate. In all cases, however, the employee will receive a minimum of eight (8) hours (overtime and straight time combined) of pay per day. The decision as to whether to pay compensatory or administrative leave is solely up to the Director, provided, however, that any compensatory leave so earned will not be forfeited.

7. An employee who has an unexcused absence from work (i.e., AWOL) during any workweek in which these special operations provisions are involved will forfeit the benefits of these provisions and will be paid only for hours actually worked during a special operation that week in accordance with the other terms of this Agreement.

8. When employees are under a regular work schedule and a condition arises that would change it to a special operation, no employee will be required to work more than twelve (12) consecutive hours in a day except as permitted by Federal or State Law, or unless the Governor, or designee declares a state of emergency.

9. Notwithstanding Article 39 (Holidays), when a holiday is observed on a day that a special operation is designated, any employee covered by this Agreement who works on that day will be paid at the rate of two and one-half (2.5) times their regular rate for all hours worked when the special operation is in effect on the holiday.

B. Call-in/Stand By

1. Employees called in to work outside their regular shift shall receive a minimum of two

3. Time worked by telephone for the resolution of emergencies shall be compensated with compensatory leave on an hour-for-hour basis.

4. Except for special operations, when carrying a County issued personal communications device, the employee will receive straight time for after duty hours and one and one-half (1.5) times his/her hourly rate of pay or compensatory time (at the election of the employee with the approval of the Appointing Authority or his/her designee) if asked to respond including travel time.

5. Except for special operations, Building Engineers (with the Office of Central Services) required to monitor the ABS System (heating, ventilation and air conditioning), will receive two (2) hours of overtime per pay period for monitoring and/or troubleshooting services. This provision is limited to a maximum of eight (8) Building Engineers per pay period. If the engineer is required to report to the worksite, he/she will be compensated in accordance with the applicable provisions of this Agreement.

Landfill employees with job assignments that make them eligible for the differential on a full-time permanent basis shall receive that pay for all paid status hours, including approved leave hours and holidays.

D. Shift Differential

Effective July 2024, employees covered by this Agreement and regularly assigned to night or shift work shall be paid two dollars (\$2.00) per hour above the established rates on shifts which commence between the hours of 3:00 p.m. and 7:00 a.m. Transit Operators are eligible to receive shift differential for hours they work after 4:00 p.m. Notwithstanding the foregoing, the shift differential provided for herein will be paid to Animal Control Officers who work the evening shift for the hours they work after 3:00 p.m. This provision shall not apply to employees whose emergency assignments start or carry into the above-named periods. grade for the position provided that the employee has also received satisfactory performance evaluations while working at the first (1st) level.

C. At any time during the probationary period the Employer may remove an employee if in the Employer's opinion the employee is unwilling or unable to perform the duties of the position satisfactorily or that the employee's habits and lack of dependability do not merit continued employment with the Employer. When dismissing a probationary employee, the Employer will follow the procedures set forth in Sections 16-171(c)(1), (2) and (3) of the County Personnel Law. This shall not be interpreted as subjecting any termination of a probationary employee to the grievance procedure contained in this Agreement.

D. In addition to the type of extension permitted under Personnel Law Section 16-172, the parties may agree to extend for a period of up to sixty (60) calendar days an employee's probationary period. The Union and the affected employee shall receive a copy of the notice extending the employee's probationary period.

ARTICLE 21 -- PROMOTIONS

A. The term promotion shall mean the advancement of an employee to a vacant position in a class with a higher grade.

B. Promotions to positions covered by this Agreement shall be made pursuant to the following procedures:

1. General Procedures Applicable to All Promotions

a. A "vacancy" is a permanent opening created by the termination, transfer, promotion or retirement of an incumbent bargaining unit employee that the County intends to fill or which is created when the County determines its operational needs require additional bargaining unit employees. Whenever a vacancy occurs, and the County elects, in its discretion, to fill the vacancy through the competitive process, the County will notify the AFSCME Staff Representative, Labor Relations Specialist, or the Local President and advertise the specific position to bargaining unit employees by posting a notice at all work locations at places where notices are customarily posted. Any employee covered by this Agreement may apply for any vacancy as defined in this Section.

b. Promotion opportunities shall be posted on bulletin boards or where notices to employees are customarily posted for a minimum of fourteen (14) calendar days. The announcement shall identify the promotion opportunity by location, title, and grade, qualification requirements, written or oral tests to be given and other factors to be considered in the examining process. The announcement shall state where and in what form applications are to be filed and indicate the closing date for receipt of applications which shall not be less than fourteen (14) calendar days from the issuance of the announcement.

c. When a bargaining unit member applies for a vacancy through the normal competitive process and is determined to be qualified for the position, the name of the qualified bargaining unit employee will be placed on the list of eligibles sent to the appropriate Department for its consideration. The Appointing Authority will ensure that any bargaining unit member

from the Department on any list of eligibles will be granted an interview for the position vacancy if an interview is part of the selection process.

2. Equipment/Vehicle Testing Promotions

For promotions that require a Commercial Driver's License in the Department of Public Works and Transportation, the candidate with the greatest departmental seniority that has satisfactory past performance, disciplinary, leave and accident records and have successfully passed standard testing requirements will be considered.

In determining whether a candidate is qualified to perform the job, the employee must demonstrate the ability to perform competently all tasks associated with the position through any applicable testing requirements. The County agrees, however, that it will not unreasonably use these considerations to deprive a senior candidate of a promotional opportunity. Permanent employees of DPW&T shall receive equal treatment in the filling of vacant classifications that require a Commercial Driver's License with consideration given for the applicant's seniority, provided that the applicant is qualified and has a satisfactory work record.

3. Promotions To All Other Positions Covered By This Agreement

For promotions to any position covered by this Agreement other than those described in Subparagraph (2) above, the Employer will consider such factors as knowledge, training, ability, skill and efficiency. When the determining factors are equal, the employee with the greatest amount of departmental seniority will be promoted. If after reasonable time, Management concludes that the employee is not capable of performing the work of the new position, the employee shall be returned to his/her previous grade and position.

4. Probationary Period Applicable to All Promotions

At the election of the Employer, an employee who is promoted pursuant to the procedure set forth in this Article shall be required to serve a reasonable probationary period not to exceed ninety (90) days. If, during or at the end of the probationary period, Management concludes that the employee is not capable of performing the work of the new position, the employee shall be returned to his/her previous grade and position.

ARTICLE 22 -- TRANSFERS

A. If an employee desires to transfer to a vacant position within his/her department, the employee shall submit an application in writing to the Director of the Department stating the reason for the requested transfer at the discretion of the department.

B. If a vacancy exists in the classification for which a transfer has been requested, and the vacancy is to be filled, the employee requesting the transfer shall be transferred provided the employee is a qualified applicant for the vacancy and the transfer will not impair the effectiveness of the Department's operations. If more than one (1) employee has requested transfer to a vacant position and they are all equally qualified, priority will be given to the employee with the greatest Departmental seniority.

C. When an employee requests a transfer to a vacant position which is also a promotional opportunity for other employees, the position may be filled by promotion or transfer at the discretion of the department.

D. When an employee is transferred or reassigned and the employee did not request the transfer, the employee and the Union will receive ten (10) working days advance written notice of the transfer or reassignment except in emergency. On emergency, the employee will receive a notice within five (5) working days after the transfer. (For the purpose of this Article, an emergency shall mean a situation or occurrence of a serious nature developing suddenly and unexpectedly and demanding immediate action.) The written notice will state the reason for the transfer and advise the employee of his/her new work location and reporting date. The same type of notice will also be sent when an employee is reassigned to a new division or given a new reporting location within the same department.

ARTICLE 23 -- SENIORITY

A. Seniority is defined as the length of uninterrupted service with the County beginning at the employee's initial hire date. Departmental seniority shall mean an employee's length of continuous service with the department. An employee's length of continuous service shall be computed from the date of the employee's current employment; provided however, that new employee's names shall not be added to the seniority list referred to in the paragraph D. below, but shall be listed in the probationary listing specified in the final paragraph below.

B. Seniority shall only be interrupted by a break in continuous service as listed below:

1. Voluntary resignation.
2. Retirement.
3. Discharge for just cause.
4. Failure or refusal to return to work within fourteen (14) calendar days after being recalled from layoff by certified or registered mail addressed to the employee's last known address shown on the employee's personnel record.
5. Absence of three (3) consecutive workdays without reporting to the County unless the employee can establish justification for such failure to report.
6. Disability termination.

C. Seniority shall continue to accrue during all leaves as specified in this Agreement or any other approved leave.

D. The County shall furnish the Union a seniority list (an alphabetical listing by County seniority of all employees in the bargaining unit) on January 1 of each year, and upon request, an updated seniority list shall be furnished by the County on July 1. Said listing shall include employee's most recent hire date, job title, salary and work location/department.

E. The County shall furnish the Union with a separate listing, on a quarterly basis, of all new employees hired in job titles represented by the Union. This listing shall include the new employee's most recent hire date, job title, salary and work location/department.

- A. Reduction-in-force will be administered in accordance with the Personnel Law.
- B. The duly elected Presidents and Labor Relations Specialists of the locals shall be granted superseniority for the duration of his/her time of office. The grant of superseniority means that the Union Presidents and Labor Relations Specialists will be the last bargaining unit employees to be laid off in the event that a reduction-in-force affects bargaining unit employees. Once out of office, the former President and Labor Relations Specialists shall revert to his/her regular seniority date.

ARTICLE 25 -- PERSONNEL FILES

- A. The Personnel Records policy for employees covered by this Agreement shall be administered in accordance with the Personnel Law, with the following exception:
1. At the employee's written request (which request shall not be made part of the personnel file), memorandums of counseling, records of discipline up to a three (3) day suspension, or its equivalent, will be removed from an employee's personnel file(s) eighteen (18) months after the discipline is administered so long as the employee has not been disciplined for a related offense during the eighteen (18) month period. Records of discipline involving a four (4) to ten (10) day suspension will be removed at the employee's written request thirty-six (36) months after the discipline is administered so long as the employee has not been disciplined for a related offense during the thirty-six (36) month period.
- B. When the Union is representing an employee in a grievance filed under this Agreement, the Union may review the employee's personnel file for information relevant to the grievance so long as the employee provides the County with written authorization for the Union to do so.
- C. The County shall remove all of the above files from his/her personnel file within thirty (30) days of the employee's written request.
- D. The department will distribute the employee's copy of any processed Personnel information in a manner which ensures confidentiality.

ARTICLE 26 -- SUBCONTRACTING

ARTICLE 27 -- ANNUAL LEAVE

B. Employees who work on a year-round part-time basis with a scheduled workweek of twenty (20) hours or more shall accrue leave in proportion to the hours worked.

C. A maximum of three hundred sixty (360) hours of accumulated annual leave earned beginning with the first pay period in the 1997 leave year (i.e., January 5, 1997) may be carried over from one leave year to the next by an employee (i.e., new annual leave). Any excess annual leave over three hundred sixty (360) hours at the end of each year will be converted to sick leave.

D. An employee shall be allowed to carry over annual leave earned as of the last full pay period in leave year 1996 (i.e., old annual leave) even if such accumulated amount is in excess of the maximum allowed in the paragraph immediately above.

E. Employees will be required to use their accumulated compensatory leave before using annual leave.

F. Employees shall accumulate annual leave commencing the first date of their employment, but shall not be granted annual leave during the first ninety (90) days of service with the Employer. The employee shall earn a leave credit at the appropriate rate as indicated in paragraph A. above which may be granted after the employee's ninetieth (90th) calendar day of service. Any absence during the first ninety (90) days of service, except due to illness (chargeable to sick leave) or for administrative reasons, shall be charged as leave without pay.

G. Employees should submit annual leave requests for less than five (5) days to their supervisors within 24 hours of the next business day to allow appropriate review of available staff to meet normal operations. Annual leave for five (5) or more days should be requested at least fourteen (14) calendar days in advance of the anticipated leave period. Supervisors are required to make a timely response to an annual leave request. If a supervisor does not respond to an employee's request for leave within three (3) business days after the leave request is submitted, the employee may request the leave from the next highest supervisor. When an employee's annual leave request is denied, the supervisor and employee will establish a mutually agreeable alternative leave period. When emergency situations arise requiring annual leave, every effort will be made to grant the request provided the employee notifies his/her supervisor not more than one (1) hour after the employee's normal work reporting time each day. An employee may be required, upon return to work, to furnish proof of the emergency as requested by a supervisor.

H. An employee who has completed the first ninety (90) days of employment with the Employer, and terminates employment shall receive a lump sum payment for the annual leave balance credit accumulated through the last full pay period immediately prior to the employee's separation.

I. Approved vacation requests shall not be subject to cancellation except in cases of emergency as determined by the Department Director. Employees covered by this Agreement will not be called in to work while on vacation except in cases of emergency as determined by the Department Director. An employee whose vacation approval is canceled or who is called in from vacation will be reimbursed by the Employer for the costs of any reservations he/she made

subsequent to the approval of his/her vacation request provided that the employee provides adequate proof of the incurrence of such costs and such costs are non-refundable from the reservation agent, hotel, airline, etc., because of no error or omission on the part of the employee.

J. An employee whose vacation request has been approved may not cancel his/her approved leave without the prior written approval of Management.

K. Annual leave may be taken in increments of one quarter (.25) hour or more.

L. Any holiday as defined in this Agreement that falls within an employee's scheduled vacation will not be charged to the employee's vacation leave.

M. An employee who becomes ill, injured, or hospitalized while on vacation leave shall be able to use sick leave in lieu of vacation leave for the duration of the illness, injury or hospitalization provided that:

1. A written request to charge such time to sick leave is submitted to his/her department within ten (10) working days of the end of that employee's approved vacation leave; and,

2. The request is accompanied by a Doctor's certificate specifying the duration of the employee's illness, injury and/or hospitalization.

ARTICLE 28 -- SICK LEAVE

A. All full-time employees earn four and one-half (4.5) hours of sick leave each pay period with a periodic adjustment to ensure that each employee earns fifteen (15) days of sick leave each leave year through the duration of County service. Each such day shall constitute eight (8) hours. Part-time employees who work twenty (20) hours or more per week shall accrue sick leave in proportion to the amount of time worked; however, an employee who works less than twenty (20) hours per week shall not be entitled to sick leave.

B. There shall be no limit on the amount of sick leave an eligible employee may accumulate.

C. Sick leave shall be allowed in case of actual sickness or disability of the employee which incapacitates the employee so that the employee is unable to perform the regular duties of employment; or of actual sickness or disability of the employee's spouse, domestic partner, dependent children, parents, grandparents, grandchildren, or former primary caregiver, or because of necessary employee appointments with physicians, dentists or optometrists. The Employer may require proof of the reason for which sick leave was taken when the Employer has reasonable cause to believe that an employee may be abusing sick leave privileges.

D. For purposes of this Article, "domestic partner" shall mean that an employee covered by this Agreement has established a domestic partnership. To establish a domestic partnership, an employee covered by this Agreement and his/her partner must satisfy all of the following requirements:

Requests for sick leave in all other cases shall be made in advance whenever it is possible, no later than within the first (1st) hour of the start of the employee's workday.

F. Sick leave will be retained in an employee's account for a period of two (2) years in the event the employee is separated due to a reduction-in-force.

G. The Union shall have the right to establish and maintain a sick leave bank. The sick leave bank shall be funded through voluntary donations of sick or annual leave by employees covered by this Agreement. This leave may then be transferred from the bank to the sick leave account of another employee covered by this Agreement with a zero (0) leave balance (annual and sick). Use of such transferred leave shall be limited to sickness or disability which incapacitates the employee or to use for leave under Article 31.

H. The administration of this sick leave bank shall be the responsibility of the Union. The County agrees to maintain the records of the sick leave bank and shall only be required to transfer sick leave from the bank to the account of an eligible employee upon receiving proper written authorization from the Union that the sick leave is to be transferred and after verification that the receiving employee has met all the necessary conditions of eligibility.

I. In addition to donations to the sick leave bank above, employees will be permitted to donate their sick leave directly to other employees in accordance with the County Personnel Law and procedures.

Sick leave earned beginning the first pay period of the 1997 leave year is not subject to cash payment to the employee upon separation. P. Any changes to an employee's health benefits arising out of the adoption of this Agreement shall take effect annually on January 1.

ARTICLE 41 -- TUITION ASSISTANCE/CAREER DEVELOPMENT

a. The Union and each Department under this Agreement will meet to establish a committee to develop a strategic plan for on-the-job orientation and professional career development on a department-by-department basis which may include, but is not limited to, allowances and

reimbursements. This plan shall be submitted to the appropriate Deputy Chief Administrative Officer within one hundred eighty (180) days of signing this Agreement.

- b. Approved Administrative Leave shall be provided in accordance with Personnel Law Section 16-222 (a)(5).

ARTICLE 42 -- MUNICIPAL RAILWAY PASSES

The County will investigate participation in a commuter check program within thirty (30) days of enactment of this Agreement with recommendations for implementation within sixty (60) days.

ARTICLE 43 -- SUPPLEMENTAL RETIREMENT BENEFIT

A. Benefit Accrual and Amounts

All employees covered by this Agreement will be automatically enrolled in the AFSCME Supplemental (CS AFSCME) pension plan from the time of hire into an AFSCME covered position. Contributions will commence with the initial pay period. The only exception to this is for those members hired between July 1, 1990 and January 1, 2007, when the option to "opt-out" was available, and they chose to do so.

Effective July 1, 1990, employees covered by this Agreement may elect to participate in a supplemental retirement benefit program, jointly funded through County and employee contributions. The rate of accrual and amount of the benefit payable under this program are determined as follows:

1. Benefit accrual is at the rate of 0.4% times the number of years of actual and continuous service the employee has as a full-time Prince George's County employee, to a maximum of twenty-five (25) years of actual and continuous service, multiplied by the employee's average annual compensation, as determined pursuant to paragraph E, below.
2. Pursuant to paragraph A, above, the maximum benefit payable to any eligible employee is ten percent (10%) of the employee's average annual compensation, as determined pursuant to paragraph E, below.

B. Vesting

1. Minimum Continuous Service Requirements

No employee covered by this Agreement shall be entitled to any benefit described in this Section until the employee has completed a minimum of five (5) years of actual and continuous service as an employee for Prince George's County.

2. Vested Benefit

An employee completing the minimum continuous service requirements of paragraph B.1., above, shall be entitled to receive a monthly benefit as determined pursuant to paragraph A,

above; provided, however, that no employee terminated for disciplinary reasons will be entitled to any benefit under this Section.

C. Benefit Payment

The benefit accrued by an employee under either paragraphs A or B, above, shall not be payable until retirement at the earliest of the following: 1. age fifty-five (55) and fifteen (15) years of service; 2. age sixty-two (62) and five (5) years of service; or, 3. thirty (30) years of service regardless of age.

D. Funding

Except for the cost of the additional benefit provided in paragraph H below, (which cost shall be the responsibility of the County) the cost of funding this supplemental retirement plan for all participating employees, as determined by the Plan's actuary, will be shared on an equal basis by the employees and the County through regular contributions each pay period.

E. Definitions

1. Actual Service means service while employed as an employee of Prince George's County.
2. Average Annual Compensation means an amount computed by dividing by three (3) the compensation actually received by an employee during whatever period of thirty-six (36) consecutive months of continuous service will provide the largest total compensation for any such period.
3. Compensation means the basic compensation actually received by an employee for service rendered as an employee for Prince George's County, excluding any overtime or other premium pay, bonuses or other additional compensation.
4. Continuous Service means the most recent unbroken period of employment as an employee of Prince George's County.

F. Supplemental Retirement Benefit Plan (modifications effective July 1, 1992)

Effective July 1, 1992, the benefit accrual rate in paragraph A, above, shall be increased from 0.4% to 0.6% per year for up to twenty-five (25) years of service for an increase in normal benefit from ten percent (10%) to fifteen percent (15%). Further, during the sixty (60) day period preceding July 1, 1992, employees covered by this Agreement who originally declined to participate in the Supplemental Pension Benefit Program will be afforded the opportunity to enroll in the Supplemental Pension Plan and begin participation effective July 1, 1992, but with no past service credit (i.e., such employees' actual and continuous service will be defined as employment as an employee of Prince George's County from July 1, 1992).

G. Supplemental Retirement Benefit Plan (modifications effective July 1, 2001)

Effective July 1, 2001, the benefit accrual rate in paragraph F, above, shall be increased from six tenths of one percent (0.6%) to eight tenths of one percent (0.8%) per year for up to

twenty-five (25) years of service for an increase in normal benefit from fifteen percent (15%) to twenty percent (20%). The additional cost for this benefit enhancement will be paid totally by the County.

H. Supplemental Retirement Benefit Plan (modifications effective January 1, 2007)

1. Effective January 1, 2007, the benefit accrual rate in paragraph G, above, shall be increased from eight tenths of one percent (0.8%) per year to one percent (1%) per year of service for up to thirty (30) years of service with a maximum benefit of thirty percent (30%) of Average Annual Compensation. The total cost of this enhancement will be borne by the County.

2. All eligible members of Locals 2462, 2735, 3389 and 1170 will be enrolled in the AFSCME supplemental pension plan.

I. Part-time Employees

Part-time employees participate in the Plan pursuant to the Eighth Amendment to the Plan, adopted November 15, 1993.

J. IRS Pickup Plan

1. The County shall pick up, within the meaning of Section 414(h) (2) of the Internal Revenue Code, the employee contributions required by paragraph D (Funding) hereof. Such amounts:

- a. are designated as employee contributions to be picked up by the County within the meaning of Section 414 (h) (2) of the Internal Revenue Code and shall be treated as employer contributions in determining the tax treatment of such amounts under that section;
- b. shall reduce the taxable compensation of the employee in an amount that equals the employee contributions picked up by the County;
- c. shall be paid by the County from the same source of funds that is used to pay compensation to the employee;
- d. shall, for all other purposes, be treated in the same manner and to the same extent as employee contributions made before establishment of the pickup plan.

2. Employees shall not be entitled to receive such amounts directly in lieu of having such amounts picked up by the County. This pickup plan becomes effective for pay periods beginning on or after its approval by the County Executive and the County Council. The County shall apply to the Internal Revenue Service for a private letter ruling with respect to the pickup plan, but neither the application nor the receipt of such a ruling are prerequisites to the implementation of the pickup plan.

3. Upon request by an employee, the County will provide him/her a copy of the most recent summary of the plan's financial report.

ARTICLE 44 -- DISCIPLINE AND DISCHARGE

A. Section 1. Discipline

1. Employees shall only be disciplined for just cause.
2. The Employer agrees to follow a progressive disciplinary policy utilizing the disciplinary methods permitted by the Personnel Law; provided, however, that the parties also recognize and agree that initial disciplinary action should be consistent with the severity of the offense.
3. Administrative charges may not be brought against an employee unless filed within ninety (90) calendar days from the latest of:
 - a. The date of the incident
 - b. The date management knew or should have known of the incident
 - c. Termination of relevant court proceedings
 - d. Termination of the employee's incarceration
 - e. Any other extenuating circumstances which prevents the employee from being available
4. If the Employer has reason to reprimand an employee it shall be done in a manner that will not embarrass the employee before other employees or the public.
5. Upon the issuance of a final notice of any disciplinary action by the Employer, any dispute regarding such a disciplinary action may be processed through the grievance procedure specified in this Agreement.
6. The Local President, Labor Relations Specialist, and appropriate Steward shall receive copies of all written disciplinary actions and intended action.
7. Employees covered by this Agreement shall have Union representation when the employee is being questioned regarding any incident which could ultimately lead to an adverse action being taken against the employee.
8. The Department agrees to provide a copy of the referenced Personnel Law when an employee receives a notice of intent to discipline.

B. Section 2. Discharge and Suspension.

1. The Employer shall not discharge any employee without just cause. If in any case the Employer feels that there is just cause for discharge, the employee involved and the Union shall be notified at least forty-eight (48) hours in advance of such action.
2. Pending the investigation of charges which may result in the suspension or discharge of an employee or upon notice of intent to suspend or discharge an employee, the Employer may, in its discretion, place the employee on administrative leave in lieu of the measures available under the Personnel Law.
3. The Union shall have the right to take up the suspension and/or discharge at the department head level of the grievance procedure. Where an employee is suspended or

discharged, the employee shall be granted the opportunity to have a Union representative present if the employee requests that one be present.

4. All suspension days must be consecutive workdays. Sundays and holidays are excluded in the calculation of time.

ARTICLE 45 -- GRIEVANCE PROCEDURE

A. A complaint or dispute between the parties or between the County and an employee, including a complaint or dispute involving the application, meaning or interpretation of the provisions of this Agreement shall be considered a grievance and subject to resolution under the following procedures:

The Local President may file a President's grievance on behalf of a member or members.

1. Step 1

a. When any employee subject to the provisions of this Agreement feels he/she is aggrieved by a violation of this Agreement, he/she, through the Local Union President or Shop Steward, shall give written notice of the grievance to the Department within ten (10) working days after the occurrence of the violation or within ten (10) working days following the time when the employee should reasonably have known of its occurrence. The written notice must be signed by the employee and his/her Union Representative and must set forth relevant information concerning the alleged grievance, including a short description thereof, the date on which the grievance occurred, and the provision(s) of the Agreement alleged to have been violated. The Local Union President or Shop Steward and the employee's supervisor shall meet and endeavor to adjust the matter within ten (10) working days after timely notice has been given. The Department shall respond to the grievance not later than ten (10) working days after the meeting. If they fail to resolve the matter or no response is given within the prescribed period, the Union may, within five (5) working days thereafter, pursue Step 2 of the Grievance Procedure.

b. Should the Union or the County have a dispute with the other party and, if after conferring, a settlement is not reached within ten (10) working days after occurrence of the events giving rise to the dispute, the dispute may be reduced to writing and proceed to Step 2.

2. Step 2

Except as modified below, if the grievance is not resolved under Step 1, and the Union elects to pursue the matter beyond Step 1, the Labor Relations Specialist and/or the Local Union President will meet with the employee's Department Head or the Department Head's designee, for the purpose of attempting to resolve the grievance within ten (10) working days after timely receipt of the written grievance. Should the parties fail to reach an agreement or no response is given within ten (10) working days after the meeting, the dispute may be referred to Step 3.

3. Step 3

If a grievance is not resolved under Step 2, and the Union, through its Council 3 Representative elects to pursue the matter beyond Step 2, a written appeal signed by the aggrieved

employee and the Council 3 Representative may be filed with the Director, Office of Human Resources Management, within ten (10) working days after receipt of the answer at Step 2. Within ten (10) working days after receipt of the appeal, the Director or his/her designee and the Union will meet to discuss the grievance. The Director, or his/her designee, will respond within thirty (30) calendar days after the hearing. Should the parties fail to reach an agreement, the dispute may be referred to final and binding arbitration in accordance with the provisions of Step 4.

4. Step 4

a. If the grievance shall have been submitted but not adjusted under Step 2, and further under Step 3 if appropriate, either the Union, through its Council 3 representative, or the County may request in writing, within fifteen (15) working days after the grievance has been denied at Step 2 or, when applicable, Step 3, that the grievance be submitted to an Arbitrator mutually agreed upon by them. The appealing party shall request the American Arbitration Association to provide each party with a list of nine (9) arbitrators. The Union and the County shall alternate striking arbitrators from the list of nine (9) until one arbitrator remains, who shall hear and decide the grievance. The rules of the American Arbitration Association shall govern the conduct of the arbitration hearing. Within sixty (60) days after the close of the record, the Arbitrator shall render the decision. If the Arbitrator determines that more than sixty (60) days are required, the Arbitrator shall so notify the parties. The decision of the Arbitrator shall be final and binding on all parties. The fee and expenses of such Arbitrator shall be borne by the losing party. Within forty-five (45) days after receipt of the Arbitrator's award for grievance, the County shall execute the award unless appealed.

b. Only grievances arising as a result of disputes concerning the meaning, interpretation or application of this Agreement shall be subject to Step 4 (Arbitration).

c. Failure of the grieving party to adhere to the time limits established in this grievance procedure shall render the grievance null and void. The time limits established herein may be extended only by written consent of the parties involved at the particular step where the extension is agreed upon. The Arbitrator shall have the authority to make decisions only on issues presented to him/her and he/she shall have no authority to change, amend, add to or detract from any of the provisions of this Agreement.

B. The parties agree that grievances will remain confidential.

ARTICLE 46 -- JOB DESCRIPTION

The signature of employees covered by this Agreement on job descriptions acknowledges employer assignment of duties, tasks and responsibilities. This signature, however, does not preclude the option to pursue a grievance regarding whether job duties and responsibilities are outside of their job classification.

ARTICLE 47 -- MANAGEMENT COMMUNICATIONS

A. The County shall ensure that this Agreement is available electronically on the Office of Human Resources Management webpage on the County's website. The County shall also provide

AFSCME with 300 printouts of the Agreement after approval by the County Council.

B. The County will ensure that, upon request, all Union officers and shop stewards have access to a computer and be placed on the County's email system.

ARTICLE 48 -- ENTIRE UNDERSTANDING

The parties agree that the total results of their bargaining are embodied in this Agreement and no party signatory hereto is required to render any performance not set forth in the working of this Agreement. The Agreement may be amended only by written agreement signed by the parties hereto.

ARTICLE 49 -- SAVINGS CLAUSE

In the event any Article, Section or portion of the Agreement shall be held invalid and unenforceable by any court, or higher authority of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof specified in the decision; and, upon issuance of such a decision, the County and the Union may agree to negotiate a substitute for the invalidated Article, Section or portion thereof.

ARTICLE 50 -- DURATION AND REOPENER

This Agreement shall become effective on July 1, 2024, unless otherwise stated in specific sections, and shall remain in full force until June 30, 2026. This Agreement shall be automatically renewed from year to year after June 30, 2026, unless either party shall notify the other in writing no later than October 1, 2025, (or October 1st of any subsequent year thereafter in the case of an automatic renewal) that it desires to terminate, modify or amend this Agreement.

BETWEEN PRINCE GEORGE’S COUNTY, MARYLAND &

**THE AMERICAN FEDERATION OF STATE COUNTY AND MUNICIPAL EMPLOYEES
(AFSCME) COUNCIL 67 AND IT S AFFILIATED LOCALS AND
1170 AND 3389**

This Memorandum of Understanding is entered into by and between the Prince George’s County, Maryland (the “County”), and the American Federation of State County and Municipal Employees (“AFSCME”) Council 67 and it affiliated Locals 3389 and 1170.

WHEREAS, the United States Secretary of Health and Human Services pursuant to Subsection 224(p) of the Public Health Service Act as amended by Subsection 304(c) of the Homeland Security Act, has issued a Declaration;

WHEREAS, the aforementioned Declaration concludes, that a potential public health emergency makes advisable the administration of a covered countermeasure against smallpox including but not limited to the vaccinia vaccine (the smallpox vaccine) or other substance used to prevent or treat smallpox or control or treat the adverse effects of vaccinia to a specified category of individuals, prior to the occurrence of a bio-terrorist event or outbreak of smallpox;

WHEREAS, the specified category of individual that is recommended to take the vaccine are those persons who would be called on to serve on response teams which would be responsible for investigating, treating and containing the first incidents of smallpox, as well as assisting in the inoculation of County public safety personnel and the general population;

WHEREAS, the Prince George’s County Health Department (Health Department) is a local health care entity that shall assist in the administration of the smallpox vaccine in the event of a smallpox outbreak;

WHEREAS, the individuals recommended for inoculation at this time include any person who is an official, agent or employee of a health care entity under whose auspices such countermeasures are administered and qualified persons who administer the countermeasures;

WHEREAS, pursuant to the Secretary’s Declaration, the Homeland Security Act and the State’s Smallpox vaccination plan the Health Department has requested that its employees volunteer to take the smallpox vaccine and serve on the smallpox response team;

NOW THEREFORE, the Parties agree as follows:

1. The County shall educate all Health Department employees about the smallpox virus, the health risks associated with the vaccine and proper infection control protocols. The County agrees to educate all Health Department employees concerning smallpox, the vaccination process, and infection control measures in the workplace. The Health Department shall add Smallpox Training to its current “Infection Control Training”

2. The County agrees that it will not pressure its employees to volunteer to take the Smallpox vaccine and that there shall be no discrimination or reprisals against employees who decline to be vaccinated or experience an adverse reaction to the vaccine.
3. All persons who volunteer to take the vaccine shall receive free and confidential medical screening for contraindications for the vaccine, prior to being administered the vaccine. This screening shall be provided by the Regional Vaccination Center. Those employees who volunteer to take the vaccine, shall receive appropriate medical protocols for receiving the vaccine and monitoring the inoculation site until the site is completely healed.
4. The County shall cover any lost time associated with employees taking the vaccine. The County shall also ensure that its health insurance plans provide coverage for costs associated with receiving treatment for side effects suffered as a result of taking the vaccine. The coverages specified in this paragraph shall be provided so long as the employee has followed the proper protocol for caring for the inoculation site, if applicable, and has filed the appropriate paperwork within the specific timeframe identified in County procedures. Employees who suffer an adverse reaction and are eligible for Disability Leave, in accordance with Personnel Law Section 16-224, will be granted such leave up to one hundred and eighty (180) days. Employees who suffer an adverse reaction and are forced to utilize their accrued leave to take time off of work, shall have their leave restored upon approval of the worker's compensation claim.
5. The County shall provide employees with a triage phone number which they can call twenty-four (24) hours a day, seven (7) days a week to report any adverse reaction. Employees who suffer an adverse reaction will be instructed to submit the first report of injury within the required twenty four (24) hour time frame and to submit all other paperwork required for a Worker's Compensation claim to be filed, according to current guidelines.
6. In order to ensure the employees are able to make a fully informed decision respective to whether or not to take the vaccine, employees shall be fully informed of the job responsibilities they will be expected to carry out if in the event of a smallpox outbreak.
