2. MIN-MAX SYSTEM

NOTE: All Correctional Administrators, Deputy Directors and the Director shall be eligible to participate in the Correctional Officers' Pension Plan only if, prior to their promotion to such position, they were a participant in the Correctional Officers' Pension Plan. Correctional Administrators are paid wages at Grade G-31 on Salary Schedule "G." All Correctional Administrators, who are participants in the Correctional Officers' Pension Plan and are assigned to the General Salary Schedule at Grade G-31 shall also receive all of the benefits of fellow Correctional Officials under Salary Schedule C-O except payment of wages.

Effective July 1, 2001, merit steps will have the value of three percent (3%). The "MIN-MAX" system in effect for employees covered under this Salary Schedule is thereby modified and governed by the following rules:

A. Effective July 1, 2005, merit increases for employees covered by this Salary Schedule who earn less than the maximum of their grade shall be granted at a rate of three and one-half percent (3.5%). Employees will continue to receive three percent (3%) merit increases until one of the following occurs:

1. They reach the maximum of their grade;
2. The three and one-half percent (3.5%) increase would establish their hourly rate one percent (1%) or less below the maximum, in which case their hourly rate will be automatically adjusted upward to the maximum; or
3. The three and one-half percent (3.5%) increase would establish their hourly rate above the maximum rate for that grade, in which case their hourly rate will instead be adjusted to equal the applicable maximum rate.

B. Steps for the purpose of promotions, demotions, and discipline shall be at a rate of five percent (5%) and shall be governed by the Personnel Law.

C. Anniversary Dates. Employees covered by this Salary Schedule hired before July 1, 2001, will keep the anniversary dates that they held on July 1, 2001, for as long as they are continuously employed. Employees hired on or after July 1, 2001, will have as their anniversary dates the dates of their initial appointment and those anniversary dates will not be changed while those employees are continuously employed. Employees hired (promotion, demotion, transfer, new hire) on or after July 1, 2003, will have as their anniversary dates the dates of their initial appointment in this bargaining unit and those anniversary dates will not be changed while those employees are continuously employed.

B. The minimum and maximum rates will be increased in accordance with the cost of living adjustments for Fiscal Year 2018. Effective the first full pay period following the passage of the Fiscal Year 2018 Salary Schedule, the maximum rates will be increased by an additional three and one-half percent (3 1/2%).

1. The standard number of hours in the workweek for full-time employees is forty (40) productive hours.

2. Appointing Authorities may assign full-time employees to work schedules involving rotating shift work which may not provide for a standard number of productive hours within a workweek. The number of hours in the workweek for these employees may average 40-42 productive hours.

7. WORK SCHEDULES

Work schedules mean written schedules of the required daily hours of work within a workweek prescribed by an Appointing Authority for individual employees and/or various groups or units of employees under the Appointing Authority's jurisdiction as approved pursuant to Section 16-114 of the Personnel Law.

8. DESIGNATION OF MEAL PERIODS

A. Except for employees assigned to rotating shift work schedules, any employee who works five (5) or more hours in any workday shall receive an unpaid one-half hour meal period in addition to the forty (40) productive hours.

B. Employees assigned to rotating shift work schedules averaging 40-42 productive hours shall be eligible for a meal period, as defined by the Appointing Authority, within the productive workday.

9. PAY IN EXCESS OF BASE SALARY

A. Overtime Pay

1. General Provisions:

a. Subject to the limitations noted in Paragraph 2 below, employees allocated to classes within this Schedule shall be eligible to earn overtime pay for each hour or part thereof worked in excess of the number of productive hours constituting the standard workweek for full-time employees. Normally, the standard workweek for full-time employees will be forty (40) hours. However, in some instances, such as with rotating shift schedules, the number of full-time productive hours in the "standard" workweek may vary.

b. The rate of overtime pay for employees allocated to classes within this Schedule shall be equal to one and one-half (1 1/2) times the employee's regular hourly rate.

c. Only worked hours, not including any type of leave (for example, sick, annual, discretionary, holiday, disability, LWOP, personal, FMLA) shall be considered productive hours for overtime computation purposes.

d. Each Appointing Authority shall be responsible for specifically directing and/or authorizing overtime work for employees under his/her jurisdiction. In addition, Appointing Authorities are responsible for ensuring fund availability for overtime pay.

2. Limitations:

a. Employees assigned to this Schedule, Grades 28 through 30, inclusive, shall be entitled to earn overtime pay only upon the written approval of the appropriate Appointing Authority.

b. Employees assigned to this Schedule, Grades 31 and above, shall be entitled to earn overtime pay only upon the written approval of the Chief Administrative Officer.

B. Premium Pay for Holiday Work

1. No employee occupying a position allocated to a class in the C-O Schedule above Grade 30 shall be eligible for premium pay for holiday work. However, when expressly directed in writing by the Appointing Authority to perform such holiday work, such employee shall receive an alternative day or shift schedule day off at the employee's base rate of pay.

2. Employees occupying classes allocated to Grades 28 through 30 in the C-O Schedule required to work on designated County holidays shall be paid at the rate of two (2) times the employee's base rate of pay. Any overtime hours worked on a holiday shall be paid at the applicable overtime rate.

3. An employee required to work on the day of holiday observance which coincides with his/her regularly scheduled day off shall be paid for all hours worked at the overtime rate. In addition, the employee shall receive another day off.

4. Should a holiday fall on an employee's regularly scheduled day off, the employee shall receive an alternative day or shift schedule day off at the employee's base rate of pay.

5. For the purposes of holiday pay and leave, Correctional Officer Memorial Day will be recognized and observed by employees covered by this Salary Schedule. However, notwithstanding the foregoing, employees in Grades 28 through 30 who are required to work on the day Correctional Officer Memorial Day is observed may elect to receive one and one-half (1 1/2) times their base rate of pay plus one-half (1/2) of the number of hours in his/her normal daily work schedule in annual leave or to receive straight time for hours worked plus compensatory leave at the straight time rate for hours worked plus annual leave for one-half (1/2) of the number of hours worked. When the employee's regularly scheduled day off coincides with the day Correctional Officer Memorial Day is observed, the employee shall be given another day off in compensatory leave.

C. Shift Differential

1. Effective Fiscal Year 2018, a shift differential of two dollars and sixty cents (\$2.60) per hour shall be paid for all time worked on the first shift (i.e., the night shift - 11 p.m. to 7 a.m. or equivalent) and on the third shift (i.e., the evening shift - 3 p.m. to 11 p.m. or equivalent) to each employee who works those shifts.

2. The shift differential provided herein is not included in the employee's base pay for any purposes such as computing holiday pay, annual and sick leave pay, retirement deductions, or retirement or insurance benefits.

D. Pyramiding of Overtime and Premium Pay

There shall be no pyramiding of overtime and premium rates (i.e. shift differential). Only one overtime or premium rate will be paid for the same hours worked.

E. TEC Pay

Effective the first full pay period in Fiscal Year 2018, TEC pay is increased from five hundred dollars (\$500) to six hundred dollars (\$600) annually for officers permanently assigned to duties as Canine Officers, Honor Guard, Fire Arms Instructors, Regional Processing Officers, CISM Team Members and Transport Officers. Officers permanently assigned to Emergency Response Team (ERT) will receive one thousand dollars (\$1,000) annually. Eligible employees may not receive a TEC supplement greater than six hundred dollars (\$600.00) pursuant to this provision except as noted above. For example, Fire Arms Instructors who are also assigned to Honor Guard will be limited to a TEC annual supplement of six hundred dollars (\$600.00).

Beginning in Fiscal Year 2019, TEC pay for the aforementioned assignments and for officers permanently assigned to translation duties will be paid in twenty-six (26) bi-weekly installments.

10. LEAVE PROVISIONS

A. Sick Leave

1. Sick leave may be accumulated from year to year.

2. All full-time employees earn four and one-half (4 1/2) hours of sick leave each pay period with a periodic adjustment to ensure that each employee earns fifteen (15) days of sick leave each leave year through the duration of County service. Each such day shall constitute eight (8) hours.

3. Employees who work on a year-round part-time basis for forty (40) or more hours per pay period shall accrue sick leave in proportion to the hours worked during each pay period.

4. Employees covered by this Salary Schedule are entitled to FMLA as provided in the County Personnel Law.

B. Sick and Annual Leave Disposition Upon Separation

1. Effective beginning with the 1997 leave year (i.e. January 5, 1997), the annual and sick leave balances accumulated by an employee shall, upon the employee's separation from employment, be liquidated in the following manner:

a. The employee may elect to retain all or any portion of the employee's sick and annual leave balances credited to the employee's leave record for the period of time equal to the employee's eligibility for reappointment as determined in accordance with Section 16-148(a)(8).

b. The employee may elect to apply all or any portion of the employee's sick and annual leave balances to employment elsewhere, provided another employer has agreed to accept accumulated sick or annual leave balances for credit on behalf of the employee.

c. The employee may elect to receive cash payment for all or any portion of the employee's annual leave balance in an amount equal to the total number of unused annual leave hours multiplied by the employee's final base hourly rate of pay, subject to the following:

1. Upon separation from employment, employees who have elected to participate in the new comprehensive pension plan may elect to receive a cash payment for the remainder of their annual leave hours that were accumulated as of the end of the 1996 leave year or for up to three hundred sixty (360) hours of accumulated annual leave, whichever is greater.

a. Any remaining amount would be applied toward retirement credit in the comprehensive plan up to the maximum benefit allowed under the plan.

2. Upon separation from employment, employees who have elected to remain with the Maryland State Retirement Systems (MSRS) and the County Supplemental Plan may elect to receive a cash payment for the remainder of their annual leave hours that were accumulated as of the end of the 1996 leave year or up to three hundred sixty (360) hours of accumulated annual leave, whichever is greater. Any remaining amount would be converted to sick leave and could be applied to purchase MSRS pension credit at the applicable rate.

d. Upon separation from employment for non-disciplinary reasons, eligible employees will receive cash payment for unused sick leave accumulated as of the end of the 1996 leave year in an amount equal to the total number of unused sick leave hours multiplied by one-half of the employee's base hourly rate of pay as of the date of separation, but not to exceed the highest rate of pay of a Correctional Officer Lieutenant in January, 2001 – that is, \$32.6534 per hour. However, if a Correctional Officer with less than twenty (20) years of actual service terminates employment as a result of death or disability, he/she shall receive a fifty percent (50%) cashout of unused accumulated sick leave as of the end of the 1996 leave year.

e. For individuals who chose to participate in the new comprehensive pension system, sick leave earned beginning with the 1997 leave year (i.e. new sick leave) is not subject to cash payment upon separation, but is available to purchase retirement credit under the comprehensive pension system even if the result is a benefit exceeding the maximum benefit allowed under the plan.

f. Correctional Officers whose employment terminates because of death are eligible for cash payment for all sick leave earned, including sick leave earned beginning with the 1997 leave year, at the rates set forth in paragraph d., above.

g. For individuals who chose to remain in the MSRS plan and the County Supplemental Plan, sick leave earned beginning with the first pay period in the 1997 leave year is not subject to cash payment but may be used to purchase MSRS pension credit at the applicable rate.

h. Notwithstanding any provision in this Section to the contrary, an employee who is involuntarily separated from employment with the County for disciplinary reasons is not entitled to any payment for unused sick leave.

C. Bereavement Leave

Bereavement leave policies shall be administered in accordance with the Personnel Law, except that the first twenty-four (24) hours of bereavement leave taken upon the death of a family member will be administrative leave rather than sick leave. The term "family" shall include the employee's spouse, child (including biological, adopted, foster, stepchild, or legal ward), parent, parent-in-law, grandparent, grandchild, brother or sister.

D. Disability Leave

The Department will designate a member of Management to make an initial determination as to whether an injury qualifies for disability leave. Specifically, where an employee claims injury on the job (all hours working, including breaks, will be considered) and is unable to work, Management will make an initial determination through investigation as soon as possible but not later than ten (10) working days after the claim was made. In cases where injury on the job is clearly indicated, the employee will be placed on disability leave immediately. Where the illness or injury subsequently is determined to be non-service connected or of such a nature as not to require the employee to remain off of work, the employee will be returned to work but will be backcharged sick or annual leave for the period of time the employee was on disability leave. In cases where injury on the job is not clearly indicated, the process outlined in Administrative Procedure 284 (Administration of Employee Leave) will be followed.

E. Annual Leave

Full-time employees shall earn annual leave on the following basis:

Zero (0) through three (3) years of service	Four (4) hours per pay period
Four (4) through fifteen (15) years of service	Six (6) hours per pay period with periodic adjustment to ensure that each employee earns twenty (20) days
After fifteen (15) years of service	Eight (8) hours per pay period

1. Employees who work on a year-round part-time basis for forty (40) or more hours per pay period shall earn annual leave in proportion to the hours worked during each pay period.

2. A maximum of three hundred sixty (360) hours of accumulated annual leave earned beginning with the first pay period in the 1997 leave year (i.e., January 5, 1997) may be carried over from one leave year to the next by an employee (i.e., new annual leave).

3. An employee shall be allowed to carry over annual leave earned as of the last full pay period in leave year 1996 (i.e., old annual leave) even if such accumulated amount is in excess of the maximum allowed in the paragraph above.

4. Effective beginning with the 1997 leave year, employees who are over the three hundred sixty (360) hours limit at the end of that leave year will be able to convert any annual leave in excess of three hundred sixty (360) hours to new sick leave. Effective July 1, 2000, the Comprehensive Pension Plan will be modified to provide that new sick leave converted from annual leave, up to a combined total for each Correctional Officer of one thousand forty (1,040) hours of annual leave and new sick leave may be used to purchase pension credit at the rate of forty (40) hours for each month of pension credit.

F. Personal Leave

Thirty-two (32) hours of paid personal leave per leave year -- including the four (4) hours granted in lieu of the former General Election Day holiday -- shall be granted to each employee eligible for annual leave. The personal leave day shall be requested and approved in advance of use. There shall be no accumulation of personal leave days and unused personal leave shall be forfeited at the end of the leave year or upon termination of employment.

G. Compensatory Leave

1. Employees assigned to grades in this Schedule who are otherwise entitled to earn overtime compensation pursuant to Section 7.A., may elect to earn compensatory leave in lieu of overtime compensation, except that employees in Grades 28 through 30, inclusive, are entitled to earn compensatory leave without written approval of the Appointing Authority.

2. Accrual and use of compensatory leave shall be subject to the following restrictions:

a. No employee shall accrue more than two hundred forty (240) hours of compensatory leave. An employee shall be granted compensatory leave by the appointing authority within a reasonable period after requesting leave if the use of compensatory leave does not unduly disrupt the operations of the agency.

3. Employees covered by this Salary Schedule who are assigned as Field Training Officers will receive forty (40) hours of compensatory time per academy class.

4. Employees covered by this Salary Schedule who are assigned as Training Instructors will receive one (1) hour of compensatory time for each class taught.

5. If the County declares a State of Emergency on the weekend, then employees covered by this Salary Schedule will receive hour for hour compensatory time for each hour worked.

H. Administration of Leave

The provisions governing the administration of the above types of leave as well as other types of leave (holiday, administrative, military, military leave without pay, parental, family and

medical, disability, leave without pay, absence without leave, compensatory) are specified in Division 17 of the Personnel Law and Administrative Procedure 284.

11. INCENTIVE AWARDS

To the extent that funds have been appropriated for such purpose, employees may be granted incentive awards, subject to the provisions of Section 16-209 of the Personnel Law.

The County shall contribute seventy-five percent (75%) of the total cost of providing the employee's benefit, and the employee shall contribute, through payroll deduction, the remaining twenty-five percent (25%). In addition, effective July 1, 1995, the employee contribution for employees hired before July 1, 1995 will be increased by an amount equal to one percent (1%) of the employee's annual salary and the employer contribution will be decreased accordingly. Effective July 1, 1995, the contribution for employees hired on or after July 1, 1995 will be increased by an amount equal to two percent (2%) of the employee's annual salary, and the employer contribution will be decreased accordingly. Effective July 1, 2005 the contribution rate for employees hired before July 1, 1995, shall be twelve percent (12%) of the employee's annual salary. 15. IRS PICKUP PLAN

A. The County shall pick up, within the meaning of Section 414(h) (2) of the Internal Revenue Code, the employee contributions required by Article 42 Section 4 (Funding) and Section 10.7 (Funding), of the Agreement. Such amounts:

1. are designated as employee contributions to be picked up by the County within the meaning of Section 414(h) (2) of the Internal Revenue Code and shall be treated as employer contributions in determining the tax treatment of such amounts under that section;

2. shall reduce the taxable compensation of the employee in an amount that equals the employee contributions picked up by the County;

3. shall be paid by the County from the same source of funds that is used to pay compensation to the employee;

4. shall, for all other purposes, be treated in the same manner and to the same extent as employee contributions made before establishment of the pickup plan.
