This bill will adopt the 1995 Inventory of Real Property and Improvements. This legislation is submitted in accordance with Section 2-111.01 of the County Code. This section requires the County Executive to establish an inventory of all real property and improvements titled in the name of Prince George's County and to submit the inventory to the Council no later than the first day of May of each year for adoption.

There was a discussion on the feasibility of incorporating the inventory list as a part of the legislation.

The Committee requested that a copy of the inventory list be available in the Clerk of the Council's Office.

There should not be any negative fiscal impact on the County as a result of adopting CB-67-1995.
