BACKGROUND INFORMATION/FISCAL IMPACT:

This letter supports application to the Metropolitan Washington Council of Governments (“MWCOG”) Regional Safety Pilot Program. As a part of the County’s Vision Zero Prince George’s Initiative, DPW&T has developed a High Injury Network (“HIN”): The designation of corridors where high

numbers of pedestrians and bicyclists have been killed or severely injured in traffic crashes. DPW&T is proposing to conduct a road safety audit for six roadway segments.

The Regional Safety Pilot Program provides short-term consultant services to member jurisdictions or agencies to assist with planning or preliminary engineering projects that address roadway safety issues.
