Management may require Construction Standards Inspectors, Property Standards Inspectors and Community Developers who are hired above the entry level to serve up to a nine (9) month probationary period. For all other employees covered by this Salary Schedule who are hired into a "dually-allocated" position, the probationary period shall begin with the date of employment and continue until the employee either advances to the second (2nd) level of the allocation or is terminated. Where an employee covered by this Salary Schedule is hired into a position that has specifically been designated as a "dually-allocated" position, the employee shall be entitled to move to the second (2nd) level of the allocation upon serving the requisite time-in-grade for the position provided that the employee has also received satisfactory performance evaluations while working at the first (1st) level.

C. At any time during the probationary period the Employer may remove an employee if in the Employer's opinion the employee is unwilling or unable to perform the duties of the position satisfactorily or that the employee's habits and lack of dependability do not merit continued employment with the Employer. When dismissing a probationary employee, the Employer will follow the procedures set forth in Sections 16-171(c)(1), (2) and (3) of the County Personnel Law. This shall not be interpreted as subjecting any termination of a probationary employee to the grievance procedure contained in the Agreement.

D. In addition to the type of extension permitted under Personnel Law Section 16-172, the parties may agree to extend for a period of up to sixty (60) calendar days an employee's probationary period. The Union and the affected employee shall receive a copy of the notice extending the employee's probationary period.

### **4. WORK HOURS**

A. Except for employees working in special operations, the regular workday shall consist of a shift of eight (8) consecutive hours, excluding an unpaid meal period, within a twenty-four (24) hour period, and the normal workweek shall consist of five (5) consecutive days Monday through Friday. Employees engaged in special operations are defined as employees engaged in

an operation for which there is regularly scheduled employment in excess of five (5) work days in any seven (7) day period, or in excess of eight (8) hours in a workday, provided that any such employee will be compensated for hours worked in excess of forty (40) hours in a workweek pursuant to Article 15 (Premium Pay). Where Management converts a normal operation to a special operation, Management will provide the Union and the affected employees with reasonable notice of their schedule change. The Union may place issues arising as a result of the conversion of an operation to a special operation on the agenda of the Labor-Management Committee for discussion, but such issues are not subject to the grievance and arbitration provisions of this Agreement.

B. The parties may confer on a Department by Department basis regarding flex-time or alternative work schedules, and make recommendations on such matters to the Directors, who may accept the recommendations, reject the recommendations, or accept them on a modified basis.

C. Effective the first full pay period on or after July 1, 2001, employees covered by this Salary Schedule and regularly assigned to night or shift work shall be paid one dollar and twenty cents (\$1.20) per hour above the established rates on shifts which commence between the hours of 3:00 p.m. and 7:00 a.m. Effective the first full pay period on or after July 1, 2002, employees covered by this Salary Schedule and regularly assigned to night or shift work shall be paid one dollar and thirty cents (\$1.30) per hour above the established rates on shifts which commence between the hours of 3:00 p.m. and 7:00 a.m. Part-time Transit Equipment Operators (Equipment Operator I) are eligible to receive shift differential for hours they work after 4:00 p.m. Notwithstanding the foregoing, the shift differential provided for herein will be paid to Animal Control Officers who work the evening shift for the hours they work after 3:00 p.m. This provision shall not apply to employees whose emergency assignments start or carry into the above-named periods. Employees eligible for shift differential pay shall receive that pay for all paid status hours, to include approved paid leave hours and holidays.

D. Except for employees covered by Snow and Ice Removal provisions below, when the County is closed due to inclement weather and grants administrative leave to nonessential employees, essential employees who work their assigned shifts on that day will be granted the same number of hours of compensatory leave as nonessential employees were granted in administrative leave.

E. Where Transit Equipment Operators report for duty on a day the County is closed due to inclement weather, or other unforeseen causes, have completed their assigned duties and are released from duty for the balance of their shift, they will be granted administrative leave for the balance of the shift.

F. Snow and Ice Removal

1. The Director, at his/her sole discretion, may designate a snow and ice control operation as a special operation.

2. Where the Director has designated a snow and ice operation as a special operation, he/she may, at his/her discretion, schedule employees to work snow and ice removal operations

in a manner which he/she believes is necessary for safe and efficient operations. Scheduled shifts will be posted before the end of each shift.

3. On days when the Director has designated snow and ice control as a special operation, employees who report to work at all times so required will be paid for all hours actually worked during what would be the employee's normal hours of work at the rate of pay normally applicable to those hours of work and for all hours of work actually worked outside of what would be the employee's normal hours of work at the appropriate overtime rate.

4. Where, pursuant to paragraph 2, above, employees who report at their normal starting time (e.g., 7:30 a.m.) on the first day of a snow and ice removal special operation are relieved of duty prior to completion of their regularly scheduled shift, the employees will be paid either administrative leave or compensatory leave at the straight-time rate on an hour for hour basis for the balance of their regularly scheduled shift hours not actually worked. Where an employee covered by this Salary Schedule who is scheduled to work the first special operations shift on snow and ice removal following the close of the regular workday is not released from work before the close of his/her regular work day, the employee will be granted compensatory leave hours equal to the number of hours remaining in his/her regular workday from the time when other employees on the same special operations shift were released from work.

5. On subsequent days, employees who work fewer than a total of eight (8) hours during the day (whether straight-time or overtime) will be paid the difference between the number of hours worked and eight (8) hours in administrative leave or compensatory leave at the straight-time rate. In all cases, however, the employee will receive a minimum of eight (8) hours (overtime and straight-time combined) of pay per day. The decision as to whether to pay compensatory or administrative leave is solely the Director's, provided, however, that any compensatory leave so earned will not be forfeited.

6. An employee who has an unexcused absence from work (i.e., AWOL) during any workweek in which these Snow and Ice Removal provisions are involved will forfeit the benefits of these provisions and will be paid only for hours actually worked on snow and ice removal that week in accordance with the other terms of this Salary Schedule.

7. When employees are under a regular work schedule and a condition arises that would change it to a special operation, no employee will be required to work more than twelve (12) consecutive hours in a day except as permitted by Federal or State Law, or unless the Governor, or designee declares a state of emergency.

8. Notwithstanding Section 8 (Holidays), when a holiday is observed on a day that a special operation is designated for snow and ice removal, any employee covered by this Salary Schedule who works on that day will be paid at the rate of two and one-half (2 1/2) times their regular rate for all hours worked when the special operation is in effect on the holiday.

#### G. Rest Period

All department heads shall establish a reasonable and fair departmental break period policy to be effective within the first thirty (30) days after the execution of this Salary Schedule. In no event

shall any such break period policies interfere with or prevent the efficient conduct of County business.

## **5. OVERTIME COMPENSATION**

A. Employees shall be compensated for overtime worked as follows:

1. Employees will be compensated at the rate of one and one-half (1 1/2) times their regular rate of pay for time they are required to work in excess of forty (40) hours in a workweek.

2. All employees will be compensated at the rate of two (2) times their regular rate of pay for overtime work they are required to work on their seventh (7th) consecutive day of work.

3. All employees will be compensated at the rate of two (2) times their regular rate of pay for overtime work they are required to work on Sundays.

4. All leave with pay shall be considered time worked in the computation of overtime.

B. To the extent permitted by applicable law, this provision applies to Animal Control Officers on Standby/Call-In only in so far as it is consistent with this provision of Section 7, and shall not apply to employees in the Emergency Service Plan in the Housing Authority, who shall be paid pursuant to the current department agreement covering this work.

C. For purposes of computing overtime, paid leave hours and all holiday hours (worked or unworked) for which an employee is compensated, shall be regarded as hours worked.

D. Employees covered by this Salary Schedule may elect to accrue compensatory leave in lieu of the appropriate overtime pay for all authorized overtime hours worked. For purposes of this provision and other compensatory leave provisions of this Agreement, compensatory leave will be scheduled at mutually agreeable times. The parties agree that this paragraph will be administered consistent with the requirements of the Fair Labor Standards Act and the County's rules and regulations.

E. With the exception of employees in the Bureau of Apparatus Maintenance in the Fire/EMS Department, employees who without an intervening break work three (3) hours or more beyond their regular work shift of eight (8) hours shall receive a paid one-half (1/2) hour meal period. For every four (4) consecutive hours of work thereafter, employees shall receive an additional one-half (1/2) hour paid meal period. Employees who work three (3) or more hours overtime consecutive to the end of their shift may receive a meal allowance of up to ten dollars (\$10.00) by providing the Department with a receipt for the meal.

F. There shall be no pyramiding of overtime or other premium rates; that is, only one (1) overtime or premium rate will be paid for the same hours worked.

G. Overtime can be worked only when the needs of the workload demand it and the type of work to be performed must dictate the selection of employees. The selections should be made,

so far as the circumstances will permit, from qualified employees who are capable of doing the particular work. Circumstances and previous practices should be considered in deciding which group or groups should reasonably be called upon to do particular work. Such selections should be made and overtime should be allotted amongst the employees in as fair and equitable a manner as circumstances and the job requirements will permit within the appropriate class.

## **6. CALL-IN, DIFFERENTIAL PAY AND STANDBY**

A. Employees called in to work outside their regular shift shall receive a minimum of two (2) hours pay at the applicable rate of pay.

B. Except for snow/ice removal, if the employer directs any employee to stand by, the employee will receive one and one-half (1 1/2) hours of compensatory leave or pay at the request of the employee and the approval of the Appointing Authority for each day on standby. Except for snow/ice removal, if the employer directs any employee covered by this Agreement who works in the Storm Drain Management Division of the Department of Public Works and Transportation to stand by, the employee will receive one and one-half (1 1/2) hours of compensatory leave for each day on standby.

C. If the Employers direct an Animal Control Officer to stand by, the officer will be paid a total of two (2) hours of standby pay at the straight-time rate of pay for all hours on standby. The standby period shall be 10:00 p.m. through 7:00 a.m. the following morning. Time worked on call-out in excess of two (2) hours will be paid at the applicable rate.

D. Employees covered by this Agreement who are assigned to the Refuse Disposal Division or the Refuse Collection Division shall be paid a differential of one dollar and twenty cents (\$1.20) for each hour actually worked. Effective the first full pay period beginning on or after July 1, 2002, employees who are assigned to the Refuse Disposal Division or the Refuse Collection Division shall be paid a differential of one dollar and thirty cents (\$1.30). This differential will also be paid, on the same basis, to all employees who normally receive it but who are temporarily assigned to emergency snow and ice removal, and it will also be paid to all other employees covered by this Agreement for hours actually worked on emergency snow and ice removal. Effective the first full pay period beginning on or after July 1, 2003 there will be a pay differential for Animal Control Officers and Office of Central Service maintenance staff who are permanently assigned to the Correctional Center of ninety cents (\$0.90) per hour. To the extent permitted by applicable law, the differential shall not be considered to be part of the employee's base rate nor shall it be applied to pay for nonproductive hours such as holiday pay, annual or sick leave pay, nor shall it be used for the purpose of computing retirement deductions, retirement and insurance benefits. However, Landfill employees with job assignments which make them eligible for the differential on a full-time permanent basis shall receive that pay for all paid status hours, including approved paid leave hours and holidays.

## **7. TEMPORARY ASSIGNMENTS**

A. Employees who are required to perform duties of a higher job classification after five (5) consecutive workdays shall be compensated retroactively at the rate of that higher classification. No employee shall be required to perform such work for more than one hundred twenty (120)

days in any one (1) calendar year.

B. The County shall not schedule work to intentionally circumvent the provisions of this Section.

C. This Section shall not apply to an employee in a training work assignment. Employees shall have all training work assignments explained to them fully. Training will not last more than forty-five (45) days unless agreed between the Union and the County for an extension.

## **8. ANNUAL LEAVE**

A. Full-time employees shall accrue annual leave on the following basis:

| 2. After three (3) years but less than<br>fifteen (15) years of service | Twenty (20) days     |

B. Employees who work on a year round part-time basis with a scheduled workweek of twenty (20) hours or more shall accrue leave in proportion to the hours worked.

C. D. An employee shall be allowed to carry over annual leave earned as of the last full pay period in leave year 1996 (i.e., old annual leave) even if such accumulated amount is in excess of the maximum allowed in the paragraph immediately above.

E. Employees will be required to use their accumulated compensatory leave before using annual leave.

F. Employees shall accumulate annual leave while serving their probationary period, but shall not be granted annual leave during the first ninety (90) days of service with the Employer. The employee shall earn a leave credit at the appropriate rate as indicated above which may be granted after the employee's ninetieth (90th) calendar day of service. Any absence during the first ninety (90) days of service, except due to illness (chargeable to sick leave) or for administrative reasons, shall be charged as leave without pay.

G. An employee shall submit a written request to use five (5) or more days of annual leave at least fourteen (14) calendar days before the date the leave is to begin and the employer must respond to the request not later than seven (7) calendar days after the date the leave request was submitted. An employee shall submit a written request (or confirm an oral request in writing) to

use less than five (5) days of annual leave at least two (2) working days before the date the leave is to begin; and the employer must respond to the request not later than one (1) working day after the date the leave request was submitted; provided, however, that emergency annual leave may be granted on occasions when it is not possible to obtain prior approval for the leave. Upon request, annual leave shall be granted based upon the Employer's operational needs. If the supervisor does not respond in the above given time frame, the leave is considered denied, and the employee may appeal to the next higher supervisor. If the nature of the Employer's operations makes it necessary to limit the number of employees on vacation at one time, the employee with the greater seniority will be given the choice of vacation periods in the event of any conflict over vacation periods.

H. An employee who has completed the first ninety (90) days of employment with the Employer, and terminates employment shall receive a lump sum payment for the annual leave balance credit accumulated through the last full pay period immediately prior to the employee's separation.

I. Approved vacation requests shall not be subject to cancellation except in cases of emergency as determined by the Department Director, and employees covered by this Salary Schedule will not be called in to work while on vacation except in cases of emergency as determined by the Department Director. An employee whose vacation approval is canceled or who is called in from vacation will be reimbursed by the Employer for the costs of any reservations he made subsequent to the approval of his vacation request provided that the employee provides adequate proof of the incurrence of such costs and such costs are non-refundable from the reservation agent, hotel, airline, etc. because of no error or omission on the part of the employee.

J. An employee whose vacation request has been approved may not cancel his approved leave without the prior written approval of Management.

K. Vacation leave may be taken in increments of one-half (1/2) hour or more.

L. Any holiday as defined in this Salary Schedule that falls within an employee's scheduled vacation will not be charged to the employee's vacation leave.

M. An employee who becomes ill, injured, or hospitalized while on vacation leave shall be able to use sick leave in lieu of vacation leave for the duration of the illness, injury or hospitalization provided that:

1. A written request to charge such time to sick leave is submitted to his department within ten (10) working days of the end of that employee's approved vacation leave; and,
2. The request is accompanied by a Doctor's certificate specifying the nature and duration of the employee's illness, injury and/or hospitalization.

Use of such transferred leave shall be limited to sickness or disability which incapacitates the employee or to use for bereavement leave as stated under Section 15. (Bereavement Leave)

G. The administration of this sick leave bank shall be the responsibility of the Union. The County agrees to maintain the records of the sick leave bank and shall only be required to transfer sick leave from the bank to the account of an eligible employee upon receiving proper written authorization from the Union that the sick leave is to be transferred and after verification that the receiving employee has met all the necessary conditions of eligibility.

H. In addition to the sick leave bank above, employees will be permitted to donate their sick leave directly to other employees in accordance with the County Personnel Law and procedures.

## **10. SICK AND ANNUAL DISPOSITION UPON SEPARATION**

4. For all or any portion of the employee's sick leave balance earned as of the end of the last full pay period of the 1996 leave year, the employee may elect to receive cash payment in an amount equal to the total number of unused sick leave hours multiplied by one-half of the employee's base hourly rates of pay as of January 4, 1997. Sick leave earned beginning the first pay period of the 1997 leave year is not subject to cash payment to the employee upon separation. Any employee who is entitled to credit for sick and annual leave under the terms of an applicable County sponsored pension plan will only be entitled to receive cash distribution for leave balances in accordance with the terms of the applicable pension plan.
