Proposed amendments to the text of the 2009 Adopted Marlboro Pike Sector Plan and Endorsed SMA for the Proposed Marlboro Pike Development District Overlay Zone Character Area 3-Business Park

A. NEW INSERT

Plan text page 129, following section on Character Area 2, insert the following:

Character Area 3: Business Park

Goal: Redevelop existing commercial and industrial properties with low-intensity commercial and industrial uses that provides an attractive gateway to the Marlboro Pike Sector Plan area and a functional business community that is compatible with the location under the flight path for Andrews Air Force Base.

LAND USE CHARACTERISTICS:

This character area promotes a combination of land extensive, low-intensity business buildings including flex space for business services, limited retail services, manufacturing, wholesaling, warehousing and distribution. This character area requires high standards for site design and operations to ensure that business uses in this area are attractive as well as functional. Low-scale, one-story buildings constructed of durable materials with interior noise attenuation features to mitigate the high noise impacts of flight operations near the end of the runways for Andrews Air Force Base. Close attention will be paid to installation and restoration of landscaping and screening along public roads and on interior open spaces. Land uses that attract children, the elderly or the infirm, or large gatherings of people should be prohibited.

B. NEW INSERT

Plan text page 136, following Development District Standards for the Urban Residential and Mixed Use Commercial Character Areas, insert the following:
