The Honorable Krystal Oriadha
Chair
Prince George's County Council
Wayne K. Curry County Administration Building
1301 McCormick Drive
Largo, Maryland 20774

Dear Chair Oriadha:

Enclosed for the County Council's consideration is a Resolution required pursuant to State law adjusting the School Facilities Surcharge for inflation based upon the change in the Consumer Price Index for All Urban Consumers (CPI-U) each fiscal year. The CPI-U between April 2025 and April 2026 shows a (3.8%) increase and results in a \$460 increase above the Fiscal Year 2026 public school facilities surcharge of \$12,220 for permits issued for buildings between Interstate Highway 495 and the District of Columbia and for permits issued for buildings included within a basic plan or conceptual site plan that abuts an existing or planned mass transit rail station site operated by the Washington Metropolitan Area Transit Authority or Maryland Transit Administration. For permits for all other buildings, the increase in the CPI-U results in a surcharge increase of \$797 above the Fiscal Year 2026 school facilities surcharge of \$21,792.

For Fiscal Year 2027 the surcharge shall be \$12,680 for permits issued for buildings between Interstate Highway 495 and the District of Columbia and for permits issued for buildings included within a basic plan or conceptual site plan that abuts an existing or planned mass transit rail station site operated by the Washington Metropolitan Area Transit Authority or Maryland Transit Administration; and \$21,769 for permits issued for all other buildings.

The Council's favorable consideration of this legislation is greatly appreciated. If you have any questions, please contact my office or Angela Fair Baker, Director, Office of Management and Budget (OMB), at (301) 952-3174.

Sincerely,

Aisha N. Braveboy
