 18 necessary for the payment of the principal of and interest on such bonds when due; covenanting
 19 that the proceeds of such bonds (or any moneys which may be deemed to be such proceeds) shall
 20 not be used in a manner which would cause the bonds to be "arbitrage bonds" and covenanting
 21 on other matters relating to the tax exempt status of interest on such bonds; providing generally

1 for the issuance, sale and delivery of general obligation bonds of Prince George's County,
2 Maryland, and the consolidation of bonds and the establishment of a borrowing program for the

6 providing for the issuance of such bond anticipation notes in the form of commercial paper;

17 procedure for the issuance and sale of, and the maximum principal amount of, such refunding
18 bonds; empowering the County Executive, or the Chief Administrative Officer of the County if
19 authorized by the County Executive of the County, subject to certain guidelines and standards, to
20 determine the time and method for the sale of such refunding bonds, the form or forms thereof
21 and other details with respect to the sale of such refunding bonds; providing for the form of such
22 refunding bonds; pledging the full faith and credit of the County to the payment of such
23 refunding bonds and the interest on such refunding bonds, when due; providing for the levy and
24 collection of all taxes, charges and assessments necessary for the payment of the principal of and
25 interest on such refunding bonds when due; showing compliance with the limitations on the
26 power of the County to incur indebtedness; covenanting that the proceeds of such refunding
27 bonds, or any moneys which may be deemed to be proceeds, will not be used in a manner to
28 cause such bonds to be arbitrage bonds and covenanting on other matters relating to the tax

30 bonds in registered form, including central depository and book-entry arrangements; generally
31 providing for the consolidation, authorization, issuance, sale and delivery of general obligation

1 refunding bonds of the County and matters generally related thereto; and providing for
2 compliance with Securities and Exchange Commission Rule 15c2-12.

3 SECTION 1. BE IT ENACTED by the County Council of Prince George's County,
4 Maryland, that the issuance, sale and delivery of general obligation bonds with serial maturities,
5 including mandatory sinking fund installments in lieu of serial maturities (the "Bonds") of Prince
6 George's County, Maryland (the "County"), in an aggregate principal amount not exceeding
7 Ninety-three Million Six Hundred Ninety-nine Thousand Dollars (\$93,699,000) is hereby
8 authorized in order to finance costs of the capital projects (the "Authorized Capital Projects")
9 listed in the table set forth in Attachment 1, attached to and made a part of this Act (the "Table of
10 Projects") that have been authorized by the bond enabling acts set forth in the Table of Projects
11 or by this Act. Each Authorized Capital Project is described in the Capital Budget of the County
12 for the fiscal year ending June 30, 2000 (the "Capital Budget") under the heading set forth in the
13 Table of Projects and has the identification number set forth in the Table of Projects. The
14 descriptions of the Authorized Capital Projects contained in the Capital Budget are incorporated
15 herein by reference as if set forth fully herein. The principal amount of Bonds authorized by this
16 Act to finance costs of each Authorized Capital Project shall be the respective amount set forth in
17 the columns in the Table of Projects marked "Authorized Principal Amount of Bonds". Each
18 such principal amount of Bonds is hereby determined to be sufficient to complete at least a
19 usable portion of the Authorized Capital Projects in respect of which such principal amount has
20 been authorized. The probable useful lives of the Authorized Capital Projects are set forth in the
21 Table of Projects. The Bonds shall be made payable within the average of the probable useful
22 lives of the Authorized Capital Projects, which is twenty-one and four-tenths (21.4) years, or, in
23 the event the Bonds are consolidated with other bonds of the County pursuant to Section 3 of this
24 Act, within the average of the probable useful lives of the capital projects financed with the
25 proceeds of such consolidated issue of bonds (the "Consolidated Authorized Capital Projects").
26 All Authorized Capital Projects have been identified and included in bond enabling acts ("Bond
27 Enabling Acts") and have been approved by referendum to the extent required by applicable law.
28 The Bonds are specifically exempted from the provisions of Sections 10 and 11 of Article 31 of
29 the Annotated Code of Maryland, as amended, replaced or recodified from time to time. The
30 powers granted under this Act are additional and cumulative and the bonds authorized by this
31 Act may be issued, notwithstanding that other bond acts or laws may provide for the same or

1 similar purposes. This Act does not modify or repeal any prior acts granting bond issuing
2 authority for the same or similar purposes.

3 SECTION 2. BE IT FURTHER ENACTED that the attached Table of Projects lists the
4 Authorized Capital Projects that are to be financed in whole or in part with the proceeds of the
5 Bonds, the currently estimated cost of each Authorized Capital Project or a usable portion
6 thereof (the "Estimated Cost"), the portion of the Estimated Cost of each Authorized Capital
7 Project to be financed hereunder (the "Bond Financed Portion"), the source or sources of funds to
8 finance the balance of the Estimated Cost of each Authorized Capital Project (the "Other
9 Funding Sources") and the probable useful life of each Authorized Capital Project.

10 It is hereby recognized and acknowledged that the information regarding the Estimated
11 Cost, Bond Financed Portion and Other Funding Sources for each Authorized Capital Project set
12 forth in the Table of Projects is derived from information and estimates referenced in the Capital
13 Budget and the Capital Improvement Program of the County for fiscal years 2000 through 2005,
14 inclusive (the "Capital Improvement Program"), and is necessarily subject to change because of
15 corresponding changes in construction and other costs, project time schedules, availability of
16 Other Funding Sources and other circumstances not now known or anticipated. It is the purpose
17 and intent of this Act to authorize the borrowing of money to finance the Authorized Capital
18 Projects as such projects are referenced in the Capital Budget and Capital Improvement Program
19 and in any amended or subsequent capital budget or capital improvement program. To
20 implement the intent and purpose of this Act in the most expeditious manner, the County
21 Executive of the County (the "County Executive") by his or her order or, if so provided by order
22 of the County Executive, the Chief Administrative Officer of the County (the "Chief
23 Administrative Officer"), by his or her order, may revise the amounts set forth in the Table of
24 Projects representing the Estimated Cost, Bond Financed Portion and Other Funding Sources for
25 any Authorized Capital Project to be consistent with the information set forth in regard to such
26 project in any amended or subsequent capital budget or capital improvement program. In the
27 event that the Bond Financed Portion for an Authorized Capital Project is less than the amount
28 appropriated for such project in the Capital Budget or any amended or subsequent capital budget
29 and the entire principal amount of bonds issued for the Consolidated Authorized Capital Projects
30 is not required for such projects, the County Executive by his or her order or, if so provided by
31 order of the County Executive, the Chief Administrative Officer by his or her order, may revise

1 the Table of Projects to increase the Bond Financed Portion of such Authorized Capital Project
 2 to an amount not to exceed the appropriated amount for such project and, correspondingly, may
 3 reduce the bond financed portion of such other Consolidated Authorized Capital Projects and
 4 make other appropriate adjustments. Nothing contained in this Act shall be deemed to preclude
 5 the County Council by resolution from effecting such a revision in the Table of Projects. The
 6 authority granted in this Act to revise the Table of Projects shall not be construed to permit an
 7 increase in the aggregate principal amount of Bonds to be issued pursuant to this Act or to effect
 8 results inconsistent with the Charter of Prince George's County, Maryland, as amended, modified
 9 or recodified from time to time (the "County Charter") or other applicable laws; accordingly, any
 10 such revision to the Table of Projects shall evidence that (i) the Bond Financed Portion of each
 11 Authorized Capital Project is sufficient to complete at least a usable portion of such project, (ii)
 12 the amount of all bonds authorized to be issued for such Authorized Capital Projects, including
 13 the revised Bond Financed Portion, does not exceed the amount of bonds authorized by the
 14 respective Bond Enabling Acts for such projects, and (iii) the Bonds are payable within the
 15 average probable useful life of the Authorized Capital Projects or, if the Bonds are consolidated
 16 with other bonds of the County pursuant to Section 3 of this Act, within the average probable
 17 useful lives of the Consolidated Authorized Capital Projects.

18 SECTION 3. BE IT FURTHER ENACTED that the Bonds (or any portion of them) may
 19 be consolidated for sale and issued, may be sold and delivered as a single issue of Bonds or as
 20 two or more issues of Bonds, or may be consolidated with other bonds of the County, as
 21 authorized by Section 2C of Article 31 of the Annotated Code of Maryland, as amended,
 22 replaced, or recodified from time to time. Such bonds shall each be designated "Prince George's
 23 County, Maryland Consolidated Public Improvement Bonds, Series 19___," and, in the event such
 24 bonds are issued at more than one time, the County Executive or, if so provided by order of the
 25 County Executive, the Chief Administrative Officer, by order, may specify such additional
 26 designation as he shall deem appropriate. Moreover, the County Executive or, if so provided by
 27 order of the County Executive, the Chief Administrative Officer, is hereby authorized to provide
 28 such other or alternative designation as he deems necessary or convenient to indicate the year of
 29 issuance of the Consolidated Public Improvement Bonds.

30 SECTION 4. BE IT FURTHER ENACTED that, subject to and in accordance with the
 31 provisions of this Act, the County Executive or, if so provided by order of the County Executive,

1 the Chief Administrative Officer, shall determine all matters relating to the advertisement, sale,
 2 issuance, delivery and payment of the Bonds, including all matters relating to the forms, dates
 3 and denominations of the Bonds, the principal maturities, the methods to be used in determining
 4 interest payable on the Bonds, the provision of bond insurance on all or any portion of the
 5 Bonds, and provisions for registration of the Bonds, for their redemption prior to stated maturity,
 6 and for the use of facsimile signatures or seals, whether the Bonds are to be issued in book-entry
 7 form and all matters incident to the issuance of the Bonds in book-entry form. The County
 8 Executive or, if so provided by order of the County Executive, the Chief Administrative Officer,
 9 shall provide for the form, numbering, term and authentication of the Bonds pursuant to Section
 10 826 of the County Charter. The County Executive or, if so provided by order of the County
 11 Executive, the Chief Administrative Officer, may provide that no Bonds shall be issued for
 12 certain Authorized Capital Projects authorized by this Act to be financed by the Bonds and to
 13 reduce the aggregate principal amount of Bonds to be issued accordingly, provided, however,
 14 that the deletion of such Authorized Capital Projects shall not cause the Bonds to be payable
 15 beyond the average of the probable useful lives of the remaining Authorized Capital Projects.
 16 The County Executive or, if so provided by order of the County Executive, the Chief
 17 Administrative Officer, may provide for a reduction in the aggregate principal amount of Bonds
 18 to be issued consistent with a determination of the minimum bond denomination size based on
 19 municipal security market practices regarding denomination size, and for a corresponding
 20 reduction in the principal amount of Bonds issued to finance the cost of any Authorized Capital
 21 Project, provided, however, that the principal amount of Bonds issued for each such Authorized
 22 Capital Project after such reduction shall be sufficient to complete at least a usable portion of
 23 each such Authorized Capital Project. It is hereby recognized and acknowledged that, in order to
 24 manage prudently the capital programs of the County, particularly in light of federal income tax
 25 laws and regulations that impose penalties and other financial consequences for the failure to
 26 expend the proceeds of tax-exempt bonds in a timely manner, the County Executive, pursuant to
 27 Section 3 of this Act, may provide for the financing of the Bond Financed Portion of an
 28 Authorized Capital Project by the issuance of Bonds at more than one time and from time to
 29 time. Notwithstanding the provisions of Sections 2, 3 and 4 of this Act, no order of the County
 30 Executive or Chief Administrative Officer permitted under this Act shall authorize or permit a
 31 reduction in the principal amount of Bonds issued for an Authorized Capital Project below the

1 amount for which the County Council has authorized temporary borrowing from other County
2 funds.

3 The County Executive or, if so provided by order of the County Executive, the Chief
4 Administrative Officer, may provide by order for certain maturities of the Bonds to be subject to
5 prior redemption at the option of the County. If the County Executive or the Chief
6 Administrative Officer, as the case may be, so provides and the Bonds are issued with such
7 option, then in the event that the County determines to exercise such option for the purpose of
8 effecting certain cost savings by refinancing a portion of the indebtedness evidenced by the
9 Bonds through the issuance and sale of refunding bonds, it is the intent of the County that such
10 refunding bonds be issued under the Enabling Acts referred to in this Act and that such refunding
11 bonds, if issued, shall constitute a refunding of indebtedness authorized by this Act and shall not
12 constitute additional indebtedness under such authority or under any other authority. The
13 aggregate principal amount of Bonds authorized to be issued hereunder may be increased by a
14 supplemental ordinance.

15 SECTION 5. BE IT FURTHER ENACTED that the Bonds shall be sold at public sale at,
16 above or below par value, by bids on sealed proposals to the bidder or bidders therefor for cash
17 whose bid or bids are determined to be for the best interest of the County, as provided in the
18 Notice of Sale for the Bonds, after having given public notice by advertisement. Such
19 advertisement, or a summary thereof, shall be published once in each of two consecutive weeks
20 next preceding the date of sale of the Bonds in one or more newspapers having a general
21 circulation in the County. The first of these publications shall be at least ten (10) days preceding
22 the date of sale of the Bonds. Such advertisement, or a summary thereof, may also be published
23 in "The Bond Buyer", a financial journal published in the City of New York and in such other
24 publications as the Director of Finance may determine to be in the best interest of the County.
25 The Bonds offered for sale at such public sale shall be awarded by the County Executive, or in
26 the event of the temporary absence or disability of the County Executive, by the Chief
27 Administrative Officer of the County pursuant to Section 410 of the County Charter. Authority
28 is hereby expressly delegated to the County Executive, or in his or her absence, to the Chief
29 Administrative Officer, to fix the date and the time of the sale of the Bonds. The sale of the
30 Bonds shall be held in a County Executive Conference Room in the County Administration

1 Building in Upper Marlboro, Maryland, or in such other place as may be designated by the
2 County Executive in the Notice of Sale for the Bonds.

3 SECTION 6. BE IT FURTHER ENACTED that there may be printed on each of the Bonds
4 the text of the approving legal opinion of Bond Counsel with respect to such Bonds. Any such
5 printed text shall be certified to be a correct copy of said opinion by the manual or facsimile
6 signature of the County Executive.

7 The Bonds shall contain similar provisions and be in substantially the form set forth in
8 Attachment 2, attached hereto and made a part hereof, and Bonds issued substantially in
9 accordance with said form, with appropriate insertions or deletions as indicated, when properly
10 executed and authenticated as required by this Section shall be deemed to constitute
11 unconditional general obligations of the County, to the payment of which, in accordance with the
12 terms thereof, its full faith and credit are pledged, and all the covenants and conditions contained
13 in the Bonds shall be deemed to be binding upon the County. Authority is hereby conferred on
14 the County Executive or, if so provided by order of the County Executive, the Chief
15 Administrative Officer, to complete, delete or modify the blanks in the respective bond forms
16 with necessary information, to insert applicable paragraphs as indicated or needed and to make
17 such additions, deletions and substitutions in the respective bond forms, not inconsistent with
18 this Act or the County Charter, as may be necessary or desirable for the sale of the Bonds,
19 including (without limitation) such additions, deletions and substitutions as may be necessary or
20 desirable in connection with the establishment or discontinuance of a book-entry registration
21 system for the Bonds.

22 SECTION 7. BE IT FURTHER ENACTED that immediately after the sale of the Bonds,
23 the interest rate or rates payable on the Bonds shall be fixed by an order of the County Executive
24 (the authority to fix such rates being hereby expressly delegated to said County Executive) or, in
25 his or her absence, by an order of the Chief Administrative Officer acting pursuant to Section
26 410 of the County Charter, in accordance with the respective terms and conditions of the sale of
27 the Bonds.

28 SECTION 8. BE IT FURTHER ENACTED that the official Notice of Sale and Bid for the
29 Bonds shall be substantially in the form set forth in Attachment 3 attached hereto and made a
30 part hereof, with such insertions or deletions as the County Executive or, if so provided by order
31 of the County Executive, the Chief Administrative Officer, may determine to be desirable due to

1 financial or market conditions or as otherwise permitted or required by this Act, including but
 2 not limited to changes appropriate in the event that the Bonds are to be registered in book-entry
 3 format.

4 SECTION 9. BE IT FURTHER ENACTED that the County Executive or, if so provided
 5 by order of the County Executive, the Chief Administrative Officer, may authorize on behalf of
 6 the County the delivery of a Preliminary Official Statement and a final Official Statement in
 7 connection with the issuance and sale of the Bonds.

8 SECTION 10. BE IT FURTHER ENACTED that the County Council hereby determines
 9 that the Bonds are at present within the debt limit imposed by Section 5(P) of Article 25A of the
 10 Annotated Code of Maryland (1998 Replacement Volume), as shown below:

11	Assessable base of County	\$17,159,141,300
12	Debt limit - 15% of assessable base	\$ 2,573,871,195
13	Debt outstanding - not more than	\$ 487,411,142
14	Limit on additional debt	\$ 2,086,460,053
15	Aggregate principal amount of Bonds	\$ 93,699,000
16	Aggregate principal amount of general	
17	obligation bonds authorized by other	
18	acts and not issued	\$ 192,124,000
19	Total principal amount of general	
20	obligation bonds authorized and	
21	not issued (including the Bonds)	\$ 285,823,000

22 SECTION 11. BE IT FURTHER ENACTED that the proceeds of the sale of the Bonds,
 23 including any premium and accrued interest received therefor, shall be paid directly to the
 24 Director of Finance of the County, who shall deposit the same in the proper accounts of the
 25 County. The cost of marketing the Bonds shall be the pro rata part of the cost of advertising,
 26 printing, legal services and other related expenditures (including, without limitation, any bond
 27 insurance premiums payable by the County), as may be determined by apportioning the
 28 aggregate amount of the cost of such advertising, printing, legal services and other related
 29 expenditures among the issue of Bonds and the issues of bonds authorized by other Acts or
 30 Ordinances and consolidated for sale with the issue of the Bonds, in the proportion to each issue
 31 which the amount for which each issue may be sold shall bear to the total amount received for all

1 of the issues so consolidated for sale. Such costs of issuance shall be allocated to the Authorized
 2 Capital Projects financed by the Bonds and shall be charged to the appropriate debt service
 3 accounts of the County by the Director of Finance. There shall be deducted from the total gross
 4 proceeds received for the Bonds any amount received on account of accrued interest and
 5 premium on such Bonds, which amounts shall be set apart by the Director of Finance in separate
 6 accounts and applied to the first interest payment on the Bonds; provided that, if so determined
 7 by the County Executive, or if so provided by order of the County Executive, by the Chief
 8 Administrative Officer, any premium on such Bonds may be applied to other purposes including
 9 (without limitation) payment of the costs of issuance. The balance of the proceeds of the sale of
 10 the Bonds shall be expended by the County for costs of the Authorized Capital Projects for
 11 which Bonds have been issued in accordance with this Act and the provisions of the respective
 12 enabling laws authorizing such Authorized Capital Projects. If the principal amount of Bonds
 13 issued for any Authorized Capital Project exceeds the amount needed to finance such Authorized
 14 Capital Project, the excess shall be applied to any other Authorized Capital Project of the same
 15 generic class or if no such Authorized Capital Project requires additional funds, to any other
 16 capital project permitted by the laws of the State of Maryland and of the County and by the
 17 County Charter.

18 Unless otherwise provided by act or resolution of the County Council or by order of the
 19 County Executive pursuant to Section 14 of this Act, earnings derived from the investment of the
 20 proceeds of the Bonds may be treated as general revenues of the County and applied to general
 21 County purposes and such use of investment proceeds is hereby acknowledged and authorized.

22 SECTION 12. BE IT FURTHER ENACTED that, for the purpose of paying the interest on
 23 and redeeming and paying the Bonds, as they respectively mature, the County shall include in
 24 the levy in each and every fiscal year during which any of the Bonds are outstanding ad valorem
 25 taxes upon all the legally assessable property within the corporate limits of the County in rate
 26 and amount sufficient to provide for the payment, when due, of the interest on the Bonds payable
 27 during such fiscal year and the principal of all of the Bonds due in each such fiscal year; and in
 28 the event the proceeds from taxes so levied in any such fiscal year shall prove inadequate for
 29 such purposes, additional taxes shall be levied, to the extent authorized by law, in succeeding
 30 fiscal years to make up such deficiency. The County may apply to the payment of the principal
 31 of and interest on the Bonds any funds received by it from the State of Maryland, the United

1 States of America, or any agency or instrumentality thereof, or from any other source, if such
2 funds are granted for the purpose of assisting the County in obtaining public facilities of the class
3 or classes of public facilities for which the Bonds, or the respective portions of the Bonds, are
4 authorized or may be otherwise lawfully applied to such payment; to the extent that any such
5 funds are applied to such purposes in any fiscal year as provided herein, the taxes hereby
6 required to be levied shall be reduced proportionately.

7 The full faith and credit of the County and the taxing power of the County are hereby
8 irrevocably pledged both to the punctual payment of the maturing principal of and interest on the
9 Bonds as and when such principal and interest respectively become due, and to the levy and
10 collection of the taxes hereinabove prescribed as and when such taxes become necessary in order
11 to provide sufficient funds to meet the debt service requirement of the Bonds. The County hereby
12 solemnly covenants with each of the registered owners of any of the Bonds to take all action as
13 may be appropriate from time to time during the period that any of the Bonds remain outstanding
14 and unpaid to provide the funds necessary to make the principal and interest payments on the
15 Bonds. The debt service requirements of the Bonds shall have a first and prior claim on all
16 moneys of the General Fund of the County on a parity with the claim for moneys required for
17 payment of debt service on all other County general obligation indebtedness whether issued prior
18 to or after the issuance of the Bonds; it is recognized, however, that some outstanding general
19 obligation bonds of the County constitute a pledge of the unlimited taxing power of the County.
20 The County further covenants and agrees with each of the registered owners of any of the Bonds
21 to levy and collect the taxes hereinabove prescribed.

22 SECTION 13. BE IT FURTHER ENACTED that in the event any official of the County
23 whose signature shall appear on any Bonds or on other instruments or documents pertaining
24 thereto, shall cease to be such official prior to the delivery of the Bonds or other instruments or
25 documents, or in the event that any official shall take office subsequent to the sale of the Bonds,
26 his or her signature shall nevertheless be valid, sufficient and binding for the purposes herein
27 intended.

28 SECTION 14. BE IT FURTHER ENACTED that the County Executive and the Chief
29 Administrative Officer shall be the officers of the County responsible for the issuance of any
30 Bonds within the meaning of the "arbitrage regulations" (defined below).

1 The County Executive or, if so provided by order of the County Executive, the Chief
2 Administrative Officer, and the Director of Finance shall be the officers of the County
3 responsible for the execution and delivery (on the date of issuance of the Bonds) of a certificate
4 of the County (the "Tax and Section 148 Certificate") which complies with the requirements of
5 Section 148 of the Internal Revenue Code of 1986, as amended ("Section 148"), and the
6 applicable regulations thereunder (the "arbitrage regulations"), and such officials are hereby
7 directed to execute the Tax and Section 148 Certificate and to deliver the same to bond counsel
8 on the date of the issuance of the Bonds.

9 The County shall set forth in the Tax and Section 148 Certificate its reasonable
10 expectations as to relevant facts, estimates and circumstances relating to the use of the proceeds
11 of the Bonds, or of any moneys, securities or other obligations on deposit to the credit of any
12 account of the County which may be deemed to be proceeds of the Bonds pursuant to Section
13 148 or the arbitrage regulations (collectively, "Bond Proceeds"). The County covenants that the
14 facts, estimates and circumstances set forth in the Tax and Section 148 Certificate will be based
15 on the County's reasonable expectations on the date of issuance of the Bonds and will be, to the
16 best of the certifying officials' knowledge, true and correct, as of that date. The County shall
17 also set forth in the Tax and Section 148 Certificate any elections provided for or permitted
18 under the provisions of the Internal Revenue Code of 1986, as amended, that the officials
19 executing the Tax and Section 148 Certificate deem advisable.

20 In the event that Bonds are issued pursuant to this Act with the expectation that interest on such
21 Bonds will be excludable from gross income for federal income tax purposes, the County
22 covenants with each of the registered owners of any of the Bonds that it will not make, or (to the
23 extent that it exercises control or direction) permit to be made, any use of the Bond Proceeds
24 which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 and the
25 arbitrage regulations. The County further solemnly covenants that it will comply with Section
26 148 and the regulations thereunder which are applicable to the Bonds on the date of issuance
27 thereof and which may subsequently lawfully be made applicable thereto as long as the Bonds
28 remain outstanding and unpaid. The County Executive, the Chief Administrative Officer and the
29 Director of Finance of the County are hereby authorized and directed to prepare or cause to be
30 prepared and to execute, respectively, any certification, opinion or other document, including
31 (without limitation) the Tax and Section 148 Certificate, which may be required to assure that the

1 Bonds will not be deemed to be "arbitrage bonds" within the meaning of Section 148 and the
2 regulations thereunder.

3 In the event that Bonds are issued pursuant to this Act with the expectation that interest on
4 such Bonds will be excludable from gross income for federal income tax purposes, the County
5 Executive may make such covenants or agreements in connection with the issuance of such
6 Bonds as he or she shall deem advisable in order to assure the registered owners of such Bonds
7 that interest thereon shall be and remain excludable from gross income for federal income tax
8 purposes, and such covenants or agreements shall be binding on the County so long as the
9 observance by the County of any such covenants or agreements is necessary in connection with
10 the maintenance of the exclusion of the interest on such Bonds from gross income for federal
11 income tax purposes. The foregoing covenants and agreements may include such covenants or
12 agreements on behalf of the County regarding compliance with the provisions of the Internal
13 Revenue Code of 1986, as amended, as the County Executive shall deem advisable in order to
14 assure the registered owners of such Bonds that the interest thereon shall be and remain
15 excludable from gross income for federal income tax purposes, including (without limitation)
16 covenants or agreements relating to the investment of Bond Proceeds, the payment of certain
17 earnings resulting from such investment to the United States (or certain payments in lieu thereof
18 as provided in the Internal Revenue Code of 1986, as amended), limitations on the times within
19 which, and the purpose for which, Bond Proceeds may be expended, or the use of specified
20 procedures for accounting for and segregating Bond Proceeds. Any covenant or agreement made
21 by the County Executive pursuant to this paragraph shall be set forth in or authorized by an order
22 executed by the County Executive.

23 SECTION 15. BE IT FURTHER ENACTED that the County Executive or, if so provided
24 by order of the County Executive, the Chief Administrative Officer, is hereby authorized to
25 select and appoint a bank or other financial institution to act as paying agent for the payment of
26 the principal and redemption price, if any, of and interest on the Bonds and to act as registrar for
27 the Bonds. The selection of the paying agent and bond registrar shall be accomplished in
28 accordance with applicable provisions of law. In the event that the Bonds are issued in book-
29 entry form, the County Executive may determine that a Bond Registrar need not be designated or
30 that the County shall act as bond registrar and paying agent.

SECTION 16. BE IT FURTHER ENACTED that the powers granted by this Act are additional and cumulative and the Bonds authorized by this Act may be issued, notwithstanding that other bond acts or laws may provide for the issuance of other bonds or the borrowing of money for the same or similar purposes on the same or other terms and conditions. This Act shall be liberally construed to effectuate its purposes, namely, to authorize the borrowing of money and the incurring of indebtedness to finance the Authorized Capital Projects set forth in this Act. Provisions of this Act shall be deemed met and satisfied if there is substantial compliance with such provisions. This Act is not intended to provide or imply that this Act or any prior act not containing a similar provision precludes the County from exercising any power or prerogative provided by this Act or any other law whether exercised solely pursuant to such other law or in conjunction with the powers provided by this Act so that, without limiting the generality of this Section, the County may exercise the power to issue (i) bond anticipation notes (in anticipation of the issuance of bonds pursuant to this Act or otherwise) and grant anticipation notes pursuant to Section 12 of Article 31 of the Annotated Code of Maryland, as amended, replaced, or recodified from time to time, and (ii) bonds (or any related bond anticipation or other notes) authorized by Sections 14-201 to 14-214, inclusive, of Article 41 of the Annotated Code of Maryland, as amended, replaced, or recodified from time to time, and in exercising such powers, the County may sell such notes or bonds at private (negotiated) sale as authorized by these or any other applicable laws.

SECTION 17. BE IT FURTHER ENACTED that in order to avoid the issuance of a greater amount of Bonds for the Authorized Capital Projects listed in the Table of Projects than is needed therefor, and in order to permit the construction of such projects to proceed prior to the issuance of Bonds and at the same time afford the County maximum flexibility in selecting the most advantageous times for such issuance, the County may provide needed capital funds by the issue and sale of its bond anticipation notes (the "Notes") pursuant to the authority of Section 12 of Article 31 of the Annotated Code of Maryland, as amended, replaced or recodified from time to time (the "Bond Anticipation Note Act").

(1) The maximum principal amount of Notes issued pursuant to this Section which may be outstanding at any time shall be Ninety-three Million Six Hundred Ninety-nine Thousand Dollars (\$93,699,000) unless and until otherwise provided by the County Council by act. The Notes may be paid at or prior to maturity from the proceeds of the issuance and sale of the Bonds in

1 anticipation of which the Notes were issued or from the proceeds of refunding Notes. Except as
 2 otherwise provided herein, in the event of such an advance refunding, the proceeds of such
 3 refunding Bonds or Notes shall be held in escrow, to the extent and in the amount necessary to
 4 refund the outstanding series of Notes, for the benefit of the holders of the outstanding series of
 5 Notes. Such refunding Notes, if issued, will constitute a reissuance of the Notes authorized by
 6 this Act and shall not constitute additional indebtedness under such authorization.

7 (2) All or any part of the Notes may be issued in series as funds are required, as
 8 determined by the County Executive.

9 (3) None of the Notes shall be sold at less than the par value thereof except Commercial
 10 Paper Notes (hereinafter defined) as hereinafter provided, nor shall any such Notes bear interest
 11 at a rate in excess of the maximum interest rate, if any, specified by the County Council by
 12 Public Local Law to be payable on obligations of Prince George's County, Maryland.

13 (4) With respect to any Notes issued, the County hereby covenants and agrees with the
 14 holder or holders thereof to issue, upon its full faith and credit, the Bonds in anticipation of the
 15 sale of which the Notes are issued when, and as soon as, the reason for deferring the issuance
 16 thereof no longer exists and to pay the principal of and interest on (to the extent such interest has
 17 not been capitalized, or otherwise paid, by appropriations from current revenues) such Notes
 18 from the proceeds of such Bonds. This covenant shall be binding upon the County
 19 notwithstanding any limitation set forth in this Act, including (without limitation) any limitation
 20 with respect to the interest rate or rates that the Bonds may bear. If the County shall be unable,
 21 for reasons beyond its control, to issue and sell its Bonds as described above, or if the proceeds
 22 from the sale of such Bonds shall be insufficient to pay the principal of and interest on any Notes
 23 issued, then the revenues from taxes and other sources intended for application to debt service on
 24 such Bonds shall be applied to the payment of the interest on and principal of the Notes. The
 25 foregoing provisions shall not be construed so as to prohibit the County from paying the
 26 principal or redemption price of and interest on any Note issued hereunder from the proceeds of
 27 the sale of any other Note issued hereunder, or from any other funds legally available for that
 28 purpose. If the County shall be unable, for reasons beyond its control, to issue and sell its Bonds,
 29 or if the proceeds from the sale of such Bonds shall be insufficient to pay the principal of or
 30 interest on any Notes issued, then the County shall include in the levy in each and every fiscal
 31 year during which any of the Notes are outstanding ad valorem taxes upon all the legally

1 assessable property within the corporate limits of the County in rate and amount sufficient to
 2 provide for the payment, when due, of the interest on the Notes payable during such fiscal year
 3 and the principal of all of the Notes due in each such fiscal year; and in the event the proceeds
 4 from taxes so levied in any such fiscal year shall prove inadequate for such purposes, additional
 5 taxes shall be levied, to the extent authorized by law, in succeeding fiscal years to make up such
 6 deficiency. The County may apply to the payment of the principal of and interest on the Notes
 7 any funds received by it from the State of Maryland, the United States of America, or any agency
 8 or instrumentality thereof, or from any other source, if such funds are granted for the purposes of
 9 assisting the County in obtaining public facilities of the class or classes of public facilities for
 10 which the Notes, or the respective portions of the Notes, are authorized or may be otherwise
 11 lawfully applied to such payment; to the extent that any such funds are applied to such purposes
 12 in any fiscal year as provided herein, the taxes hereby required to be levied shall be reduced
 13 proportionately.

14 The full faith and credit of the County and the taxing power of the County are hereby
 15 irrevocably pledged both to the punctual payment of the maturing principal of and interest on the
 16 Notes as and when such principal and interest respectively become due, and to the levy and
 17 collection of the taxes hereinabove prescribed as and when such taxes become necessary in order
 18 to provide sufficient funds to meet the debt service requirements of the Notes. The County
 19 hereby solemnly covenants with each of the owners of any of the Notes to take all action as may
 20 be appropriate from time to time during the period that any of the Notes remain outstanding and
 21 unpaid to provide the funds necessary to make the principal and interest payments on the Notes.
 22 The debt service requirements of the Notes shall have a first and prior claim on all moneys of the
 23 General Fund of the County on a parity with the claim for moneys required for payment of debt
 24 service on all other County general obligation indebtedness whether issued prior to or after the
 25 issuance of the Notes; it is recognized, however, that some outstanding general obligation bonds
 26 of the County constitute a pledge of the unlimited taxing power of the County. The County
 27 further covenants and agrees with each of the owners of any of the Notes to levy and collect the
 28 taxes hereinabove prescribed.

29 (5) In the event that any Notes (the "Outstanding Notes") issued hereunder are outstanding
 30 on the date that the Bonds in anticipation of which such Notes are issued are delivered in
 31 exchange for the purchase price thereof (the "Delivery Date"), the Director of Finance shall

1 deposit with the paying agent for the Notes, or a trustee or escrow agent, on the Delivery Date (i)
2 cash in an amount equal to the principal of the Outstanding Notes and/or (ii) direct obligations
3 of, or obligations the payment of which is unconditionally guaranteed by, the United States of
4 America, the principal of and interest on which will be sufficient without reinvestment to pay in
5 a timely manner the principal of the Outstanding Notes when due whether at maturity or upon
6 prior redemption. Such paying agent or trustee or escrow agent is hereby irrevocably directed to
7 apply such cash or the proceeds of such obligations to the payment of the principal of the
8 Outstanding Notes when due whether at maturity or upon prior redemption. The County may
9 provide such cash or obligations from the proceeds of the sale of such Bonds or from any other
10 funds legally available for such purpose. On the Delivery Date, the Director of Finance shall
11 also deposit with the paying agent for the Outstanding Notes, or a trustee or escrow agent (i) cash
12 in an amount equal to the interest on the Outstanding Notes and/or (ii) direct obligations of, or
13 obligations the payment of which is unconditionally guaranteed by, the United States of
14 America, the principal of and interest on which will be sufficient without reinvestment to pay in
15 a timely manner interest on the Outstanding Notes when due whether at maturity, upon a
16 regularly scheduled payment date or upon prior redemption. The County may provide such cash
17 obligations from the proceeds of the sale of Bonds available for that purpose or from any other
18 funds legally available for such purpose. Notwithstanding the foregoing, if the Delivery Date
19 and the date on which the Outstanding Notes mature or are subject to redemption are in different
20 fiscal years, and moneys for the payment of the interest on the Outstanding Notes have not been
21 finally appropriated in the fiscal year in which the Bonds are delivered, and if the Delivery Date
22 is after the date on which the budget for the succeeding fiscal year has been submitted to the
23 County Council and provision for the payment of the interest on such Outstanding Notes has
24 been made in such budget, in lieu of the deposit of such cash or obligations for the payment of
25 interest on the Outstanding Notes, the County Executive, the Director of Finance and the Chief
26 Administrative Officer may deliver a certificate on the Delivery Date of the Bonds stating that
27 funds sufficient to pay the interest on the Outstanding Notes have been included in the budget for
28 the next succeeding fiscal year (it being provided by the Bond Anticipation Note Act that the
29 Notes shall be payable from the first proceeds of the sale of the Bonds, or from the tax or other
30 revenue which the County shall have previously determined to apply to the payment of the
31 Bonds and the interest thereon). Upon the deposit with the paying agent for the Outstanding

Notes, or a trustee or escrow agent, of cash and/or obligations sufficient to provide for the payment of the principal of and interest on such Notes when due, as described above, such Notes shall be deemed to be paid and no longer outstanding hereunder.

(6) With respect to the authorization, issuance, execution, sale, delivery and payment of and for any Notes, the County Executive or, if so provided by order of the County Executive, the Chief Administrative Officer, may determine, approve or authorize:

- (i) the identification of any series of Notes;
- (ii) the form of any Notes;
- (iii) the denominations of the Notes;
- (iv) the maturity of any Notes;
- (v) the manner of execution and authentication of any Notes;
- (vi) the rate or rates of interest of any Notes or the manner for determining the same
- (vii) the interest payment dates of any Notes;
- (viii) the redemption provisions applicable to any Notes;
- (ix) the manner of sale of any Notes, which may be by private (negotiated) sale or at public sale, and the procedures to be followed in connection with any such sale;
- (x) the form and manner of execution and delivery of documents necessary or deemed appropriate in connection with the authorization, issuance, execution, sale, delivery and payment of and for any Notes; and
- (xi) such other matters not inconsistent with the provisions of this Act as are necessary or deemed appropriate to accomplishing the issuance and sale of Notes hereunder.

(7) The Notes (or any portion of them) may be consolidated for sale and issued, sold and delivered as a single issue of Notes or as two or more issues of Notes, or may be consolidated with other notes or indebtedness of the County, as authorized by Section 2C of Article 31 of the Annotated Code of Maryland, as amended, replaced or recodified from time to time.

(8) References to "Bonds" in Section 14 of this Act shall be deemed to include Notes.

(9) The authority conferred on the County Executive in Section 15 of this Act in connection with the issuance of Bonds hereunder, with respect to the appointment of paying agents and a registrar, may also be exercised with respect to the issuance and sale of Notes hereunder.

1 (10) References to "Bonds authorized by this Act" in Section 16 of this Act shall be deemed
2 to include Notes, unless the context clearly requires otherwise.

3 (11) Pursuant to the Bond Anticipation Note Act, the County is hereby authorized to issue
4 the aforementioned Notes as notes in the nature of commercial paper and to establish a
5 commercial paper program. Accordingly, the County is hereby authorized to issue two or more
6 separate and distinct series of its Notes, which may include (1) a series of its Notes in the nature
7 of tax exempt commercial paper (the "Commercial Paper Notes") and (2) a series of its Notes in
8 connection with a liquidity facility, such as a revolving loan agreement, or a series of its Notes in
9 connection with a credit facility, such as a letter of credit and related agreements (collectively,
10 the "Revolving Loan Notes") (the Commercial Paper Notes and the Revolving Loan Notes being
11 collectively referred to herein as the "Program Notes"). The word "Notes," as used in this Act,
12 includes Program Notes, and it is intended that the provisions of this Act applying to Notes shall
13 include Program Notes unless the context clearly requires a contrary meaning.

14 For the purposes of this Act, the term "principal amount," when used with respect to the
15 Program Notes, shall mean (i) in the case of Commercial Paper Notes, the face amount of any
16 such Commercial Paper Note, less any original issue discount on such Commercial Paper Note,
17 and (ii) in the case of Revolving Loan Notes, the principal amount actually advanced under the
18 applicable liquidity facility or credit facility that is evidenced by any such Revolving Loan Note.
19 Accordingly, it is contemplated by this Act that the aggregate face amount of the Program Notes
20 that may be outstanding from time to time hereunder, together with other Notes issued hereunder
21 and outstanding from time to time, may exceed the aggregate principal amount of Notes
22 authorized to be outstanding hereunder at any one time.

23 Without limiting the generality of other provisions of this Act, the County Executive or, if
24 so provided by order of the County Executive, the Chief Administrative Officer, may determine,
25 approve or authorize:

26 (i) procedures to facilitate the prompt determination and approval of matters in connection
27 with the authorization, issuance, execution, sale, delivery and payment of and for Program
28 Notes;

29 (ii) the form and manner of execution and delivery of documents necessary or deemed
30 appropriate in connection with the authorization, issuance, execution, sale, delivery and payment
31 of and for Program Notes;

1 (iii) the selection of any trustee, issuing agent, payment agent, commercial paper dealer,
 2 credit or liquidity facility provider or other provider of financial or related services necessary or
 3 deemed appropriate to the authorization, issuance, execution, sale, delivery and payment of and
 4 for Program Notes; and

5 (iv) such other matters not inconsistent with this Act necessary or deemed appropriate to
 6 accomplishing the authorization, issuance, execution, sale, delivery and payment of and for
 7 Program Notes.

8 SECTION 18. BE IT FURTHER ENACTED that it is hereby found and determined as
 9 follows: (i) it is in the best interest of the County to be able to implement a flexible approach to
 10 borrowing (that is, one which provides the ability to utilize variable rate demand obligations, tax
 11 exempt commercial paper and short-term municipal obligations [collectively, "Variable Rate
 12 Demand Obligations"]); (ii) there is an expanding market for Variable Rate Demand Obligations,
 13 which have varying and flexible maturities or redemption features, tender or purchase dates and
 14 bear interest at variable rates established by a remarketing agent on the basis of current market
 15 conditions, or combinations of such maturities or redemption, tender or purchase dates and rates
 16 and to access this market the County must establish procedures consistent with market practices
 17 for Variable Rate Demand Obligations; and (iii) existing practices in the market for Variable
 18 Rate Demand Obligations and existing requirements of nationally recognized rating agencies
 19 require that there be available to the issuer of Variable Rate Demand Obligations a supporting
 20 credit or liquidity facility, such as a letter of credit, line of credit or revolving loan agreement,
 21 pursuant to which an alternate source of borrowing will be available during any period in which
 22 such obligations cannot be remarketed or sold.

23 Notes or Bonds are hereby authorized to be issued as short-term or demand obligations or
 24 commercial paper, defined above as Variable Rate Demand Obligations, including obligations
 25 that are required to be purchased or redeemed prior to stated maturity dates, bear interest at
 26 variable rates and mature on dates established from time to time by a remarketing agent on the
 27 basis of current market conditions. If any Bonds or Notes issued in accordance with this Section
 28 18 provide for the optional or mandatory redemption, tender or purchase thereof prior to stated
 29 maturity dates, the form of Bond or Note (as the case may be) may provide, to the extent
 30 permitted by law and determined by the County Executive or, if so provided by order of the
 31 County Executive, the Chief Administrative Officer, that the full faith and credit and taxing

1 power of the County are pledged to the payment of the purchase or redemption price on the due
2 dates for such payments.

3 Without limiting the generality of other provisions of this Act, the County Executive or, if
4 so provided by order of the County Executive, the Chief Administrative Officer, may determine,
5 approve or authorize:

6 (i) procedures for the determination of the interest rates, the interest payment dates, the
7 maturities and any optional or mandatory redemption, tender or purchase dates of Bonds or
8 Notes described in this Section 18 in order to implement the financing authorized hereby;

9 (ii) the form and manner of execution and delivery of documents necessary or deemed
10 appropriate in connection with the authorization, issuance, execution, sale, delivery and payment
11 of and for Variable Rate Demand Obligations;

12 (iii) the selection of any trustee, issuing agent, paying agent, tender agent, credit or liquidity
13 facility provider or other provider of financial or related services necessary or deemed
14 appropriate to the authorization, issuance, execution, sale, delivery and payment of and for
15 Variable Rate Demand Obligations; and

16 (iv) such other matters not inconsistent with this Act necessary or deemed appropriate to
17 accomplishing the authorization, issuance, execution, sale, delivery and payment of and for
18 Variable Rate Demand Obligations.

19 SECTION 19. BE IT FURTHER ENACTED that Section 24 of Article 31 of the
20 Annotated Code of Maryland (1997 Replacement Volume and 1998 Supplement) (the
21 "Refunding Act") provides that refunding bonds may be issued by the County for certain public
22 purposes specified in the Refunding Act, including realizing savings to the County in the
23 aggregate cost of debt service on either a direct comparison or present value basis or debt
24 restructuring that in the aggregate effects such a savings in the cost of debt service. The County
25 Council of Prince George's County, Maryland, hereby finds and determines that the issuance of
26 refunding bonds pursuant to the terms and requirements of this Act, and particularly Section 23
27 of this Act, in order to refund all or a portion of the outstanding principal amount of the Bonds
28 will effectuate and accomplish the public purpose of realizing savings to the County in the
29 aggregate cost of debt service on either a direct comparison or a present value basis or of debt
30 restructuring that in the aggregate effects such a reduction in the cost of debt service.

1 SECTION 20. BE IT FURTHER ENACTED that, acting pursuant to the authority of the
 2 Refunding Act and, as applicable, Article 25A of the Annotated Code of Maryland (1998
 3 Replacement Volume) ("Article 25A"), the County Charter, this Act and certain other authority
 4 pursuant to which the Bonds will be issued, the issuance and sale of bonds (the "Consolidated
 5 Refunding Bonds") of Prince George's County, Maryland, which may be issued in series from
 6 time to time as hereinafter provided, are hereby authorized in an aggregate principal amount not
 7 to exceed 150% of the aggregate outstanding principal amount of the Bonds to be refunded
 8 hereby (the "Refunded Bonds") in order to provide funds sufficient (a) to purchase direct
 9 obligations of, or obligations the timely payment of the principal of and interest on which is
 10 unconditionally guaranteed by, the United States of America ("Government Obligations"), the
 11 principal of and interest on which will be sufficient without reinvestment, together with any
 12 available cash, to pay in a timely manner all or any part of the principal of and redemption
 13 premium, if any, and interest on the Refunded Bonds, and (b) to pay any and all other costs
 14 permitted to be paid from the proceeds of such Consolidated Refunding Bonds under the
 15 Refunding Act, including (without limitation) the costs of issuance of such Consolidated
 16 Refunding Bonds (including without limitation any bond insurance premium payable by the
 17 County) and applicable underwriting fees.

18 SECTION 21. BE IT FURTHER ENACTED that the Consolidated Refunding Bonds
 19 hereby authorized may be sold for a price at, above, or below par, plus accrued interest to the
 20 date of delivery. The Consolidated Refunding Bonds shall be sold at private (negotiated) sale,
 21 and such procedure is hereby determined to be in the public interest. Notwithstanding the
 22 foregoing, if the County Executive or, if so provided by order of the County Executive, the Chief
 23 Administrative Officer, by order, subsequently determines that it is in the best interests of the
 24 County to sell any or all of the Consolidated Refunding Bonds after first soliciting competitive
 25 bids at public sale, then the County Executive or the Chief Administrative Officer, as the case
 26 may be, may sell such Consolidated Refunding Bonds in such manner in accordance with such
 27 procedures as he or she shall deem appropriate; provided, however, that such procedures shall be
 28 substantially similar to the procedures for public sale with competitive bidding normally used by
 29 the County in connection with the sale of its general obligation bonds. Consolidated Refunding
 30 Bonds issued hereunder are hereby specifically exempted from the provisions of Sections 10 and

1 11 of Article 31 of the Annotated Code of Maryland (1997 Replacement Volume and 1998
2 Supplement).

3 SECTION 22. BE IT FURTHER ENACTED that Consolidated Refunding Bonds
4 authorized to be issued for the purposes specified above may be issued in series from time to
5 time. Each such series shall identify the public purpose for which it is issued, by the printing on
6 each bond of the words "Prince George's County, Maryland Consolidated Public Improvement
7 Bonds - 19__ Refunding Series". The County Executive or, if so provided by order of the
8 County Executive, the Chief Administrative Officer, by order, may incorporate such additional
9 designations in the name of the series as he or she deems necessary or convenient to distinguish
10 two or more series issued for the same purpose within the same calendar year.

11 SECTION 23. BE IT FURTHER ENACTED that the Consolidated Refunding Bonds shall
12 be issued as registered bonds without coupons in the denomination of Five Thousand Dollars
13 (\$5,000) or any integral multiple thereof within the limits of specified maturities with the
14 maximum denomination to be determined by the County Executive or, if so provided by order of
15 the County Executive, the Chief Administrative Officer, by order. The Consolidated Refunding
16 Bonds of each series shall be dated prior to or the date of the delivery of such series as
17 determined by the County Executive or, if so provided by order of the County Executive, the
18 Chief Administrative Officer. The Consolidated Refunding Bonds, when first issued, shall be
19 numbered from No. R-1 consecutively upward in the order of their maturities or such other
20 designation, as determined by the County Executive or, if so provided by Order of the County
21 Executive, the Chief Administrative Officer, but such numbering need not be continuously
22 consecutive; provided, however, that Consolidated Refunding Bonds issued after the original
23 issuance of the Consolidated Refunding Bonds may be numbered consecutively without regard
24 to their maturities at the discretion of the Refunding Bond Registrar (hereinafter defined) to
25 conform with standard registered bond registration practices. Registration books (the
26 "Refunding Bond Register") for the Consolidated Refunding Bonds shall be maintained by the
27 bond registrar to be selected and appointed by the County Executive of the County pursuant to
28 this Act (the "Refunding Bond Registrar").

29 The Consolidated Refunding Bonds of each series, or of successive series for the same
30 public purpose, shall mature and be payable in consecutive annual installments.

1 Pursuant to Section 26 of this Act, the County Executive or, if so provided by order of the
2 County Executive, the Chief Administrative Officer, by order, shall determine (a) the principal
3 amount and maturity of each series of Consolidated Refunding Bonds to be issued and (b) the
4 portions of each series of Refunded Bonds to be refunded with the proceeds of each series of
5 Consolidated Refunding Bonds; provided, however, that the issuance of any series of
6 Consolidated Refunding Bonds to refund all or any portion of one or more series of Refunded
7 Bonds will effectuate and accomplish the public purpose of realizing savings to the County in the
8 aggregate cost of debt service on either a direct comparison or a present value basis with respect
9 to the portion of any series of Refunded Bonds being refunded or debt restructuring that in the
10 aggregate effects such a reduction in the cost of debt service.

11 The series of Consolidated Refunding Bonds to be issued pursuant to the authority of this
12 Act shall be executed on behalf of the County by the manual or facsimile signature of the County
13 Executive and an impression of the seal of the County shall be imprinted thereon manually or by
14 facsimile, attested by the manual or facsimile signature of the Clerk of the Council. Each such
15 Consolidated Refunding Bond shall be authenticated by the manual signature of the County
16 Executive or Director of Finance of the County or an authorized officer of the Refunding Bond
17 Registrar. No Consolidated Refunding Bonds issued pursuant to this Act shall be valid for any
18 purpose or constitute an obligation of the County unless so authenticated. In case any official of
19 the County, whose signature shall appear on any such Consolidated Refunding Bonds, shall
20 cease to be such official prior to the delivery of such Consolidated Refunding Bonds, or in the
21 case that any such official shall take office subsequent to the date of issue of any such
22 Consolidated Refunding Bonds, his or her signature, in either event, shall nevertheless be valid
23 for the purposes herein intended.

24 There may be printed on the reverse side of each series of Consolidated Refunding Bonds
25 issued hereunder the text of the applicable approving legal opinion with respect thereto, and any
26 such text shall be duly certified by the manual or facsimile signature of the County Executive of
27 the County.

28 Each series of Consolidated Refunding Bonds shall be in the form set forth in Attachment 2
29 attached to and made a part of this Act with such changes in designation and purpose to reflect
30 that such Bonds are refunding bonds, and Consolidated Refunding Bonds issued substantially in
31 compliance with such form, with appropriate insertions as therein indicated, when properly

1 executed and authenticated as described above, shall be deemed to constitute unconditional
 2 general obligations of the County, to the payment of which, in accordance with the terms thereof,
 3 its full faith and credit are pledged, and all the covenants and conditions contained in such
 4 Consolidated Refunding Bonds shall be deemed to be binding upon the County in accordance
 5 therewith. Authority is hereby conferred on the County Executive or, if so provided by order of
 6 the County Executive, the Chief Administrative Officer, to fill the blanks in such form with the
 7 required information, to insert applicable paragraphs as indicated and to make such additions,
 8 deletions and substitutions in such form, not inconsistent with this Act, as may be necessary or
 9 desirable in the sale of any such series of Consolidated Refunding Bonds, including (without
 10 limitation) such changes as may be necessary to permit the establishment of a central depository
 11 or book-entry system with respect to such series of Consolidated Refunding Bonds.

12 SECTION 24. BE IT FURTHER ENACTED that, for the purpose of paying the interest
 13 and redeeming and paying the Consolidated Refunding Bonds, as they respectively mature, the
 14 County shall include in the levy in each and every fiscal year during which any of the
 15 Consolidated Refunding Bonds are outstanding ad valorem taxes upon all the legally assessable
 16 property within the corporate limits of the County in rate and amount sufficient to provide for the
 17 payment, when due, of the interest on the Consolidated Refunding Bonds payable during such
 18 fiscal year and the principal of all of the Consolidated Refunding Bonds due in each such fiscal
 19 year; and in the event the proceeds from taxes so levied in any such fiscal year shall prove
 20 inadequate for such purposes, additional taxes shall be levied, to the extent authorized by law, in
 21 succeeding fiscal years to make up such deficiency. The County may apply to the payment of
 22 the principal of and interest on the Consolidated Refunding Bonds any funds received by it from
 23 the State of Maryland, the United States of America, or any agency or instrumentality of either,
 24 or from any other source, if such funds are granted for the purpose of assisting the County in
 25 obtaining public facilities of the class or classes of public facilities for which the Refunded
 26 Bonds refunded with the proceeds of the Consolidated Refunding Bonds issued pursuant to this
 27 Act, or the respective portions of such Refunded Bonds, are authorized or may otherwise be
 28 lawfully applied to such payment; to the extent that any such funds are applied to such purposes
 29 in any fiscal year as provided herein, the taxes hereby required to be levied shall be reduced
 30 proportionately.

1 The full faith and credit of the County and the taxing power of the County are hereby
 2 irrevocably pledged both to the punctual payment of the maturing principal of and interest on the
 3 Consolidated Refunding Bonds as and when such principal and interest respectively become due,
 4 and to the levy and collection of the taxes hereinabove prescribed as and when such taxes
 5 become necessary in order to provide sufficient funds to meet the debt service requirements of
 6 the Consolidated Refunding Bonds. The County hereby solemnly covenants with each of the
 7 holders of any of the Consolidated Refunding Bonds to take all action as may be appropriate

Purpose: The Bonds are being issued to provide funds for the purpose of the construction, acquisition, improvement or extension of certain capital projects including [school buildings, library and community college facilities, health facilities, fire stations, police and corrections facilities, roads and road rehabilitation, parking facilities, mass transit, solid waste facilities and County buildings and facilities].

Source of Payment: The County has irrevocably pledged its full faith and credit and taxing power for the payment of the principal of and interest on the Bonds. To provide for the payment of the Bonds, the County is empowered and directed to levy ad valorem taxes upon all the legally assessable property within the corporate limits of the County; such tax levy is subject, however, to the limitation set forth in Section 817B and Section 817C of the County Charter so long as such sections shall be in effect. Section 817B provides, in part, that the County shall not levy "a real property tax which would result in a total collection of real property taxes greater than the amount collected in fiscal year 1979; [except that the County] may levy a real property tax which would result in a total collection of real property taxes greater than the amount collected in fiscal year 1979 if the real property tax rate does not exceed Two Dollars and forty cents (\$2.40) for each One Hundred Dollars (\$100.00) of assessed value." Section 817C provides that any ordinance or resolution levying or charging taxes or certain fees in excess of the amount levied in the preceding fiscal year shall be referred to a referendum of the qualified voters of the County.

The principal of and interest on the Bonds are payable from annual appropriations of the proceeds of ad valorem taxes which the County is empowered and directed to levy, subject to said Section 817B and Section 817C limitations, upon all the legally assessable property within the corporate limits of the County. The County has covenanted, subject to said Section 817B and Section 817C limitations, to levy said ad valorem taxes in rate and amount sufficient for such payment in each fiscal year in which provision must be made for the payment of such principal and interest and in the event the proceeds from taxes so levied in any such fiscal year shall prove inadequate for such payment, to levy additional taxes, subject to said limitation, in succeeding fiscal years to make up such deficiency.

Minority Participation: The County encourages each bidder for the Bonds to make a good faith effort to include minority business enterprises in the syndicate purchasing the Bonds. Each bidder is requested to submit with its bid a listing of the initial members of the

purchasing syndicate, setting forth the initial contribution of each member and identifying the minority business enterprises in some manner. Upon request, the Director of Finance of the County and the financial advisors to the County will make available a nonexclusive list of underwriters and investment bankers the County has identified as minority business enterprises.

Price and Interest Rate Bid: Each bidder shall submit one bid on an "all- or-none" basis. Each proposal must specify the amount bid for the Bonds which must be at least par and must specify the rate or rates of interest to be paid thereon, in multiples of one-eighth (1/8) or one-twentieth (1/20) of one percent (1%). Bidders may specify more than one rate of interest to be borne by the Bonds, but all Bonds maturing on the same date must bear interest at the same rate; the difference between the maximum and minimum interest rates specified may not exceed three percent (3%) and the rate named for the Bonds of any one maturity may not be less than the rate named for the Bonds of an earlier maturity. A zero rate cannot be named for any maturity [Insert any applicable provisions regarding term bonds].

Form of Bid: Bids must be submitted on the prescribed form accompanying this Notice of Sale and must be enclosed in a sealed envelope addressed "Director of Finance of Prince George's County, Maryland, County Executive Conference Room No. 2, County Administration Building, 5th Floor, Upper Marlboro, Maryland," and marked on the outside "Bid for Bonds." Each bid shall be accompanied by a listing of the members of the purchasing syndicate and the contribution of each member thereof.

Bid Check: Bids must be accompanied by a good faith deposit of a certified check upon, or a cashier's or treasurer's or official check of, a responsible banking institution, payable to Prince George's County, Maryland for \$_____; such payment to be security for compliance with the terms of the sale. No interest will be allowed on any such security payment. The check of the successful bidder will be collected and the proceeds thereof retained by the County to be applied in part payment for the Bonds, and no interest will be allowed upon the amount thereof, but in the event the successful bidder shall fail to comply with the terms of the bid, the proceeds of such check will be retained as and for full liquidated damages. The checks of the unsuccessful bidders will be returned promptly after the Bonds are awarded.

Award of Bonds: The Director of Finance of the County will not consider and will reject any bid for the purchase of less than all of the Bonds. No bid at less than par and accrued interest will be considered. The right is reserved to reject any and all bids.

The award of the Bonds, if made, will be made as promptly as possible after the bids are opened to the bidder offering the lowest interest rate to the County. The lowest interest rate shall be determined in accordance with the true interest cost (TIC) method by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds and to the price bid, excluding interest accrued to the date of delivery. If two or more responsible bidders have made proposals, each of which represents the lowest interest rate to the County, then the Bonds shall be awarded to the

bidder offering the highest premium, and, if the highest premium is offered by two or more such bidders or if no premium is bid by any of such bidders, then the Bonds may be awarded, with their consent, in a ratable portion among such bidders, or the County may, in its discretion, determine to which of such bidders the Bonds will be awarded. The judgment of the Director of Finance shall be final and binding upon all bidders with respect to the form and adequacy of any bid received and as to its conformity to the terms of this Notice of Sale.

Each bidder for the Bonds shall make a good faith effort to elicit minority business enterprises to participate in the syndicate purchasing the Bonds, but such requirement shall in no way affect the award of this issue of Bonds.

Delivery and Payment: The Bonds will be delivered at 10:00 a.m. local Baltimore, Maryland time on _____, _____, or at such other time or on such earlier or later date as shall be mutually agreed upon by the County and the successful bidder (the "Closing") at the expense of the County, at the offices of The Depository Trust Company ("DTC") in New York, New York, or at such other place as shall be mutually agreed upon by the County and the successful bidder upon payment of the amount of the successful bid (including any premium), plus accrued interest to the date of delivery, less the amount of the good faith deposit. Such payment shall be made in Federal funds.

It is anticipated that separate CUSIP identification numbers for each maturity will be printed on the Bonds, but neither the failure to print any such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of the Notice of Sale.

The Bonds may be inspected by the successful bidder at the office of DTC at least one business day prior to Closing.

Legal Opinion: The issuance of the Bonds will be subject to legal approval by Shapiro and Olander, Baltimore, Maryland, whose approving opinion will be delivered upon request, without charge, to the successful bidder for the Bonds.

Official Statement: Within seven (7) County Business Days after the award of the Bonds to the successful bidder on the date of sale, the County will authorize and deliver to the successful bidder an Official Statement, which is expected to be substantially in the form of the Preliminary Official Statement referred to below. If so requested by the successful bidder at or before the close of business on the date of the sale, the County will include in the Official Statement such pricing and other information with respect to the terms of the reoffering of the Bonds by the successful bidder ("Reoffering Information"). If no Reoffering Information is specified and furnished by the successful bidder, the Official Statement will include the interest rates on the Bonds resulting from the bid of the successful bidder and the other statements with respect to reoffering contained in the Preliminary Official Statement. The successful bidder shall be responsible to the County and its officials for the Reoffering Information, and for all decisions made by the successful bidder with respect to the use or omission of the Reoffering Information in any reoffering of the Bonds, including the presentation or exclusion of any Reoffering Information in any documents, including the Official Statement. The successful bidder will also be furnished, without cost, with up to 500 copies of the Official Statement (and any amendment

or supplement thereto).

Closing Documents: The Bonds will be accompanied by the customary closing documents, including a no-litigation certificate, effective as of the date of delivery, stating that there is no litigation pending affecting the validity of the Bonds.

It shall be a condition to the obligation of the successful bidder to accept delivery of and pay for the Bonds that simultaneously with or before delivery and payment for the Bonds said successful bidder shall be furnished a certificate of the appropriate County officials to the effect that to the best of their knowledge and belief, the Official Statement (and any amendment or supplement thereto) (except for the Reoffering Information, as to which no view will be expressed) as of the date of sale and as of the date of delivery of the Bonds does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and that between the date of sale and the date of delivery of the Bonds there has been no material adverse change in the financial position or revenue of the County, except as reflected or contemplated in the Official Statement.

The purchasers of the Bonds, by submitting their bids, agree to provide a certificate acceptable to Bond Counsel stating: (i) the reoffering prices, expressed as a percentage of par, to the public of each maturity of the Bonds (the "Reoffering Prices"); (ii) that the successful bidder has made a bona fide public offering of the Bonds at the Reoffering Prices; and (iii) that a substantial amount of the Bonds was sold to the public (excluding bond houses, brokers and other intermediaries) at such Reoffering Prices. Bond Counsel advises that (i) such certificate must be made on the best knowledge, information and belief of the successful bidder, (ii) the sale to the public of 10% or more in par amount of the Bonds of each maturity at the Reoffering Prices would be sufficient to certify as to the sale of a substantial amount of the Bonds, and (iii) reliance on other facts as a basis for such certification would require evaluation by Bond Counsel to assure compliance with the statutory requirement to avoid the establishment of an artificial price for the Bonds.

Contact Persons: The Preliminary Official Statement concerning this sale of Bonds, together with the required form of Bid for Bonds, the financial statement of the County and other data in reference thereto and a list of underwriters and investment bankers that the County has identified as minority business enterprises, will be supplied to prospective bidders upon request made to the Director of Finance of Prince George's County, Room 3200, County Administration Building, Upper Marlboro, Maryland 20772, (301) 952-5025 or from [insert name, address and telephone number of Financial Advisor]. Such Preliminary Official Statement is deemed final by the County for purposes of SEC Rule 15c2-12 but is subject to revision, amendment and completion in the Official Statement referred to above.
