RE: Joint Public Hearing, May 4, 2026, Historic Site Designation for the Weinstein House/Harry's Market (Documented Property 68-074-05)

As follow up to the Planning Board/District Council Joint Public Hearing held on May 4, 2026, the Planning Board would like to convey its recommendation to the District Council on the historic site designation referenced above. The Planning Board has reviewed the Historic Preservation Commission's recommendation on this property, and the material submitted into the hearing record, and finds that this property meets the identified criteria in Subtitle 29-104 (the Prince George's County Historic Preservation Ordinance), as outlined in the record. Therefore, on June 11, 2026, by a vote of 3-0, the Planning Board recommended that the District Council designate this property as a Prince George's County Historic Site.

This is to certify that the foregoing is a true and a correct copy of the action taken by the Prince George's County Planning Board of The Maryland-National Capital Park and Planning Commission on the motion of Commissioner Jenkins, seconded by Commissioner Matthews, with Commissioners Jenkins, Matthews, and Okoye in favor of the motion at its regular meeting held on Thursday, June 11, 2026 in Riverdale Park, Maryland.

Adopted by the Prince George's County Planning Board this 11th day of June, 2026.
