A. This Collective Bargaining Agreement ("Agreement") is entered into by Prince George's County, Maryland ("County" or "Employer") and Council 67 of the American Federation of State, County and Municipal Employees and its affiliated Locals 1170, 2462, 2735 and 3389 ("Union" or "AFSCME"), and has as its purpose the promotion of harmonious relations between the County and AFSCME; the establishment of an equitable and peaceful procedure for the resolution of differences; and includes the agreement of the parties on the standards of wages, hours, and other conditions of employment for the employees covered hereunder.

B. Anything not covered specifically by this Agreement shall be administered in accordance with the Annotated Code of Maryland and County Personnel laws.

ARTICLE 2 -- RECOGNITION

A. The County recognizes the Union as the sole and exclusive bargaining agent for those employees certified by the Public Employee Relations Board referenced in Attachment D for the purpose of negotiating matters of wages, hours and other terms and conditions of employment. The specific job classifications and grades shall be listed together for Locals 1170, 2462, 2735 and 3389 in Attachment C.

B. In the event any above referenced classifications are retitled, such classifications shall be specifically included in this section.

C. The County and the Union specifically recognize and understand that the employees covered by this Agreement are organized into the separate and distinct bargaining units noted above and that these units are referred to collectively in this Agreement solely for the limited purpose of "multi-unit bargaining" as specifically authorized by Section 13A-106(d) of the Labor Code.

D. The County further recognizes the significance of the duties and responsibilities of Locals 1170, 2462, 2735 and 3389 employees and their contribution to the successful performance of the mission of County government.

E. The Departments will make available to the Locals' Presidents in 1170, 2462, 2735 and 3389 a monthly electronic data list of bargaining unit employees: name, date of hire, grade, class of work and work location and indicating on the list those employees whose status in the bargaining unit has changed due to (a) transfer/promotions (b) resignation/retirements (c) layoffs (d) relocations (e) re-allocations and (f) hiring into union positions. Upon request, the Departments will provide the Union with the class specification of each classification covered under this Agreement within thirty (30) days after the effective date of this contract.

ARTICLE 3 -- MANAGEMENT'S RIGHTS

This Agreement shall not affect the right of the County to determine the standards of service offered the public; to maintain the efficiency of the County's operations; to determine the methods, means and personnel by which the County's operations are to be conducted; to direct the work of its employees; to hire, promote, demote, transfer, assign and retain employees in positions; to discipline, suspend or discharge employees for just cause and to relieve employees from duty because of lack of work; or to take any action, not inconsistent with the express provisions of this Agreement, necessary to carry out the mission of the County. The County and the Department have the right to promulgate reasonable rules and regulations pertaining to the employees covered by this Agreement, so long as these rules and regulations do not conflict with any term or condition of this Agreement.

ARTICLE 4 – NON-DISCRIMINATION

A. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, sexual orientation, marital status, race, color, religion, national origin, disability, political affiliation, or exercise of employee rights under the Labor Code and Federal Equal Employment Opportunity (EEO) laws. The Union shall share equally with the County the responsibility for applying this provision of the Agreement.

B. The County agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint or coercion by the County or any County representative against any employee because of Union membership or because of any employee activity in an official capacity on behalf of the Union.

C. The Union agrees that it will not discriminate against any employee in regard to membership, non-membership, or holding office in the Union because of race, disability, age, marital status, political affiliation, religion, color, sex, sexual orientation or national origin.

D. The provisions of this Article shall be subject to the negotiated grievance procedure. However, should the grievance procedure fail to produce a resolution of any grievance arising under this Article, the grievance shall not be subject to arbitration, but shall be referred to the appropriate governmental agency having jurisdiction.

E. The County agrees to provide the Union with a reasonable number of copies of the Affirmative Action Plan. Additionally, the County will provide a copy of the EEO complaint procedure to an employee upon his or her request.

F. Administrative leave may be granted by the employee's Appointing Authority where an employee is to appear before a court or otherwise officially requested to appear before a public body, public agency or commission on matters relating to this Article.

ARTICLE 5 -- COOPERATION

- A. The parties agree that they will cooperate individually and collectively, to maintain a high quality of performance and that each will use their influence and best effort to protect and foster the efficiency and effectiveness of the services rendered by them for the public interest, and that each will cooperate in advancing the morale of employees covered by this Agreement.
- B. The Departments will afford the Union an opportunity to comment upon any departmental reorganization, reclassifications or layoffs affecting the bargaining unit sixty (60) days, to the extent possible, prior to its proposed implementation.
- C. The parties agree to participate in Departmental Labor-Management Committee, which may meet as issues arise by either party, but no more than once every month, unless agreed to by both parties. The Committee shall consist of no more than seven (7) members each from Labor and Management provided there is an equal number from each side. The Labor members may be selected from the Local Union members, Labor Relations Specialist and Council 67 representatives. The parties may agree in the context of a specific meeting to have more than seven (7) representatives provided there is an equal number from each side.
- D. Each local, along with the Council Staff Representative and the Union's Labor Relations Specialist, will serve on the County's Bio-Terrorism committee. The Union will have a non-voting committee member on the Medical Advisory Board (MAB).

The parties agree that time spent by the Stewards and the Local Union President in investigating grievances will be kept to a minimum; and the grievance investigations shall at all times be conducted so as not to interfere unreasonably or unnecessarily with the Employer's operations.

Effective July 1, 2006, such leave will be dedicated to a single composite bank of four thousand five hundred (4,500) hours per calendar year for all members represented by this bargaining unit for attendance at regularly scheduled Union conventions, training and conferences, preparation for negotiations and grievances, meetings of union local presidents and other appropriate union business. Union Business leave shall be authorized by the Appointing Authority based on operational needs. The leave balance will be maintained by the Office of Human Resources Management.

B. When requesting leave under this Article, the Union must adhere to the following procedures: Not less than ten (10) working days before the event for which leave is requested, the Union shall provide the Office of Human Resources Management with a written request for the leave, indicating the event and the date(s) it will take place, the amount of leave requested and the names of the employees for whom it is requesting administrative leave, noting their Department and the Local in which they will be attending the event. In no case shall such Union business leave exceed one (1) year. The leave may be extended for an additional one (1) year by consent of the County in the same manner as originally requested. Such approval shall not be unreasonably withheld. During an employee's second (2nd) year leave of absence granted under this paragraph, his/her position may be filled by another employee. No other section, other than Section 12.A.1 of the collective bargaining agreement shall be reopened unless both the County and the Union agree. Negotiations for the reopener shall begin within ten (10) working days, unless both sides agree to extend opening of negotiations, and each party shall bargain in good faith in an attempt to reach an agreement.

2. Employees covered by this Agreement and hired prior to Fiscal Year 1996 received no credit toward merit increases during Fiscal Years 1996 and 1997. Therefore, the waiting period for their next merit increases were increased by two (2) years.

All minimum salaries contained in "Schedule of Pay Grades (A01-A27)" that are below the County Living Wage will be paid at the ALW rate. Employees paid under the ALW shall not be eligible for Union negotiated COLA increases, but shall be eligible for merit increases per the Agreement. By April 30th of each year, the County shall provide benefit information to the Union for those employees who would be paid ALW for the upcoming fiscal year.

merit increase, the County shall notify the Union upon tentative agreement with another labor organization or adoption of legislation by the County Council, whichever occurs first. No other section, other than Section 12.C.1 of the collective bargaining agreement shall be reopened unless both the County and the Union agree. Negotiations for the reopener shall begin within ten (10) working days, unless both sides agree to extend opening of negotiations, and each party shall bargain in good faith in an attempt to reach an agreement.

2. Salary Increase Upon Promotion or Reallocation

Employees within the MINIMUM to MAXIMUM rate range will receive a ten percent (10%) salary increase upon promotion or reallocation to a higher grade provided that the employee's salary rate upon promotion shall not be at a rate less than the MINIMUM rate or in excess of the MAXIMUM rate.

Employees entering the unit (through new hire, transfer, promotion, demotion) on or after July 1, 2005, will have as their anniversary dates the date of their initial appointment in this bargaining unit and those anniversary dates will not be changed while those employees are continuously employed.

5. Paychecks

All bargaining unit employees shall receive their paychecks in sealed envelopes.

ARTICLE 13 -- HOURS OF WORK

A. Except for 1) employees working on special operations, 2) employees hired on or after July 1, 2005, 3) former General Schedule employees who entered this bargaining unit after April 1, 2006, 4) those employees for whom the County has received the Union's consent to work an alternate work schedule, 5) transit equipment operators who work split shifts, 6) employees assigned to the animal shelter, 7) OCS employees permanently assigned to the Correctional Center, and 8) DPWT employees assigned to dispatching responsibilities, employees shall have a regular workweek of eight (8) consecutive hours, excluding an unpaid meal period, within a twenty-four (24) hour period, and the normal workweek shall consist of five (5) consecutive days, Monday through Friday. Employees engaged in special operations are defined as employees engaged in an operation for which there is regularly scheduled employment in excess of five (5) workdays in any seven (7) day period, or in excess of eight (8) hours in a workday,

provided that any such employee will be compensated for hours worked in excess of forty (40) hours in a workweek pursuant to Article 15 [Premium Pay]. Where Management converts a normal operation to a special operation, Management will provide the Union and the affected employees with reasonable notice of their schedule change. The Union may place issues arising as a result of the conversion of an operation to a special operation on the agenda of the Labor-Management Committee for discussion, but such issues are not subject to the grievance and arbitration provisions of this Agreement.

B. The parties may confer on a Department-by-Department basis regarding flex-time or alternative work schedules, and make recommendations on such matters to the Directors, who may accept the recommendations, reject the recommendations, or accept them on a modified basis.

C. The Department will issue a policy on compressed workweeks for employees and a flexible work schedule based on departmental needs.

1. The Employer shall implement a flexible work schedule in accordance with the following:

- (a) Operational requirements must be met;
- (b) Service to the public or client population must be maintained;
- (c) Costs to the County will not be increased;
- (d) Each office/operation must be covered during regular hours;
- (e) Flex-time will not diminish the ability of the Department to assign responsibility and accountability to individual employees for the provision of County services and the performance of their duties;
- (f) Flex-time will not affect the eighty-hour (80) pay period for full-time employees.

2. It is recognized that some operations within the County do not lend themselves to flexible work hours. The Director of the affected Department may exclude organizational units or positions from flex-time. Where flex-time is allowed, the Director may specify the types of flex-time that will be available to employees in accordance with operational requirements, and may exclude employees with bona fide performance or attendance problems. Decisions by the Director to exclude organizational units, positions, or individual employees with documented performance problems are not grievable or arbitral under this Agreement.

D. Employees may voluntarily work ten (10) or twelve (12) hour shifts when authorized by the appointing authority provided such ten (10) or twelve (12) hour shifts shall not alter the basis for, nor entitlement to, receiving the same rights and privileges as provided for all five (5) day, forty (40) hour a week employees. Except, however, that ten (10) and twelve (12) hour shift employees who actually work on a holiday shall receive full holiday compensation for the regularly scheduled shift worked on a holiday. Said employees shall be entitled to overtime compensation for work only in excess of eighty (80) hours per payroll period or shall accumulate compensatory time off at the rate of time-and-one-half (1.5) only for time worked in excess of eighty (80) hours.

E. The Employer will identify essential positions. Each essential employee will be notified in

writing of the essential status of his/her position at the time of hire and/or annual evaluation.

F. Any employees covered by this Agreement who report for duty on a day the County is closed due to a special operation or other unforeseen causes, have completed their assigned duties, and are released from duty for the balance of their shift, will be granted administrative leave for the balance of the shift.

G. When the County is closed and grants administrative leave to nonessential employees, essential employees who work their assigned shifts on that day will be granted the same number of hours on an hour-for-hour basis of compensatory leave as nonessential employees were granted in administrative leave.

H. Employees not designated as essential will also receive compensatory time on an hour-for-hour basis for work they are required to perform on their regularly scheduled tour of duty when other employees on the same tour of duty not required to work are granted administrative leave due to the declaration of an Administrative Closing.

ARTICLE 14 -- REST PERIOD

Each department shall have its own policy regarding rest periods upon recommendations submitted by the Labor Management Committee. This policy will include no less than two (2) fifteen (15) minute breaks which may or may not be incorporated in the employee lunch period.

ARTICLE 15 -- PREMIUM PAY

A. Employees shall be compensated for overtime worked as follows:

1. Employees will be compensated at the rate of one and one-half (1.5) times their regular rate of pay for time they are required to work in excess of forty (40) hours in a workweek.

2. All employees will be compensated at the rate of two (2) times their regular rate of pay for overtime hours they are required to work on Sunday. In this context, the term Sunday means the "regular day of rest" immediately preceding the start of the individual's normal workweek when the employee is not required to report for work. In some instances, this "regular day of rest" occurs on the same day each week. In other situations, this scheduled day of rest may rotate in a definite pattern that is to be determined by the Department. Overtime work on a "regular day of rest" that may occur at the conclusion of the individual employee's normal workweek is not covered by this section.

worked) for which an employee is compensated, shall be regarded as hours worked.

C. Employees covered by this Agreement may elect to accrue compensatory leave in lieu of the appropriate overtime pay for all authorized overtime hours worked. For purposes of this provision and other compensatory leave provisions of this Agreement, compensatory leave will be scheduled at mutually agreeable times. The parties agree that this paragraph will be administered consistent with the requirements of the Fair Labor Standards Act and the County's rules and regulations.

D. Employees who without an intervening break work three (3) hours or more beyond their regular work shift of eight (8) hours shall receive a paid one-half (.5) hour meal period. For every four (4) consecutive hours of work thereafter, employees shall receive an additional one-half (.5) hour paid meal period. Employees who work three (3) or more hours overtime consecutive to the end of their shift may receive a meal allowance of up to ten dollars (\$10.00) by providing the Department with a receipt for the meal.

E. There shall be no pyramiding of overtime or other premium rates; that is, only one (1) overtime or premium rate will be paid for the same hours worked.

F. Overtime can be worked only when the needs of the workload demand it and the type of work to be performed must dictate the selection of employees. The selection(s) should be made, so far as the circumstances will permit, from qualified employees who are capable of doing the particular work. Overtime should be allotted amongst all employees in as fair and equitable a manner as circumstances and the job requirements will permit within the appropriate class.

**ARTICLE 16 – SPECIAL OPERATIONS, CALL-IN, STANDBY, DIFFERENTIAL PAY
AND SHIFT DIFFERENTIAL**

A. Special Operations

1. A Special Operation will include but not be limited to the following:

- a) Inclement Weather
- b) Natural or Man Made Disasters
- c) Other Emergency Conditions

2. Each Director may designate a Special Operation for his/her own Agency. Where the Director has designated a special operation, he/she may, at his/her discretion, schedule employees to work the special operation in a manner, which he/she believes is necessary for safe and efficient operations. Scheduled shifts will be posted before the end of each shift.

3. The parties agree that Sections A.1 and A.2 above are meant to provide operating flexibility for special situations of weather, disaster, or short term emergencies. It does not provide authority to change schedules of bargaining unit employees so as to avoid premium pay for regular, recurring work. Examples of work not authorized to be changed under these Sections include but are not limited to methadone clinic work, routine police car repair or accessorization, and leaf collection.

4. On days when the Director has designated a special operation, employees who report to work at all times so required will be paid for all hours actually worked during what would be the employee's normal hours of work at the rate of pay normally applicable to those hours of work and for all hours of work actually worked outside of what would be the employee's normal hours of work at the appropriate overtime rate.

5. Where, pursuant to paragraph 2, above, employees who report at their normal starting time (e.g., 7:30 a.m.) on the first day of a special operation are relieved of duty prior to completion of their regularly scheduled shift, the employees will be paid either administrative leave or compensatory leave at the straight-time rate on an hour for hour basis for the balance of their regularly scheduled shift hours not actually worked. Where an employee covered by this Agreement who is scheduled to work the first special operations shift on snow and ice removal following the close of the regular workday is not released from work before the close of his/her regular workday, the employee will be granted compensatory leave hours equal to the number of hours remaining in his/her regular workday from the time when other employees on the same special operations shift were released from work.

6. On subsequent days, employees who work fewer than a total of eight (8) hours during the day (whether straight-time or overtime) will be paid the difference between the number of hours worked and eight (8) hours in administrative leave or compensatory leave at the straight-time rate. In all cases, however, the employee will receive a minimum of eight (8) hours (overtime and straight time combined) of pay per day. The decision as to whether to pay compensatory or administrative leave is solely the Director, provided, however, that any compensatory leave so earned will not be forfeited.

7. An employee who has an unexcused absence from work (i.e., AWOL) during any workweek in which these special operations provisions are involved will forfeit the benefits of these provisions and will be paid only for hours actually worked during a special operation that week in accordance with the other terms of this Agreement.

8. When employees are under a regular work schedule and a condition arises that would change it to a special operation, no employee will be required to work more than twelve (12) consecutive hours in a day except as permitted by Federal or State Law, or unless the Governor, or designee declares a state of emergency.

9. Notwithstanding Article 39 (Holidays), when a holiday is observed on a day that a special operation is designated, any employee covered by this Agreement who works on that day will be paid at the rate of two and one-half (2.5) times their regular rate for all hours worked when the special operation is in effect on the holiday.

B. Call-in/Stand By

1. Employees called in to work outside their regular shift shall receive a minimum of two (2) hours pay including travel time, at the applicable rate of pay.

2. Except for special operations, if the employer directs any employee to be on-call or standby, the employee will receive three (3) hours during weekdays and four (4) hours on holidays and weekends of compensatory leave or pay at the request of the employee and the approval of the Appointing Authority for each day on standby.

Except for special operations, when carrying a County issued personal communications device, the employee will receive straight time for after duty hours and one and one-half (1.5) times his/her hourly rate of pay or compensatory time (at the election of the employee with the approval of the Appointing Authority or his/her designee) if asked to respond including travel time.

C. Differential Pay

1. Employees covered by this Agreement who are assigned to the Refuse Disposal Division or the Refuse Collection Division shall be paid a differential of one dollar and forty cents (\$1.40) for each hour actually worked. This differential will also be paid, on the same basis, to all employees who normally receive it but who are temporarily assigned to special operations, and it will also be paid to all other employees covered by this Agreement for hours actually worked on special operations.

2. Animal Control Officers and Office of Central Services maintenance staff who are permanently assigned to the Correctional Center shall be paid a differential of one dollar (\$1.00) per hour.

3. To the extent permitted by applicable law, the differential paid under this subsection shall not be considered to be part of the employee's base rate nor shall it be applied to pay for nonproductive hours such as holiday pay, annual or sick leave pay, nor shall it be used for the purpose of computing retirement deductions, retirement and insurance benefits. Landfill employees with job assignments that make them eligible for the differential on a full-time permanent basis shall receive that pay for all paid status hours, including approved leave hours and holidays.

D. Shift Differential

Employees covered by this Agreement and regularly assigned to night or shift work shall be paid one dollar and thirty cents (\$1.30) per hour above the established rates on shifts which commence between the hours of 3:00 p.m. and 7:00 a.m. Transit Equipment Operators (Equipment Operator I) are eligible to receive shift differential for hours they work after 4:00 p.m. Notwithstanding the foregoing, the shift differential provided for herein will be paid to Animal Control Officers who work the evening shift for the hours they work after 3:00 p.m. This provision shall not apply to employees whose emergency assignments start or carry into the above-named periods. Employees eligible for shift differential pay shall receive that pay for all paid status hours, to include approved paid leave hours and holidays.

No employee shall be required to perform such work for more than one hundred twenty (120) calendar days in any one (1) calendar year. The employee shall receive a performance assessment if they remain in the higher classification for more than thirty (30) days. Employee(s) detailed to a position shall be given consideration should they make application once the position is announced.

B. The County shall not schedule work to intentionally circumvent any provision of this Article.

ARTICLE 19 -- SAFETY AND HEALTH

A. The County shall make every good faith effort to provide safe and healthy working conditions for employees. Employees shall refer any unsafe or unhealthy conditions to the County and the Union for their joint consideration. It is recognized that the County may reassign any employee until such conditions are resolved. If the employee believes his/her health to be in danger, a written request should be submitted to the immediate supervisor requesting temporary relocation until the condition is resolved. An employee will not suffer any adverse action based on his/her request. A verbal acknowledgement will be provided immediately, however, a written response will be provided to the employee within one hour of the request. It is recognized that the County may reassign any employee until such conditions are resolved.

B. The Employer and the Union agree to establish a joint Labor-Management Health and Safety Committee sixty (60) calendar days after ratification of this contract. The Committee shall meet as issues arise, by either party, but not more than monthly, unless agreed to by both parties. The Committee shall be constituted as follows:

ARTICLE 20 -- PROBATIONARY PERIOD

A. The probationary period for new employees shall be regarded as an integral part of the training process and shall be utilized for closely observing the employee's work, for securing the most effective adjustment of an employee to the employee's position and for disqualifying any employee whose performance and conduct is not satisfactory.

B. The probationary period for new employees covered by this Agreement who are hired into positions other than "dually-allocated" positions shall be for a period of six (6) months from the date of employment. Management may require Construction Standards Inspectors, Property Standards Inspectors and Community Developers who are hired above the entry level to serve up to a nine (9) month probationary period. For all other employees covered by this Agreement who are hired into a "dually-allocated" position, the probationary period shall begin with the date of employment and continue until the employee either advances to the second (2nd) level of the allocation or is terminated. Where an employee covered by this Agreement is hired into a position that has specifically been designated as a "dually-allocated" position, the employee shall be entitled to move to the second (2nd) level of the allocation upon serving the requisite time-in-grade for the position provided that the employee has also received satisfactory performance evaluations while working at the first (1st) level.

C. At any time during the probationary period the Employer may remove an employee if in the Employer's opinion the employee is unwilling or unable to perform the duties of the position satisfactorily or that the employee's habits and lack of dependability do not merit continued employment with the Employer. When dismissing a probationary employee, the Employer will follow the procedures set forth in Sections 16-171(c)(1), (2) and (3) of the County Personnel Law. This shall not be interpreted as subjecting any termination of a probationary employee to the grievance procedure contained in this Agreement.

D. In addition to the type of extension permitted under Personnel Law Section 16-172, the parties may agree to extend for a period of up to sixty (60) calendar days an employee's probationary period. The Union and the affected employee shall receive a copy of the notice extending the employee's probationary period.

ARTICLE 21 -- PROMOTIONS

A. The term promotion shall mean the advancement of an employee to a vacant position in a class with a higher grade.

B. Promotions to positions covered by this Agreement shall be made pursuant to the following procedures:

1. General Procedures Applicable to All Promotions

a. A “vacancy” is a permanent opening created by the termination, transfer, promotion or retirement of an incumbent bargaining unit employee that the County intends to fill or which is created when the County determines its operational needs require additional bargaining unit employees. Whenever a vacancy occurs, and the County elects, in its discretion, to fill the vacancy through the competitive process, the County will notify the AFSCME Staff Representative, Labor Relations Specialist, or the Local President five (5) days in advance and then advertise the specific position to bargaining unit employees by posting a notice at all work locations at places where notices are customarily posted. Any employee covered by this Agreement may apply for any vacancy as defined in this Section.

b. Promotion opportunities shall be posted on bulletin boards or where notices to employees are customarily posted for a minimum of fourteen (14) calendar days. The announcement shall identify the promotion opportunity by location, title, and grade, qualification requirements, written or oral tests to be given and other factors to be considered in the examining process. The announcement shall state where and in what form applications are to be filed and indicate the closing date for receipt of applications which shall not be less than fourteen (14) calendar days from the issuance of the announcement.

c. When a bargaining unit member applies for a vacancy through the normal competitive process and is determined to be qualified for the position, the name of the qualified bargaining unit employee will be placed on the list of eligibles sent to the appropriate Department for its consideration. The Appointing Authority will ensure that any bargaining unit member from the Department on any list of eligibles will be granted an interview for the position vacancy if an interview is part of the selection process.

2. Equipment Operator Series Promotions

For promotions within the Equipment Operator series, the candidate with the greatest departmental seniority who is qualified to perform the job will be promoted. In determining whether or not a candidate is qualified to perform the job, the employee must demonstrate the ability to perform competently all tasks associated with the position, and Management may also consider whether the candidate has satisfactory past performance, disciplinary, leave and accident records. The Employer agrees, however, that it will not unreasonably use these considerations to deprive a senior candidate of a promotional opportunity. Permanent employees (Transit Equipment Operators (EO 1's) of the Transit Division shall receive equal treatment in the filling of vacant Equipment Operator I positions in the Highway Maintenance Division of the Department of Public Works and Transportation with consideration given for the applicant's seniority, provided that the applicant is qualified through competitive testing and has a satisfactory work record.

3. Promotions To All Other Positions Covered By This Agreement

For promotions to any position covered by this Agreement other than those described in Subparagraph (2) above, the Employer will consider such factors as knowledge, training, ability, skill and efficiency. When the determining factors are equal, the employee with the greatest amount of departmental seniority will be promoted. If after reasonable time, Management concludes that the employee is not capable of performing the work of the new

position, the employee shall be returned to his/her previous grade and position.

4. Probationary Period Applicable to All Promotions

At the election of the Employer, an employee who is promoted pursuant to the procedure set forth in this Article shall be required to serve a reasonable probationary period not to exceed ninety (90) days. If, during or at the end of the probationary period, Management concludes that the employee is not capable of performing the work of the new position, the employee shall be returned to his/her previous grade and position.

ARTICLE 22 -- TRANSFERS

A. If an employee desires to transfer to a vacant position within his/her department, the employee shall submit an application in writing to the Director of the Department stating the reason for the requested transfer.

B. If a vacancy exists in the classification for which a transfer has been requested, and the vacancy is to be filled, the employee requesting the transfer shall be transferred provided the employee is a qualified applicant for the vacancy and the transfer will not impair the effectiveness of the Department's operations. If more than one (1) employee has requested transfer to a vacant position and they are all equally qualified, priority will be given to the employee with the greatest Departmental seniority.

C. When an employee requests a transfer to a vacant position which is also a promotional opportunity for other employees, the position may be filled by promotion or transfer.

D. When an employee is transferred or reassigned and the employee did not request the transfer, the employee and the Union will receive ten (10) working days advance written notice of the transfer or reassignment except in emergency. On emergency, the employee will receive a notice within five (5) working days after the transfer. (For the purpose of this Article, an emergency shall mean a situation or occurrence of a serious nature developing suddenly and unexpectedly and demanding immediate action.) The written notice will state the reason for the transfer and advise the employee of his/her new work location and reporting date. The same type of notice will also be sent when an employee is reassigned to a new division or given a new reporting location within the same department.

ARTICLE 23 -- SENIORITY

A. Seniority is defined as the length of uninterrupted service with the County beginning at the employee's initial hire date. Departmental seniority shall mean an employee's length of continuous service with the department. An employee's length of continuous service shall be computed from the date of the employee's current employment; provided however, that new employee's names shall not be added to the seniority list referred to in the paragraph D. below, but shall be listed in the probationary listing specified in the final paragraph below.

B. Seniority shall only be interrupted by a break in continuous service as listed below:

6. Disability termination.

C. Seniority shall continue to accrue during all leaves as specified in this Agreement or any other approved leave.

D. The County shall furnish the Union a seniority list (an alphabetical listing by County seniority of all employees in the bargaining unit) on January 1 of each year, and upon request, an updated seniority list shall be furnished by the County on July 1. Said listing shall include employee's most recent hire date, job title, salary and work location/department.

E. The County shall furnish the Union with a separate listing, on a quarterly basis, of all new employees hired in job titles represented by the Union. This listing shall include the new employee's most recent hire date, job title, salary and work location/department.

A. Reduction-in-force will be administered in accordance with the Personnel Law.

B. The duly elected Presidents and Labor Relations Specialist of the locals shall be granted superseniority for the duration of his/her time of office. The grant of superseniority means that the Union Presidents will be the last bargaining unit employees to be laid off in the event that a reduction-in-force affects bargaining unit employees. Once out of office, the former President and Labor Relations Specialist shall revert to his/her regular seniority date.

ARTICLE 25 -- PERSONNEL FILES

A. The Personnel Records policy for employees covered by this Agreement shall be administered in accordance with the Personnel Law, with the following exception:

Records of discipline involving a four (4)

to ten (10) day suspension will be removed at the employee's written request thirty-six (36) months after the discipline is administered so long as the employee has not been disciplined for a related offense during the thirty-six (36) month period.

B. When the Union is representing an employee in a grievance filed under this Agreement, the Union may review the employee's personnel file for information relevant to the grievance so long as the employee provides the County with written authorization for the Union to do so.

C. The County shall remove all of the above files from his/her personnel file within thirty (30) days of the employee's written request.

D. The department will distribute the employee's copy of any processed Personnel information in a manner which ensures confidentiality.

A maximum of three hundred sixty (360) hours of accumulated annual leave earned beginning with the first pay period in the 1997 leave year (i.e., January 5, 1997) may be carried over from one leave year to the next by an employee (i.e., new annual leave). Any excess annual leave over three hundred sixty (360) hours at the end of each year will be converted to sick leave.

D. An employee shall be allowed to carry over annual leave earned as of the last full pay period in leave year 1996 (i.e., old annual leave) even if such accumulated amount is in excess of the maximum allowed in the paragraph immediately above.

E. Employees will be required to use their accumulated compensatory leave before using annual leave.

F. Employees shall accumulate annual leave commencing the first date of their employment, but shall not be granted annual leave during the first ninety (90) days of service with the

Employer. The employee shall earn a leave credit at the appropriate rate as indicated in paragraph A. above which may be granted after the employee's ninetieth (90th) calendar day of service. Any absence during the first ninety (90) days of service, except due to illness (chargeable to sick leave) or for administrative reasons, shall be charged as leave without pay.

G. An employee shall submit a written request to use five (5) or more days of annual leave at least fourteen (14) calendar days before the date the leave is to begin and the employer must respond to the request not later than seven (7) calendar days after the date the leave request was submitted. Provided, however, that emergency annual leave may be granted on occasions when it is not possible to obtain prior approval for the leave. Upon request, annual leave shall be granted based upon the Employer's operational needs. If the supervisor does not respond in the above given time frame, the leave is considered denied, and the employee may appeal to the next higher supervisor. If the nature of the Employer's operations makes it necessary to limit the number of employees on vacation at one time, the employee with the greater seniority will be given the choice of vacation periods in the event of any conflict over vacation periods.

H. An employee who has completed the first ninety (90) days of employment with the Employer, and terminates employment shall receive a lump sum payment for the annual leave balance credit accumulated through the last full pay period immediately prior to the employee's separation.

I. Approved vacation requests shall not be subject to cancellation except in cases of emergency as determined by the Department Director. Employees covered by this Agreement will not be called in to work while on vacation except in cases of emergency as determined by the Department Director. 2. Step 2

Except as modified below, if the grievance is not resolved under Step 1, and the Union elects to pursue the matter beyond Step 1, the Labor Relations Specialist and/or the Local Union President will meet with the employee's Department Head or the Department Head's designee, for the purpose of attempting to resolve the grievance within ten (10) working days after timely receipt of the written grievance. Should the parties fail to reach an agreement or no response is given within ten (10) working days after the meeting, the dispute may be referred to Step 3.

3. Step 3

If a grievance is not resolved under Step 2, and the Union, through its Council 67 Representative elects to pursue the matter beyond Step 2, a written appeal signed by the aggrieved employee and the Council 67 Representative may be filed with the Director, Office of Human Resources Management, within ten (10) working days after receipt of the answer at Step 2. Within ten (10) working days after receipt of the appeal, the Director or his/her designee and the Union will meet to discuss the grievance. The Director, or his/her designee, will respond within thirty (30) calendar days after the hearing. Should the parties fail to reach an agreement, the dispute may be referred to final and binding arbitration in accordance with the provisions of Step 4.

4. Step 4

a. If the grievance shall have been submitted but not adjusted under Step 2, and further under Step 3 if appropriate, either the Union, through its Council 67 representative, or the County may request in writing, within seven (7) working days after the grievance has been denied at Step 2 or, when applicable, Step 3, that the grievance be submitted to an Arbitrator mutually agreed upon by them. The County and the Union shall, after execution of this Agreement, attempt to mutually select a permanent panel of five (5) arbitrators but if they are unable to do so, they shall request the American Arbitration Association to provide them with a list of Arbitrators from which such a panel shall be selected. The Arbitrator appointed to hear and decide any grievance dispute hereunder shall be selected from such panel. The rules of the

American Arbitration Association shall govern the conduct of the arbitration hearing. The decision of the Arbitrator shall be final and binding on all parties. The fee and expenses of such Arbitrator shall be borne by the losing party. Within forty-five (45) days after receipt of the Arbitrator's award for grievance, the County shall execute the award unless appealed.

b. Only grievances arising as a result of disputes concerning the meaning, interpretation or application of this Agreement shall be subject to Step 4 (Arbitration).

c. Failure of the grieving party to adhere to the time limits established in this grievance procedure shall render the grievance null and void. The time limits established herein may be extended only by written consent of the parties involved at the particular step where the extension is agreed upon. The Arbitrator shall have the authority to make decisions only on issues presented to him/her and he/she shall have no authority to change, amend, add to or detract from any of the provisions of this Agreement.

B. The parties agree that grievances will remain confidential.

ARTICLE 46 -- JOB DESCRIPTION

The signature of employees covered by this Agreement on job descriptions acknowledges employer assignment of duties, tasks and responsibilities. This signature, however, does not preclude the option to pursue a grievance regarding whether job duties and responsibilities are outside of their job classification.

ARTICLE 47 – MANAGEMENT COMMUNICATIONS

A. Upon initial printing, the County shall print the contracts at no cost to the Union. It shall distribute copies to new members of this bargaining unit at New Employee Orientation Program (NEOP).

B. The County will ensure that, upon request, all Union officers and shop stewards have access to a computer and be placed on the County's email system.

ARTICLE 48-- ENTIRE UNDERSTANDING

The parties agree that the total results of their bargaining are embodied in this Agreement and no party signatory hereto is required to render any performance not set forth in the working of this Agreement. The Agreement may be amended only by written agreement signed by the parties hereto.

ARTICLE 49 -- SAVINGS CLAUSE

In the event any Article, Section or portion of the Agreement shall be held invalid and

unenforceable by any court, or higher authority of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof specified in the decision; and, upon issuance of such a decision, the County and the Union may agree to negotiate a substitute for the invalidated Article, Section or portion thereof.

ARTICLE 50 -- DURATION AND REOPENER

This Agreement shall become effective on July 1, 2009, unless otherwise stated in specific sections, and shall remain in full force until June 30, 2010. This Agreement shall be automatically renewed from year to year after June 30, 2010, unless either party shall notify the other in writing no later than October 1, 2009, (or October 1st of any subsequent year thereafter in the case of an automatic renewal) that it desires to terminate, modify or amend this Agreement.

BETWEEN PRINCE GEORGE'S COUNTY, MARYLAND &

**THE AMERICAN FEDERATION OF STATE COUNTY AND MUNICIPAL EMPLOYEES
(AFSCME) COUNCIL 67 AND IT S AFFILIATED LOCALS AND 1170AND 3389**

This Memorandum of Understanding is entered into by and between the Prince George's County, Maryland (the "County"), and the American Federation of State County and Municipal Employees ("AFSCME") Council 67 and it affiliated Locals 3389 and 1170.

WHEREAS, the United States Secretary of Health and Human Services pursuant to Subsection 224(p) of the Public Health Service Act as amended by Subsection 304(c) of the Homeland Security Act, has issued a Declaration;

WHEREAS, the aforementioned Declaration concludes, that a potential public health emergency makes advisable the administration of a covered countermeasure against smallpox including but not limited to the vaccinia vaccine (the smallpox vaccine) or other substance used to prevent or treat smallpox or control or treat the adverse effects of vaccinia to a specified category of individuals, prior to the occurrence of a bio-terrorist event or outbreak of smallpox;

WHEREAS, the specified category of individual that is recommended to take the vaccine are those persons who would be called on to serve on response teams which would be responsible for investigating, treating and containing the first incidents of smallpox, as well as assisting in the inoculation of County public safety personnel and the general population;

WHEREAS, the Prince George's County Health Department (Health Department) is a local health care entity that shall assist in the administration of the smallpox vaccine in the event of a smallpox outbreak;

WHEREAS, the individuals recommended for inoculation at this time include any person who is an official, agent or employee of a health care entity under whose auspices such countermeasures are administered and qualified persons who administer the countermeasures;

WHEREAS, pursuant to the Secretary's Declaration, the Homeland Security Act and the State's Smallpox vaccination plan the Health Department has requested that its employees volunteer to take the smallpox vaccine and serve on the smallpox response team;

NOW THEREFORE, the Parties agree as follows:

1. The County shall educate all Health Department employees about the smallpox virus, the health risks associated with the vaccine and proper infection control protocols. The County agrees to educate all Health Department employees concerning smallpox, the vaccination process, and infection control measures in the workplace. The Health Department shall add Smallpox Training to its current "Infection Control Training"
2. The County agrees that it will not pressure its employees to volunteer to take the Smallpox vaccine and that there shall be no discrimination or reprisals against employees who decline to be vaccinated or experience an adverse reaction to the vaccine.

3. All persons who volunteer to take the vaccine shall receive free and confidential medical screening for contraindications for the vaccine, prior to being administered the vaccine. This screening shall be provided by the Regional Vaccination Center. Those employees who volunteer to take the vaccine, shall receive appropriate medical protocols for receiving the vaccine and monitoring the inoculation site until the site is completely healed.
4. The County shall cover any lost time associated with employees taking the vaccine. The County shall also ensure that its health insurance plans provide coverage for costs associated with receiving treatment for side effects suffered as a result of taking the vaccine. The coverages specified in this paragraph shall be provided so long as the employee has followed the proper protocol for caring for the inoculation site, if applicable, and has filed the appropriate paperwork within the specific timeframe identified in County procedures. Employees who suffer an adverse reaction and are eligible for Disability Leave, in accordance with Personnel Law Section 16-224, will be granted such leave up to one hundred and eighty (180) days. Employees who suffer an adverse reaction and are forced to utilize their accrued leave to take time off of work, shall have their leave restored upon approval of the worker's compensation claim.
5. The County shall provide employees with a triage phone number which they can call twenty-four (24) hours a day, seven (7) days a week to report any adverse reaction. Employees who suffer an adverse reaction will be instructed to submit the first report of injury within the required twenty four (24) hour time frame and to submit all other paperwork required for a Worker's Compensation claim to be filed, according to current guidelines.
6. In order to ensure the employees are able to make a fully informed decision respective to whether or not to take the vaccine, employees shall be fully informed of the job responsibilities they will be expected to carry out if in the event of a smallpox outbreak.
