BACKGROUND INFORMATION/FISCAL IMPACT

(Includes reason for proposal, as well as any unique statutory requirements)

The State of Maryland requires a resolution by the County Council for each Community Legacy Program application for unincorporated areas. If this application is approved by the State, the Palmer Park community, being a part of a larger County revitalization area with an already existing comprehensive revitalization plan, will be designated as a "Community Legacy Area" and will receive funding in the amount of \$640,000 for implementation of revitalization projects.
