REPORT:

Committee Vote, Favorable, 4-0, (In favor: Council Members Turner, Taveras, Lehman and Davis.)

Section 24-141 of the County Code requires that the Planning Board shall provide an opportunity for the County Executive, the County Council, and affected municipalities to comment on the continuation of reservation plats prior to their expiration. The Planning Board is requesting the Council's comments by June 30, 2016 so that the comments may be included in the staff report to the Planning Board. There are three (3) reservation plats that are due to expire on June 30, 2016.

Mr. Tom Masog, M-NCPPC Transportation Planning Section, indicated that all three (3) reservations were established for facilities recommended in the adopted and approved Master Plans and the Commission is and all three property owners consented to the additional one (1) year continuation of the reservations.

The Committee reviewed the reservation plats and supports the Planning staff recommendation of a one (1) year continuation on the three (3) reservations.
