

# PRINCE GEORGE'S COUNTY GOVERNMENT

## OFFICE OF THE COUNTY EXECUTIVE

Aisha N. Braveboy  
County Executive

October 7, 2025

### **The Honorable Edward P. Burroughs III, Chair**

Prince George's County Council  
Wayne K. Curry Administration Building  
1301 McCormick Drive  
Largo, Maryland 20774

Dear Chair Burroughs:

Enclosed for consideration by the County Council is a contract between Prince George's County and **Motorola Solutions, Inc.** for *Combined Radio Maintenance and Records Management Maintenance*.

This contract ensures the continued maintenance and operational reliability of the County's public safety communications and data systems, including legacy software and hardware, licensing for radio communications, computer-aided dispatch, records management systems, and Next Generation 9-1-1. The contract term is from **October 1, 2025, through June 30, 2030**, with **\$10,409,184** allocated in FY 2026 and an **estimated total value of \$ 79,105,900** over the contract term.

Motorola Solutions has also committed to supporting the County's Local, Small, and Minority Business Enterprise (LSMBE) growth through strategic capacity-building initiatives over the five-year contract period. Highlights of their proposed community and workforce development commitments include:

### **Partnerships with Local Academic Institutions**

- **Bowie State University:** Collaborate on experiential learning opportunities and career development programs.
- **Prince George's Community College:** Expand the existing co-op program and sponsor annual STEM scholarships.
- **Prince George's County Public Schools:** Provide internships, hands-on technology experiences, and summer camp support.

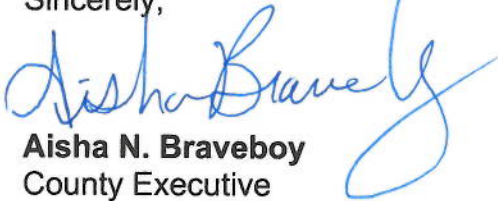

### **Development of County-Based and Minority Businesses**

Motorola Solutions will provide free technical training on Motorola technologies to county-based small and minority-owned business enterprises (MBE) firms, along with opportunities for job shadowing, participation in 9-1-1 Center support services, and collaboration on public safety projects across the Mid-Atlantic region.

Motorola Solutions is enthusiastic about launching this development partnership with Prince George's County. Should you require further details, don't hesitate to get in touch with Vennard Wright, CIO/Director of OIT, for the Prince George's County Government, via email at **VWright@co.pg.md.us**.

The County Council's favorable consideration of this legislation is respectfully requested. Should you have any questions, please contact my office at **(301) 883-5440**.

Sincerely,

**Aisha N. Braveboy**  
County Executive
