Subject: DSP- 20015

CAUTION: This email originated from an external email domain which carries the additional risk that it may be a phishing email and/or contain malware.

Good day,

My name is Charles Rones, and I live in Fairview Manner. My HOA received an email from Beverly Simmons stating that she had just got off the phone with a male county administration person, and he stated that this meeting coming on DSP- 20015 is not a hearing for you to speak it is to listen only.

I am asking the District County to remand this case #20015 to the Planning Board Commission.

/Charles Rones/
