ATTACHMENT A

The following rules are in effect with the adoption of CR-33-2021:

- I. Stay-at-Home Order remains rescinded. However, all residents remain strongly encouraged to stay in their homes or place of residences as much as possible, continue to practice appropriate personal hygiene like regular hand-washing and exercising appropriate social distancing.

- II. Face Covering. “Face Covering” means a covering that fully covers a person’s nose and mouth. The term “Face Covering” includes, without limitation, scarves and bandanas. The term specifically excludes medical grade face masks such as N95 or other masks that should be reserved for healthcare workers or other medical first responders. The following rules apply to Face Coverings:
 - A. Required in ALL public places, outdoors or indoors, *even where you are able to maintain 6 feet of distance from others*, for or all persons over the age of five; however, adults accompanying children age two through four shall use reasonable efforts to cause those children to wear Face Coverings. Face coverings are not required during vigorous exercise outdoors;
 - B. Retail, restaurant and business establishments must take all steps necessary to ensure that customers and employees comply with this Resolution including signs directing persons through the establishment, signs on entrance doors requiring Face Coverings to be worn and frequent announcements that people must wear a Face Covering.
 - C. Required for all riders and operators on “The Bus”, Prince George’s County’s bus transit system;
 - D. Single-use Face Coverings shall be properly discarded in trash receptacles. It is recommended that all reusable Face Coverings be cleaned frequently (at least once per day);
 - E. Additional specific rules may apply as further set forth in this Resolution.
 - F. **EXCEPTIONS.** A person is not required to wear a Face Covering in an establishment that is operating consistent with all State and County laws/regulations and at least one of the below categories applies to that person:
 - a. due to a bona fide disability or medical condition, it would be unsafe for the person to do so;
 - b. to the extent wearing a Face Covering would impede communication by or with persons who have a hearing impairment or other disability, where the ability to see the mouth is essential for communication;
 - c. if wearing a Face Covering would subject the person to an unsafe working condition, as determined by federal, state, or local occupational safety regulators or workplace safety guidelines;
 - d. to the extent wearing a Face Covering would make it impossible to receive medical or personal services requiring access to the face, mouth, or head, including without limitation, dental or medical care;
 - e. while seated at a table at an establishment and consuming food or beverages;
 - f. while in the water at a swimming pool;
 - g. during vigorous exercise outdoors; and

- h. any person age five (5) years old or younger; but highly recommended for those as young as two (2) years old.

III. General Rules for All Establishments Allowed to Open or Operate in the County
Unless explicitly stated in another provision of this Resolution, all businesses, organizations, establishments, and facilities that are permitted to open or operate in the County shall, as a condition of their continued operation:

- a. Require each person (excluding persons from the same household) to maintain physical distancing of at least 6 feet as recommended by the Centers for Disease Control and Prevention (“CDC”) and the Maryland Department of Health (“MDH”);
- b. Social distancing as stated in the above paragraph is required when inside and outside the establishment as persons may wait to enter;
- c. Utilize markings and signage (including, but not limited to, physical distancing markings and signage) to guide employees and customers;
- d. Comply with the face covering requirements in Section II of this Resolution;
- e. Provide employees with guidance and training to reflect updated CDC guidelines for their workplace prior to working;
- f. Use CDC and Environmental Protection Agency (“EPA”) approved disinfectants to clean spaces daily; including use of disinfectants to wipe down high contact surfaces at least once every 2 hours while staff or customers are present (“high contact surfaces” are surfaces that will have human contact at least once an hour);
- g. Require employees to wash their hands hourly;
- h. Use of appropriate protective equipment for all employees; and
- i. Follow, review and implement new CDC, MDH, and Prince George’s County Health Department guidelines as they are issued.

IV. Other Businesses: Except as otherwise provided in this Resolution, or any other Order of the Governor of the State of Maryland or State Secretary of Health, businesses, organizations, establishments, and facilities that are not part of the critical infrastructure sectors identified by the U.S. Department of Homeland Security’s Cybersecurity and Infrastructure Security Agency (currently described at <https://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>) *may open* to the general public. Capacity shall be limited to 50% of maximum capacity. Sections II and III of this Resolution are applicable to these businesses, as well as any other orders that may be issued by the Health Department and/or Office of Emergency Management.

If the business does fall within one of the critical infrastructure sectors, it is essential and can remain open pursuant to general rules of this Resolution (Sections II and III), or as may otherwise be ordered by the Health Department and/or Office of Emergency Management.
