26 purpose of refunding all or a part of the bonds authorized hereby or in prior Acts of the County
27 in an aggregate principal amount not to exceed 150% of the outstanding principal amount of the
28 bonds to be refunded thereby, the proceeds of such refunding bonds to be used for the public
29 purpose of providing funds sufficient to pay principal of, redemption premium, if any, and
30 interest on such refunded bonds at the respective maturity, redemption, and interest payment
31 dates of such refunded bonds; prescribing or providing for the procedure for the issuance and

1 sale of such refunding bonds; empowering the County Executive to determine the time and
2 method for the sale of such refunding bonds and other details with respect to the sale of such

16 County Executive herein; and otherwise generally determining or providing for the
17 determination of certain matters in connection with the issuance, sale and delivery of the general
18 obligation and stormwater management bonds, bond anticipation notes and refunding bonds
19 authorized by this Act.

20 SECTION 1. BE IT ENACTED by the County Council of Prince George's County,
21 Maryland, that the issuance, sale and delivery of general obligation and stormwater management
22 bonds with serial maturities, including mandatory sinking fund installments in lieu of serial
23 maturities (the "Bonds") of Prince George's County, Maryland (the "County"), in one or more
24 series from time to time in an aggregate principal amount not exceeding Four Hundred Seventy-
25 Three million, Nine Hundred Eighty-Four thousand dollars (\$473,984,000) is hereby authorized,
26 pursuant to Md. Local Government Code Ann. §10-203 and § 21-601 et seq., and Title 9,
27 Subtitle 16 of the Maryland Annotated Code Environment Article, respectively, as amended,
28 replaced or recodified from time to time, in order to finance in whole or part costs of the
29 planning, acquisition, construction, reconstruction, establishment, extension, enlargement,
30 improvement, demolition or purchase of capital projects (the "Authorized Capital Projects")
31 listed in the table set forth in Attachment 1, attached to and made a part of this Act (the "Table of

1 Projects") . Each Authorized Capital Project is described in the Capital Budget of the County for
2 the fiscal year ending June 30, 2021 (the "Capital Budget") under the heading set forth in the
3 Table of Projects and has the identification number set forth in the Table of Projects. The
4 descriptions of the Authorized Capital Projects contained in the Capital Budget are incorporated
5 herein by reference as if set forth fully herein. The principal amount of Bonds authorized by this
6 Act to finance costs of each Authorized Capital Project shall be the respective amount set forth
7 in the column in the Table of Projects marked "Programmed FY 2021 Bond Sale." Each such
8 principal amount of Bonds is hereby determined to be sufficient to complete at least a usable
9 portion of the Authorized Capital Project in respect of which such principal amount has been
10 authorized. The probable useful lives of the Authorized Capital Projects are set forth in the Table
11 of Projects. The Bonds shall be made payable within the average of the probable useful lives of
12 the Authorized Capital Projects, which is fifteen to twenty-five years, or, in the event the Bonds
13 are consolidated with other bonds of the County pursuant to Section 3 of this Act, within the
14 average of the probable useful lives of the capital projects financed with the proceeds of such
15 consolidated issue of bonds. All Authorized Capital Projects have been identified and included in
16 bond enabling acts ("Bond Enabling Acts") and have been approved by referendum to the extent
17 required by applicable law. The Bonds are specifically exempted from the provisions of Md.
18 Local Government Code Ann. §§ 19-205 and 19-206, as amended, replaced or recodified from
19 time to time. The powers granted under this Act are additional and cumulative and the Bonds
20 authorized by this Act may be issued, notwithstanding that other bond acts or laws may provide
21 for the same or similar purposes. This Act authorizes the refunding of general obligation bonds
22 including stormwater management bonds authorized by prior acts but does not further modify or
23 repeal any prior acts granting bond issuing authority for the same or similar purposes. In the
24 event that the County determines to exercise such refunding option for the purpose of effecting
25 certain cost savings by refinancing a portion of the indebtedness evidenced by the such prior
26 bonds through the issuance and sale of refunding bonds, it is the intent of the County that such
27 refunding bonds be issued under the Enabling Acts referred to in such prior acts and that such
28 refunding bonds, if issued, shall constitute a refunding of indebtedness authorized by this Act
29 and to the extent so authorized by prior acts, and shall not constitute additional indebtedness
30 under such authority or under any other authority.

31

1 SECTION 2. BE IT FURTHER ENACTED that the attached Table of Projects lists the
2 Authorized Capital Projects that are to be financed in whole or in part with the proceeds of the
3 Bonds, the currently estimated cost of each Authorized Capital Project or a usable portion
4 thereof (the "Estimated Cost"), the portion of the Estimated Cost of each Authorized Capital
5 Project to be financed hereunder (the "Bond Financed Portion"), the source or sources of funds
6 to finance the balance of the Estimated Cost of each Authorized Capital Project (the "Other
7 Funding Sources") and the probable useful life of each Authorized Capital Project.

8 It is hereby recognized and acknowledged that the information regarding the Estimated
9 Cost, Bond Financed Portion and Other Funding Source for each Authorized Capital Project set
10 forth in the Table of Projects is derived from information and estimates referenced in the Capital
11 Budget and the Capital Improvement Program of the County for fiscal years 2021 through 2026,
12 inclusive (the "Capital Improvement Program"), and is necessarily subject to change because of
13 corresponding changes in construction and other costs, project time schedules, availability of
14 Other Funding Sources and other circumstances not now known or anticipated. It is the purpose
15 and intent of this Act to authorize the borrowing of money to finance the Authorized Capital
16 Projects as such projects are referenced in the Capital Budget and Capital Improvement Program
17 and in any amended or subsequent capital budget or capital improvement program. To
18 implement the intent and purpose of this Act in the most expeditious manner, the County
19 Executive of the County (the "County Executive") may (i) add to the Table of Projects any
20 project contained in the Capital Improvement Program or in any amended or subsequent capital
21 budget or capital improvement program, provided that such project is a project that may be
22 financed by bonds issued pursuant to this Act; (ii) delete any Authorized Capital Project from the
23 Table of Projects; and (iii) revise the amounts set forth in the Table of Projects representing the
24 Estimated Cost, Bond Financed Portion and Other Funding Sources for any Authorized Capital
25 Project to be consistent with the information set forth in regard to such project in any amended
26 or subsequent capital budget or capital improvement program. In the event that the Bond
27 Financed Portion for an Authorized Capital Project is less than the amount appropriated for such
28 project in the Capital Budget or any amended or subsequent capital budget and the entire
29 principal amount of bonds issued for the Authorized Capital Projects is not required for such
30 projects, the County Executive may revise the Table of Projects to increase the Bond Financed
31 Portion of such Authorized Capital Project to an amount not to exceed the appropriated amount

1 for such project and, correspondingly, may reduce the Bond Financed Portion of such other
2 Authorized Capital Projects and make other appropriate adjustments. Nothing contained in this
3 Act shall be deemed to preclude the County Council by resolution from effecting such a revision
4 in the Table of Projects. The authority granted in this Act to revise the Table of Projects shall not
5 be construed to permit an increase in the aggregate principal amount of Bonds to be issued
6 pursuant to this Act or to effect results inconsistent with applicable laws. The County expects
7 that certain costs of the Authorized Capital Projects will be paid before the date of issuance of
8 the Bonds (or other obligations of the County to be issued after the date of adoption of this Act)
9 from a source of funds other than a County borrowing (each, a "Prior Expenditure" and
10 collectively, the "Prior Expenditures"). The County hereby declares, in accordance with Section
11 1.150-2 of the Income Tax Regulations, its intention to use a portion of the proceeds of the
12 Bonds (or other obligations of the County to be issued after the date of adoption of this Act) to
13 reimburse itself for Prior Expenditures paid no earlier than 60 days before the date of adoption of
14 this Act, or such earlier date as allowed by applicable Income Tax Regulations. In accordance
15 with Section 1.150-2 of the Income Tax Regulations, the maximum principal amount of
16 obligations expected to be issued for the Authorized Capital Projects is set forth in the Table of
17 Projects. The County recognizes that, under Section 1.150-2 of the Income Tax Regulations, the
18 use of proceeds of the Bonds to reimburse the County for a Prior Expenditure (other than certain
19 de minimis or preliminary expenditures described in Section 1.150-2(f) of the Income Tax
20 Regulations) generally will be permitted only to the extent that: (i) the Prior Expenditure
21 constitutes a capital expenditure for federal income tax purposes; (ii) the Prior Expenditure was
22 paid not earlier than 60 days before the date of adoption of this Act or such earlier date as
23 allowed by applicable Income Tax Regulations; and (iii) the allocation of proceeds of the Bonds
24 to such reimbursement is made not later than 18 months after the later of (a) the date the Prior
25 Expenditure was paid, or (b) the date the applicable Authorized Capital Project is placed in
26 service or abandoned, but in no event more than three years after the Prior Expenditure was paid.

27 SECTION 3. BE IT FURTHER ENACTED that as determined by the County Executive,
28 the Bonds (or any portion of them, as applicable) may be issued, sold and delivered as a single
29 series of Bonds or as two or more series of Bonds, or may be consolidated for issuance, sale and
30 delivery with other bonds of the County (including bonds sold for new money and/or refunding
31 purposes) as contemplated by Md. Local Government Code Ann. § 19-101, as amended,

1 replaced or recodified from time to time. The Bonds of each series issued solely as general
2 obligation bonds pursuant to the authority of this Act shall each be designated "Prince George's
3 County, Maryland General Obligation Public Improvement Bonds, Series 2021A," and the
4 Bonds of each series consolidated for issuance with other such bonds of the County as
5 authorized by this Section 3 shall each be designated "Prince George's County, Maryland
6 General Obligation Consolidated Public Improvement Bonds, Series 2021A", and the bonds
7 issued as stormwater management bonds solely pursuant to the authority of this Act shall each be
8 designated "Prince George's County, Maryland Stormwater Management Bonds, Series 2021A,"
9 and the Bonds of each series consolidated for issuance with other such bonds of the County as
10 authorized by this Section 3 shall each be designated "Prince George's County, Maryland
11 Consolidated Stormwater Management Bonds, Series 2021A," and, in the event any such Bonds
12 are issued at more than one time, the County Executive may specify such additional designation
13 as she shall deem appropriate. Moreover, the County Executive is hereby authorized to provide
14 such other or alternative designation as she deems necessary or convenient.

15 Upon consolidation of any Bonds issued as stormwater management bonds with general
16 obligation bonds issued pursuant to Md. Local Government Code Ann. §10-203, as amended,
17 and determination of the County Executive, there shall be pledged to the payment of said Bonds
18 the full faith and credit of the County and the power of the County to levy ad valorem taxes upon
19 all the legally assessable property within the corporate limits of the County (in addition to the
20 pledge and levy of taxes within the Stormwater Management District (hereinafter defined) and
21 the pledge of Clean Water Act Fees (hereinafter defined) effected pursuant to Section 12 hereof).

22 SECTION 4. BE IT FURTHER ENACTED that, subject to and in accordance with the
23 provisions of this Act, the County Executive shall determine all matters relating to the sale,
24 issuance, delivery and payment of the Bonds, including all matters relating to the forms, dates
25 and denominations of the Bonds, the dates and amounts of principal maturities, whether all or
26 any portion of the Bonds shall be term bonds subject to mandatory sinking fund redemption and
27 the dates and amounts of any such redemptions, the methods to be used in determining interest
28 payable on the Bonds and the dates on which such interest is payable, the provision of bond
29 insurance on all or any portion of the Bonds, and provisions for registration of the Bonds, for
30 their redemption prior to stated maturity, and for the use of facsimile signatures or seals, whether
31 the Bonds are to be issued in book-entry form and all matters incident to the issuance of the

1 Bonds in book-entry form. The County Executive shall provide for the form, numbering, term
2 and authentication of the Bonds pursuant to Section 822 of the County Charter and the form and
3 manner of execution and delivery of all documents necessary or deemed appropriate in
4 connection with the authorization, issuance, execution, sale, delivery and payment of and for the
5 Bonds. The County Executive may provide that no Bonds shall be issued for certain Authorized
6 Capital Projects authorized by this Act to be financed by the Bonds and reduce the aggregate
7 principal amount of Bonds to be issued accordingly, provided, however that the deletion of such
8 Authorized Capital Projects shall not cause the Bonds to be payable beyond the average of the
9 probable useful lives of the remaining Authorized Capital Projects. The County Executive may
10 provide for a reduction in the aggregate principal amount of Bonds to be issued consistent with a
11 determination of the minimum bond denomination size based on municipal security market
12 practices regarding denomination size, and for a corresponding reduction in the principal amount
13 of Bonds issued to finance the cost of any Authorized Capital Project. It is hereby recognized
14 and acknowledged that, in order to manage prudently the capital programs of the County,
15 particularly in light of federal income tax laws and regulations that impose penalties and other
16 financial consequences for the failure to expend the proceeds of tax-exempt bonds in a timely
17 manner, the County Executive, pursuant to Section 3 of this Act, may provide for the financing
18 of the Bond Financed Portion of an Authorized Capital Project by the issuance of Bonds at more
19 than one time and from time to time. Notwithstanding the provisions of Sections 2, 3 and 4 of
20 this Act, no order of the County Executive permitted under this Act shall authorize or permit a
21 reduction in the principal amount of Bonds issued for an Authorized Capital Project below the
22 amount for which the County Council has authorized temporary borrowing from other County
23 funds.

24 The County Executive may provide for certain maturities of the Bonds to be subject to prior
25 redemption at the option of the County. If the County Executive so provides and the Bonds are
26 issued with such option, then in the event that the County determines to exercise such option for
27 the purpose of effecting certain cost savings by refinancing a portion of the indebtedness
28 evidenced by the Bonds through the issuance and sale of refunding bonds, it is the intent of the
29 County that such refunding bonds be issued under the Enabling Acts referred to in this Act and
30 that such refunding bonds, if issued, shall constitute a refunding of indebtedness authorized by
31 this Act and shall not constitute additional indebtedness under such authority or under any other

1 authority. The aggregate principal amount of Bonds authorized to be issued hereunder may be
2 increased by a supplemental ordinance.

3 SECTION 5. BE IT FURTHER ENACTED that the Bonds issued as general obligation
4 bonds may be sold at public sale or by private (negotiated) sale in accordance with the
5 procedures below to be followed in connection with any such sale. In the event the County
6 Executive determines that it is in the best interest of the County to sell the Bonds at public sale,
7 the Bonds may be sold at, above or below par value, plus, if determined by the County
8 Executive, accrued interest to the date of delivery, by electronic bids and/or written sealed
9 proposals to the bidder or bidders therefor for cash whose bid or bids are determined to be in the
10 best interest of the County, as provided in the Notice of Sale for the Bonds, after having given
11 public notice of sale by electronic dissemination and/or advertisement as provided herein. Unless
12 contrary to applicable law, the Notice of Sale may be disseminated solely by electronic means
13 provided that bidders may submit electronic bids to purchase the Bonds, and any such electronic
14 dissemination of the Notice of Sale to be available to potential bidders seven (7) days or more
15 prior to the date of sale or such shorter period of time as is then customary for electronic
16 dissemination of notices of sale of municipal obligations in the nature of the Bonds.

17 Alternatively, or additionally, the Notice of Sale, or a summary thereof, may be published once
18 in each of two consecutive weeks next preceding the date of sale of the Bonds in the County
19 newspapers of record, and, in the event any single newspaper of record meets the circulation
20 requirements of Section 1008 of the County Charter, as amended, modified or recodified from
21 time to time, such publication may be made solely in such single newspaper of record. The first
22 of such publications shall be ten (10) or more days preceding the date of sale of the Bonds. Such
23 Notice of Sale, or a summary thereof, may also be published in "The Bond Buyer", a financial
24 journal published in the City of New York and/or in such other publications as the Director of
25 Finance may determine to be in the best interest of the County. The Bonds offered for sale at
26 such public sale shall be awarded by the County Executive. Authority is hereby expressly
27 delegated to the County Executive to fix the date and the time of the sale of the Bonds. The sale
28 of the Bonds shall be held in a County Executive Conference Room in the County
29 Administration Building in Upper Marlboro, Maryland, or in such other place as may be
30 designated in accordance with the Notice of Sale for the Bonds. In the event that the County
31 Executive determines that it is in the best interest of the County to sell any series of the Bonds at

1 a private (negotiated) sale as authorized by this Act, the County Executive is authorized to sell
2 such series of Bonds at, above or below par value, plus, if so determined by the County
3 Executive, accrued interest to the date of delivery, and upon such terms as she deems favorable
4 under the existing market conditions to one or more banks, investment banking firms or other
5 financial institutions that, in such official's judgment, offers to purchase such series of Bonds on
6 terms such official deems favorable to the County under the existing market conditions.

7 The County Executive shall determine whether the Bonds issued as stormwater
8 management bonds shall be sold at public sale by electronic bids and/or written sealed proposals
9 or by private (negotiated) sale and the procedures to be followed in connection with any such
10 sale. Authority is hereby expressly delegated to the County Executive to (i) fix the date and the
11 time of the sale of such Bonds; (ii) determine the form and terms of any Notice of Sale; (iii)
12 determine whether any Notice of Sale shall be disseminated in electronic form and/or whether
13 such Notice of Sale or a summary thereof shall be published in connection with any public sale
14 of such Bonds; and (iv) award such Bonds at public sale or to approve the form and terms of, and
15 authorize the execution and delivery by and on behalf of the County of, a bond purchase
16 agreement with underwriters purchasing such Bonds in any private (negotiated) sale. Such
17 Bonds may be sold at, above or below the par value thereof.

18 SECTION 6. BE IT FURTHER ENACTED that the Bonds shall contain similar provisions
19 and be in substantially the form set forth in Attachment 2, attached hereto and made a part
20 hereof, and Bonds issued substantially in accordance with said form, with appropriate insertions
21 as indicated, when properly executed and authenticated as required by this Section 6 shall be
22 deemed to constitute unconditional general obligations of the County, to the payment of which,
23 in accordance with the terms thereof, its full faith and credit are pledged, and all the covenants
24 and conditions contained in the Bonds shall be deemed to be binding upon the County.

25 Authority is hereby conferred on the County Executive to complete, delete or modify the
26 blanks in such bond form with necessary information, to insert applicable paragraphs as
27 indicated or needed and to make such additions, deletions and substitutions in such bond form,
28 not inconsistent with this Act or the County Charter, as may be necessary or desirable for the
29 sale of the Bonds, including (without limitation) such additions, deletions and substitutions as
30 may be necessary or desirable in connection with the establishment or discontinuance of a book-
31 entry registration system for the Bonds and such changes as may be necessary to reserve to the

1 County the option to call for mandatory tender for purchase of all or any portion of the Bonds.

2 SECTION 7. BE IT FURTHER ENACTED that immediately after the sale of the Bonds,
3 the interest rate or rates payable on the Bonds shall be fixed by an order of the County Executive
4 (the authority to fix such rates being hereby expressly delegated to said County Executive) in
5 accordance with the respective terms and conditions of the sale of the Bonds.

6 SECTION 8. BE IT FURTHER ENACTED that if the Bonds are sold by public sale the
7 official Notice of Sale and Bid for the Bonds shall be substantially in the form set forth in
8 Attachment 3 attached hereto and made a part hereof, with such insertions or deletions as the
9 County Executive may determine to be desirable to allow for the use of electronic bidding or due
10 to financial or market conditions or as otherwise permitted or required by this Act, including but
11 not limited to changes appropriate in the event that the Bonds are to be registered in book-entry
12 format.

13 SECTION 9. BE IT FURTHER ENACTED that the County Executive may authorize on
14 behalf of the County the preparation and distribution of a preliminary official statement and a
15 final official statement or similar offering documents in connection with the issuance and sale of
16 the Bonds.

17
18 SECTION 10. BE IT FURTHER ENACTED that the proceeds of the sale of the Bonds,
19 including any premium and accrued interest received therefor, shall be paid directly to the
20 Director of Finance of the County, who shall deposit the same in the proper accounts of the
21 County. The costs of issuance of the Bonds shall be allocated to the Authorized Capital Projects
22 financed by the Bonds and shall be charged to the appropriate debt service accounts of the
23 County by the Director of Finance. There shall be deducted from the total gross proceeds
24 received for the Bonds any amount received on account of accrued interest and premium on such
25 Bonds, which amounts shall be set apart by the Director of Finance in separate accounts and
26 applied to the first interest payment on the Bonds; provided that, if so determined by the County
27 Executive, any premium on such Bonds may be applied to other purposes, including (without
28 limitation) payment of the costs of issuance. The balance of the proceeds of the sale of the Bonds
29 shall be expended by the County for costs of the Authorized Capital Projects for which Bonds
30 have been issued in accordance with this Act. If the principal amount of Bonds issued for any
31 Authorized Capital Project exceeds the amount needed to finance such Authorized Capital

1 Project, the excess shall be applied to any other Authorized Capital Project or if no such
2 Authorized Capital Project requires additional funds, to any other capital project permitted by the
3 laws of the State of Maryland and of the County.

4 Unless otherwise provided by act or resolution of the County Council or by the County
5 Executive pursuant to Section 11 of this Act, earnings derived from the investment of the
6 proceeds of the Bonds may be treated as general revenues of the County and applied to general
7 County purposes and such use of investment proceeds is hereby acknowledged and authorized.

8 SECTION 11. BE IT FURTHER ENACTED that the County Executive is hereby
9 authorized to determine the amount of bonds issued for capital projects and stormwater
10 management bonds issued for stormwater management projects permitted by the laws of the
11 State of Maryland and of the County and the County Charter, including without limitation Md.
12 Local Government Code Ann. § 21-601 et seq., any excess of the amount needed to finance such
13 authorized capital and stormwater management projects may be used to finance (i) an
14 Authorized Capital Project as defined in this Act or an capital project or stormwater
15 management project defined as an authorized project in a previous act of the County Council, (ii)
16 the refunding of the Bonds or (iii) debt service on the Bonds.

17 SECTION 12. BE IT FURTHER ENACTED that, for the purpose of paying the interest on
18 and redeeming and paying the portion of the Bonds issued for stormwater management projects,
19 as they respectively mature or become subject to mandatory redemption, the County shall
20 include in the levy in each and every fiscal year during which any of such bonds are outstanding
21 a direct ad valorem tax upon all property assessed for tax purposes within the stormwater
22 management district established by the County pursuant to Md. Local Government Code Ann. §
23 21-601 et seq., (the "Stormwater Management District") (except as otherwise provided therein)
24 at a rate required to produce the amount needed to pay, in addition to the other costs of
25 stormwater management to be paid from amounts in the Stormwater Management District Fund
26 (defined herein) pursuant to Md. Local Government Code Ann. § 21-601 et seq., for the interest
27 on such bonds payable during such fiscal year and the principal of all of the Bonds maturing or
28 becoming subject to mandatory sinking fund redemption in each such fiscal year, and in the
29 event the proceeds from taxes so levied in any such fiscal year shall prove insufficient for such
30 purposes, additional taxes, unlimited as to rate or amount, shall be levied within the Stormwater
31 Management District in succeeding fiscal years to make up such deficiency, all as authorized and

1 provided for in Md. Local Government Code Ann. § 21-601 et seq. The County may apply to
2 the payment of the principal of and interest on the Bonds any funds received by it from the State
3 of Maryland, the United States of America, or any agency or instrumentality thereof, or from any
4 other source, if such funds are granted for the purpose of assisting the County in obtaining public
5 facilities of the class or classes of public facilities for which such bonds, or the respective
6 portions of such bonds, are authorized or may be otherwise lawfully applied to such payment; to
7 the extent that any such funds are applied to such purposes in any fiscal year as provided herein,
8 the taxes hereby required to be levied shall be reduced proportionately.

9 The full faith and credit of the County and the unlimited taxing power of the County are
10 hereby irrevocably pledged both to the punctual payment of the maturing principal of and
11 interest on the Bonds issued for stormwater management projects as and when such principal and
12 interest respectively become due, and to the levy and collection of the taxes hereinabove
13 prescribed as and when such taxes become necessary in order to provide sufficient funds to meet
14 the debt service requirements of such Bonds. The County hereby solemnly covenants with each
15 of the registered owners of any of such Bonds to take all action as may be appropriate from time
16 to time during the period that any of such Bonds remain outstanding and unpaid to provide the
17 funds necessary to make the principal and interest payments on such Bonds.

18 The debt service requirements of the Bonds issued for stormwater management projects
19 shall have a first and prior claim on all moneys of the Stormwater Management District Fund of
20 the County established pursuant to Md. Local Government Code Ann. § 21-601 et seq. (the
21 "Stormwater Management District Fund"), on a parity with the claim for moneys required for
22 payment of debt service on all other County general obligation stormwater management bonds
23 issued pursuant to the authority contained in Md. Local Government Code Ann. § 21-601 et seq.,
24 whether issued prior to or after the issuance of such Bonds, and the other purposes for which
25 funds in the Stormwater Management District Fund may be disbursed pursuant to Md. Local
26 Government Code Ann. § 21-601 et seq. The County further covenants and agrees with each of
27 the registered owners of any of the Bonds issued for stormwater management projects to levy
28 and collect the taxes hereinabove prescribed.

29 In addition, there is hereby pledged to the payment of the interest on and redeeming and
30 paying the Bonds issued for stormwater management projects, as they respectively mature or
31 become subject to mandatory redemption, the Clean Water Act Fees collected by the County (the

1 “Clean Water Act Fees”) in accordance with Title 4 of the Environment Article of the Annotated
 2 Code of Maryland and Section 10-301 et seq. of the Prince George’s County Code, each as
 3 amended, replaced or recodified from time to time (collectively, the “Stormwater Acts”) and
 4 deposited in the Local Watershed Protection and Restoration Fund. The debt service
 5 requirements of such Bonds shall have a first and prior claim on all Clean Water Act Fees on
 6 deposit in the Local Watershed Protection and Restoration Fund on a parity with the claim for
 7 moneys required for payment of debt service on all other County bonds to which such Clean
 8 Water Act Fees shall be pledged, and the other purposes for which funds in the Local Watershed
 9 Protection and Restoration Fund may be disbursed pursuant to the Stormwater Acts.

10 SECTION 13. BE IT FURTHER ENACTED that the County Council hereby determines
 11 that the Bonds are at present within the debt limit imposed by Md. Local Government Code Ann.
 12 § 10-203, as amended, replaced or recodified from time to time (the "Express Powers Act"). The
 13 County is authorized under the Express Powers Act to undertake borrowings for any public
 14 purposes of the County, provided that the aggregate amount of bonds or other evidences of
 15 indebtedness therefor outstanding at any one time shall not exceed a total of six percent (6%) of
 16 the County's assessable basis of real property and fifteen percent (15%) of the County's
 17 assessable basis of personal property and operating real property described in Section 8-109(c)
 18 of the Tax-Property Article of the Annotated Code of Maryland, as amended, replaced or
 19 recodified from time to time, as shown below:

24	Statutory debt limitation - (total sum of 6%	
25	of real property assessable basis and 15%	
26	of personal property/operating real property	
27	assessable basis)	\$ 6,066,647,243
28	Outstanding debt subject to debt limitation	\$ 1,384,725,682
29	Limit on additional debt	\$ 4,681,921,561

9	Total principal amount of general	
10	obligation and stormwater management debt	
11	authorized and not issued (including the Bonds)	\$ 743,305,000

12 SECTION 14. BE IT FURTHER ENACTED that the County Executive may transfer
13 appropriations among capital projects and stormwater management projects equal to the amount
14 determined to be in excess of the amount not needed to finance the Authorized Capital Projects
15 as defined in this Act or a capital project or stormwater management project defined as an
16 authorized capital project or stormwater management project in a previous act of the County
17 Council.

18 SECTION 15. BE IT FURTHER ENACTED that, for the purpose of paying the interest on
19 and redeeming and paying the Bonds, as they respectively mature or become subject to
20 mandatory redemption, the County shall include in the levy in each and every fiscal year during
21 which any of the Bonds are outstanding ad valorem taxes upon all the legally assessable property
22 within the corporate limits of the County in rate and amount sufficient to provide for the
23 payment, when due, of the interest on the Bonds payable during such fiscal year and the
24 principal of all of the Bonds due in each such fiscal year; and in the event the proceeds from
25 taxes so levied in any such fiscal year shall prove inadequate for such purposes, additional taxes
26 shall be levied, to the extent authorized by law, in succeeding fiscal years to make up such
27 deficiency. The County may apply to the payment of the principal of and interest on the Bonds
28 any funds received by it from the State of Maryland, the United States of America, or any
29 agency or instrumentality thereof, or from any other source, if such funds are granted for the
30 purpose of assisting the County in obtaining public facilities of the class or classes of public
31 facilities for which the Bonds, or the respective portions of the Bonds, are authorized or may be

1 otherwise lawfully applied to such payment; to the extent that any such funds are applied to such
2 purposes in any fiscal year as provided herein, the taxes hereby required to be levied shall be
3 reduced proportionately. The full faith and credit of the County and the taxing power of the
4 County are hereby irrevocably pledged both to the punctual payment of the maturing principal of
5 and interest on the Bonds as and when such principal and interest respectively become due, and
6 to the levy and collection of the taxes hereinabove prescribed as and when such taxes become
7 necessary in order to provide sufficient funds to meet the debt service requirements of the Bonds.
8 The County hereby solemnly covenants with each of the registered owners of any of the Bonds
9 to take all action as may be appropriate from time to time during the period that any of the Bonds
10 remain outstanding and unpaid to provide the funds necessary to make the principal and interest
11 payments on the Bonds. The debt service requirements of the Bonds shall have a first and prior
12 claim on all moneys of the General Fund of the County on a parity with the claim for moneys
13 required for payment of debt service on all other County general obligation indebtedness
14 whether issued prior to or after the issuance of the Bonds; it is recognized, however, that some
15 outstanding general obligation bonds of the County constitute a pledge of the unlimited taxing
16 power of the County. The County further covenants and agrees with each of the registered
17 owners of any of the Bonds to levy and collect the taxes hereinabove prescribed.

18 SECTION 16. BE IT FURTHER ENACTED that in the event any official of the County
19 whose signature shall appear on any Bonds or on other instruments or documents pertaining
20 thereto, shall cease to be such official prior to the delivery of the Bonds or other instruments or
21 documents, or in the event that any official shall take office subsequent to the sale of the Bonds,
22 his or her signature shall nevertheless be valid, sufficient and binding for the purposes herein
23 intended.

24 SECTION 17. BE IT FURTHER ENACTED that the County Executive shall be the officer
25 of the County responsible for the issuance of any Bonds within the meaning of the "arbitrage
26 regulations" (defined below).

27 In the event that Bonds are issued pursuant to this Act with the expectation that interest on
28 such Bonds will be excludable from gross income for federal income tax purposes, the County
29 Executive shall be the officer of the County responsible for the execution and delivery (on the
30 date of issuance of the Bonds) of a certificate of the County (the "Tax and Section 148
31 Certificate") which complies with the requirements of Section 148 of the Internal Revenue Code

1 of 1986, as amended ("Section 148"), and the applicable regulations thereunder (the "arbitrage
2 regulations"), and such official is hereby directed to execute the Tax and Section 148 Certificate
3 and to deliver the same to bond counsel or co-bond counsel on the date of the issuance of the
4 Bonds.

5 The County shall set forth in the Tax and Section 148 Certificate its reasonable
6 expectations as to relevant facts, estimates and circumstances relating to the use of the proceeds
7 of the Bonds, or of any moneys, securities or other obligations on deposit to the credit of any
8 account of the County which may be deemed to be proceeds of the Bonds pursuant to Section
9 148 or the arbitrage regulations (collectively, "Bond Proceeds"). The County covenants that the
10 facts, estimates and circumstances set forth in the Tax and Section 148 Certificate will be based
11 on the County's reasonable expectations on the date of issuance of the Bonds and will be, to the
12 best of the certifying official's knowledge, true and correct, as of that date. The County shall also
13 set forth in the Tax and Section 148 Certificate any elections provided for or permitted under the
14 provisions of the Internal Revenue Code of 1986, as amended, that the official executing the Tax
15 and Section 148 Certificate deems advisable.

16 In the event that Bonds are issued pursuant to this Act with the expectation that interest on
17 such Bonds will be excludable from gross income for federal income tax purposes, the County
18 covenants with each of the registered owners of any of the Bonds that it will not make, or (to the
19 extent that it exercises control or direction) permit to be made, any use of the Bond Proceeds
20 which would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 and the
21 arbitrage regulations. The County further solemnly covenants that it will comply with Section
22 148 and the regulations thereunder which are applicable to the Bonds on the date of issuance
23 thereof and which may subsequently lawfully be made applicable thereto as long as the Bonds
24 remain outstanding and unpaid. The County Executive is hereby authorized and directed to
25 prepare or cause to be prepared and to approve and execute, respectively, any certification,
26 opinion or other document, including, without limitation, the Tax and Section 148 Certificate
27 which may be required to assure that the Bonds will not be deemed to be "arbitrage bonds"
28 within the meaning of Section 148 and the regulations thereunder.

29 In the event that Bonds are issued pursuant to this Act with the expectation that interest on
30 such Bonds will be excludable from gross income for federal income tax purposes, the County
31 Executive may make such covenants or agreements in connection with the issuance of such

1 Bonds as he or she shall deem advisable in order to assure the registered owners of such Bonds
2 that interest thereon shall be and remain excludable from gross income for federal income tax
3 purposes, and such covenants or agreements shall be binding on the County so long as the
4 observance by the County of any such covenants or agreements is necessary in connection with
5 the maintenance of the exclusion of the interest on such Bonds from gross income for federal
6 income tax purposes. The foregoing covenants and agreements may include such covenants or
7 agreements on behalf of the County regarding compliance with the provisions of the Internal
8 Revenue Code of 1986, as amended, as the County Executive shall deem advisable in order to
9 assure the registered owners of such Bonds that the interest thereon shall be and remain
10 excludable from gross income for federal income tax purposes, including (without limitation)
11 covenants or agreements relating to the investment of Bond Proceeds, the payment of certain
12 earnings resulting from such investment to the United States (or certain payments in lieu thereof
13 as provided in the Internal Revenue Code of 1986, as amended), limitations on the times within
14 which, and the purpose for which, Bond Proceeds may be expended, or the use of specified
15 procedures for accounting for and segregating Bond Proceeds. Any covenant or agreement made
16 pursuant to this paragraph may be set forth in the Tax and Section 148 Certificate.

17 SECTION 18. BE IT FURTHER ENACTED that the County Executive is hereby
18 authorized to select and appoint a bank or other financial institution to act as paying agent for the
19 payment of the principal and redemption price, if any, of and interest on the Bonds and to act as
20 registrar for the Bonds. The selection of the paying agent and bond registrar shall be
21 accomplished in accordance with applicable provisions of law. In the event that the Bonds are
22 issued in book-entry form, the County Executive may determine that a bond registrar and paying
23 agent need not be designated or that the County shall act as bond registrar and paying agent.

24 SECTION 19. BE IT FURTHER ENACTED that the powers granted by this Act are
25 additional and cumulative and the Bonds authorized by this Act may be issued, notwithstanding
26 that other bond acts or laws may provide for the issuance of other bonds or the borrowing of
27 money for the same or similar purposes on the same or other terms and conditions. This Act shall
28 be liberally construed to effectuate its purposes, namely, to authorize the borrowing of money
29 and the incurring of indebtedness to finance the Authorized Capital Projects set forth in this Act.
30 Provisions of this Act shall be deemed met and satisfied if there is substantial compliance with
31 such provisions. This Act is not intended to provide or imply that this Act or any prior act not

1 containing a similar provision precludes the County from exercising any power or prerogative
2 provided by this Act or any other law whether exercised solely pursuant to such other law or in
3 conjunction with the powers provided by this Act so that, without limiting the generality of this
4 Section, the County may exercise the power to issue (i) bond anticipation notes (in anticipation
5 of the issuance of bonds pursuant to this Act or otherwise) and grant anticipation notes pursuant
6 to Md. Local Government Code Ann. § 19-211 et seq., as amended, replaced, or recodified from
7 time to time, (ii) bonds (or any related bond anticipation or other notes) authorized by Md.
8 Economic Development Code Ann. § 12-201 et seq. as amended, replaced, or recodified from
9 time to time, and (iii) loan obligations authorized by Title 9, Subtitle 16 of the Environment
10 Article of the Annotated Code of Maryland, as amended, replaced, or recodified from time to
11 time, and in exercising such powers, the County may sell such notes, bonds or loan obligations at
12 private (negotiated) sale as authorized by these or any other applicable laws.

13 SECTION 20. BE IT FURTHER ENACTED that in order to avoid the issuance of a greater
14 amount of Bonds for the Authorized Capital Projects listed in the Table of Projects than is
15 needed therefor, and in order to permit the construction of such projects to proceed prior to the
16 issuance of Bonds and at the same time afford the County maximum flexibility in selecting the
17 most advantageous times for such issuance, the County may provide needed capital funds by the
18 issue and sale of its bond anticipation notes (the "Notes") pursuant to the authority of Md. Local
19 Government Code Ann. § 19-211, as amended, replaced or recodified from time to time (the
20 "Bond Anticipation Note Act").

21 (1) The maximum principal amount of such Notes issued pursuant to this Section which
22 may be outstanding at any time shall be Four Hundred Seventy-Three million, Nine Hundred
23 Eighty-Four thousand dollars (\$473,984,000) unless and until otherwise provided by the County
24 Council by act. The proceeds of the sale of the Notes, after any payment from such proceeds of
25 the expenses of issuance of the Notes, shall be expended only on the public purposes or any
26 applicable portion thereof for which the Bonds are authorized. Twelve months' interest on any
27 issue of Notes, or any renewal thereof, may be paid from the proceeds, or from the proceeds of
28 the sale of the Bonds, accounting from the initial date of issue thereof, as determined by the
29 County Executive. The Notes may be paid at or prior to maturity from the proceeds of the
30 issuance and sale of the Bonds in anticipation of which the Notes were issued or from the
31 proceeds of refunding Notes. Except as otherwise provided herein, in the event of such a

1 refunding, the proceeds of such refunding Bonds or Notes shall be held in escrow, to the extent
2 and in the amount necessary to refund the outstanding series of Notes, for the benefit of the
3 holders of the outstanding series of Notes. Such refunding Notes, if issued, will constitute a
4 reissuance of the Notes authorized by this Act and shall not constitute additional indebtedness
5 under such authorization.

6 (2) All or any part of the Notes may be issued in series as funds are required, as determined
7 by the County Executive.

8 (3) The Notes may be sold at, above or below the par value thereof, including Commercial
9 Paper Notes (hereinafter defined) as hereinafter provided; none of such Notes shall bear interest
10 at a rate in excess of the maximum interest rate, if any, specified by the County Council by
11 public local law to be payable on obligations of Prince George's County, Maryland.

12 (4) With respect to any Notes issued, the County hereby covenants and agrees with the
13 holder or holders thereof to issue, upon its full faith and credit, the Bonds in anticipation of the
14 sale of which the Notes are issued when, and as soon as, the reason for deferring the issuance
15 thereof no longer exists and to pay the principal of and interest on (to the extent such interest has
16 not been capitalized, or otherwise paid, by appropriations from current revenues) such Notes
17 from the proceeds of such Bonds. This covenant shall be binding upon the County
18 notwithstanding any limitation set forth in this Act, including (without limitation) any limitation
19 with respect to the interest rate or rates that the Bonds may bear. If the County shall be unable,
20 for reasons beyond its control, to issue and sell its Bonds as described above, or if the proceeds
21 from the sale of such Bonds shall be insufficient to pay the principal of and interest on any Notes
22 issued, then the revenues from taxes and other sources intended for application to debt service on
23 such Bonds shall be applied to the payment of the interest on and principal of the Notes. The
24 foregoing provisions shall not be construed so as to prohibit the County from paying the
25 principal or redemption price of and interest on any Note issued hereunder from the proceeds of
26 the sale of any other Note issued hereunder, or from any other funds legally available for that
27 purpose.

28 If the County shall be unable, for reasons beyond its control, to issue and sell its Bonds, or
29 if the proceeds from the sale of such Bonds shall be insufficient to pay the principal of or interest
30 on any Notes issued, then the County shall include in the levy in each and every fiscal year
31 during which any of the Notes are outstanding ad valorem taxes upon all the legally assessable

1 property within the corporate limits of the County in rate and amount sufficient to provide for
2 payment, when due, of the interest on the Notes payable during such fiscal year and the principal
3 of all of the Notes due in each such fiscal year, and during which any Notes for stormwater
4 management projects are outstanding a direct ad valorem tax upon all property assessed for tax
5 purposes within the Stormwater Management District (except as otherwise provided in Md.
6 Local Government Code Ann. § 21-601 et seq.) at a rate required to produce the amount needed
7 to pay, in addition to the other costs of stormwater management to be paid from amounts in the
8 Stormwater Management District Fund pursuant to Md. Local Government Code Ann. § 21-601
9 et seq., for the interest on the Notes for stormwater management projects payable during such
10 fiscal year and the principal of all of such Notes maturing or becoming subject to mandatory
11 sinking fund redemption in each such fiscal year; and in the event the proceeds from taxes so
12 levied in any such fiscal year shall prove insufficient for such purposes, additional taxes,
13 unlimited as to rate and amount, shall be levied within the Stormwater Management District in
14 succeeding fiscal years to make up such deficiency, all as authorized and provided for in Md.
15 Local Government Code Ann. § 21-8 601 et seq. The County may apply to the payment of the
16 principal of and interest on the Notes any funds received by it from the State of Maryland, the
17 United States of America, or any agency or instrumentality thereof, or from any other source, if
18 such funds are granted for the purposes of assisting the County in obtaining public facilities of
19 the class or classes of public facilities for which the Notes, or the respective portions of the
20 Notes, are authorized or may be otherwise lawfully applied to such payment; to the extent that
21 any such funds are applied to such purposes in any fiscal year as provided herein, the taxes
22 hereby required to be levied shall be reduced proportionately.

23 The full faith and credit of the County and the unlimited taxing power of the County are
24 hereby irrevocably pledged both to the punctual payment of the maturing principal of and
25 interest on the Notes as and when such principal and interest respectively become due, and to the
26 levy and collection of the taxes hereinabove prescribed as and when such taxes become
27 necessary in order to provide sufficient funds to meet the debt service requirements of the Notes.
28 The County hereby solemnly covenants with each of the owners of any of the Notes to take all
29 action as may be appropriate from time to time during the period that any of the Notes remain
30 outstanding and unpaid to provide the funds necessary to make the principal and interest
31 payments on the Notes. The debt service requirements of the Notes for stormwater management

1 projects shall have a first and prior claim on all moneys of the Stormwater Management District
2 Fund on a parity with the claim for moneys required for payment of debt service on all other
3 County general obligation stormwater management indebtedness issued pursuant to the authority
4 contained in Md. Local Government Code Ann. § 21-601 et seq., whether issued prior to or after
5 the issuance of the Notes, and the other purposes for which funds in the Stormwater
6 Management District Fund may be disbursed pursuant to Md. Local Government Code Ann. §
7 21-601 et seq. The County further covenants and agrees with each of the owners of any of the
8 Notes to levy and collect the taxes hereinabove prescribed.

9 In addition, there is hereby pledged to the payment of the interest on and redeeming and
10 paying the Notes for stormwater management projects, as they respectively mature or become
11 subject to mandatory redemption, the Clean Water Act Fees collected by the County in
12 accordance with the Stormwater Acts and deposited in the Local Watershed Protection and
13 Restoration Fund. The debt service requirements of such Notes shall have a first and prior claim
14 on all Clean Water Act Fees on deposit in the Local Watershed Protection and Restoration Fund
15 on a parity with the claim for moneys required for payment of debt service on all other County
16 general obligation stormwater management indebtedness to which such Clean Water Act Fees
17 shall be pledged, and the other purposes for which funds in the Local Watershed Protection and
18 Restoration Fund may be disbursed pursuant to the Stormwater Acts.

19 (5) In the event that any Notes (the "Outstanding Notes") issued hereunder are outstanding
20 on the date that the Bonds in anticipation of which such Notes are issued are delivered in
21 exchange for the purchase price thereof (the "Delivery Date"), the Director of Finance shall
22 deposit with the paying agent for the Notes, or a trustee or escrow agent, on the Delivery Date (i)
23 cash in an amount equal to the principal of the Outstanding Notes and/or (ii) direct obligations
24 of, or obligations the payment of which is unconditionally guaranteed by, the United States of
25 America, the principal of and interest on which will be sufficient without reinvestment to pay in
26 a timely manner the principal of the Outstanding Notes when due whether at maturity or upon
27 prior redemption. Such paying agent or trustee or escrow agent is hereby irrevocably directed to
28 apply such cash or the proceeds of such obligations to the payment of the principal of the
29 Outstanding Notes when due whether at maturity or upon prior redemption. The County may
30 provide such cash or obligations from the proceeds of the sale of such Bonds or from any other
31 funds legally available for such purpose. On the Delivery Date, the Director of Finance shall also

1 deposit with the paying agent for the Outstanding Notes, or a trustee or escrow agent (i) cash in
2 an amount equal to the interest on the Outstanding Notes when due and/or (ii) direct obligations
3 of, or obligations the payment of which is unconditionally guaranteed by, the United States of
4 America, the principal of and interest on which will be sufficient without reinvestment to pay in
5 a timely manner interest on the Outstanding Notes when due, whether at maturity, upon a
6 regularly scheduled payment date or upon prior redemption. The County may provide such cash
7 obligations from the proceeds of the sale of Bonds available for that purpose or from any other
8 funds legally available for such purpose. Notwithstanding the foregoing, if the Delivery Date and
9 the date on which the Outstanding Notes mature or are subject to redemption are in different
10 fiscal years, and moneys for the payment of the interest on the Outstanding Notes have not been
11 finally appropriated in the fiscal year in which the Bonds are delivered, and if the Delivery Date
12 is after the date on which the budget for the succeeding fiscal year has been submitted to the
13 County Council and provision for the payment of the interest on such Outstanding Notes has
14 been made in such budget, in lieu of the deposit of such cash or obligations for the payment of
15 interest on the Outstanding Notes, the County Executive, the Director of Finance and/or the
16 Chief Administrative Officer may deliver a certificate on the Delivery Date of the Bonds stating
17 that funds sufficient to pay the interest on the Outstanding Notes have been included in the
18 budget for the next succeeding fiscal year (it being provided by the Bond Anticipation Note Act
19 that the Notes shall be payable from the first proceeds of the sale of the Bonds, or from the tax or
20 other revenue which the County shall have previously determined to apply to the payment of the
21 Bonds and the interest thereon). Upon the deposit with the paying agent for the Outstanding
22 Notes, or a trustee or escrow agent, of cash and/or obligations sufficient to provide for the
23 payment of the principal of and interest on such Notes when due, as described above, such Notes
24 shall be deemed to be paid and no longer outstanding hereunder.

25 (6) With respect to the authorization, issuance, execution, sale, delivery and payment of and
26 for any Notes, the County Executive may determine, approve, authorize or provide for:

- 27 (i) the identification of any series of Notes;
- 28 (ii) the form of any Notes;
- 29 (iii) the denominations of the Notes;
- 30 (iv) the maturity of any Notes;
- 31 (v) the manner of execution and authentication of any Notes;

1 (vi) the rate or rates of interest of any Notes or the manner for determining the same;

2 (vii) the interest payment dates of any Notes;

3 (viii) the redemption provisions applicable to any Notes;

4 (ix) the manner of sale of any Notes, which may be by private (negotiated) sale
5 or at public sale, and the procedures to be followed in connection with any such sale;

6 (x) the form and manner of execution and delivery of documents necessary or deemed
7 appropriate in connection with the authorization, issuance, execution, sale, delivery and payment
8 of and for any Notes; and

9 (xi) such other matters not inconsistent with the provisions of this Act as are necessary
10 or deemed appropriate to accomplishing the issuance and sale of Notes hereunder, including
11 other matters specifically authorized by the Bond Anticipation Note Act.

12 (7) As determined by the County Executive, the Notes (or any portion of them, as
13 applicable) may be issued, sold and delivered as a single series of Notes or as two or more series
14 of Notes, or may be consolidated for issuance, sale and delivery with other notes of the County
15 (including notes sold for new money and/or refunding purposes) as contemplated by Md. Local
16 Government Code Ann. § 19-101, as amended, replaced or recodified from time to time.

17 (8) References to "Bonds" in Sections 13 and 17 of this Act shall be deemed to include
18 Notes.

19 (9) The authority conferred on the County Executive in Section 18 of this Act in connection
20 with the issuance of Bonds hereunder, with respect to the appointment of paying agents and a
21 registrar, may also be exercised with respect to the issuance and sale of Notes hereunder.

22 (10) References to "Bonds authorized by this Act" in Section 19 of this Act shall be deemed
23 to include Notes, unless the context clearly requires otherwise.

24 (11) Pursuant to the Bond Anticipation Note Act, the County is hereby authorized to issue
25 the aforementioned Notes as notes in the nature of commercial paper and to establish a
26 commercial paper program. Accordingly, the County is hereby authorized to issue two or more
27 separate and distinct series of its Notes, which may include (1) a series of its Notes in the nature
28 of tax-exempt commercial paper (the "Commercial Paper Notes") and (2) a series of its Notes in
29 connection with a liquidity facility, such as a revolving loan agreement, or a series of its Notes in
30 connection with a credit facility, such as a letter of credit and related agreements (collectively,
31 the "Revolving Loan Notes") (the Commercial Paper Notes and the Revolving Loan Notes being

1 collectively referred to herein as the "Program Notes"). The word "Notes," as used in this Act,
2 includes Program Notes, and it is intended that the provisions of this Act applying to Notes shall
3 include Program Notes unless the context clearly requires a contrary meaning. For the purposes
4 of this Act, the term "principal amount," when used with respect to the Program Notes, shall
5 mean (i) in the case of Commercial Paper Notes, the face amount of any such Commercial Paper
6 Note, less any original issue discount on such Commercial Paper Note, and (ii) in the case of
7 Revolving Loan Notes, the principal amount actually advanced under the applicable liquidity
8 facility or credit facility that is evidenced by any such Revolving Loan Note. Accordingly, it is
9 contemplated by this Act that the aggregate face amount of the Program Notes that may be
10 outstanding from time to time hereunder, together with other Notes issued hereunder and
11 outstanding from time to time, may exceed the aggregate principal amount of Notes authorized
12 to be outstanding hereunder at any one time.

13 Without limiting the generality of other provisions of this Act, the County Executive may
14 determine, approve, authorize or provide for:

15 (i) procedures to facilitate the prompt determination and approval of matters in
16 connection with the authorization, issuance, execution, sale, delivery and payment of and for
17 Program Notes;

18 (ii) the form and manner of execution and delivery of documents necessary or deemed
19 appropriate in connection with the authorization, issuance, execution, sale, delivery and payment
20 of and for Program Notes;

21 (iii) the selection of any trustee, issuing agent, payment agent, commercial paper
22 dealer, credit or liquidity facility provider or other provider of financial or related services
23 necessary or deemed appropriate to the authorization, issuance, execution, sale, delivery and
24 payment of and for Program Notes; and

25 (iv) such other matters not inconsistent with this Act necessary or deemed appropriate
26 to accomplishing the authorization, issuance, execution, sale, delivery and payment of and for
27 Program Notes.

28 SECTION 21. BE IT FURTHER ENACTED that it is hereby found and determined as
29 follows: (i) it is in the best interest of the County to be able to implement a flexible approach to
30 borrowing (that is, one which provides the ability to utilize variable rate demand obligations, tax-
31 exempt commercial paper and short-term municipal obligations [collectively, "Variable Rate

1 Demand Obligations"]); (ii) there is an expanding market for Variable Rate Demand Obligations,
2 which have varying and flexible maturities or redemption features, tender or purchase dates and
3 bear interest at variable rates established by a remarketing agent on the basis of current market
4 conditions, or combinations of such maturities or redemption, tender or purchase dates and rates
5 and to access this market the County must establish procedures consistent with market practices
6 for Variable Rate Demand Obligations; and (iii) existing practices in the market for Variable
7 Rate Demand Obligations and existing requirements of nationally recognized rating agencies
8 require that there be available to the issuer of Variable Rate Demand Obligations a supporting
9 credit or liquidity facility, such as a letter of credit, line of credit or revolving loan agreement,
10 pursuant to which an alternate source of borrowing will be available during any period in which
11 such obligations cannot be remarketed or sold.

12 Notes or Bonds are hereby authorized to be issued as short-term or demand obligations or
13 commercial paper, defined above as Variable Rate Demand Obligations, including obligations
14 that are required to be purchased or redeemed prior to stated maturity dates, bear interest at
15 variable rates and mature on dates established from time to time by a remarketing agent on the
16 basis of current market conditions. If any Bonds or Notes issued in accordance with this Section
17 provide for the optional or mandatory redemption, tender or purchase thereof prior to stated
18 maturity dates, the form of Bond or Note (as the case may be) may provide, to the extent
19 permitted by law and determined by the County Executive that the full faith and credit and
20 unlimited taxing power of the County are pledged to the payment of the purchase or redemption
21 price on the due dates for such payments.

22 Without limiting the generality of other provisions of this Act, the County Executive may
23 determine, approve, authorize or provide for:

24 (i) procedures for the determination of the interest rates, the interest payment dates, the
25 maturities and any optional or mandatory redemption, tender or purchase dates of Bonds or
26 Notes described in this Section in order to implement the financing authorized hereby;

27 (ii) the form and manner of execution and delivery of documents necessary or deemed
28 appropriate in connection with the authorization, issuance, execution, sale, delivery and payment
29 of and for Variable Rate Demand Obligations;

30 (iii) the selection of any trustee, issuing agent, paying agent, tender agent, credit or
31 liquidity facility provider or other provider of financial or related services necessary or deemed

1 appropriate to the authorization, issuance, execution, sale, delivery and payment of and for
2 Variable Rate Demand Obligations; and

3 (iv) such other matters not inconsistent with this Act necessary or deemed appropriate
4 to accomplishing the authorization, issuance, execution, sale, delivery and payment of and for
5 Variable Rate Demand Obligations.

6 SECTION 22. BE IT FURTHER ENACTED that Md. Local Government Code Ann. § 19-
7 207, as amended, replaced or recodified from time to time (the "Refunding Act"), provides that
8 refunding bonds may be issued by the County for certain public purposes specified in the
9 Refunding Act, including realizing savings to the County in the aggregate cost of debt service on
10 either a direct comparison or present value basis or debt restructuring that in the aggregate
11 effects such a reduction in the cost of debt service. The County Council of Prince George's
12 County, Maryland, hereby finds and determines that the issuance of refunding bonds pursuant to
13 the terms and requirements of this Act in order to refund all or a portion of the outstanding
14 principal amount of the Bonds will effectuate and accomplish the public purpose of realizing
15 savings to the County in the aggregate cost of debt service on either a direct comparison or a
16 present value basis or of debt restructuring that in the aggregate effects such a reduction in the
17 cost of debt service.

18 SECTION 23. BE IT FURTHER ENACTED that, acting pursuant to the authority of the
19 Refunding Act , the County Charter, this Act and certain other authority pursuant to which the
20 Bonds will be issued, the issuance and sale of bonds (the "Refunding Bonds") of Prince George's
21 County, Maryland, which may be issued in one or more series from time to time as hereinafter
22 provided, are hereby authorized in an aggregate principal amount not to exceed 150% of the
23 aggregate outstanding principal amount of the Bonds to be refunded thereby (the "Refunded
24 Bonds") in order to provide funds sufficient (a) to purchase direct obligations of, or obligations
25 the timely payment of the principal of and interest on which is unconditionally guaranteed by,
26 the United States of America ("Government Obligations"), the principal of and interest on which
27 will be sufficient without reinvestment, together with any available cash, to pay in a timely
28 manner all or any part of the principal of and redemption premium, if any, and interest on the
29 Refunded Bonds, and (b) to pay any and all other costs permitted to be paid from the proceeds of
30 such Refunding Bonds under the Refunding Act, including (without limitation) funded interest,
31 the costs of issuance of such Refunding Bonds (including without limitation any bond insurance

1 premium payable by the County) and applicable underwriting fees.

2 SECTION 24. BE IT FURTHER ENACTED that the Refunding Bonds hereby authorized
3 may be sold for a price at, above, or below par, plus, if so determined by the County Executive,
4 accrued interest to the date of delivery. The Refunding Bonds shall be sold at private
5 (negotiated) sale, and such procedure is hereby determined to be in the public interest due to the
6 ability to negotiate flexible terms and achieve a beneficial interest rate or rates and the flexibility
7 to time the date of sale to maximum savings or achieve other public purposes permitted by the
8 Refunding Act. Notwithstanding the foregoing, if the County Executive subsequently determines
9 that it is in the best interests of the County to sell any or all of the Refunding Bonds after first
10 soliciting competitive bids at public sale, then the County Executive may provide for the sale of
11 such Refunding Bonds in such manner and in accordance with such procedures as he or she shall
12 deem appropriate; provided, however, that such procedures shall be substantially similar to the
13 procedures for public sale with competitive bidding normally used by the County in connection
14 with the sale of its general obligation bonds. Refunding Bonds issued hereunder are hereby
15 specifically exempted from the provisions of Md. Local Government Code Ann. §§ 19-205 and
16 19-206, as amended, replaced or recodified.

17 SECTION 25. BE IT FURTHER ENACTED that as determined by the County Executive,
18 the Refunding Bonds (or any portion of them, as applicable) may be issued, sold and delivered as
19 a single series of Refunding Bonds or as two or more series of Refunding Bonds, or may be
20 consolidated for issuance, sale and delivery with other bonds of the County (including bonds
21 sold for new money and/or refunding purposes) as contemplated by Md. Local Government
22 Code Ann. § 19-101 and 19-103, as amended, replaced or recodified from time to time. The
23 Refunding Bonds of each series issued solely pursuant to the authority of this Act shall each be
24 designated "Prince George's County, Maryland General Obligation Public Improvement
25 Refunding Bonds, Series 2021," and the Refunding Bonds of each series consolidated for
26 issuance with other bonds of the County as authorized herein shall each be designated "Prince
27 George's County, Maryland General Obligation Consolidated Public Improvement Refunding
28 Bonds, Series 2021", and the Refunding Bonds with regard to stormwater management projects
29 of each series sold solely pursuant to the authority of this Act shall each be designated "Prince
30 George's County, Maryland Stormwater Management Refunding Bonds, Series 2021 ," and such
31 Refunding Bonds of each series consolidated for issuance with other bonds of the County as

1 authorized herein shall each be designated "Prince George's County, Maryland Consolidated
2 Stormwater Management Refunding Bonds, Series 2021", and, in the event any Refunding
3 Bonds are issued at more than one time, the County Executive may specify such additional
4 designation as he or she shall deem appropriate Moreover, the County Executive is hereby
5 authorized to provide such other or alternative designation as he or she deems necessary or
6 convenient.

7 Upon consolidation of any of the Refunding Bonds with general obligation bonds issued
8 pursuant to Md. Local Government Code Ann. § 10-203, as amended, and determination of the
9 County Executive, there shall be pledged to the payment of said Refunding Bonds the full faith
10 and credit of the County and the power of the County to levy ad valorem taxes upon all the
11 legally assessable property within the corporate limits of the County (in addition to the pledge
12 and levy of taxes within the Stormwater Management District and the pledge of Clean Water Act
13 Fees for Refunding Bonds with regard to stormwater management projects).

14 SECTION 26. BE IT FURTHER ENACTED that pursuant to this Act, the County
15 Executive shall determine (a) the principal amounts and maturities of each series of Refunding
16 Bonds to be issued and (b) the portions of each series of Refunded Bonds to be refunded with the
17 proceeds of each series of Refunding Bonds; provided, however, that the issuance of any series
18 of Refunding Bonds to refund all or any portion of one or more series of Refunded Bonds will
19 effectuate and accomplish the public purpose of realizing savings to the County in the aggregate
20 cost of debt service on either a direct comparison or a present value basis with respect to the
21 portion of any series of Refunded Bonds being refunded or debt restructuring that in the
22 aggregate effects such a reduction in the cost of debt service.

23 There may be printed on the reverse side of each series of Refunding Bonds issued
24 hereunder the text of the applicable approving legal opinion with respect thereto, and any such
25 text shall be duly certified by the manual or facsimile signature of the County Executive of the
26 County.

27 Each series of Refunding Bonds shall be in the form set forth in Attachment 2 attached to
28 and made a part of this Act with such changes in designation and purpose to reflect that such
29 Refunding Bonds are refunding bonds, and Refunding Bonds issued substantially in compliance
30 with such form, with appropriate insertions as therein indicated, when properly executed and
31 authenticated as described above, shall be deemed to constitute unconditional general obligations

1 of the County, to the payment of which, in accordance with the terms thereof, its full faith and
 2 credit are pledged, and all the covenants and conditions contained in such Refunding Bonds shall
 3 be deemed to be binding upon the County in accordance therewith. Authority is hereby conferred
 4 on the County Executive to fill the blanks in such form with the required information, to insert
 5 applicable paragraphs as indicated and to make such additions, deletions and substitutions in
 6 such form, not inconsistent with this Act or the Refunding Act, as may be necessary or desirable
 7 in the sale of any such series of Refunding Bonds, including (without limitation) such changes as
 8 may be necessary to permit the establishment of a central depository or book-entry system with
 9 respect to such series of Refunding Bonds.

10 SECTION 27. BE IT FURTHER ENACTED that, for the purpose of paying the interest
 11 and redeeming and paying the Refunding Bonds, as they respectively mature or become subject
 12 to mandatory redemption, the County shall include in the levy in each and every fiscal year
 13 during which any of the Refunding Bonds are outstanding a direct ad valorem tax upon all
 14 legally assessable property assessed for tax purposes within the corporate limits of the County
 15 and with respect to Refunding Bonds with regard to stormwater management projects,
 16 Stormwater Management District (except as otherwise provided pursuant to Md. Local
 17 Government Code Ann. § 21-601 et seq.) at a rate required to produce the amount needed to pay,
 18 in addition to the other costs of stormwater management to be paid for from amounts in the
 19 Stormwater Management District Fund, for the interest on the Refunding Bonds payable during
 20 such fiscal year and the principal of all of the Refunding Bonds maturing or becoming subject to
 21 mandatory redemption in each such fiscal year; and in the event the proceeds from taxes so
 22 levied in any such fiscal year shall prove insufficient for such purposes, additional taxes,
 23 unlimited as to rate or amount, shall be levied and with respect to Refunding Bonds with regard
 24 to stormwater management projects, shall be levied within the Stormwater Management District
 25 in succeeding fiscal years to make up such deficiency, all as authorized and provided for in Md.
 26 Local Government Code Ann. § 21-601 et seq. The County may apply to the payment of the
 27 principal of and interest on the Refunding Bonds any funds received by it from the State of
 28 Maryland, the United States of America, or any agency or instrumentality thereof, or from any
 29 other source, if such funds are granted for the purpose of assisting the County in obtaining public
 30 facilities of the class or classes of public facilities for which the Refunded Bonds refunded with
 31 the proceeds of the Refunding Bonds issued pursuant to this Act, or the respective portions of

1 such Refunded Bonds, are authorized or may be otherwise lawfully applied to such payment; to
2 the extent that any such funds are applied to such purposes in any fiscal year as provided herein,
3 the taxes hereby required to be levied shall be reduced proportionately.

4 The full faith and credit of the County and the unlimited taxing power of the County are
5 hereby irrevocably pledged both to the punctual payment of the maturing principal of and
6 interest on the Refunding Bonds as and when such principal and interest respectively become
7 due, and to the levy and collection of the taxes hereinabove prescribed as and when such taxes
8 become necessary in order to provide sufficient funds to meet the debt service requirements of
9 the Refunding Bonds. The County hereby solemnly covenants with each of the registered owners
10 of any of the Refunding Bonds to take all action as may be appropriate from time to time during
11 the period that any of the Refunding Bonds remain outstanding and unpaid to provide the funds
12 necessary to make the principal and interest payments on the Refunding Bonds. The debt service
13 requirements of the Refunding Bonds with regard to stormwater management projects, shall
14 have a first and prior claim on all moneys of the Stormwater Management District Fund on a
15 parity with the claim for moneys required for payment of debt service on all other County
16 general obligation stormwater management bonds issued pursuant to the authority contained in
17 Md. Local Government Code Ann. § 21-601 et seq., whether issued prior to or after the issuance
18 of such Refunding Bonds, and the other purposes for which funds in the Stormwater
19 Management District Fund may be disbursed pursuant to Md. Local Government Code Ann. §
20 21-601 et seq. The County further covenants and agrees with each of the registered owners of
21 any of the Refunding Bonds to levy and collect the taxes hereinabove prescribed.

22 In addition, there is hereby pledged to the payment of the interest on and redeeming and
23 paying the Refunding Bonds with regard to stormwater management projects, as they
24 respectively mature or become subject to mandatory redemption, the Clean Water Act Fees
25 collected by the County in accordance with the Stormwater Acts and deposited in the Local
26 Watershed Protection and Restoration Fund. The debt service requirements of such Refunding
27 Bonds shall have a first and prior claim on all Clean Water Act Fees on deposit in the Local
28 Watershed Protection and Restoration Fund on a parity with the claim for moneys required for
29 payment of debt service on all other County general obligation stormwater management bonds to
30 which such Clean Water Act Fees shall be pledged, and the other purposes for which funds in the
31 Local Watershed Protection and Restoration Fund may be disbursed pursuant to the Stormwater

1 Acts.

2 SECTION 28. BE IT FURTHER ENACTED that, with respect to each series of Refunding
3 Bonds sold pursuant to this Act, authority is hereby conferred on the County Executive to take
4 the following actions and make the following commitments on behalf of the County:

5 (a) in the event any series of Refunding Bonds is sold at private (negotiated) sale as
6 authorized by this Act, to sell such series of Refunding Bonds issued under this Act upon such
7 terms as he or she deems favorable under the existing market conditions to one or more banks,
8 investment banking firms or other financial institutions that, in such official's judgment, offers to

18 amounts and particular Refunded Bonds to be refunded with the proceeds of any such series of
19 Refunding Bonds, and the interest rate or rates to be paid by the County with respect to any such
20 series, including, without limitation, the payment dates for the payment of interest with respect
21 to each maturity of any such series and all matters relating to the provision of bond insurance, if
22 any, on all or any portion of the Refunding Bonds;

23 (d) to determine whether the principal of the Refunded Bonds shall be paid at maturity, at
24 the earliest redemption date pertaining thereto, or at some later redemption date;

25 (e) in the event that the County Executive determines that it is in the best interests of the
26 County to sell any such series of Refunding Bonds by soliciting competitive bids at public sale,
27 to determine the date, time and place when proposals for the purchase of any such series of
28 Refunding Bonds will be received, to publish and/or otherwise disseminate a suitable notice of
29 sale or a summary thereof in a manner substantially similar to the procedures for public sale at

9 | fund is established;

10 | (h) to determine the manner in which the proceeds of the sale of the Refunding Bonds shall
11 | be applied and to provide for the redemption prior to maturity of any of the Refunded Bonds, as
12 | applicable, not inconsistent with the provisions of this Act or the Refunding Act; and

13 | (i) after considering any recommendations of the County's financial advisor, to reserve to
14 | the County the option to redeem or to call for mandatory tender for purchase (and to sell, transfer
15 | or convey any such option to call for mandatory tender for purchase) any such series of
16 | Refunding Bonds in whole or in part, at such times and upon payment of such premiums as the
17 | County's financial advisor may recommend.

21 | determination is made to sell any such series of Refunding Bonds by soliciting competitive bids
22 | at public sale, the matters specified in paragraph (e) above for such series of Refunding Bonds.

23 | SECTION 29. BE IT FURTHER ENACTED that, to the extent applicable with respect to

3 Agreement on behalf of the County in accordance with the provisions of the Water Quality Act.

6 Maryland, including the County's share of the State income tax, to secure its obligations under
7 the Loan Agreement. Any such pledge shall be evidenced and detailed in the Loan Agreement.

19 Code Ann. § 19-204, as amended, replaced or recodified from time to time (the "Registration
20 Statute"), the Bonds, the Notes or the Refunding Bonds issued hereunder may be issued in

22 County Executive, who may determine, approve or authorize the selection of trustees, transfer
23 agents, registrars, paying or other agents, a custodian for a central depository or book-entry
24 system and appropriate agreements with any of the foregoing and such other matters not
25 inconsistent with this Act necessary or deemed appropriate in connection with the issuance of the
26 Bonds, the Notes or the Refunding Bonds in "registered form" within the meaning of the
27 Registration Statute.

28 SECTION 32. BE IT FURTHER ENACTED that, the County Executive is hereby

2 Rule 15c2-12, as amended, modified or replaced from time to time ("SEC Rule 15c2-12"). Such
3 authority shall include (without limitation) the power to approve and enter into continuing

15 Government Code Ann. § 19-236, as amended, replaced or recodified from time to time
16 ("Section 19-236"), the County may enter into one or more interest rate exchange agreements or
17 contracts providing for payments based on levels of or changes in interest rates, or combinations
18 of the foregoing, in order to improve the management of debt service or interest rate risks on all
19 or any portion of the Bonds, the Notes or the Refunding Bonds authorized hereby (the
20 "Obligations") or to reduce the cost of servicing all or any portion of such Obligations. Any such

1 transaction, the final form of the agreement or contract and the final terms and conditions of the
2 agreement or contract and (2) the appointment of any agents necessary to implement and
3 administer such agreements or contracts and the terms of compensation therefor. Nothing
4 contained in this Act shall be deemed to preclude the County Council by resolution from making
5 or providing for any of the determinations authorized by Section 19-236. The provisions of this
6 Section shall be liberally construed to effectuate the provisions of Section 19-236.

7 SECTION 34. BE IT FURTHER ENACTED that any and all determinations, approvals,
8 authorizations, decisions, undertakings, specifications, covenants, agreements or provisions (by
9 whatever terminology so specified) authorized to be made by the County Executive pursuant to
10 the provisions of this Act shall be made by order of the County Executive unless otherwise
11 expressly provided herein; provided that, unless contrary to the provisions of the County Charter
12 or other applicable law, the County Executive is hereby expressly authorized to delegate by
13 order to such official or officials designated in such order the power to make any such
14 determinations, approvals, authorizations, decisions, undertakings, specifications, covenants,
15 agreements or provisions or other matters and the manner in which to evidence the same. In
16 addition, unless contrary to the provisions of the County Charter or other applicable law, the

29 competent jurisdiction, such invalidity or unconstitutionality shall not affect the remaining
30 words, phrases, clauses, sentences, subparagraphs, paragraphs, subsections, or sections of this
31 Act, since the same would have been enacted without the incorporation in this Act of any such

1 | invalid or unconstitutional word, phrase, clause, sentence, subparagraph, subsection, or section.

“County Business Day” means any date of the year on which (i) banking institutions in New York, New York or in Maryland are not authorized or obligated by law to remain closed or on which the New York Stock Exchange is not closed or (ii) the offices of the County are not authorized or obligated by law or required by an executive order of the County Executive to be closed.

All payments of the principal of, redemption price and interest on this Bond shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

REFERENCE IS MADE TO THE FURTHER PROVISIONS OF THIS BOND SET FORTH ON THE REVERSE SIDE HEREOF WHICH SHALL FOR ALL PURPOSES HAVE THE SAME EFFECT AS THOUGH FULLY SET FORTH HEREIN.

The full faith and credit and taxing power of Prince George’s County, Maryland are hereby irrevocably pledged to the payment of the principal of this Bond and of the interest payable hereon. To provide for the payment of this Bond, the County is empowered and directed to levy ad valorem taxes upon all the legally assessable property within the corporate limits of the County; such tax levy is subject, however, to the limitation set forth in Section 812 and Section 813 of the County Charter. Section 812 provides, in part, that the County shall not levy “a real property tax which would result in a total collection of real property taxes greater than the amount collected in fiscal year 1979; [except that the County] may levy a real property tax which would result in a total collection of real property taxes greater than the amount collected in fiscal year 1979 if the real property tax rate does not exceed Two Dollars and forty cents (\$2.40) for each One Hundred Dollars (\$100.00) of assessed value.” Section 813 provides that any ordinance or resolution levying or charging taxes or certain fees in excess of the amount levied in the preceding fiscal year shall be referred to a referendum of the qualified voters of the County.

In order to make real property tax bills simpler and easier to understand, the Maryland General Assembly enacted Chapter 80 of the Laws of 2000 providing that, beginning in tax year 2001 (Fiscal Year 2002) property tax for real property shall be applied to 100 percent, instead of 40 percent of the value of the real property and that the real property tax rate shall be adjusted to make the impact of revenue neutral. This State law also provides that any limit on a local real property tax rate in a local law or charter provision shall be construed to mean a rate equal to 40 percent times the rate stated in the local law or charter provision. As a result, the nominal real property rate of the County was adjusted to \$0.96/\$100 of the assessed value in FY 2002. In 2012, Maryland Senate Bill 848 provided, under certain circumstances, for the property tax rate to be set higher than the rate authorized under the County’s Charter. Additional revenue as a result of the increase in the property tax rate is for the sole purpose of funding the approved budget of the local school board. In compliance with such State law, County Council Resolution CR-032-2015 set tax rates for Fiscal Year 2016 (including taxes levied with respect to County general obligation bonds issued prior to the effective date of Charter Section 812 and its predecessors) at \$1.00 for real property and \$2.50 for personal property upon each \$100 assessed value of all assessable property, real and personal, assessed according to the State laws and subject to taxation in the County.

The principal of and interest on this Bond are payable from annual appropriations of the proceeds of ad valorem taxes which the County is empowered and directed to levy, subject to said Section 812 and Section 813 limitations, upon all the legally assessable property within the corporate limits of the County. The County has covenanted, subject to said Section 812 and Section 813 limitations, to levy said ad valorem taxes in rate and amount sufficient for such payment in each fiscal year in which provision must be made for the payment of such principal and interest and in the event the proceeds from taxes so levied in any such fiscal year shall prove inadequate for such payment, to levy additional taxes, subject to said limitation, in succeeding fiscal years to make up such deficiency.

[A portion of the Bonds is being issued for public school facilities. The principal of and interest on this portion of the Bonds are expected to be paid in the first instance from amounts on deposit in a separate school facilities surcharge account established in the County's Capital Projects Fund subject to availability and appropriation for such purpose. In FY 2018 a school facilities surcharge in the amount of \$15,972 is imposed by the County on developing areas outside the beltway and \$9,317 is imposed on developed areas within the beltway for which a building permit is applied (subject to partial exemptions in some regions). The surcharge is subject to adjustment for inflation. The surcharge is collected by the County from the builder at the time a building permit is issued for the dwelling unit. Under State law, the surcharge does not apply to mixed retirement developments, elderly housing, multi-family housing designated as student housing within 1.5 miles of the University of Maryland, College Park Campus, or any property located in an infrastructure-financing district approved prior to January 1, 2000. Pursuant to State law, revenue collected from the school facilities surcharge is required to be deposited in a separate account and can only be used to pay for additional or expanded public school facilities or debt service on bonds issued for such facilities or for new school construction.]

[A portion of the Bonds is being issued for school renovation facilities. The principal and interest on this portion of the Bonds are expected to be paid in the first instance from amounts on deposit in a separate Telecommunication Tax-Supported School Renovation Projects account established in the County's Capital Projects Fund, subject to availability and appropriation for such purpose. Md. Local Government Code Ann. Section 20-605, as amended, authorizes the County to levy and collect a sales and use tax on telecommunication service provided in the County at a rate not less than 5%. The Telecommunication Tax included in the County's Operating Budget for fiscal year 2018 is 9%. Each vendor providing telecommunication service in the County is required to collect the tax on behalf of, and remit the tax to, the County. Of the net proceeds of the revenue from the telecommunications tax, at least ninety percent (90%) is to be used for school system operating expenditures, and the remainder is to be used to pay for capital expenditures for school renovation projects or debt service on the bonds issued by the County for school renovation projects.]

[A portion of the Bonds is being issued for mass transit facilities. The principal and interest on this portion of the Bonds will be payable in the first instance from a separate ad valorem tax levied and collected by the County on behalf of the Washington Suburban Transit Commission ("WSTC"). WSTC is authorized to direct the levy of a property tax on all taxable real and personal property in the County pursuant to the Washington Suburban

Transit District Act (Chapter 870 of the Laws of Maryland, 1965), as amended. The County Attorney is of the opinion that real property taxes levied by WSTC are not subject to the limitations set forth in Sections 812 and 813 of the Charter.]

[A portion of the Bonds is being issued for stormwater management facilities. The principal and interest on this portion of the Bonds will be payable in the first instance from amounts on deposit in the Stormwater Management District Fund ("Stormwater Fund"). The County, by the adoption of CB-24-2020, has covenanted to levy in each fiscal year during which this portion of the Bonds is outstanding a direct ad valorem tax upon all property assessed for the purposes within the Stormwater Management District established pursuant to Subtitle 2 of Title 3 of Article 29 of the Annotated Code of Maryland ("Stormwater District"), at a rate sufficient to produce the amount needed to pay, in addition to the other costs of stormwater facilities to be paid from amounts in the Stormwater Fund, such principal and interest coming due during such fiscal year, and in the event the proceeds from the taxes so levied in any such fiscal year shall prove insufficient for such payment, to levy additional taxes within the Stormwater District in succeeding fiscal years to make up such deficiency.]

[A portion of the Bonds is being issued for solid waste management facilities. The principal and interest on this portion of the Bonds are expected to be paid in the first instance from net income of the County's Solid Waste Enterprise fund, subject to availability and appropriation for such purpose.]

It is hereby certified and recited that each and every act, condition, and thing required to exist, to be done, to have happened, and to be performed precedent to and in the issuance of this Bond, does exist, has been done, has happened and has been performed in full and strict compliance with the Constitution and laws of the State of Maryland, the County Charter, the Authorization Ordinance, the Enabling Acts of the County and the Executive Orders of the County Executive referred to herein, and that the issue of Bonds, of which this Bond is one, together with all other indebtedness of the County, is within every debt and other limit prescribed by the Constitution and laws of the State of Maryland and the County.

This Bond shall not become obligatory for any purpose or be entitled to any benefit under the above-mentioned laws, County Charter, Authorization Ordinance, Enabling Acts or Executive Orders until the Certificate of Authentication hereon shall have been signed by an authorized signatory of the Bond Registrar.

IN WITNESS WHEREOF, Prince George's County, Maryland has caused this Bond to be signed in its name by the manual or facsimile signature of its County Executive and its corporate seal to be affixed or imprinted hereon manually or by facsimile, attested by the manual or facsimile signature of the Clerk of the County Council of the County; and it has caused this Bond to be authenticated by the manual signature of an authorized signatory of the Bond Registrar.

The County will provide services as Bond Registrar to open books for the registration and for the transfer of registered Bonds. This Bond will be transferable only upon the Bond Register kept at the Office of the Director of Finance of the County by the Registered Owner in person, or by his or her attorney duly authorized in writing, upon surrender together with a written instrument of transfer in the form attached hereto and satisfactory to the Bond Registrar duly executed by the Registered Owner or duly authorized attorney.

This Bond may be transferred or exchanged at the office of the Bond Registrar. Upon any such transfer or exchange, the County shall issue a new registered Bond or Bonds of any of the authorized denominations in aggregate principal amount equal to the principal amount of the Bond transferred or exchanged or the unredeemed portion thereof, and maturing on the same date and bearing interest at the same rate. In each case, the Bond Registrar may require payment by the Registered Owner of this Bond requesting exchange or transfer hereof of any tax, fee or other governmental charge, shipping charges and insurance that may be required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the Registered Owner hereof for such exchange or transfer. Said new Bond or Bonds will be delivered to the transferee only after due authentication thereof by any authorized signatory of the Bond Registrar. The Bond Registrar shall not be required to transfer or exchange any Bond after the mailing of a notice calling such Bond for redemption has been made, or during the period of fifteen (15) days next preceding mailing of a notice of redemption.

The County may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of or on account of the principal or redemption price hereof and interest due hereon and for all other purposes.

Bonds maturing on or after _____, 20__, are subject to redemption prior to their respective maturities in whole or in part on _____, 20__ or at any time thereafter, at the option of the County and in the order of maturity directed by the County, at the following redemption price expressed as a percentage of the principal amount of Bonds or portions thereof to be redeemed plus accrued interest thereon to the date fixed for redemption:

<u>Period During Which Redeemed</u>	<u>Redemption</u>
<u>Price</u>	
_____, 20__ and thereafter	_____%

If fewer than all of the Bonds shall be called for redemption, the particular maturities of the Bonds or portions thereof to be redeemed shall be selected by the County. If fewer than all of the Bonds of any maturity shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot or in such manner as the Bond Registrar and Paying Agent, at its discretion, may deem proper.

When less than all of a registered Bond in a denomination in excess of \$5,000 shall be so redeemed, then, upon the surrender of such Bond, there may be issued to the Registered Owner thereof, without charge, for the unredeemed balance of the principal amount of such Bond, at the option of such Registered Owner, registered Bonds in any of the authorized denominations, the aggregate face amount of such Bonds not to exceed the unredeemed balance of the registered Bond so surrendered, and to bear the same interest rate and to mature on the same date as said unredeemed balance.

If, in accordance with the foregoing option, the County elects to redeem all outstanding Bonds, or less than all, it will give notice described herein of its intention to redeem by letter mailed first class, postage prepaid, to the Registered Owners of such Bonds at least thirty (30) days prior to the date fixed for such redemption, at the addresses of such Registered Owners appearing on the Bond Register kept by the Bond Registrar; provided, however, that the failure to mail such notice or any defect in the notice so mailed, or in the mailing thereof shall not affect the validity of the proceedings for the redemption of the Bonds for which notice was properly given. Said notice shall state for all Bonds being redeemed: the maturity date, certificate numbers, redemption date, redemption price, the address of the office of the Bond Registrar and Paying Agent with a contact person and telephone number, whether the Bonds are being redeemed in whole or in part and shall also state that the interest on the Bonds so called shall cease to accrue on the date fixed for redemption and shall require that the Bonds so called be presented for redemption and payment at the office of the Paying Agent.

From and after the date fixed for redemption, if due notice has been given as herein provided, and the funds sufficient for payment of the redemption price and accrued interest shall be available therefor on such date, the Bonds so designated for redemption shall cease to bear interest.

Upon presentment and surrender in compliance with said notice, the Bonds so called for redemption shall be paid by the Paying Agent at the redemption price plus any accrued interest. If not so paid on presentment thereof, said Bonds so called shall continue to bear interest at the rates expressed therein until paid. All Bonds redeemed and paid hereunder will be canceled.

Registration Under DTC Book - Entry Only System

Initially, the Bonds are to be delivered and registered under the book-entry only system maintained by The Depository Trust Company, New York, New York ("DTC"). Adjustments to Maturity Schedule: Pre-sale, the County reserves the right to increase or decrease the aggregate principal amount of the Bonds and/or change the maturity schedule set forth above from time to time up until 9:30 a.m. prevailing Eastern Time on the date of sale. Any pre-sale revisions to the maturity schedule will be made available on the BiDCOMP/Parity/www.i-dealprospectus.com system no later than 9:30 a.m. prevailing Eastern Time on the date of sale. In the event any such pre-sale revisions are made to the maturity schedule and so communicated not later than 9:30 a.m. prevailing Eastern Time on the date of sale, the last pre-sale revisions so published shall constitute the applicable maturity schedule for purposes of submitting electronic or sealed written bids with respect to the Bonds.

Serial and/or Term Bonds: Bidders may designate in their proposals two or more consecutive annual principal payments beginning no earlier than _____, 20__ and in any year thereafter as a term bond which matures on the maturity date of the last annual principal payment of the sequence. The stated maturity date for any such term bond so designated may not be earlier than _____, 20__. Only one or two such sequences may be designated as term bonds. Any term bond so designated shall be subject to mandatory sinking fund redemption in each year on the principal payment date and in the entire final principal amount of each annual principal payment designated for inclusion in such term bond.

Form of Bonds: The Bonds will be issued in fully registered form and sold through a book-entry system with no physical distribution of bond certificates made to the public. One bond certificate for each maturity will be issued to Cede & Co., the partnership nominee of The Depository Trust Company, New York, New York ("DTC"), and immobilized in DTC's custody. The book-entry system will evidence ownership of the Bonds in the principal amount of \$5,000 and integral multiples thereof, with transfers of ownership interests of each actual purchaser of a Bond effected on the records of DTC and its participants. The successful bidder, as a condition to delivery of the Bonds, shall be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., DTC's partnership nominee.

DTC may determine not to continue to act as securities depository for the Bonds at any time by giving notice to the County. The County may determine to select a different securities depository, or the County may determine not to continue the book-entry system at any time by giving notice to DTC. If the County does not identify another qualified securities depository to replace DTC, the County will deliver replacement bonds in the form of fully registered certificates.

Principal and Interest Payments: So long as the Bonds are held by DTC under a book-entry only system, payments of the principal of and interest on the Bonds will be made to Cede & Co., or other nominee of DTC, as registered owner of the Bonds, on the date such payment is due or if such date is not a Business Day (hereinafter defined) then on the next succeeding Business Day (or as otherwise required by DTC). Interest on the Bonds from _____, 20__ is payable on _____, 20__ and semiannually thereafter on _____ and _____ of each year until maturity, unless the Bonds are redeemed prior to maturity. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC, and transfer of principal and interest payments to beneficial owners of the Bonds by

participants of DTC will be the responsibility of such participants and other nominees of beneficial owners. The County will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants.

"Business Day" means any day of the year on which (i) banking institutions in New York or in Maryland are not authorized or obligated by law to remain closed or on which the New York Stock Exchange is not closed or (ii) the offices of the County are not authorized or obligated by law or required by Executive Order of the County Executive of the County to be closed.

The County will act as the Bond Registrar and as the Paying Agent for the Bonds (the "Bond Registrar and Paying Agent"). The office of the Bond Registrar and Paying Agent is located at the Office of the Director of Finance, County Administration Building, Suite 3200, 14741 Governor Oden Bowie Drive, Upper Marlboro, Maryland 20772.

All payments of the principal and interest on the Bonds shall be in such coin or currency of the United States as at the time of payment is legal tender for payment of public and private debts. If the book-entry only system of registration is discontinued, interest on the Bonds will be payable by check mailed by the Bond Registrar and Paying Agent to the persons in whose names the Bonds are registered as of the close of business on the first day of the month in which such interest payment date occurs at the addresses as they appear on the registration books maintained by the Bond Registrar and Paying Agent, and the principal of the Bonds and any redemption premium will be paid upon presentation and surrender of the Bonds at the office of the Bond Registrar and Paying Agent.

Optional Redemption: Outstanding Bonds maturing on or before _____, 20__, are not subject to redemption prior to their maturity. Outstanding Bonds maturing on or after _____, 20__ are subject to redemption prior to maturity, in whole or in part, on _____, 20__ or at any time thereafter, at the option of the County and in the order of maturity directed by the County, on at least thirty (30) days' notice, at the following redemption price, expressed as a percentage of the principal amount of the Bonds or portions thereof to be redeemed, plus accrued interest thereon to the date fixed for redemption:

Redemption

Redemption Period Price

_____, 20__ and thereafter ____%

If fewer than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot by the Bond Registrar and Paying Agent or in such other manner as the Bond Registrar and Paying Agent, at its discretion, may deem proper.

Authority to Issue: The Bonds are being issued under the authority of Section 10-203 of the Local Government Article of the Annotated Code of Maryland (2013 Replacement Volume and 2019 Supplement), as amended (the "Enabling Law"), the County Charter, the Authorization Ordinances identified in the next sentence, the bond enabling laws cited in the Authorization Ordinances (the "Enabling Acts") and certain orders of the County Executive. The following

County Council Bills provide authority for the Bonds: CB-_____ (collectively, the "Authorization Ordinances").

Purpose: The Bonds are being issued to provide funds for financing, in whole or in part, the costs of planning, construction, reconstruction, establishment, extension, enlargement, demolition, improvement or acquisition of certain capital projects, including public school facilities, roads and bridges, libraries, community college facilities, fire stations, stormwater management facilities, environmental resource facilities, solid waste facilities, mass transit facilities, health facilities and County buildings.

Sources of Payment: The County has pledged its full faith and credit and taxing power for the payment of the principal of and interest on the Bonds. To provide for the payment of the Bonds, the County is empowered and directed to levy ad valorem taxes upon all legally assessable property within the corporate limits of the County; such tax is subject, however, to the limitations set forth in Sections 812 and 813 of the County Charter. Section 812 provides, in part, that the County shall not levy "a real property tax which would result in a total collection of real property taxes greater than the amount collected in fiscal year 1979; [except that the County] may levy a real property tax which would result in a total collection of real property taxes greater than the amount collected in fiscal year 1979 if the real property tax rate does not exceed Two Dollars and forty cents (\$2.40) for each One Hundred Dollars (\$100.00) of assessed value." Section 813 provides that any ordinance or resolution levying or charging taxes or certain fees in excess of the amount levied or charged in the preceding fiscal year shall be referred to a referendum of the qualified voters of the County. In the 2000 legislation session, the State legislature enacted a law providing that beginning fiscal 2002, the property tax for real property shall be applied to 100 percent, instead of 40 percent, of the phase-in value of the real property and that the tax rate shall be adjusted to make the impact revenue neutral. Such State law also provides that any limit on a local real property tax rate in a local law or charter provision shall be construed to mean a rate equal to 40 percent times the rate stated in the local law or charter provision. Pursuant to this new law, the tax rate is \$0.96 for real property and \$2.40 for personal property upon each \$100 assessed value of all assessable property, real and personal, assessed according to the State law and subject to taxation in the County.

[Portions of the principal amount of the Bonds are expected to be expended as follows: \$_____ * is for capital expenditures for school facilities, \$__ * is for capital expenditures for school renovation projects, \$__ * is for capital expenditures for mass transit projects, \$_____ * is for capital expenditures for stormwater management facilities and \$__ * is for capital expenditures for solid waste facilities. The allocable portions of debt service on these Bonds in the first instance is expected to be paid in their entirety from distinct and separate chargeable revenue sources. Principal and interest on (i) \$_____ * Bonds is expected to be payable in the first instance from amounts on deposit in a separate school facilities surcharge account, (ii) \$_____ * Bonds is expected to be payable in the first instance from amounts on deposit in a separate school renovation projects account supported by up to 10% of sales and use tax levied by the County on telecommunication service in the County, (iii) \$_____ * Bonds will be payable in the first instance from a separate tax levied and collected by the County on behalf of the Washington Suburban Transit Commission, (iv) \$_____ * Bonds will be payable in the first instance from amounts on deposit in the Stormwater Management Fund from a separate ad valorem unlimited tax levied by the County upon all property assessed for the purposes within

the Stormwater Management District, and (v) \$____* Bonds is expected to be payable in the first instance from net income of the County's Solid Waste Enterprise Fund.]

Minority Participation: The County encourages each bidder for the Bonds to make a good faith effort to include minority business enterprises in the syndicate purchasing the Bonds. Each bidder is requested to submit with its bid a listing of the initial members of the purchasing syndicate, setting forth the initial contribution of each member and identifying the minority business enterprises with an asterisk (*). Upon request, the Director of Finance of the County and the Financial Advisor to the County will make available a non-exclusive list of underwriters and investment bankers the County has identified as minority business enterprises.

Price and Interest Rate Bid: Each bidder shall submit one bid on an "all-or-none" basis. Each proposal must specify the amount of the bid for the Bonds, which must be not less than par, and must specify the rate or rates of interest to be paid thereon. Each rate of interest shall be a multiple of one-twentieth (1/20) or one-eighth (1/8) of one percent, but all Bonds of any one maturity must bear interest at the same rate. Any rate named may be repeated. The difference between the maximum and minimum interest rates may not be greater than 3%. A zero rate may not be named. For maturities from 20__ through 20__, inclusive, no interest rate may be bid that is lower than the interest rate in the immediately preceding year.

* Preliminary, subject to change.

If the Bonds qualify for issuance of any policy of municipal bond insurance any purchase of municipal bond insurance or commitment therefor shall be made at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance (including, without limitation, the premium for any such policy of municipal bond insurance and the fees of any rating agencies in connection therewith) shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds.

Form of Non-Electronic Bids: Non-electronic bids must be submitted on the prescribed form accompanying this Notice of Sale and must be enclosed in a sealed envelope addressed "Director of Finance, Prince George's County, Maryland, Suite 3200, 3rd Floor, County Administration Building, 14741 Governor Oden Bowie Drive, Upper Marlboro, Maryland 20772", and marked on the outside "Bid for Bonds." Non-electronic bids must be received by __: __ a.m., prevailing Eastern Time, on _____, 20__. The time as reflected on PARITY shall be deemed to be the official prevailing Eastern Time.

Each bid should be accompanied by a listing of the members of the purchasing syndicate, setting forth the contribution of each member and designating minority business enterprises with an asterisk (*).

Electronic Bids: Electronic bids will be received via PARITY, in the manner described below, until __: __ a.m., prevailing Eastern Time, on _____, 20__.

Bids may be submitted electronically via PARITY pursuant to this notice until __:__ a.m., prevailing Eastern Time, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this notice, the terms of this notice shall control. For further information about PARITY, potential bidders may contact PARITY at i-Deal LLC (817) 885-8900 or (212) 849-5021.

Disclaimer: Each prospective electronic bidder shall be solely responsible to submit its bid via PARITY as described above. Each prospective electronic bidder shall be solely responsible to make necessary arrangements to access PARITY for the purpose of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the County nor PARITY shall have any duty or obligation to provide or assure access to PARITY to any prospective bidder, and neither the County nor PARITY shall be responsible for proper operation of or have any liability for any delays or interruptions of, or any damages caused by PARITY. The County is using PARITY as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Bonds. The County is not bound by any advice and determination of PARITY to the effect that any particular bid complies with the terms of this Notice of Sale and in particular the bid parameters set forth herein. All costs and expenses incurred by prospective bidders in connection with their submission of bids via PARITY are the sole responsibility of the bidders; and the County is not responsible, directly or indirectly, for any such costs or expenses. If a prospective bidder encounters any difficulty in submitting, modifying, or withdrawing a bid for the Bonds, such bidder should telephone PARITY at i-Deal LLC (817) 885-8900 or (212) 849-5021 and notify the County's Financial Advisor, Public Advisory Consultants, Inc., by facsimile at (410) 581-9808.

Electronic Bidding Procedures: Electronic bids must be submitted for the purchase of the Bonds (all or none) via PARITY. Bids will be communicated electronically to the County at __:__ a.m., prevailing Eastern Time, on _____, _____ 20__*. Prior to that time, a prospective bidder may (1) submit the proposed terms of its bids via PARITY, (2) modify the proposed terms of its bid, in which event the proposed terms as last modified will (unless the bid is withdrawn as described herein) constitute its bid for the Bonds, or (3) withdraw its proposed bid. Once the bids are communicated electronically via PARITY to the County, each bid will constitute an irrevocable offer to purchase the Bonds on the terms therein provided. For purposes of the electronic bidding process, the time as maintained on PARITY shall constitute the official time.

*Preliminary, subject to change.

Good Faith Deposit: As a condition precedent to the consideration of any bid proposal, each bidder shall provide with its proposal a good faith deposit in the amount of \$_____* (the "Deposit"). The Deposit shall be in the form of (i) a certified, cashier's or treasurer's check drawn on a responsible financial institution payable to the order of Prince George's County, Maryland, or (ii) a financial surety bond naming the County as beneficiary. If a financial surety bond is to be provided, it must be from an insurance company whose claims paying ability is rated AAA by S&P Global Ratings, a division of S&P Global, Inc. or Aaa by Moody's Investors Service, and which is licensed to issue such a bond in the State of Maryland, and shall name the County as beneficiary (such bond is herein referred to as a "Financial Surety Bond"). In addition, the proposed form of any Financial Surety Bond, including the identity of the insurance company, must be provided to _____, Bond Counsel to the County, by facsimile

transmission to (____) _____ not later than 3:00 p.m. prevailing Eastern Time on the business day immediately preceding the bid date. The Financial Surety Bond must identify the bidder whose Deposit is guaranteed by the Financial Surety Bond. If the Bonds are awarded to a bidder utilizing a Financial Surety Bond, then that purchaser is required to submit the amount of the Deposit to the County by wire transfer as instructed by the County not later than noon prevailing Eastern Time on the next business day following the award. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the County to satisfy the Deposit requirement.

If the successful bidder does not carry out the terms of its proposal to purchase the Bonds, the County will be damaged in an amount difficult or impossible to ascertain or estimate, and consequently the County may then retain the entire amount of such bidder's Deposit as stipulated and liquidated damages. Any Deposit of unsuccessful bidders in the form of a check will be returned upon the award of the Bonds. No interest will be paid upon the Deposit by a bidder.

Award of Bonds: The Director of Finance of the County will not consider and will reject any bid for the purchase of less than all of the Bonds. No bid at less than par plus accrued interest, if any, will be considered. The right is reserved to reject any and all bids.

The County expects and intends that the bid for the Bonds will satisfy the federal tax requirements for a qualified competitive sale of bonds, including, among other things, receipt of bids for the Bonds from at least three underwriters, who have established industry reputations for underwriting new issuances of municipal bonds (a "Qualified Competitive Bid"). The County will advise the bidders as promptly as possible after the bids are opened whether the bid constitutes a Qualified Competitive Bid, or, in the alternative a bid that fails to satisfy such requirements (a "Nonqualified Competitive Bid").

If the bid for the Bonds is a Qualified Competitive Bid, the award of the Bonds, if made, will be made as promptly as possible after the bids are opened to the bidder offering the lowest interest rate to the County. If the bid for the bond is a Nonqualified Competitive Bid, the award of the Bonds, if made, will be made promptly as possible after the bids are opened to the bidder offering the lowest interest rate to the County among the bidder or bidders that have confirmed to the County, not later than [TIME], that the bidder or bidders will proceed with the bid for the Bonds following the procedures for a Nonqualified Competitive Sale described below, which are provided to establish the initial sale prices or initial offering prices, as applicable, of the Bonds. **It is noted that such procedures for a Nonqualified Competitive Bid may require the winning bidder and, if applicable, other underwriters of the Bonds, to hold the initial offering prices for certain maturities of the Bonds for up to 5 business days after the sale date, as further specified in form of required certification described below.** The lowest interest rate shall be determined in accordance with the true interest cost (TIC) method by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment date to the sale date of the Bonds and to the price bid, excluding interest accrued to the date of delivery, if any. If two or more responsible bidders have made proposals for the Bonds, each of which represents the lowest true interest cost to the County, then the Bonds shall be awarded to the bidder offering the highest premium, and, if the highest premium is offered by two or more such bidders or if no premium is bid by any of such bidders, then the Bonds may be awarded, with their consent, in a ratable portion among such

bidders, or the County may, in its sole discretion, determine to which of such bidders the Bonds will be awarded. The judgment of the Director of Finance shall be final and binding upon all bidders with respect to the form and adequacy of any bid received and as to its conformity to the terms of this Notice of Sale.

Each bidder for the Bonds shall make a good faith effort to solicit minority business enterprises to participate in the syndicate purchasing the Bonds, but such requirement shall in no way affect the award of the Bonds.

Delivery and Payment: The Bonds will be delivered at ___:___ a.m. prevailing Eastern Time on ____ __, 20__* or at such other time or on such earlier or later date as shall be mutually agreed upon by the County and the successful bidder (the "Closing"), at the expense of the County, at the offices of DTC in New York, New York, or at such other place as shall be mutually agreed upon by the County and the successful bidder, upon payment of the amount of the successful bid (including any premium), plus accrued interest to the date of delivery, less the amount of the good faith deposit. Such payment shall be made in federal funds by wire transfer to a designated bank account of the County. At the time of Closing, there will be delivered to the successful bidder the other closing documents hereinafter mentioned and the successful bidder will provide evidence satisfactory to the County that funds have been transferred and are immediately available to the County. It is anticipated that separate CUSIP identification numbers for each maturity will be printed on the Bonds, but neither the failure to print any such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of this Notice of Sale.

When delivered, the Bonds shall be duly executed and authenticated and registered in the name of Cede & Co., the partnership nominee of DTC, with one Bond representing each maturity of the Bonds, each in the aggregate principal amount of such respective maturity.

The Bonds may be inspected by the successful bidder at the office of DTC at least one business day prior to Closing.

Legal Opinion: The issuance of the Bonds will be subject to legal approval by _____ whose approving opinion will be delivered upon request, without charge, to the successful bidder for the Bonds.

Official Statement: Within seven (7) business days after the award of the Bonds to the successful bidder on the date of sale, the County will authorize and deliver to the successful bidder an Official Statement, which is expected to be substantially in the form of the Preliminary Official Statement referred to below. If so requested by the successful bidder at or before the close of business on the date of the sale, the County will include in the Official Statement pricing and other information with respect to the terms of the reoffering of the Bonds by the successful bidder (the "Reoffering Information"). If no Reoffering Information is specified and furnished by the successful bidder, the Official Statement will include the interest rates on the Bonds resulting from the bid of the successful bidder and the other statements with respect to reoffering contained in the Preliminary Official Statement. The successful bidder shall be responsible to the County and its officials for the Reoffering Information, and for all decisions made by the successful bidder with respect to the use or omission of the Reoffering Information in any

reoffering of the Bonds, including the presentation or exclusion of any Reoffering Information in any documents, including the Official Statement. The successful bidder will also be furnished, without cost, with up to 300 copies of the Official Statement (and any amendment or supplement thereto that is prepared other than as a result of incorrect underwriting information or Reoffering Information furnished by the successful bidder or that is prepared because of a failure of the successful bidder).

The County will undertake to provide the successful bidder with further additional information to be included in such Official Statement when, in the opinion of the County or of Bond Counsel, such additional information constitutes a material change to such Official Statement. The County will take such steps as are necessary to arrange for amending and supplementing the Official Statement in connection with the disclosure of such additional information; provided, however, that the County shall have no obligation to provide such additional information after the date which is 25 days after the "end of the underwriting period," as such term is defined in Securities and Exchange Commission Rule 15c2-12. The successful bidder for the Bonds agrees to provide promptly copies of the Official Statement to a nationally recognized municipal securities information repository in accordance with Securities and Exchange Commission Rule 15c2-12.

Continuing Disclosure: In order to assist bidders in complying with Rule 15c2-12(b)(5) of the Securities and Exchange Commission, the County will undertake, pursuant to a Continuing Disclosure Certificate, to provide (i) certain financial information and operating data annually, and (ii) notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement and also will be set forth in the final Official Statement.

It shall be a condition to the obligation of the successful bidder to accept delivery of and pay for the Bonds that simultaneously with or before delivery and payment for the Bonds, such successful bidder shall be furnished with a fully-executed copy of the Continuing Disclosure Certificate.

Closing Documents: The Bonds will be accompanied by customary closing documents, including a no-litigation certificate, effective as of the date of delivery, stating that there is no litigation pending affecting the validity of the Bonds.

It shall be a condition to the obligation of the successful bidder to accept delivery of and pay for the Bonds that simultaneously with or before delivery and payment for the Bonds such successful bidder shall be furnished a certificate of the appropriate County officials to the effect that to the best of their knowledge and belief, the Official Statement (and any amendment or supplement thereto) (except for the Reoffering Information, information concerning DTC and its book-entry system, and information regarding any municipal bond insurance obtained with respect to the Bonds, as to which no view will be expressed) as of the date of sale and as of the date of delivery of the Bonds does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and that between the date of sale and the date of delivery of the Bonds there has been no material adverse change in the financial position or revenue of the County, except as reflected or contemplated in the Official Statement.

If the County advises the bidders that the bid for the Bonds constitutes a Qualified Competitive Bid, the winning bidder shall be required to provide to the County information to establish the initial expected offering prices for each maturity of the Bonds for federal income tax purposes by completing a certificate acceptable to Bond Counsel in substantially the form set forth in Exhibit [A-1] to the Preliminary Official Statement, with appropriate completions, amendments and attachments.

If the County advises the bidders that the bid for the Bonds constitutes a Nonqualified Competitive Bid, the winning bidder shall be required to provide to the County information and assurances to establish the initial sale prices or the initial offering prices, as applicable, for each maturity of the Bonds for federal income tax purposes by completing a certification acceptable to Bond Counsel in substantially the form set forth in Exhibit [A-2] to the Preliminary Official Statement, with appropriate completions, omissions and attachments.

The successful bidder for the Bonds, by submitting its bid, agrees to provide a comparative coupon and yields statement for an uninsured transaction if it bids with insurance.
