BACKGROUND INFORMATION/FISCAL IMPACT:

This legislation is required to update the County's erosion and sediment control regulations to be consistent with the State of Maryland's revised erosion sediment control regulations and the Maryland Standards and Specifications for Soil Erosion and Sediment Control as adopted by the Maryland Department of the Environment (MDE). It also incorporates the reference to the Prince George's County Stormwater Design Manual. Additionally, the changes must be made for Prince George's County to retain delegation from MDE for stormwater management compliance inspections on development and redevelopment projects.
